CODIFICATION

Section is comprised of the first sentence of section 2 of act May 20, 1926. The remainder of section 2 of act May 20, 1926, is classified to section 152 of this title.

AMENDMENTS

1934—Act June 21, 1934, reenacted provisions comprising this section without change.

§ 152. General duties

First. Duty of carriers and employees to settle disputes

It shall be the duty of all carriers, their officers, agents, and employees to exert every reasonable effort to make and maintain agreements concerning rates of pay, rules, and working con-

ditions, and to settle all disputes, whether arising out of the application of such agreements or otherwise, in order to avoid any interruption to commerce or to the operation of any carrier growing out of any dispute between the carrier and the employees thereof.

Second. Consideration of disputes by representatives

All disputes between a carrier or carriers and its or their employees shall be considered, and, if possible, decided, with all expedition, in conference between representatives designated and authorized so to confer, respectively, by the carrier or carriers and by the employees thereof interested in the dispute.

Third. Designation of representatives

Representatives, for the purposes of this chapter, shall be designated by the respective parties without interference, influence, or coercion by either party over the designation of representatives by the other; and neither party shall in any way interfere with, influence, or coerce the other in its choice of representatives. Representatives of employees for the purposes of this chapter need not be persons in the employ of the carrier, and no carrier shall, by interference, influence, or coercion seek in any manner to prevent the designation by its employees as their representatives of those who or which are not employees of the carrier.

Fourth. Organization and collective bargaining; freedom from interference by carrier; assistance in organizing or maintaining organization by carrier forbidden; deduction of dues from wages forbidden

Employees shall have the right to organize and bargain collectively through representatives of their own choosing. The majority of any craft or class of employees shall have the right to determine who shall be the representative of the craft or class for the purposes of this chapter. No carrier, its officers, or agents shall deny or in any way question the right of its employees to join, organize, or assist in organizing the labor organization of their choice, and it shall be unlawful for any carrier to interfere in any way with the organization of its employees, or to use the funds of the carrier in maintaining or assisting or contributing to any labor organization, labor representative, or other agency of collective bargaining, or in performing any work therefor, or to influence or coerce employees in an effort to induce them to join or remain or not to join or remain members of any labor organization, or to deduct from the wages of employees any dues, fees, assessments, or other contributions payable to labor organizations, or to collect or to assist in the collection of any such dues, fees, assessments, or other contributions: *Provided*, That nothing in this chapter shall be construed to prohibit a carrier from permitting an employee, individually, or local representatives of employees from conferring with management during working hours without loss of time, or to prohibit a carrier from furnishing free transportation to its employees while engaged in the business of a labor organization.

Fifth. Agreements to join or not to join labor organizations forbidden

No carrier, its officers, or agents shall require any person seeking employment to sign any contract or agreement promising to join or not to join a labor organization; and if any such contract has been enforced prior to the effective date of this chapter, then such carrier shall notify the employees by an appropriate order that such contract has been discarded and is no longer binding on them in any way.

Sixth. Conference of representatives; time; place; private agreements

In case of a dispute between a carrier or carriers and its or their employees, arising out of grievances or out of the interpretation or application of agreements concerning rates of pay, rules, or working conditions, it shall be the duty of the designated representative or representatives of such carrier or carriers and of such employees, within ten days after the receipt of notice of a desire on the part of either party to confer in respect to such dispute, to specify a time and place at which such conference shall be held: *Provided*, (1) That the place so specified shall be situated upon the line of the carrier involved or as otherwise mutually agreed upon; and (2) that the time so specified shall allow the designated conferees reasonable opportunity to reach such place of conference, but shall not exceed twenty days from the receipt of such notice: *And provided further*, That nothing in this chapter shall be construed to supersede the provisions of any agreement (as to conferences) then in effect between the parties.

Seventh. Change in pay, rules, or working conditions contrary to agreement or to section 156 forbidden

No carrier, its officers, or agents shall change the rates of pay, rules, or working conditions of its employees, as a class, as embodied in agreements except in the manner prescribed in such agreements or in section 156 of this title.

Eighth. Notices of manner of settlement of disputes; posting

Every carrier shall notify its employees by printed notices in such form and posted at such times and places as shall be specified by the Mediation Board that all disputes between the carrier and its employees will be handled in accordance with the requirements of this chapter, and in such notices there shall be printed verbatim, in large type, the third, fourth, and fifth paragraphs of this section. The provisions of said paragraphs are made a part of the contract of employment between the carrier and each employee, and shall be held binding upon the parties, regardless of any other express or implied agreements between them.

Ninth. Disputes as to identity of representatives; designation by Mediation Board; secret elections

If any dispute shall arise among a carrier's employees as to who are the representatives of such employees designated and authorized in accordance with the requirements of this chapter, it shall be the duty of the Mediation Board, upon request of either party to the dispute, to

investigate such dispute and to certify to both parties, in writing, within thirty days after the receipt of the invocation of its services, the name or names of the individuals or organizations that have been designated and authorized to represent the employees involved in the dispute, and certify the same to the carrier. Upon receipt of such certification the carrier shall treat with the representative so certified as the representative of the craft or class for the purposes of this chapter. In such an investigation, the Mediation Board shall be authorized to take a secret ballot of the employees involved, or to utilize any other appropriate method of ascertaining the names of their duly designated and authorized representatives in such manner as shall insure the choice of representatives by the employees without interference, influence, or coercion exercised by the carrier. In the conduct of any election for the purposes herein indicated the Board shall designate who may participate in the election and establish the rules to govern the election, or may appoint a committee of three neutral persons who after hearing shall within ten days designate the employees who may participate in the election. The Board shall have access to and have power to make copies of the books and records of the carriers to obtain and utilize such information as may be deemed necessary by it to carry out the purposes and provisions of this paragraph.

Tenth. Violations; prosecution and penalties

The willful failure or refusal of any carrier, its officers or agents, to comply with the terms of the third, fourth, fifth, seventh, or eighth paragraph of this section shall be a misdemeanor, and upon conviction thereof the carrier, officer, or agent offending shall be subject to a fine of not less than \$1,000, nor more than \$20,000, or imprisonment for not more than six months, or both fine and imprisonment, for each offense, and each day during which such carrier, officer, or agent shall willfully fail or refuse to comply with the terms of the said paragraphs of this section shall constitute a separate offense. It shall be the duty of any United States attorney to whom any duly designated representative of a carrier's employees may apply to institute in the proper court and to prosecute under the direction of the Attorney General of the United States, all necessary proceedings for the enforcement of the provisions of this section, and for the punishment of all violations thereof and the costs and expenses of such prosecution shall be paid out of the appropriation for the expenses of the courts of the United States: *Provided*, That nothing in this chapter shall be construed to require an individual employee to render labor or service without his consent, nor shall anything in this chapter be construed to make the quitting of his labor by an individual employee an illegal act; nor shall any court issue any process to compel the performance by an individual employee of such labor or service, without his consent.

Eleventh. Union security agreements; check-off

Notwithstanding any other provisions of this chapter, or of any other statute or law of the United States, or Territory thereof, or of any State, any carrier or carriers as defined in this

chapter and a labor organization or labor organizations duly designated and authorized to represent employees in accordance with the requirements of this chapter shall be permitted—

(a) to make agreements, requiring, as a condition of continued employment, that within sixty days following the beginning of such employment, or the effective date of such agreements, whichever is the later, all employees shall become members of the labor organization representing their craft or class: *Provided*, That no such agreement shall require such condition of employment with respect to employees to whom membership is not available upon the same terms and conditions as are generally applicable to any other member or with respect to employees to whom membership was denied or terminated for any reason other than the failure of the employee to tender the periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership.

(b) to make agreements providing for the deduction by such carrier or carriers from the wages of its or their employees in a craft or class and payment to the labor organization representing the craft or class of such employees, of any periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership: *Provided*, That no such agreement shall be effective with respect to any individual employee until he shall have furnished the employer with a written assignment to the labor organization of such membership dues, initiation fees, and assessments, which shall be revocable in writing after the expiration of one year or upon the termination date of the applicable collective agreement, whichever occurs sooner.

(c) The requirement of membership in a labor organization in an agreement made pursuant to subparagraph (a) of this paragraph shall be satisfied, as to both a present or future employee in engine, train, yard, or hostling service, that is, an employee engaged in any of the services or capacities covered in the First division of paragraph (h) of section 153 of this title defining the jurisdictional scope of the First Division of the National Railroad Adjustment Board, if said employee shall hold or acquire membership in any one of the labor organizations, national in scope, organized in accordance with this chapter and admitting to membership employees of a craft or class in any of said services; and no agreement made pursuant to subparagraph (b) of this paragraph shall provide for deductions from his wages for periodic dues, initiation fees, or assessments payable to any labor organization other than that in which he holds membership: *Provided, however*, That as to an employee in any of said services on a particular carrier at the effective date of any such agreement on a carrier, who is not a member of any one of the labor organizations, national in scope, organized in accordance with this chapter and admitting to membership employees of a craft or class in any of said services, such employee, as a condition of continuing

his employment, may be required to become a member of the organization representing the craft in which he is employed on the effective date of the first agreement applicable to him: *Provided, further*, That nothing herein or in any such agreement or agreements shall prevent an employee from changing membership from one organization to another organization admitting to membership employees of a craft or class in any of said services.

(d) Any provisions in paragraphs Fourth and Fifth of this section in conflict herewith are to the extent of such conflict amended.

§ 153. National Railroad Adjustment Board

First. Establishment; composition; powers and duties; divisions; hearings and awards; judicial review

There is established a Board, to be known as the “National Railroad Adjustment Board”, the members of which shall be selected within thirty days after June 21, 1934, and it is provided—

(a) That the said Adjustment Board shall consist of thirty-four members, seventeen of whom shall be selected by the carriers and seventeen by such labor organizations of the employees, national in scope, as have been or may be organized in accordance with the provisions of sections 151a and 152 of this title.

(b) The carriers, acting each through its board of directors or its receiver or receivers, trustee or trustees, or through an officer or officers designated for that purpose by such board, trustee or trustees, or receiver or receivers, shall prescribe the rules under which its representatives shall be selected and shall select the representatives of the carriers on the Adjustment Board and designate the division on which each such representative shall serve, but no carrier or system of carriers shall have more than one voting representative on any division of the Board.

(c) Except as provided in the second paragraph of subsection (h) of this section, the national

labor organizations, as defined in paragraph (a) of this section, acting each through the chief executive or other medium designated by the organization or association thereof, shall prescribe the rules under which the labor members of the Adjustment Board shall be selected and shall select such members and designate the division on which each member shall serve; but no labor organization shall have more than one voting representative on any division of the Board.

(d) In case of a permanent or temporary vacancy on the Adjustment Board, the vacancy shall be filled by selection in the same manner as in the original selection.

(e) If either the carriers or the labor organizations of the employees fail to select and designate representatives to the Adjustment Board, as provided in paragraphs (b) and (c) of this section, respectively, within sixty days after June 21, 1934, in case of any original appointment to office of a member of the Adjustment Board, or in case of a vacancy in any such office within thirty days after such vacancy occurs, the Mediation Board shall thereupon directly make the appointment and shall select an individual associated in interest with the carriers or the group of labor organizations of employees, whichever he is to represent.

(f) In the event a dispute arises as to the right of any national labor organization to participate as per paragraph (c) of this section in the selection and designation of the labor members of the Adjustment Board, the Secretary of Labor shall investigate the claim of such labor organization to participate, and if such claim in the judgment of the Secretary of Labor has merit, the Secretary shall notify the Mediation Board accordingly, and within ten days after receipt of such advice the Mediation Board shall request those national labor organizations duly qualified as per paragraph (c) of this section to participate in the selection and designation of the labor members of the Adjustment Board to select a representative. Such representative, together with a representative likewise designated by the claimant, and a third or neutral party designated by the Mediation Board, constituting a board of three, shall within thirty days after the appointment of the neutral member, investigate the claims of the labor organization desiring participation and decide whether or not it was organized in accordance with sections 151a and 152 of this title and is otherwise properly qualified to participate in the selection of the labor members of the Adjustment Board, and the findings of such boards of three shall be final and binding.

(g) Each member of the Adjustment Board shall be compensated by the party or parties he is to represent. Each third or neutral party selected under the provisions of paragraph (f) of this section shall receive from the Mediation Board such compensation as the Mediation Board may fix, together with his necessary traveling expenses and expenses actually incurred for subsistence, or per diem allowance in lieu thereof, subject to the provisions of law applicable thereto, while serving as such third or neutral party.

(h) The said Adjustment Board shall be composed of four divisions, whose proceedings shall

be independent of one another, and the said divisions as well as the number of their members shall be as follows:

First division: To have jurisdiction over disputes involving train- and yard-service employees of carriers; that is, engineers, firemen, hostlers, and outside hostler helpers, conductors, trainmen, and yard-service employees. This division shall consist of eight members, four of whom shall be selected and designated by the carriers and four of whom shall be selected and designated by the labor organizations, national in scope and organized in accordance with sections 151a and 152 of this title and which represent employees in engine, train, yard, or hostling service: *Provided, however,* That each labor organization shall select and designate two members on the First Division and that no labor organization shall have more than one vote in any proceedings of the First Division or in the adoption of any award with respect to any dispute submitted to the First Division: *Provided further, however,* That the carrier members of the First Division shall cast no more than two votes in any proceedings of the division or in the adoption of any award with respect to any dispute submitted to the First Division.

Second division: To have jurisdiction over disputes involving machinists, boilermakers, blacksmiths, sheet-metal workers, electrical workers, carmen, the helpers and apprentices of all the foregoing, coach cleaners, power-house employees, and railroad-shop laborers. This division shall consist of ten members, five of whom shall be selected by the carriers and five by the national labor organizations of the employees.

Third division: To have jurisdiction over disputes involving station, tower, and telegraph employees, train dispatchers, maintenance-of-way men, clerical employees, freight handlers, express, station, and store employees, signal men, sleeping-car conductors, sleeping-car porters, and maids and dining-car employees. This division shall consist of ten members, five of whom shall be selected by the carriers and five by the national labor organizations of employees.

Fourth division: To have jurisdiction over disputes involving employees of carriers directly or indirectly engaged in transportation of passengers or property by water, and all other employees of carriers over which jurisdiction is not given to the first, second, and third divisions. This division shall consist of six members, three of whom shall be selected by the carriers and three by the national labor organizations of the employees.

(i) The disputes between an employee or group of employees and a carrier or carriers growing out of grievances or out of the interpretation or application of agreements concerning rates of pay, rules, or working conditions, including cases pending and unadjusted on June 21, 1934, shall be handled in the usual manner up to and including the chief operating officer of the carrier designated to handle such disputes; but, failing to reach an adjustment in this manner, the disputes may be referred by petition of the parties or by either party to the appropriate division of the Adjustment Board with a full statement of the facts and all supporting data bearing upon the disputes.

(j) Parties may be heard either in person, by counsel, or by other representatives, as they may respectively elect, and the several divisions of the Adjustment Board shall give due notice of all hearings to the employee or employees and the carrier or carriers involved in any disputes submitted to them.

(k) Any division of the Adjustment Board shall have authority to empower two or more of its members to conduct hearings and make findings upon disputes, when properly submitted, at any place designated by the division: *Provided, however,* That except as provided in paragraph (h) of this section, final awards as to any such dispute must be made by the entire division as hereinafter provided.

(l) Upon failure of any division to agree upon an award because of a deadlock or inability to secure a majority vote of the division members, as provided in paragraph (n) of this section, then such division shall forthwith agree upon and select a neutral person, to be known as "referee", to sit with the division as a member thereof, and make an award. Should the division fail to agree upon and select a referee within ten days of the date of the deadlock or inability to secure a majority vote, then the division, or any member thereof, or the parties or either party to the dispute may certify that fact to the Mediation Board, which Board shall, within ten days from the date of receiving such certificate, select and name the referee to sit with the division as a member thereof and make an award. The Mediation Board shall be bound by the same provisions in the appointment of these neutral referees as are provided elsewhere in this chapter for the appointment of arbitrators and shall fix and pay the compensation of such referees.

(m) The awards of the several divisions of the Adjustment Board shall be stated in writing. A copy of the awards shall be furnished to the respective parties to the controversy, and the awards shall be final and binding upon both parties to the dispute. In case a dispute arises involving an interpretation of the award, the division of the board upon request of either party shall interpret the award in the light of the dispute.

(n) A majority vote of all members of the division of the Adjustment Board eligible to vote shall be competent to make an award with respect to any dispute submitted to it.

(o) In case of an award by any division of the Adjustment Board in favor of petitioner, the division of the Board shall make an order, directed to the carrier, to make the award effective and, if the award includes a requirement for the payment of money, to pay to the employee the sum to which he is entitled under the award on or before a day named. In the event any division determines that an award favorable to the petitioner should not be made in any dispute referred to it, the division shall make an order to the petitioner stating such determination.

(p) If a carrier does not comply with an order of a division of the Adjustment Board within the time limit in such order, the petitioner, or any person for whose benefit such order was made, may file in the District Court of the United States for the district in which he resides or in which is located the principal operating office of

the carrier, or through which the carrier operates, a petition setting forth briefly the causes for which he claims relief, and the order of the division of the Adjustment Board in the premises. Such suit in the District Court of the United States shall proceed in all respects as other civil suits, except that on the trial of such suit the findings and order of the division of the Adjustment Board shall be conclusive on the parties, and except that the petitioner shall not be liable for costs in the district court nor for costs at any subsequent stage of the proceedings, unless they accrue upon his appeal, and such costs shall be paid out of the appropriation for the expenses of the courts of the United States. If the petitioner shall finally prevail he shall be allowed a reasonable attorney's fee, to be taxed and collected as a part of the costs of the suit. The district courts are empowered, under the rules of the court governing actions at law, to make such order and enter such judgment, by writ of mandamus or otherwise, as may be appropriate to enforce or set aside the order of the division of the Adjustment Board: *Provided, however,* That such order may not be set aside except for failure of the division to comply with the requirements of this chapter, for failure of the order to conform, or confine itself, to matters within the scope of the division's jurisdiction, or for fraud or corruption by a member of the division making the order.

(q) If any employee or group of employees, or any carrier, is aggrieved by the failure of any division of the Adjustment Board to make an award in a dispute referred to it, or is aggrieved by any of the terms of an award or by the failure of the division to include certain terms in such award, then such employee or group of employees or carrier may file in any United States district court in which a petition under paragraph (p) could be filed, a petition for review of the division's order. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Adjustment Board. The Adjustment Board shall file in the court the record of the proceedings on which it based its action. The court shall have jurisdiction to affirm the order of the division, or to set it aside, in whole or in part, or it may remand the proceedings to the division for such further action as it may direct. On such review, the findings and order of the division shall be conclusive on the parties, except that the order of the division may be set aside, in whole or in part, or remanded to the division, for failure of the division to comply with the requirements of this chapter, for failure of the order to conform, or confine itself, to matters within the scope of the division's jurisdiction, or for fraud or corruption by a member of the division making the order. The judgment of the court shall be subject to review as provided in sections 1291 and 1254 of title 28.

(r) All actions at law based upon the provisions of this section shall be begun within two years from the time the cause of action accrues under the award of the division of the Adjustment Board, and not after.

(s) The several divisions of the Adjustment Board shall maintain headquarters in Chicago, Illinois, meet regularly, and continue in session so long as there is pending before the division

any matter within its jurisdiction which has been submitted for its consideration and which has not been disposed of.

(t) Whenever practicable, the several divisions or subdivisions of the Adjustment Board shall be supplied with suitable quarters in any Federal building located at its place of meeting.

(u) The Adjustment Board may, subject to the approval of the Mediation Board, employ and fix the compensations of such assistants as it deems necessary in carrying on its proceedings. The compensation of such employees shall be paid by the Mediation Board.

(v) The Adjustment Board shall meet within forty days after June 21, 1934, and adopt such rules as it deems necessary to control proceedings before the respective divisions and not in conflict with the provisions of this section. Immediately following the meeting of the entire Board and the adoption of such rules, the respective divisions shall meet and organize by the selection of a chairman, a vice chairman, and a secretary. Thereafter each division shall annually designate one of its members to act as chairman and one of its members to act as vice chairman: *Provided, however,* That the chairmanship and vice-chairmanship of any division shall alternate as between the groups, so that both the chairmanship and vice-chairmanship shall be held alternately by a representative of the carriers and a representative of the employees. In case of a vacancy, such vacancy shall be filled for the unexpired term by the selection of a successor from the same group.

(w) Each division of the Adjustment Board shall annually prepare and submit a report of its activities to the Mediation Board, and the substance of such report shall be included in the annual report of the Mediation Board to the Congress of the United States. The reports of each division of the Adjustment Board and the annual report of the Mediation Board shall state in detail all cases heard, all actions taken, the names, salaries, and duties of all agencies, employees, and officers receiving compensation from the United States under the authority of this chapter, and an account of all moneys appropriated by Congress pursuant to the authority conferred by this chapter and disbursed by such agencies, employees, and officers.

(x) Any division of the Adjustment Board shall have authority, in its discretion, to establish regional adjustment boards to act in its place and stead for such limited period as such division may determine to be necessary. Carrier members of such regional boards shall be designated in keeping with rules devised for this purpose by the carrier members of the Adjustment Board and the labor members shall be designated in keeping with rules devised for this purpose by the labor members of the Adjustment Board. Any such regional board shall, during the time for which it is appointed, have the same authority to conduct hearings, make findings upon disputes and adopt the same procedure as the division of the Adjustment Board appointing it, and its decisions shall be enforceable to the same extent and under the same processes. A neutral person, as referee, shall be appointed for service in connection with any such regional adjustment board in the same circumstances and man-

ner as provided in paragraph (l) of this section, with respect to a division of the Adjustment Board.

Second. System, group, or regional boards: establishment by voluntary agreement; special adjustment boards: establishment, composition, designation of representatives by Mediation Board, neutral member, compensation, quorum, finality and enforcement of awards

Nothing in this section shall be construed to prevent any individual carrier, system, or group of carriers and any class or classes of its or their employees, all acting through their representatives, selected in accordance with the provisions of this chapter, from mutually agreeing to the establishment of system, group, or regional boards of adjustment for the purpose of adjusting and deciding disputes of the character specified in this section. In the event that either party to such a system, group, or regional board of adjustment is dissatisfied with such arrangement, it may upon ninety days' notice to the other party elect to come under the jurisdiction of the Adjustment Board.

If written request is made upon any individual carrier by the representative of any craft or class of employees of such carrier for the establishment of a special board of adjustment to resolve disputes otherwise referable to the Adjustment Board, or any dispute which has been pending before the Adjustment Board for twelve months from the date the dispute (claim) is received by the Board, or if any carrier makes such a request upon any such representative, the carrier or the representative upon whom such request is made shall join in an agreement establishing such a board within thirty days from the date such request is made. The cases which may be considered by such board shall be defined in the agreement establishing it. Such board shall consist of one person designated by the carrier and one person designated by the representative of the employees. If such carrier or such representative fails to agree upon the establishment of such a board as provided herein, or to exercise its rights to designate a member of the board, the carrier or representative making the request for the establishment of the special board may request the Mediation Board to designate a member of the special board on behalf of the carrier or representative upon whom such request was made. Upon receipt of a request for such designation the Mediation Board shall promptly make such designation and shall select an individual associated in interest with the carrier or representative he is to represent, who, with the member appointed by the carrier or representative requesting the establishment of the special board, shall constitute the board. Each member of the board shall be compensated by the party he is to represent. The members of the board so designated shall determine all matters not previously agreed upon by the carrier and the representative of the employees with respect to the establishment and jurisdiction of the board. If they are unable to agree such matters shall be determined by a neutral member of the board selected or appointed and compensated in the same manner as is hereinafter provided with respect to situations where the

members of the board are unable to agree upon an award. Such neutral member shall cease to be a member of the board when he has determined such matters. If with respect to any dispute or group of disputes the members of the board designated by the carrier and the representative are unable to agree upon an award disposing of the dispute or group of disputes they shall by mutual agreement select a neutral person to be a member of the board for the consideration and disposition of such dispute or group of disputes. In the event the members of the board designated by the parties are unable, within ten days after their failure to agree upon an award, to agree upon the selection of such neutral person, either member of the board may request the Mediation Board to appoint such neutral person and upon receipt of such request the Mediation Board shall promptly make such appointment. § 155. Functions of Mediation Board

First. Disputes within jurisdiction of Mediation Board

The parties, or either party, to a dispute between an employee or group of employees and a carrier may invoke the services of the Mediation Board in any of the following cases:

(a) A dispute concerning changes in rates of pay, rules, or working conditions not adjusted by the parties in conference.

(b) Any other dispute not referable to the National Railroad Adjustment Board and not adjusted in conference between the parties or where conferences are refused.

The Mediation Board may proffer its services in case any labor emergency is found by it to exist at any time.

In either event the said Board shall promptly put itself in communication with the parties to such controversy, and shall use its best efforts, by mediation, to bring them to agreement. If such efforts to bring about an amicable settlement through mediation shall be unsuccessful, the said Board shall at once endeavor as its final required action (except as provided in paragraph third of this section and in section 160 of this title) to induce the parties to submit their controversy to arbitration, in accordance with the provisions of this chapter.

If arbitration at the request of the Board shall be refused by one or both parties, the Board shall at once notify both parties in writing that its mediatory efforts have failed and for thirty days thereafter, unless in the intervening period the parties agree to arbitration, or an emergency board shall be created under section 160 of this title, no change shall be made in the rates of pay, rules, or working conditions or established practices in effect prior to the time the dispute arose.

Second. Interpretation of agreement

In any case in which a controversy arises over the meaning or the application of any agreement reached through mediation under the provisions of this chapter, either party to the said agreement, or both, may apply to the Mediation Board for an interpretation of the meaning or application of such agreement. The said Board shall upon receipt of such request notify the parties to the controversy, and after a hearing of both sides give its interpretation within thirty days.

Third. Duties of Board with respect to arbitration of disputes; arbitrators; acknowledgment of agreement; notice to arbitrators; reconvening of arbitrators; filing contracts with Board; custody of records and documents

The Mediation Board shall have the following duties with respect to the arbitration of disputes under section 157 of this title:

(a) On failure of the arbitrators named by the parties to agree on the remaining arbitrator or arbitrators within the time set by section 157 of this title, it shall be the duty of the Mediation Board to name such remaining arbitrator or arbitrators. It shall be the duty of the Board in naming such arbitrator or arbitrators to appoint only those whom the Board shall deem wholly disinterested in the controversy to be arbitrated and impartial and without bias as between the parties to such arbitration. Should, however, the Board name an arbitrator or arbitrators not so disinterested and impartial, then, upon proper investigation and presentation of the facts, the Board shall promptly remove such arbitrator.

If an arbitrator named by the Mediation Board, in accordance with the provisions of this chapter, shall be removed by such Board as provided by this chapter, or if such an arbitrator refuses or is unable to serve, it shall be the duty of the Mediation Board, promptly, to select another arbitrator, in the same manner as provided in this chapter for an original appointment by the Mediation Board.

(b) Any member of the Mediation Board is authorized to take the acknowledgement of an agreement to arbitrate under this chapter. When so acknowledged, or when acknowledged by the parties before a notary public or the clerk of a district court or a court of appeals of the United States, such agreement to arbitrate shall be delivered to a member of said Board or transmitted to said Board, to be filed in its office.

(c) When an agreement to arbitrate has been filed with the Mediation Board, or with one of its members, as provided by this section, and when the said Board has been furnished the names of the arbitrators chosen by the parties to the controversy it shall be the duty of the Board to cause a notice in writing to be served upon said arbitrators, notifying them of their appointment, requesting them to meet promptly to name the remaining arbitrator or arbitrators necessary to complete the Board of Arbitration, and advising them of the period within which, as provided by the agreement to arbitrate, they are empowered to name such arbitrator or arbitrators.

(d) Either party to an arbitration desiring the reconvening of a board of arbitration to pass upon any controversy arising over the meaning or application of an award may so notify the Mediation Board in writing, stating in such notice the question or questions to be submitted to such reconvened Board. The Mediation Board shall thereupon promptly communicate with the members of the Board of Arbitration, or a subcommittee of such Board appointed for such purpose pursuant to a provision in the agreement to arbitrate, and arrange for the reconvening of said Board of Arbitration or subcommittee, and shall notify the respective parties to the con-

troversy of the time and place at which the Board, or the subcommittee, will meet for hearings upon the matters in controversy to be submitted to it. No evidence other than that contained in the record filed with the original award shall be received or considered by such reconvened Board or subcommittee, except such evidence as may be necessary to illustrate the interpretations suggested by the parties. If any member of the original Board is unable or unwilling to serve on such reconvened Board or subcommittee thereof, another arbitrator shall be named in the same manner and with the same powers and duties as such original arbitrator.

(e) Within sixty days after June 21, 1934, every carrier shall file with the Mediation Board a copy of each contract with its employees in effect on the 1st day of April 1934, covering rates of pay, rules, and working conditions. If no contract with any craft or class of its employees has been entered into, the carrier shall file with the Mediation Board a statement of that fact, including also a statement of the rates of pay, rules, and working conditions applicable in dealing with such craft or class. When any new contract is executed or change is made in an existing contract with any class or craft of its employees covering rates of pay, rules, or working conditions, or in those rates of pay, rules, and working conditions of employees not covered by contract, the carrier shall file the same with the Mediation Board within thirty days after such new contract or change in existing contract has been executed or rates of pay, rules, and working conditions have been made effective.

(f) The Mediation Board shall be the custodian of all papers and documents heretofore filed with or transferred to the Board of Mediation bearing upon the settlement, adjustment, or determination of disputes between carriers and their employees or upon mediation or arbitration proceedings held under or pursuant to the provisions of any Act of Congress in respect thereto; and the President is authorized to designate a custodian of the records and property of the Board of Mediation until the transfer and delivery of such records to the Mediation Board and to require the transfer and delivery to the Mediation Board of any and all such papers and documents filed with it or in its possession.

(May 20, 1926, ch. 347, § 5, 44 Stat. 580; June 21, 1934, ch. 691, § 5, 48 Stat. 1195; June 25, 1948, ch. 646, § 32(a), 62 Stat. 991; May 24, 1949, ch. 139, § 127, 63 Stat. 107.)

the time and place for the beginning of conference between the representatives of the parties interested in such intended changes shall be agreed upon within ten days after the receipt of said notice, and said time shall be within the thirty days provided in the notice. In every case where such notice of intended change has been given, or conferences are being held with reference thereto, or the services of the Mediation Board have been requested by either party, or said Board has proffered its services, rates of pay, rules, or working conditions shall not be altered by the carrier until the controversy has been finally acted upon, as required by section 155 of this title, by the Mediation Board, unless a period of ten days has elapsed after termination of conferences without request for or proffer of the services of the Mediation Board.

(May 20, 1926, ch. 347, § 6, 44 Stat. 582; June 21, 1934, ch. 691, § 6, 48 Stat. 1197.)

Ex. Ord. No. 9299, eff. Feb. 4, 1943, 8 F.R. 1669, provided procedure with respect to wage and salary adjustments for employees subject to this chapter.

§ 157. Arbitration

First. Submission of controversy to arbitration

Whenever a controversy shall arise between a carrier or carriers and its or their employees which is not settled either in conference between representatives of the parties or by the appropriate adjustment board or through mediation, in the manner provided in sections 151—156 of this title such controversy may, by agreement of the parties to such controversy, be submitted to the arbitration of a board of three (or, if the parties to the controversy so stipulate, of six) persons: *Provided, however,* That the failure or refusal of either party to submit a controversy to arbitration shall not be construed as a violation of any legal obligation imposed upon such party by the terms of this chapter or otherwise.

Second. Manner of selecting board of arbitration

Such board of arbitration shall be chosen in the following manner:

(a) In the case of a board of three the carrier or carriers and the representatives of the employees, parties respectively to the agreement to arbitrate, shall each name one arbitrator; the two arbitrators thus chosen shall select a third arbitrator. If the arbitrators chosen by the parties shall fail to name the third arbitrator within five days after their first meeting, such third arbitrator shall be named by the Mediation Board.

(b) In the case of a board of six the carrier or carriers and the representatives of the employees, parties respectively to the agreement to arbitrate, shall each name two arbitrators; the four arbitrators thus chosen shall, by a majority

vote, select the remaining two arbitrators. If the arbitrators chosen by the parties shall fail to name the two arbitrators within fifteen days after their first meeting, the said two arbitrators, or as many of them as have not been named, shall be named by the Mediation Board.

Third. Board of arbitration; organization; compensation; procedure

(a) Notice of selection or failure to select arbitrators

When the arbitrators selected by the respective parties have agreed upon the remaining arbitrator or arbitrators, they shall notify the Mediation Board; and, in the event of their failure to agree upon any or upon all of the necessary arbitrators within the period fixed by this chapter, they shall, at the expiration of such period, notify the Mediation Board of the arbitrators selected, if any, or of their failure to make or to complete such selection.

(b) Organization of board; procedure

The board of arbitration shall organize and select its own chairman and make all necessary rules for conducting its hearings: *Provided, however,* That the board of arbitration shall be bound to give the parties to the controversy a full and fair hearing, which shall include an opportunity to present evidence in support of their claims, and an opportunity to present their case in person, by counsel, or by other representative as they may respectively elect.

(c) Duty to reconvene; questions considered

Upon notice from the Mediation Board that the parties, or either party, to an arbitration desire the reconvening of the board of arbitration (or a subcommittee of such board of arbitration appointed for such purpose pursuant to the agreement to arbitrate) to pass upon any controversy over the meaning or application of their award, the board, or its subcommittee, shall at once reconvene. No question other than, or in addition to, the questions relating to the meaning or application of the award, submitted by the party or parties in writing, shall be considered by the reconvened board of arbitration or its subcommittee.

Such rulings shall be acknowledged by such board or subcommittee thereof in the same manner, and filed in the same district court clerk's office, as the original award and become a part thereof.

(d) Competency of arbitrators

No arbitrator, except those chosen by the Mediation Board, shall be incompetent to act as an arbitrator because of his interest in the controversy to be arbitrated, or because of his connection with or partiality to either of the parties to the arbitration.

(e) Compensation and expenses

Each member of any board of arbitration created under the provisions of this chapter named by either party to the arbitration shall be compensated by the party naming him. Each arbitrator selected by the arbitrators or named by the Mediation Board shall receive from the Mediation Board such compensation as the Mediation Board may fix, together with his necessary

traveling expenses and expenses actually incurred for subsistence, while serving as an arbitrator.

(f) Award; disposition of original and copies

The board of arbitration shall furnish a certified copy of its award to the respective parties to the controversy, and shall transmit the original, together with the papers and proceedings and a transcript of the evidence taken at the hearings, certified under the hands of at least a majority of the arbitrators, to the clerk of the district court of the United States for the district wherein the controversy arose or the arbitration is entered into, to be filed in said clerk's office as hereinafter provided. The said board shall also furnish a certified copy of its award, and the papers and proceedings, including testimony relating thereto, to the Mediation Board to be filed in its office; and in addition a certified copy of its award shall be filed in the office of the Interstate Commerce Commission: *Provided, however,* That such award shall not be construed to diminish or extinguish any of the powers or duties of the Interstate Commerce Commission, under subtitle IV of title 49.

(g) Compensation of assistants to board of arbitration; expenses; quarters

A board of arbitration may, subject to the approval of the Mediation Board, employ and fix the compensation of such assistants as it deems necessary in carrying on the arbitration proceedings. The compensation of such employees, together with their necessary traveling expenses and expenses actually incurred for subsistence, while so employed, and the necessary expenses of boards of arbitration, shall be paid by the Mediation Board.

Whenever practicable, the board shall be supplied with suitable quarters in any Federal building located at its place of meeting or at any place where the board may conduct its proceedings or deliberations.

(h) Testimony before board; oaths; attendance of witnesses; production of documents; subpoenas; fees

All testimony before said board shall be given under oath or affirmation, and any member of the board shall have the power to administer oaths or affirmations. The board of arbitration, or any member thereof, shall have the power to require the attendance of witnesses and the production of such books, papers, contracts, agreements, and documents as may be deemed by the board of arbitration material to a just determination of the matters submitted to its arbitration, and may for that purpose request the clerk of the district court of the United States for the district wherein said arbitration is being conducted to issue the necessary subpoenas, and upon such request the said clerk or his duly authorized deputy shall be, and he is, authorized, and it shall be his duty, to issue such subpoenas.

Any witness appearing before a board of arbitration shall receive the same fees and mileage as witnesses in courts of the United States, to be paid by the party securing the subpoena.

rected: (1) to compensate the arbitrators not named by the parties at a rate not in excess of \$100 for each day together with necessary travel and subsistence expenses, and (2) to provide such services and facilities as may be necessary and appropriate in carrying out the purposes of this joint resolution.

"SEC. 3. [Decision of board]. Promptly upon the completion of the naming of the arbitration board the Secretary of Labor shall furnish to the board and to the parties to the dispute copies of his statement to the parties of August 2, 1963, and the papers therewith submitted to the parties, together with memorandums and such other data as the board may request setting forth the matters with respect to which the parties were in tentative agreement and the extent of disagreement with respect to matters on which the parties were not in tentative agreement. The arbitration board shall make a decision, pursuant to the procedures herein-after set forth, as to what disposition shall be made of those portions of the carriers' notices of November 2, 1959, identified as 'Use of Firemen (Helpers) on Other Than Steam Power' and 'Consist of Road and Yard Crews' and that portion of the organizations' notices of September 7, 1960, identified as 'Minimum Safe Crew Consist' and implementing proposals pertaining thereto. The arbitration board shall incorporate in such decision any matters on which it finds the parties were in agreement, shall resolve the matters on which the parties were not in agreement, and shall, in making its award, give due consideration to those matters on which the parties were in tentative agreement. Such award shall be binding on both the carrier and organization parties to the dispute and shall constitute a complete and final disposition of the aforesaid issues covered by the decision of the board of arbitration.

"SEC. 4. [Award]. To the extent not inconsistent with this joint resolution the arbitration shall be conducted pursuant to sections 7 and 8 of the Railway Labor Act [this section and section 158 of this title], the board's award shall be made and filed as provided in said sections and shall be subject to section 9 of said Act [section 159 of this title]. The United States District Court for the District of Columbia is hereby designated as the court in which the award is to be filed, and the arbitration board shall report to the National Mediation Board in the same manner as arbitration boards functioning pursuant to the Railway Labor Act [this chapter]. The award shall continue in force for such period as the arbitration board shall determine in its award, but not to exceed two years from the date the award takes effect, unless the parties agree otherwise.

"SEC. 5. [Hearings]. The arbitration board shall begin its hearings thirty days after the enactment of this joint resolution [Aug. 28, 1963] or on such earlier date as the parties to the dispute and the board may agree upon and shall make and file its award not later than ninety days after the enactment of this joint resolution [Aug. 28, 1963]: *Provided, however*, That said award shall not become effective until sixty days after the filing of the award.

"SEC. 6. [Collective bargaining for issues not arbitrated]. The parties to the disputes arising from the aforesaid notices shall immediately resume collective bargaining with respect to all issues raised in the notices of November 2, 1959, and September 7, 1960, not to be disposed of by arbitration under section 3 of this joint resolution and shall exert every reasonable effort to resolve such issues by agreement. The Secretary of Labor and the National Mediation Board are hereby directed to give all reasonable assistance to the parties and to engage in mediatory action directed toward promoting such agreement.

"SEC. 7. [Considerations affecting award; enforcement.]

"(a) In making any award under this joint resolution the arbitration board established under section 2 shall give due consideration to the effect of the proposed award upon adequate and safe transportation service to the public and upon the interests of the carrier and employees affected, giving due consideration to the nar-

rowing of the areas of disagreement which has been accomplished in bargaining and mediation.

"(b) The obligations imposed by this joint resolution, upon suit by the Attorney General, shall be enforceable through such orders as may be necessary by any court of the United States having jurisdiction of any of the parties.

"SEC. 8. [Expiration date]. This joint resolution shall expire one hundred and eighty days after the date of its enactment [Aug. 28, 1963], except that it shall remain in effect with respect to the last sentence of section 4 for the period prescribed in that sentence.

"SEC. 9. [Separability]. If any provision of this joint resolution or the application thereof is held invalid, the remainder of this joint resolution and the application of such provision to other parties or in other circumstances not held invalid shall not be affected thereby."

§ 158. Agreement to arbitrate; form and contents; signatures and acknowledgment; revocation

The agreement to arbitrate—

- (a) Shall be in writing;
- (b) Shall stipulate that the arbitration is had under the provisions of this chapter;
- (c) Shall state whether the board of arbitration is to consist of three or of six members;
- (d) Shall be signed by the duly accredited representatives of the carrier or carriers and the employees, parties respectively to the agreement to arbitrate, and shall be acknowledged by said parties before a notary public, the clerk of a district court or court of appeals of the United States, or before a member of the Mediation Board, and, when so acknowledged, shall be filed in the office of the Mediation Board;
- (e) Shall state specifically the questions to be submitted to the said board for decision; and that, in its award or awards, the said board shall confine itself strictly to decisions as to the questions so specifically submitted to it;
- (f) Shall provide that the questions, or any one or more of them, submitted by the parties to the board of arbitration may be withdrawn from arbitration on notice to that effect signed by the duly accredited representatives of all the parties and served on the board of arbitration;
- (g) Shall stipulate that the signatures of a majority of said board of arbitration affixed to their award shall be competent to constitute a valid and binding award;
- (h) Shall fix a period from the date of the appointment of the arbitrator or arbitrators necessary to complete the board (as provided for in the agreement) within which the said board shall commence its hearings;
- (i) Shall fix a period from the beginning of the hearings within which the said board shall make and file its award: *Provided*, That the parties may agree at any time upon an extension of this period;
- (j) Shall provide for the date from which the award shall become effective and shall fix the period during which the award shall continue in force;
- (k) Shall provide that the award of the board of arbitration and the evidence of the proceedings before the board relating thereto, when certified under the hands of at least a majority of the arbitrators, shall be filed in the clerk's office of the district court of the United States for the district wherein the controversy arose or the arbitration was entered into, which district

shall be designated in the agreement; and, when so filed, such award and proceedings shall constitute the full and complete record of the arbitration;

(l) Shall provide that the award, when so filed, shall be final and conclusive upon the parties as to the facts determined by said award and as to the merits of the controversy decided;

(m) Shall provide that any difference arising as to the meaning, or the application of the provisions, of an award made by a board of arbitration shall be referred back for a ruling to the same board, or, by agreement, to a subcommittee of such board; and that such ruling, when acknowledged in the same manner, and filed in the same district court clerk's office, as the original award, shall be a part of and shall have the same force and effect as such original award; and

(n) Shall provide that the respective parties to the award will each faithfully execute the same.

The said agreement to arbitrate, when properly signed and acknowledged as herein provided, shall not be revoked by a party to such agreement: *Provided, however,* That such agreement to arbitrate may at any time be revoked and canceled by the written agreement of both parties, signed by their duly accredited representatives, and (if no board of arbitration has yet been constituted under the agreement) delivered to the Mediation Board or any member thereof; or, if the board of arbitration has been constituted as provided by this chapter, delivered to such board of arbitration.

CODIFICATION

As originally enacted, par. (d) contained a reference to the "circuit court of appeals". Act June 25, 1948, as amended by act May 24, 1949, substituted "court of appeals" for "circuit court of appeals".

AMENDMENTS

1934—Act June 21, 1934, substituted "Mediation Board" for "Board of Mediation" wherever appearing.

§ 159. Award and judgment thereon; effect of chapter on individual employee

First. Filing of award

The award of a board of arbitration, having been acknowledged as herein provided, shall be filed in the clerk's office of the district court designated in the agreement to arbitrate.

Second. Conclusiveness of award; judgment

An award acknowledged and filed as herein provided shall be conclusive on the parties as to the merits and facts of the controversy submitted to arbitration, and unless, within ten days after the filing of the award, a petition to impeach the award, on the grounds hereinafter set forth, shall be filed in the clerk's office of the court in which the award has been filed, the court shall enter judgment on the award, which judgment shall be final and conclusive on the parties.

Third. Impeachment of award; grounds

Such petition for the impeachment or contesting of any award so filed shall be entertained by

the court only on one or more of the following grounds:

(a) That the award plainly does not conform to the substantive requirements laid down by this chapter for such awards, or that the proceedings were not substantially in conformity with this chapter;

(b) That the award does not conform, nor confine itself, to the stipulations of the agreement to arbitrate; or

(c) That a member of the board of arbitration rendering the award was guilty of fraud or corruption; or that a party to the arbitration practiced fraud or corruption which fraud or corruption affected the result of the arbitration: *Provided, however,* That no court shall entertain any such petition on the ground that an award is invalid for uncertainty; in such case the proper remedy shall be a submission of such award to a reconvened board, or subcommittee thereof, for interpretation, as provided by this chapter: *Provided further,* That an award contested as herein provided shall be construed liberally by the court, with a view to favoring its validity, and that no award shall be set aside for trivial irregularity or clerical error, going only to form and not to substance.

Fourth. Effect of partial invalidity of award

If the court shall determine that a part of the award is invalid on some ground or grounds designated in this section as a ground of invalidity, but shall determine that a part of the award is valid, the court shall set aside the entire award: *Provided, however,* That, if the parties shall agree thereto, and if such valid and invalid parts are separable, the court shall set aside the invalid part, and order judgment to stand as to the valid part.

Fifth. Appeal; record

At the expiration of 10 days from the decision of the district court upon the petition filed as aforesaid, final judgment shall be entered in accordance with said decision, unless during said 10 days either party shall appeal therefrom to the court of appeals. In such case only such portion of the record shall be transmitted to the appellate court as is necessary to the proper understanding and consideration of the questions of law presented by said petition and to be decided.

Sixth. Finality of decision of court of appeals

The determination of said court of appeals upon said questions shall be final, and, being certified by the clerk thereof to said district court, judgment pursuant thereto shall thereupon be entered by said district court.

Seventh. Judgment where petitioner's contentions are sustained

If the petitioner's contentions are finally sustained, judgment shall be entered setting aside the award in whole or, if the parties so agree, in part; but in such case the parties may agree upon a judgment to be entered disposing of the subject matter of the controversy, which judgment when entered shall have the same force and effect as judgment entered upon an award.

Eighth. Duty of employee to render service without consent; right to quit

Nothing in this chapter shall be construed to require an individual employee to render labor

or service without his consent, nor shall anything in this chapter be construed to make the quitting of his labor or service by an individual employee an illegal act; nor shall any court issue any process to compel the performance by an individual employee of such labor or service, without his consent.

CODIFICATION

As originally enacted, pars. Fifth and Sixth contained references to the "circuit court of appeals". Act June 25, 1948, as amended by act May 24, 1949, substituted "court of appeals" for "circuit court of appeals".

§ 159a. Special procedure for commuter service

(a) Applicability of provisions

Except as provided in section 590(h)¹ of this title, the provisions of this section shall apply to any dispute subject to this chapter between a publicly funded and publicly operated carrier providing rail commuter service (including the Amtrak Commuter Services Corporation) and its employees.

(b) Request for establishment of emergency board

If a dispute between the parties described in subsection (a) of this section is not adjusted under the foregoing provisions of this chapter and the President does not, under section 160 of this title, create an emergency board to investigate and report on such dispute, then any party to the dispute or the Governor of any State through which the service that is the subject of the dispute is operated may request the President to establish such an emergency board.

(c) Establishment of emergency board

(1) Upon the request of a party or a Governor under subsection (b) of this section, the President shall create an emergency board to investigate and report on the dispute in accordance with section 160 of this title. For purposes of this subsection, the period during which no change, except by agreement, shall be made by the parties in the conditions out of which the dispute arose shall be 120 days from the day of the creation of such emergency board.

(2) If the President, in his discretion, creates a board to investigate and report on a dispute between the parties described in subsection (a) of this section, the provisions of this section shall apply to the same extent as if such board had been created pursuant to paragraph (1) of this subsection.

(d) Public hearing by National Mediation Board upon failure of emergency board to effectuate settlement of dispute

Within 60 days after the creation of an emergency board under this section, if there has been no settlement between the parties, the National Mediation Board shall conduct a public hearing on the dispute at which each party shall appear and provide testimony setting forth the reasons

it has not accepted the recommendations of the emergency board for settlement of the dispute.

(e) Establishment of second emergency board

If no settlement in the dispute is reached at the end of the 120-day period beginning on the date of the creation of the emergency board, any party to the dispute or the Governor of any State through which the service that is the subject of the dispute is operated may request the President to establish another emergency board, in which case the President shall establish such emergency board.

(f) Submission of final offers to second emergency board by parties

Within 30 days after creation of a board under subsection (e) of this section, the parties to the dispute shall submit to the board final offers for settlement of the dispute.

(g) Report of second emergency board

Within 30 days after the submission of final offers under subsection (f) of this section, the emergency board shall submit a report to the President setting forth its selection of the most reasonable offer.

(h) Maintenance of status quo during dispute period

From the time a request to establish a board is made under subsection (e) of this section until 60 days after such board makes its report under subsection (g) of this section, no change, except by agreement, shall be made by the parties in the conditions out of which the dispute arose.

(i) Work stoppages by employees subsequent to carrier offer selected; eligibility of employees for benefits

If the emergency board selects the final offer submitted by the carrier and, after the expiration of the 60-day period described in subsection (h) of this section, the employees of such carrier engage in any work stoppage arising out of the dispute, such employees shall not be eligible during the period of such work stoppage for benefits under the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.].

(j) Work stoppages by employees subsequent to employees offer selected; eligibility of employer for benefits

If the emergency board selects the final offer submitted by the employees and, after the expiration of the 60-day period described in subsection (h) of this section, the carrier refuses to accept the final offer submitted by the employees and the employees of such carrier engage in any work stoppage arising out of the dispute, the carrier shall not participate in any benefits of any agreement between carriers which is designed to provide benefits to such carriers during a work stoppage.

§ 160. Emergency board

If a dispute between a carrier and its employees be not adjusted under the foregoing provisions of this chapter and should, in the judgment of the Mediation Board, threaten substantially to interrupt interstate commerce to a degree such as to deprive any section of the country of essential transportation service, the Mediation Board shall notify the President, who may thereupon, in his discretion, create a board to investigate and report respecting such dispute. Such board shall be composed of such number of persons as to the President may seem desirable: *Provided, however,* That no member appointed shall be pecuniarily or otherwise interested in any organization of employees or any carrier. All of the provisions of subchapter I of this chapter except section 153 of this title are extended to and shall cover every common carrier by air engaged in interstate or foreign commerce, and every carrier by air transporting mail for or under contract with the United States Government, and every air pilot or other person who performs any work as an employee or subordinate official of such carrier or carriers, subject to its or their continuing authority to supervise and direct the manner of rendition of his service.

(May 20, 1926, ch. 347, §201, as added Apr. 10, 1936, ch. 166, 49 Stat. 1189.)

§ 182. Duties, penalties, benefits, and privileges of subchapter I applicable

The duties, requirements, penalties, benefits, and privileges prescribed and established by the provisions of subchapter I of this chapter except section 153 of this title shall apply to said carriers by air and their employees in the same manner and to the same extent as though such carriers and their employees were specifically included within the definition of “carrier” and “employee”, respectively, in section 151 of this title.

(May 20, 1926, ch. 347, §202, as added Apr. 10, 1936, ch. 166, 49 Stat. 1189.)

§ 183. Disputes within jurisdiction of Mediation Board

The parties or either party to a dispute between an employee or a group of employees and a carrier or carriers by air may invoke the services of the National Mediation Board and the jurisdiction of said Mediation Board is extended to any of the following cases:

(a) A dispute concerning changes in rates of pay, rules, or working conditions not adjusted by the parties in conference.

(b) Any other dispute not referable to an adjustment board, as hereinafter provided, and not adjusted in conference between the parties, or where conferences are refused.

The National Mediation Board may proffer its services in case any labor emergency is found by it to exist at any time.

The services of the Mediation Board may be invoked in a case under this subchapter in the same manner and to the same extent as are the disputes covered by section 155 of this title.

(May 20, 1926, ch. 347, §203, as added Apr. 10, 1936, ch. 166, 49 Stat. 1189.)

§ 184. System, group, or regional boards of adjustment

The disputes between an employee or group of employees and a carrier or carriers by air growing out of grievances, or out of the interpretation or application of agreements concerning rates of pay, rules, or working conditions, including cases pending and unadjusted on April 10, 1936 before the National Labor Relations Board, shall be handled in the usual manner up to and including the chief operating officer of the carrier designated to handle such disputes; but, failing to reach an adjustment in this manner, the disputes may be referred by petition of the parties or by either party to an appropriate adjustment board, as hereinafter provided, with a full statement of the facts and supporting data bearing upon the disputes.

It shall be the duty of every carrier and of its employees, acting through their representatives, selected in accordance with the provisions of this subchapter, to establish a board of adjustment of jurisdiction not exceeding the jurisdiction which may be lawfully exercised by system, group, or regional boards of adjustment, under the authority of section 153 of this title.

Such boards of adjustment may be established by agreement between employees and carriers either on any individual carrier, or system, or group of carriers by air and any class or classes of its or their employees; or pending the establishment of a permanent National Board of Adjustment as hereinafter provided. Nothing in this chapter shall prevent said carriers by air, or any class or classes of their employees, both acting through their representatives selected in accordance with provisions of this subchapter, from mutually agreeing to the establishment of a National Board of Adjustment of temporary duration and of similarly limited jurisdiction.

(May 20, 1926, ch. 347, §204, as added Apr. 10, 1936, ch. 166, 49 Stat. 1189.)

§ 185. National Air Transport Adjustment Board

When, in the judgment of the National Mediation Board, it shall be necessary to have a per-

manent national board of adjustment in order to provide for the prompt and orderly settlement of disputes between said carriers by air, or any of them, and its or their employees, growing out of grievances or out of the interpretation or application of agreements between said carriers by air or any of them, and any class or classes of its or their employees, covering rates of pay, rules, or working conditions, the National Mediation Board is empowered and directed, by its order duly made, published, and served, to direct the said carriers by air and such labor organizations of their employees, national in scope, as have been or may be recognized in accordance with the provisions of this chapter, to select and designate four representatives who shall constitute a board which shall be known as the "National Air Transport Adjustment Board." Two members of said National Air Transport Adjustment Board shall be selected by said carriers by air and two members by the said labor organizations of the employees, within thirty days after the date of the order of the National Mediation Board, in the manner and by the procedure prescribed by section 153 of this title for the selection and designation of members of the National Railroad Adjustment Board. The National Air Transport Adjustment Board shall meet within forty days after the date of the order of the National Mediation Board directing the selection and designation of its members and shall organize and adopt rules for conducting its proceedings, in the manner prescribed in section 153 of this title. Vacancies in membership or office shall be filled, members shall be appointed in case of failure of the carriers or of labor organizations of the employees to select and designate representatives, members of the National Air Transport Adjustment Board shall be compensated, hearings shall be held, findings and awards made, stated, served, and enforced, and the number and compensation of any necessary assistants shall be determined and the compensation of such employees shall be paid, all in the same manner and to the same extent as provided with reference to the National Railroad Adjustment Board by section 153 of this title. The powers and duties prescribed and established by the provisions of section 153 of this title with reference to the National Railroad Adjustment Board and the several divisions thereof are conferred upon and shall be exercised and performed in like manner and to the same extent by the said National Air Transport Adjustment Board, not exceeding, however, the jurisdiction conferred upon said National Air Transport Adjustment Board by the provisions of this subchapter. From and after the organization of the National Air Transport Adjustment Board, if any system, group, or regional board of adjustment established by any carrier or carriers by air and any class or classes of its or their employees is not satisfactory to either party thereto, the said party, upon ninety days' notice to the other party, may elect to come under the jurisdiction of the National Air Transport Adjustment Board.

(i) any company by reason of its being engaged in the mining of coal, the supplying of coal to an employer where delivery is not beyond the mine tippie, and the operation of equipment or facilities therefor, or in any of such activities, and

(ii) any street, interurban, or suburban electric railway, unless such railway is operating as a part of a general diesel-railroad system of transportation, but shall not exclude any part of the general diesel-railroad system of transportation now or hereafter operated by any other motive power. The Surface Transportation Board is hereby authorized and directed upon request of the Railroad Retirement Board, or upon complaint of any party interested, to determine after hearing whether any line operated by electric power falls within the terms of this paragraph.

(b)(1) The term “employee” means (i) any individual in the service of one or more employers for compensation, (ii) any individual who is in the employment relation to one or more employers, and (iii) an employee representative: *Provided, however,* That the term “employee” shall include an employee of a local lodge or division defined as an employer in subsection (a) of this section only if he was in the service of or in the employment relation to an employer as defined in paragraph (i) of subsection (a)(1) of this section on or after August 29, 1935.

(2) The term “employee” shall not include any individual while such individual is engaged in the physical operations consisting of the mining of coal, the preparation of coal, the handling (other than movement by rail with standard railroad locomotives) of coal not beyond the mine tippie, or the loading of coal at the tippie.

(c) The term “employee representative” means any officer or official representative of a railway labor organization other than a labor organization included in the term “employer” as defined in subsection (a) of this section who before or after August 29, 1935, was in the service of an employer as defined in subsection (a) of this section and who is duly authorized and designated to represent employees in accordance with the Railway Labor Act, as amended [45 U.S.C. 151 et seq.], and any individual who is regularly assigned to or regularly employed by such officer or official representative in connection with the duties of his office.

(d)(1) An individual is in the service of an employer whether his service is rendered within or without the United States if—

(i)(A) he is subject to the continuing authority of the employer to supervise and direct the manner of rendition of his service, or (B) he is rendering professional or technical services and is integrated into the staff of the employer, or (C) he is rendering, on the property used in the employer's operations, personal services the rendition of which is integrated into the employer's operations; and

(iii) an individual shall be deemed to be in the service of a general committee of a railway-labor-organization employer not conducting the principal part of its business in the United States only if (A) he is representing a local lodge or division described in clause (A) or (B) of paragraph (ii); or (B) all, or substantially all, the individuals represented by such general committee are employees of an employer conducting the principal part of its business in the United States; or (C) he acts in the capacity of a general chairman or an assistant general chairman of a general committee which represents individuals rendering service in the United States to an employer, but in such case if his office or headquarters is not located in the United States and the individuals represented by such general committee are employees of an employer not conducting the principal part of its business in the United States only such proportion of the remuneration for such service shall be regarded as compensation as the proportion which the mileage in the United States under the jurisdiction of such general committee bears to the total mileage under its jurisdiction, unless such mileage formula is inapplicable, in which case the Board may prescribe such other formula as it finds to be equitable, and if the application of such mileage formula, or such other formula as the Board may prescribe, would result in the compensation of the individual being less than 10 per centum of his remuneration for such service no part of such remuneration shall be regarded as compensation.

(3) Notwithstanding the provisions of subdivisions (1) and (2) of this subsection, an individual not a citizen or resident of the United States shall not be deemed to be in the service of an employer when rendering service outside the United States to an employer who is required under the laws applicable in the place where the service is rendered to employ therein, in whole or in part, citizens or residents thereof. For purposes of this subdivision, the laws applicable on

(iv) he was on August 29, 1935, absent from the service of an employer by reason of a discharge which, within one year after the effective date thereof, was protested, to an appropriate labor representative or to the employer, as wrongful, and which was followed within ten years of the effective date thereof by his reinstatement in good faith to his former service with all his seniority¹ rights.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, an individual shall not be deemed to have been in the employment relation to an employer on August 29, 1935, if before that date he was granted a pension or gratuity on the basis of which a pension was awarded to him pursuant to section 6 of the Railroad Retirement Act of 1937 [45 U.S.C. 228f], or if during the last payroll period before August 29, 1935, in which he rendered service to an employer he was not in the service of an employer, in accordance with subsection (d) of this section, with respect to any service in such payroll period, or if he could have been in the employment relation to an employer only by reason of his having been, either before or after August 29, 1935, in the service of a local lodge or division defined as an employer in subsection (a) of this section.

(f)(1) The term "years of service" shall mean the number of years an individual as an employee shall have rendered service to one or more employers for compensation or received remuneration for time lost, and shall be computed in accordance with the provisions of sec-

tion 231b(i) of this title. Twelve calendar months, consecutive or otherwise, in each of which an employee has rendered such service or received such wages for time lost, shall constitute a year of service. Ultimate fractions shall be taken at their actual value.

(2) Where service prior to August 29, 1935, may be included in the computation of years of service as provided in subdivision (3) of section 231b(i) of this title, it may be included as to—

(i) service rendered to a person which was an employer on August 29, 1935, irrespective of whether such person was an employer at the time such service was rendered;

(ii) service rendered to any express company, sleeping-car company, or carrier by railroad which was a predecessor of a company which, on August 29, 1935, was an employer as defined in paragraph (i) of subsection (a)(1) of this section, irrespective of whether such predecessor was an employer at the time such service was rendered; and

(iii) service rendered to a person not an employer in the performance of operations involving the use of standard railroad equipment if such operations were performed by an employer on August 29, 1935.

(g)(1) For purposes of section 231b(i)(2) of this title, an individual shall be deemed to have been in "military service" when commissioned or enrolled in the active service of the land or naval forces of the United States and until resignation or discharge therefrom; and the service of any individual in any reserve component of the land or naval forces of the United States, while serving in the land or naval forces of the United States for any period, even though less than thirty days, shall be deemed to have been active service in such force during such period.

(2) For purposes of section 231b(i)(2) of this title, a "war service period" shall mean (A) any war period, or (B) with respect to any particular individual, any period during which such individual (i) having been in military service at the end of a war period, was required to continue in military service, or (ii) was required by call of the President, or by any Act of Congress or regulation, order, or proclamation pursuant thereto, to enter and continue in military service, or (C) any period after September 7, 1939, with respect to which a state of national emergency was duly declared to exist which requires a strengthening of the national defense. For purposes of section 231b(i)(2) of this title, the period beginning on June 15, 1948, and ending on December 15, 1950, shall be deemed to be a war service period with respect to any individual who without intervening employment not covered by this subchapter rendered service as an employee to an employer under this subchapter in the year such individual was released from active military service or in the year immediately following such year.

(3) For purposes of section 231b(i)(2) of this title, a "war period" shall be deemed to have begun on whichever of the following dates is the earliest: (A) the date on which the Congress of the United States declared war; or (B) the date as of which the Congress of the United States declared that a state of war has existed; or (C) the date on which war was declared by one or

A payment made by an employer to an individual through the employer's payroll shall be presumed, in the absence of evidence to the contrary, to be compensation for service rendered by such individual as an employee of the employer in the period with respect to which the payment is made. Compensation earned in any calendar month before 1947 shall be deemed paid in such month regardless of whether or when payment will have been in fact made, and compensation earned in any calendar year after 1946 but paid after the end of such calendar year shall be deemed to be compensation paid in the calendar year in which it will have been earned if it is so reported by the employer before February 1 of the next succeeding calendar year or if the employee establishes, subject to the provisions of section 231h of this title, the period during which such compensation will have been earned.

(2) An employee shall be deemed to be paid "for time lost" the amount he is paid by an employer with respect to an identifiable period of absence from the active service of the employer, including absence on account of personal injury, and the amount he is paid by the employer for loss of earnings resulting from his displacement to a less remunerative position or occupation. If a payment is made by an employer with respect to a personal injury and includes pay for time lost, the total payment shall be deemed to be paid for time lost unless, at the time of payment, a part of such payment is specifically apportioned to factors other than time lost, in which event only such part of the payment as is not so apportioned shall be deemed to be paid for time lost.

(3) Solely for purposes of determining amounts to be included in the compensation of an employee, the term "compensation" shall also include cash tips received by an employee in any calendar month in the course of his employment by an employer unless the amount of such cash tips is less than \$20.

(4) Tips included as compensation by reason of the provisions of subdivision (3) shall be deemed to be paid at the time a written statement including such tips is furnished to the employer pursuant to section 6053(a) of the Internal Revenue Code of 1986 [26 U.S.C. 6053(a)] or, if no statement including such tips is so furnished, at the time received. Tips so deemed to be paid in any

month shall be deemed paid for services rendered in such month.

(5) In determining compensation, there shall be attributable as compensation paid to an employee in calendar months in which he is in military service creditable under section 231b(i)(2) of this title, in addition to any other compensation paid to him with respect to such months—

(i) for each such calendar month prior to 1968, \$160;

(ii) for each such calendar month after 1967 and prior to 1975, \$260; and

(iii) for each such calendar month after 1974, the amount which is creditable as such individual's "wages" under section 209(d) of the Social Security Act [42 U.S.C. 409(d)].

(iii) remuneration earned in the service of a local lodge or division of a railway-labor-organization employer with respect to any calendar month in which the amount of such remuneration is less than \$25;

(iv) remuneration for service as a delegate to a national or international convention of a railway-labor-organization employer if the individual rendering such service has not previously rendered service, other than as such a delegate, which may be included in his "years of service;"

(v) the amount of any payment (including any amount paid by an employer for insurance or annuities, or into a fund, to provide for any such payment) made to, or on behalf of, an employee or any of his dependents under a plan or system established by an employer which makes provision for his employees generally (or for his employees generally and their dependents) or for a class or classes of his employees (or for a class or classes of his employees and their dependents), on account of sickness or accident disability or medical or hospitalization expenses in connection with sickness or accident disability; and

(vi) an amount paid specifically—either as an advance, as reimbursement or allowance—for traveling or other bona fide and necessary expenses incurred or reasonably expected to be incurred in the business of the employer provided any such payment is identified by the employer either by a separate payment or by specifically indicating the separate amounts where both wages and expense reimbursement or allowance are combined in a single payment.

(7) The term "compensation" includes any separation allowance or subsistence allowance paid under any benefit schedule provided under

section 701 of title VII of the Regional Rail Reorganization Act of 1973 [45 U.S.C. 797]² and any termination allowance paid under section 702 of that Act [45 U.S.C. 797a], but does not include any other benefits payable under that title [45 U.S.C. 797 et seq.]. The total amount of any subsistence allowance paid under a benefit schedule provided pursuant to section 701 of the Regional Rail Reorganization Act of 1973 shall be considered as having been earned in the month in which the employee first timely filed a claim for such an allowance.

(8) Notwithstanding any other provision of this subchapter, for the purposes of sections 231b(a)(1), 231c(a)(1), and 231c(f)(1) of this title, the term "compensation" includes any payment from any source to an employee or employee representative if such payment is subject to tax under section 3201 or 3211 of the Internal Revenue Code of 1986 [26 U.S.C. 3201, 3211].

(o) An individual shall be deemed to have "a current connection with the railroad industry" at the time an annuity begins to accrue to him and at death if, in any thirty consecutive calendar months before the month in which an annuity under this subchapter begins to accrue to him, or the month in which he dies if that first occurs, he will have been in service as an employee in not less than twelve calendar months and, if such thirty calendar months do not immediately precede such month, he will not have been engaged in any regular employment other than employment for an employer or employment with the Department of Transportation, the Interstate Commerce Commission, the Surface Transportation Board, the National Mediation Board, the National Transportation Safety Board, the State-owned railroad (as defined in the Alaska Railroad Transfer Act of 1982 [45 U.S.C. 1201 et seq.]), so long as it is an instrumentality of the State of Alaska, or the Railroad Retirement Board in the period before such month and after the end of such thirty months. For purposes of section 231a(b) of this title and section 231a(d) of this title only, an individual shall be deemed also to have "a current connection with the railroad industry" if, after having completed twenty-five years of service, such individual involuntarily and without fault ceased rendering service as an employee under this subchapter and did not thereafter decline an offer of employment in the same class or craft as the individual's most recent employee service. "(b)(1) The amendment made by section 1116(a) of this Act [amending this section] shall take effect October 1, 1981, except that the years of service of an individual shall not be considered less after enactment of this Act [Aug. 13, 1981] for any individual who files an application before April 1, 1982 than such individual had during the month of September 1981.

"(2) The amendments made by sections 1116(b)(1), 1118(c)(2), 1119(b)(5), 1119(c), 1119(h)(3), 1119(i)(3), 1120(a), 1120(d), 1121(c)(1), 1121(c)(2), 1123, and 1125 of this Act [amending this section and sections 231b, 231c, 231d, 231e, 231i, and 231q of this title] shall take effect January 1, 1975.

The second sentence added to section 1(o) of

the Railroad Retirement Act of 1974 by section 1116(b)(2) shall take effect October 1, 1981.

"(c) The amendment made by section 1117(a) of this Act [amending section 231a of this title] shall take effect October 1, 1981, and shall apply only with respect to individuals whose supplemental annuity closing date under section 2(b) of the Railroad Retirement Act of 1974 [section 231a(b) of this title] before the effective date of the amendment to such section by this Act did not occur before October 1, 1981.

"(2) The amendment made by section 1118(d) of this Act [amending section 231b of this title] shall apply with respect to annuity increases which become effective on or after the date described in the next sentence. The date referred to in the last preceding sentence is the later of October 1, 1981 and the date (after July 1, 1981) on which there is an increase in the rate of any tax imposed under chapter 22 (relating to railroad retirement tax) of the Internal Revenue Code of 1986 [formerly I.R.C. 1954] [chapter 22 of Title 26, Internal Revenue Code]. For the purposes of the amendment made by section 1118(d), with respect to annuities awarded before October 1, 1981, the annuity portions computed under subsections (b) and (d) of section 3 of the Railroad Retirement Act of 1974 [section 231b(b) and (d) of this title] as in effect before October 1, 1981, shall be treated as a portion of an annuity computed under section 3(b) of such Act as amended by this Act.

"(3) The amendment made by section 1118(a) of this Act [amending section 231b of this title] shall take effect on the later of October 1, 1981, and the date (after July 1, 1981) on which there is an increase in the rate of any tax imposed under chapter 22 (relating to railroad retirement tax) of the Internal Revenue Code of 1986 [chapter 22 of Title 26], and shall apply only with respect to annuities awarded on or after the date of that taking effect.

In all other awards made on or after October 1, 1981, and before October 1, 1986, for purposes of determining the initial annuity amounts only, the provisions of section 4(g) of the Railroad Retirement Act of 1974, as in effect before amendment by this Act shall be applicable. Initial annuity amounts determined under the preceding sentence shall be increased only by the same percentage, or percentages, as an employee's annuity amount determined under section 3(b) of the Railroad Retirement Act of 1974 [section 231b(b) of this title] is increased under section 3(g) of the Railroad Retirement Act of 1974 [section 231b(g) of this title] on or after the date on which such initial annuity amount began to accrue. Annuity amounts determined under section 4(g) of the Railway Retirement Act of 1974 before amendment by this Act or under section 207(2) of Public Law 93-445 [set out as a note below] shall be increased only by the same percentage, or percentages, as an employee's annuity amount determined under section 3(b) of the Railroad Retirement Act of 1974 is increased under section 3(g) of the Railroad Retirement Act of 1974 on or after October 1, 1981. Section 4(g)(5) and 4(g)(6) of the Railroad Retirement Act of 1974, as amended by this Act, shall take effect on October 1, 1981.

"(g) The amendments made by sections 1118(b), 1118(g), 1120(b), 1122(a)(2), 1122(b)(1), 1122(c), 1124, 1126,

and 1127 of this Act [enacting section 231u of this title, amending sections 231b, 231d, 231f, and 231n of this title, and enacting provisions set out as a note under section 231n of this title] shall take effect October 1, 1981.

“(h) The amendments made by sections 1117(e)(2), 1117(f), 1118(h)(2), and 1119(i)(4) [amending sections 231a, 231b, and 231c of this title] shall take effect January 1, 1982.”

§ 231a. Annuity eligibility requirements

(a) Individuals eligible for annuities; disability standards; proof of continued disability

(1) The following-described individuals, if they shall have completed ten years of service (or, for purposes of paragraphs (i), (iii), and (v), five years of service, all of which accrues after December 31, 1995) and shall have filed application for annuities, shall, subject to the conditions set forth in subsections (e), (f), and (h) of this section, be entitled to annuities in the amounts provided under section 231b of this title—

(i) individuals who have attained retirement age (as defined in section 216(l) of the Social Security Act [42 U.S.C. 416(l)]);

(ii) individuals who have attained the age of sixty and have completed thirty years of service;

(iii) individuals who have attained the age of sixty-two and have completed less than thirty years of service, but the annuity of such individuals shall be reduced by $\frac{1}{180}$ for each of the first 36 months that he or she is under retirement age (as defined in section 216(l) of the Social Security Act [42 U.S.C. 416(l)]) when the annuity begins to accrue and by $\frac{1}{240}$ for each additional month that he or she is under retirement age (as defined in section 216(l) of the Social Security Act) when the annuity begins to accrue;

(iv) individuals who have a current connection with the railroad industry, whose permanent physical or mental condition is such as to be disabling for work in their regular occupation, and who (A) have completed twenty years of service or (B) have attained the age of sixty; and

(v) individuals whose permanent physical or mental condition is such that they are unable to engage in any regular employment.

(2) For the purposes of paragraph (iv) of subdivision (1), the Board, with the cooperation of employers and employees, shall secure the establishment of standards determining the physical and mental conditions which permanently disqualify employees for work in the several occupations in the railroad industry, and the Board, employers, and employees shall cooperate in the promotion of the greatest practicable degree of uniformity in the standards applied by the several employers. An individual's condition shall be deemed to be disabling for work in his regular occupation if he will have been disqualified by his employer for service in his regular occupation in accordance with the applicable standards so established; if the employee will not have been so disqualified by his employer, the Board shall determine whether his condition is disabling for work in his regular occupation in accordance with the standards generally established; and, if the employee's regular occupation is not one with respect to which standards will have been established, the standards relating to a reasonably comparable occupation shall be used. If there is no such comparable occupation, the Board shall determine whether the employee's condition is disabling for work in his regular occupation by determining whether under the practices generally prevailing in industries in which such occupation exists such condition is a permanent disqualification for work in such occupation. For purposes of this subdivision and paragraph (iv) of subdivision (1), an employee's "regular occupation" shall be deemed to be the occupation in which he will have been engaged in more calendar months than the calendar months in which he will have been engaged in any other occupation during the last preceding five calendar years, whether or not consecutive, in each of which years he will have earned wages or salary, except that, if an employee establishes that during the last fifteen consecutive calendar years he will have been engaged in another occupation in one-half or more of all the months in which he will have earned wages or salary, he may claim such other occupation as his regular occupation.

(3) Such satisfactory proof shall be made from time to time as prescribed by the Board, of the disability provided for in paragraph (iv) or (v) of subdivision (1) and of the continuance of such disability (according to the standards applied in the establishment of such disability) until the employee attains retirement age (as defined in section 216(l) of the Social Security Act [42 U.S.C. 416(l)]). If the individual fails to comply with the requirements prescribed by the Board as to proof of the continuance of the disability until he attains retirement age (as defined in section 216(l) of the Social Security Act), his right to an annuity by reason of such disability shall, except for good cause shown to the Board, cease, but without prejudice to his rights to any subsequent annuity to which he may be entitled.

(4) An individual who is entitled to an annuity under paragraph (v) of subdivision (1), but who does not have at least ten years of service, shall, prior to the month in which the individual at-

tains age 62, be entitled only to an annuity amount computed under section 231b(a) of this title (without regard to section 231b(a)(2) of this title) or section 231b(f)(3) of this title. Upon attainment of age 62, such an individual may also be entitled to an annuity amount computed under section 231b(b) of this title, but such annuity amount shall be reduced for early retirement in the same manner as if the individual were entitled to an annuity under subsection (a)(1)(iii) of this section.

(b) Individuals eligible for supplemental annuities

An individual who—

(i) has attained age 60 and completed thirty years of service or attained age 65;

(3) For the purposes of this subchapter, the term "spouse" shall mean the wife or husband of an annuitant under subsection (a)(1) of this section who (i) was married to such annuitant for a period of not less than one year immediately preceding the day on which the application for a spouse's annuity is filed, or in the month prior to his or her marriage to such annuitant was eligible for an annuity under paragraph (i) or (iv) of subsection (d)(1) of this section or, on the basis of disability, under paragraph (iii) thereof, or is the parent of such annuitant's son or daughter; and (ii) in the case of a husband, was receiving at least one-half of his support from his wife at the time his wife's annuity under subsection (a)(1) of this section began.

(4) The "divorced wife" (as defined in section 216(d) of the Social Security Act [42 U.S.C. 416(d)]) of an individual, if—

(i) such individual has attained the age 62;

(2) The period referred to in clause (B) of subdivision (1)(i) is the period (i) beginning with the latest of (A) the month of the employee's death, (B) in the case of a widow, the last month for which she was entitled to an annuity under paragraph (ii) of subdivision (1) as the widow of the deceased employee, or (C) the month in which the widow's or widower's previous entitlement to an annuity as the widow or widower of the deceased employee terminated because her or his disability had ceased and (ii) ending with the month before the month in which she or he attains age sixty, or, if earlier, with the close of the eighty-fourth month following the month with which such period began.

(3) For purposes of paragraph (i) or (iii) of subdivision (1), a widow, widower, or child shall be under a disability if her or his permanent physical or mental condition is such that she or he is unable to engage in any regular employment. The provisions of paragraph (7) of section 202(d) of the Social Security Act (defining the terms “full-time elementary or secondary school student” and “elementary or secondary school”) shall be applied by the Board in the administration of this subsection as if the references therein to the Secretary were references to the Board. A child who attains age nineteen at a time when he is a full-time elementary or secondary school student (as defined in subparagraph (A) of paragraph (7) of section 202(d) of the Social Security Act and without the application of subparagraph (B) of such paragraph) but has not (at such time) completed the requirements for, or received, a diploma or equivalent certificate from a secondary school (as defined in section 202(d)(7)(c)(i)⁵ of the Social Security Act) shall be deemed (for purposes of determining his continuing or initial entitlement to an annuity under this subsection) not to have attained such age until the first day of the first month following the end of the quarter or semester in which he is enrolled at such time (or, if the elementary or secondary school in which he is enrolled is not operated on a quarter or semester system, until the first day of the first month following the completion of the course in which he is enrolled or until the first day of the third month beginning after such time, whichever first occurs).

(e) Compensated service; rights to return

(1) No individual shall be entitled to an annuity under subsection (a)(1) of this section until he shall have ceased to render compensated service to an employer as defined in section 231(a) of this title.

(2) An annuity under subsection (a)(1) of this section shall be paid only if the applicant shall have relinquished such rights as he may have to return to the service of an employer: *Provided, however,* That this requirement shall not apply to individuals mentioned in paragraphs (iv) and (v) of subsection (a)(1) of this section prior to attaining retirement age (as defined in section 216(l) of the Social Security Act [42 U.S.C. 416(l)]): *Provided further,* That, notwithstanding the provisions of the preceding proviso and of clause (i) of subsection (c)(1) of this section, an annuity shall be paid to the spouse of an individual only if such individual shall have satisfied the requirements of this subdivision without regard to the preceding proviso: *And provided further,* That, notwithstanding the provisions of the first proviso of this subdivision and of clause (ii) of subsection (b)(1) of this section, a supplemental annuity shall be paid to an individual only if such individual shall have satisfied the requirements of this subdivision without regard to the first proviso thereof.

(3) No annuity under subsection (a)(1) of this section or supplemental annuity under subsection (b)(1) of this section shall be paid with respect to any month in which an individual in receipt of an annuity or supplemental annuity thereunder shall render compensated service to

an employer. Individuals receiving annuities under subsection (a)(1) of this section shall report to the Board immediately all such compensated service.

(4) No annuity under paragraph (iv) or (v) of subsection (a)(1) of this section shall be paid to an individual with respect to any month in which the individual is under retirement age (as defined in section 216(l) of the Social Security Act [42 U.S.C. 416(l)]) and is paid more than the monthly allowable earnings as defined in the section (after deduction of disability related work expenses) from employment or self-employment of any form: *Provided, however,* That for purposes of this subdivision, if a payment in any one calendar month is for accruals in more than one calendar month, such payment shall be deemed to have been paid in each of the months in which accrued to the extent accrued in such month. Any such individual under the retirement age (as defined in section 216(l) of the Social Security Act) shall report to the Board any such payment of earnings for such employment or self-employment before receipt and acceptance of an annuity for the second month following the month of such payment. A deduction shall be imposed, with respect to any such individual who fails to make such report, in the annuity or annuities otherwise due the individual, in an amount equal to the amount of the annuity for each month in which he is paid such earnings in such employment or self-employment, except that the first deduction imposed pursuant to this sentence shall in no case exceed an amount equal to the amount of the annuity otherwise due for the first month with respect to which the deduction is imposed. If pursuant to the first sentence of this subdivision an annuity was not paid to an individual with respect to one or more months in any calendar year, and it is subsequently established that the total amount of such individual's earnings during such year as determined in accordance with that sentence (but exclusive of earnings for services described in subdivision (3)) did not exceed the amount of earnings computed by totaling the monthly allowable earnings as determined under this section for each month in the year (after deduction of disability related work expenses), the annuity with respect to such month or months, and any deduction imposed by reason of the failure to report earnings for such month or months under the third sentence of this subdivision, shall then be payable. If the total amount of such individual's earnings during such year (exclusive of earnings for services as described in subdivision (3) and after deduction of disability related work expenses) is in excess of the annual allowable earnings amount, the number of months in such year with respect to which an annuity is not payable by reason of the first and third sentences shall not exceed the number of months derived by dividing the amount by which such annual earnings exceed the annual allowable earnings amount by the monthly allowable earning amount determined under this section. If the computation under the preceding sentence results in a remainder greater than or equal to one-half, the number of months for which an annuity is not payable as determined under the preceding sentence shall be increased

by one. The annual allowable earnings amount shall be computed by totaling the amount of monthly allowable earnings as determined under the first sentence of this subdivision for each month in the calendar⁶ year. If the amount of the individual's annuity has changed during the calendar year, any payment of annuities which become payable solely by reason of the limitations in the preceding three sentences shall be made first with respect to the month or months for which the annuity is larger. For purposes of this subdivision, "the monthly allowable earnings" shall be \$700, except that for each year after 2007, "the monthly allowable earnings" amount shall be the larger of the amount for the previous year or the amount calculated by multiplying \$700 by the ratio of the national average wage index for the year 2 calendar⁶ years before the year for which the amount is being calculated to the national average wage index for the year 2005. The amount so computed will be rounded to the next higher multiple of \$10 where such amount is a multiple of \$5 but not of \$10 and to the nearest multiple of \$10 in any other case.

(5) The annuity of a spouse or divorced wife under subsection (c) of this section shall, with respect to any month, be subject to the same provisions of this subsection as the individual's annuity. In addition, the annuity of a spouse under subsection (c) of this section shall not be payable for any month if the individual's annuity under subsection (a)(1) of this section is not payable for such month by reason of the provisions of this subsection.

(f) Deductions on account of work

(1) That portion of the individual's annuity as is computed under section 231b(a) of this title on the basis of (A) his compensation and years of service subsequent to December 31, 1974, and (B) his wages and self-employment income derived from employment and self-employment under the Social Security Act [42 U.S.C. 301 et seq.] and that portion of the individual's annuity as is computed under section 231b(h) of this title shall be subject to deductions on account of work pursuant to the provisions of section 203 of the Social Security Act [42 U.S.C. 403] in the same manner as if such portion of such annuity were a monthly insurance benefit under that Act: *Provided, however,* That the provisions of this subdivision shall be applicable to the annuity of an individual only if such individual would be fully insured under the Social Security Act on the basis of wages and self-employment income derived from employment and self-employment under that Act and on the basis of compensation derived from service as an employee after December 31, 1974, if such service as an employee had been included in the term "employment" as defined in that Act. Any person in receipt of an annuity subject to deduction under this subsection shall report to the Board the receipt of excess earnings as defined in paragraph (3) of section 203(f) of the Social Security Act.

(2) That portion of the spouse's or divorced wife's annuity under subsection (c) of this section which is derived from the portion of the in-

dividual's annuity subject to deductions under subdivision (1) and that portion of the spouse's or divorced wife's annuity as is computed under section 231c(e) of this title shall be subject to deductions on account of work pursuant to the provisions of section 203 of the Social Security Act [42 U.S.S. 403] in the same manner as if such portion of such spouse's or divorced wife's annuity were a monthly insurance benefit under that Act. In addition, such portion of the spouse's or divorced wife's annuity shall be subject to deductions if the individual's annuity is subject to deductions under subdivision (1) in the same manner as if such portion of such spouse's or divorced wife's annuity were a monthly insurance benefit under the Social Security Act [42 U.S.C. 301 et seq.].

(3) Deductions shall not be made pursuant to subdivision (1) from that portion of an individual's annuity as is computed under section 231b(a) of this title for any month in which the annuity of such individual is reduced pursuant to section 231b(m) of this title. This subdivision shall be disregarded in determining the applicability and amount of deductions in a spouse's annuity pursuant to subdivision (2) of this subsection.

(4) Deductions shall not be made pursuant to subdivision (2) from that portion of a spouse's annuity as is computed under section 231c(a) of this title for any month in which the annuity of such spouse is reduced due to entitlement to a benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.].

(5) If an annuity begins to accrue on other than the first day of a month, subdivisions (1) and (2) of this subsection shall not apply in the year the annuity begins to accrue if the annuitant has no earnings in excess of the monthly exempt amount in such year after the annuity beginning date.

(6)(A) Except as provided in subparagraph (B)—

(i) that portion of the annuity for any month of an individual as is computed under section 231b(b) of this title and as adjusted under section 231b(g) of this title, plus any supplemental amount for such month under section 231b(e) of this title, and that portion of the annuity for any month of a spouse as is computed under section 231c(b) of this title and as adjusted under section 231c(d) of this title, shall each be subject to a deduction of \$1 for each \$2 of compensation received by such individual from compensated service rendered in such month to the last person, or persons, by whom such individual was employed before the date on which the annuity of such individual under subsection (a)(1) of this section began to accrue; and

(ii) that portion of the annuity for any month of a spouse as is computed under section 231c(b) of this title and as adjusted under section 231c(d) of this title shall be subject to a deduction of \$1 for each \$2 of compensation received by such spouse from compensated service rendered in such month to the last person, or persons, by whom such spouse was employed before the date on which the annuity of such spouse under subsection (c)(1) of this section began to accrue.

⁶So in original. Probably should be "calendar".

(B) Any deductions imposed by this subdivision for any month shall not exceed 50 percent of the annuity amount for such month to which such deductions apply.

(g) Employment compensation of survivors; deductions

(1) No annuity shall be paid to a survivor under subsection (d) of this section with respect to any month in which such survivor renders service for compensation as an employee of an employer. Survivors receiving annuities under subsection (d) of this section shall report to the Board immediately all such service for compensation.

(2) Deductions, in amounts and at such time or times as the Board shall determine, shall be made from any payments to which a survivor is entitled under subsection (d) of this section until the total of such deductions equals such survivor's annuity under that subsection for any month, if for such month such survivor would be charged with excess earnings under section 203(f) of the Social Security Act [42 U.S.C. 403(f)] or, having engaged in any activity outside the United States, would be charged under such section 203(f) of the Social Security Act [42 U.S.C. 403(f)] with any excess earnings derived from such activity if it had been an activity within the United States. For purposes of this subdivision the Board shall have the authority to take such actions and to make such determinations and such suspensions of payment of benefits in the manner and to the extent that the Secretary of Health and Human Services would be authorized to take or to make under section 203(h)(3) of the Social Security Act if the survivors were receiving the annuities to which this subdivision applies under section 202 of the Social Security Act [42 U.S.C. 402]: *Provided, however,* That in determining a survivor's excess earnings for a year for the purposes of this subdivision there shall not be included his income from employment or self-employment during months beginning with the month with respect to which he ceases to be qualified for an annuity. Survivors receiving annuities under subsection (d) of this section shall report to the Board the receipt of excess earnings described in this subdivision.

(h) Military service; reductions

(1) Repealed. Pub. L. 98-76, title IV, §414(a), Aug. 12, 1983, 97 Stat. 436.

(2) The supplemental annuity provided an individual by subsection (b) of this section shall, with respect to any month, be reduced by the amount of the supplemental pension, attributable to the employer's contribution, that such individual is entitled to receive for that month under any other supplemental pension plan: *Provided, however,* That the maximum of such reduction shall be equal to the amount of the supplemental annuity less any amount by which the supplemental pension is reduced by reason of the supplemental annuity.

(3) If a spouse or divorced wife entitled to an annuity under subsection (c) of this section or a survivor entitled to an annuity under subsection (d) of this section for any month is also entitled to annuity under subsection (a)(1) of this section for such month, the annuity under subsection (c) or (d) of this section shall be reduced, but not

below zero, by an amount equal to the annuity under subsection (a)(1) of this section: *Provided, however,* That the provisions of this subdivision shall not apply if either the spouse or survivor or the individual upon whose earnings record the spouse's or survivor's annuity under subsection (c) or (d) of this section is based rendered service as an employee to an employer, or as an employee representative, prior to January 1, 1975.

(4) If an annuitant is entitled to more than one annuity under subsections (c) and (d) of this section for a month, such annuitant shall be entitled to only the larger of such annuities for such month, except that, if such annuitant so elects, he shall instead be entitled to only the smaller of such annuities for such month.

(i) Limitation; service accrued after 1995

An individual entitled to an annuity under this section who has completed five years of service, all of which accrues after 1995, but who has not completed ten years of service, and the spouse, divorced spouse, and survivors of such individual, shall not be entitled to an annuity amount provided under section 231b(a), section 231c(a), or section 231c(f) of this title unless the individual, or the individual's spouse, divorced spouse, or survivors, would be entitled to a benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.] on the basis of the individual's employment record under both this subchapter and title II of the Social Security Act.

L. 94-12, set out as a note under section 402 of Title 42, The Public Health and Welfare.

§ 231b. Computation of annuities**(a) Amount**

(1) The annuity of an individual under section 231a(a)(1) of this title shall be in an amount equal to the amount (before any reduction on account of age and before any deductions on account of work) of the old-age insurance benefit or disability insurance benefit to which such individual would have been entitled under the Social Security Act [42 U.S.C. 301 et seq.] if all of his or her service as an employee after December 31, 1936, had been included in the term "employment" as defined in that Act.

(2) For purposes of this subsection, individuals entitled to an annuity under section 231a(a)(1)(ii) of this title shall, except for the purposes of recomputations in accordance with section 215(f) of the Social Security Act [42 U.S.C. 415(f)], be deemed to have attained retirement age (as defined by section 216(l) of the Social Security Act [42 U.S.C. 416(l)]). For purposes of this subsection, individuals entitled to an annuity under paragraph (iv) or (v) of section 231a(a)(1) of this title shall be deemed to be entitled to a disability insurance benefit under section 223 of the Social Security Act [42 U.S.C. 423].

(3) If an individual entitled to an annuity under section 231a(a)(1)(i) or (iii) of this title on the basis of less than ten years of service is entitled to a benefit under section 202(a), section 202(b), or section 202(c) of the Social Security Act [42 U.S.C. 402(a), (b), (c)] which began to accrue before the annuity under section 231a(a)(1)(i) or (iii) of this title, the annuity amount provided such individual under this subsection, shall be computed as though the annuity under this subchapter began to accrue on the later of (A) the date on which the benefit under section 202(a), section 202(b), or section 202(c) of the Social Security Act began, or (B) the date on which the individual first met the conditions for entitlement to an age reduced annuity under this subchapter other than the conditions set forth in sections 231a(e)(1) and 231a(e)(2) of this title and the requirement that an application be filed.

(b) Increased annuities under subsection (a)

(1) The amount of the annuity of an individual provided under subsection (a) of this section shall be increased by an amount equal to seven-tenths of 1 per centum of the product which is obtained by multiplying such individual's "years of service" by such individual's "average monthly compensation" as determined under this subsection. The annuity amount payable to the individual under this subsection shall be reduced by 25 per centum of the annuity amount computed for such individual under subsection (h)(1) or (h)(2), and subsection (h)(5), of this section without regard to section 231f(c)(1) of this title. An individual's "average monthly compensation" for purposes of this subsection shall be the quotient obtained by dividing by 60 such individual's total compensation for the 60 months, consecutive or otherwise, during which such individual received that individual's highest monthly compensation, except that no part of any month's compensation in excess of the

maximum amount creditable for any individual for such month under subsection (j) of this section shall be recognized. In determining the months of compensation to be used for purposes of this subsection, the total compensation reported for the individual under section 231h of this title or credited to such individual under subsection (j) of this section for a year divided by the number of months of service credited to such individual under subsection (i) of this section with respect to such year shall be considered the monthly compensation of the individual for each month of service in any year for which records of the Board do not show the amount of compensation paid to the individual on a monthly basis. If the "average monthly compensation" computed under this subsection is not a multiple of \$1, it shall be rounded to the next lower multiple of \$1.

(2) For purposes of subdivision (1) of this subsection, in determining "average monthly compensation" for an individual who has not engaged in employment for an employer in the 60-month period preceding the month in which such individual's annuity began to accrue, and whose major employment during such 60-month period was for a United States department or agency named in section 231(o) of this title, the amount of compensation used with respect to each month used in making such determination shall be the product of—

(i) the compensation credited to such individual for such month under paragraph (1) of this subsection; and

(ii) the quotient obtained by dividing—

(I) the average of total wages (as determined under section 215(b)(3)(A)(ii)(I) of the Social Security Act [42 U.S.C. 415(b)(3)(A)(ii)(I)]) for the second calendar year preceding the earliest of the year of the individual's death or the year in which an annuity begins to accrue to such individual (disregarding an annuity based on disability which is terminated because such individual has recovered from such disability if such individual engages in any regular employment after such termination); by

(II) the average of total wages (as determined under section 215(b)(3)(A)(ii)(II) of the Social Security Act [42 U.S.C. 415(b)(3)(A)(ii)(II)]) for the calendar year during which such month occurred, unless such month occurred prior to calendar year 1951, in which case, the average of total wages so determined for 1951.

In no event shall "average monthly compensation" determined for an individual under this subdivision exceed the maximum "average monthly compensation" which can be determined under subdivision (1) of this subsection for any person retiring January 1 of the year in which such individual's annuity began to accrue.

(c), (d) Repealed. Pub. L. 97-35, title XI, § 1118(b), Aug. 13, 1981, 95 Stat. 631

(e) Supplemental annuities

The supplemental annuity of an individual under section 231a(b) of this title shall be \$23 plus an additional amount of \$4 for each year of

service that the individual has in excess of 25 years, but in no case shall the supplemental annuity exceed \$43.

(f) Reductions in annuities

(1) If, in the case of an individual whose annuity under section 231a(a)(1) of this title began to accrue prior to January 1, 1983, the annuity (before any reduction due to such individual's entitlement to a monthly insurance benefit under the Social Security Act [42 U.S.C. 301 et seq.] and disregarding any amount provided by subsection (h) of this section) plus the supplemental annuity to which such individual is entitled for any month under this subchapter, together with the annuity, if any, of the spouse of such individual (before any reduction due to such spouse's entitlement to a wife's or husband's insurance benefit under the Social Security Act and disregarding any amount provided by section 231c(e) of this title), before any reductions under the provisions of section 231a(f) of this title is less than the total amount which would have been payable to such individual and his spouse for such month, on the basis of the individual's compensation and years of service, under the provisions of the Railroad Retirement Act of 1937 as in effect on December 31, 1974 [45 U.S.C. 228a et seq.], disregarding, for purposes of the computations under such Railroad Retirement Act of 1937 compensation for any month after December 31, 1974, in excess of one-twelfth of the maximum annual taxable "wages" (as defined in section 3121 of the Internal Revenue Code of 1986 [26 U.S.C. 3121]) for the calendar year 1974, the annuity of such individual and the annuity of such spouse, if any, shall be increased proportionately so as to equal such total amount. For the purpose of computing amounts under this subdivision, the Board shall have the authority to approximate the effect of the reductions prescribed by sections 3(a)(2) and 3(a)(3) of the Railroad Retirement Act of 1937 [45 U.S.C. 228c(a)(2), (a)(3)]. For purposes of computing amounts payable under the Railroad Retirement Act of 1937, any increases in the amounts determined under the first proviso of section 3(e) of such Act which would have become effective after December 31, 1974, shall be disregarded.

(2) If for any month in which an annuity accrues and is payable under this subchapter the annuity to which an individual is entitled under this subchapter (or would have been entitled except for a reduction pursuant to a joint and survivor election), together with the annuity, if any, of the spouse and divorced wife of such individual, is less than the total amount, or the additional amount, which would have been payable to all persons for such month under the Social Security Act [42 U.S.C. 301 et seq.] if such individual's service as an employee after December 31, 1936, were included in the term "employment" as defined in that Act, the annuities of the individual and spouse shall be increased proportionately to such total amount, or such additional amount: *Provided, however,* That if an annuity accrues to an individual or a spouse for a part of a month, the amount payable for such part of a month under this subdivision shall be one-thirtieth of the amount payable under this subdivision for an entire month, multiplied by

the number of days in such part of a month. For purposes of this subdivision, (i) persons not entitled to an annuity under section 231a of this title shall not be included in the computation under this subdivision except a spouse who could qualify for an annuity under section 231a(c) of this title if the individual from whom the spouse's annuity under this subchapter would derive had attained age 60 or 62, as the case may be, and such individual's children who meet the definition as such contained in section 216(e) of the Social Security Act [42 U.S.C. 416(e)]; (ii) after an annuity has been certified for payment and this subdivision was inapplicable after allowing for any waiting period under section 223(c)(2) of the Social Security Act [42 U.S.C. 423(c)(2)], and after having considered the inclusion of all persons who were then eligible for inclusion in the computation under this subdivision, or was then applicable but later became inapplicable, any recertification in such annuity under this subdivision shall not take into account persons not entitled to an annuity under section 231a of this title except a spouse who could qualify for an annuity under section 231a(c) of this title when she attains age 60 or 62, as the case may be, if the individual from whom the spouse's annuity would derive had attained age 60 or 62, as the case may be, and who was married to such individual at the time he applied for his annuity; and (iii) in computing the amount to be paid under this subdivision the only benefits under title II of the Social Security Act [42 U.S.C. 401 et seq.] which shall be considered shall be those to which the persons included in the computation are entitled.

(g) Increased annuities under subsection (b)

(1) Effective with the date of any increase after January 31, 1984, in monthly insurance benefits under the Social Security Act [42 U.S.C. 301 et seq.] which occurs, or which would have occurred had there not been a general benefit increase under that Act, pursuant to the automatic cost-of-living provisions of section 215(i) of that Act [42 U.S.C. 415(i)], that portion of the annuity of an individual which is computed under subsection (b) of this section shall, if such individual's annuity under section 231a(a)(1) of this title began to accrue on or before the effective date of a particular increase under this subdivision, be increased by 32.5 per centum of the percentage increase in the index which is used, or which would have been used had there not been a general benefit increase under the Social Security Act, in increasing benefits under the Social Security Act pursuant to the automatic cost-of-living provisions of section 215(i) of that Act. Any increase under this subsection shall not be deferred and shall be reflected in all payments made to annuitants after such increase under this subsection becomes effective.

crue in or before the year in which such first increase under the Social Security Act [42 U.S.C. 301 et seq.] became effective, be reduced by the dollar amount by which that portion of the annuity provided such individual under subsection (a) of this section was increased, after any reduction under subsection (m) of this section, as a result of such increase or increases under the Social Security Act until the total dollar amount of such reduction or reductions equals 5 per centum of the annuity amount provided such individual under subsection (a) of this section, as reduced under subsection (m) of this section, prior to such first increase. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than \$10.

(4) The amount of the annuity provided under subsections (a) and (b) of this section of an individual who (A) will not have met the conditions set forth in subclause (i), (ii), or (iii) of clause (A) of subdivision (3) of this subsection, but (B) will have completed ten years of service prior to January 1, 1975, and is the wife, husband, widow, or widower of a person who will have been permanently insured under the Social Security Act [42 U.S.C. 301 et seq.] as of December 31 of the calendar year prior to 1975 in which such individual last rendered service as an employee to an employer, or as an employee representative, shall be increased by an amount equal to the smaller of (C) the wife's, husband's, widow's, or widower's insurance benefit to which such individual would have been entitled, upon attaining age 65 (or, if later, for January 1975), under the provisions of the Social Security Act as in effect on December 31, 1974, on the basis of such person's wages and self-employment income derived from employment and self-employment under that Act as of December 31 of the calendar year prior to 1975 in which such individual last performed service as an employee under this subchapter or (D) the primary insurance amount to which such individual would have been entitled upon attaining age 65 (or, if later, for January 1975), under the provisions of the Social Security Act as in effect on December 31, 1974, on the basis of such individual's wages and self-employment income derived from employment and self-employment under that Act as of December 31 of the calendar year prior to 1975 in which such individual last performed service as an employee under this subchapter and on the basis of compensation derived from service as an employee after December 31, 1936, and prior to January 1, 1975, if such service as an employee had been included in the term "employment" as defined in that Act.

(5) The amount computed under subdivision (1), (2), (3), or (4) of this subsection shall be increased by the same percentage, or percentages, as benefits under the Social Security Act [42 U.S.C. 301 et seq.] are increased, or would have been increased had there been no general benefit increases under the Social Security Act, pursuant to the automatic cost-of-living provisions of section 215(i) of that Act [42 U.S.C. 415(i)] during the period from January 1, 1975, to the earlier of the date on which the individual's annuity under section 231a(a)(1) of this title began to accrue or January 1, 1982.

(6) No amount shall be payable to an individual under subdivision (3) or (4) of this subsection unless the entitlement of such individual to such amount had been determined prior to August 13, 1981.

(i) Years of service

(1) The "years of service" of an individual shall include all his service subsequent to December 31, 1936.

(2) The "years of service" of an individual shall also include his voluntary or involuntary military service, within or without the United States, during any war service period: *Provided, however,* That such military service shall be included only if, prior to the beginning of his military service and in the same calendar year in which such military service began, or in the next preceding calendar year, the individual rendered service for compensation to an employer or to a person service to which is otherwise creditable under this subchapter, or lost time as an employee for which he received remuneration, or was serving as an employee representative: *Provided further,* That such military service shall be included only subject to and in accordance with the provisions of subdivisions (1) and (3) of this subsection in the same manner as though military service were service rendered as an employee: *And provided further,* That such military service rendered after December 1956 shall not be included with respect to any month if (A) any benefits are payable for that month under the Social Security Act [42 U.S.C. 301 et seq.] on the basis of such individual's wages and self-employment income, (B) such military service was included in the computation of such benefits, and (C) the inclusion of such military service in the computation of such benefits resulted (for that month) in benefits not otherwise payable or in an increase in the benefits otherwise payable: *And provided further,* That an individual who entered military service prior to a war service period shall not be regarded as having been in military service in a war service period with respect to any part of the period for which he entered such military service.

(3) The "years of service" of an individual who was an employee on August 29, 1935, shall, if the total number of his "years of service" as determined under subdivisions (1) and (2) is less than thirty, also include his service prior to January 1, 1937, but not so as to make his total years of service exceed thirty: *Provided, however,* That with respect to any such individual who rendered service to any employer subsequent to December 31, 1936, and who on August 29, 1935, was not an employee of an employer conducting the principal part of its business in the United States, no greater proportion of his service rendered prior to January 1, 1937, shall be included in his "years of service" than the proportion which his total compensation (without regard to any limitation on the amount of compensation otherwise provided in this subchapter) for service subsequent to December 31, 1936, rendered anywhere to an employer conducting the principal part of its business in the United States or rendered in the United States to any other employer bears to his total compensation (without regard to any limitation on the amount of compensation otherwise provided in this subchapter) for service rendered anywhere to an employer subsequent to December 31, 1936. Where the "years of service" include only part of the service prior to January 1, 1937, the part included shall be taken in reverse order beginning with the last calendar month of such service.

(4) Where for any calendar year after 1984 an individual has performed service for compensation in less than twelve months of the calendar year but has received compensation in excess of an amount determined by multiplying the number of months in the year in which such individual performed service for compensation by an amount equal to one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1986 [26 U.S.C. 3121], the individual shall be deemed to have rendered service for compensation in that number of months in the calendar year, but not to exceed twelve, which is equal to the quotient of the amount of such individual's compensation for the calendar year divided by an amount equal to one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1986, with any remainder produced by this computation increasing the quotient by one, but an individual shall not be deemed under this subdivision to have rendered service for compensation in any month in which such individual was neither in an employment relation to one or more employers nor an employee representative.

(j) Average monthly compensation

The "average monthly compensation" shall be computed in the manner specified in subsection (b) of this section, except (1) that with respect to service prior to January 1, 1937, the monthly compensation shall be the average compensation paid to an employee with respect to calendar months included in his years of service in the years 1924-1931, and (2) the amount of compensation paid or attributable as paid to him with respect to each month of service before September 1941 as a station employee whose duties consisted of or included the carrying of passengers' hand baggage and otherwise assisting passengers at passenger stations and whose remuneration for service to the employer was, in whole or in substantial part, in the forms of tips, shall be the monthly average of the compensation paid to him as a station employee in his months of service in the period September 1940 through August 1941: *Provided, however*, That where service in the period 1924 through 1931 in the one case, or in the period September 1940 through August 1941 in the other case, is, in the judgment of the Board, insufficient to constitute a fair and equitable basis for determining¹ the amount of compensation paid or attributable as paid to him in each month of service before 1937, or September 1941, respectively, the Board shall determine the amount of such compensation for each such month in such manner as in its judgment shall be fair and equitable. In computing the monthly compensation, no part of any month's compensation in excess of \$300 for any month before July 1, 1954, or in excess of \$350 for any month after June 30, 1954, and before June 1, 1959, or in excess of \$400 for any month after May 31, 1959, and before November 1, 1963, or in excess of \$450 for any month after October 31, 1963, and before October 1, 1965, or in excess of (i) \$450, or (ii) an amount equal to one-twelfth of the current maximum annual taxable "wages"

¹ So in original. Probably should be "determining".

as defined in section 3121 of the Internal Revenue Code of 1986 [26 U.S.C. 3121], whichever is greater, for any month after September 30, 1965, shall be recognized. If for any calendar year after 1984 an employee has received compensation of less than one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1986 in one or more months of the calendar year, the total compensation paid such employee in the calendar year (without regard to the limitation on the amount of compensation provided in the preceding sentence) shall be deemed to have been paid in equal proportions with respect to all months in the year in which the employee will have been in the service of one or more employers for compensation or will have performed service for compensation as an employee representative, but this sentence shall not operate to increase the employee's compensation for any month above an amount equal to one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1986. If the employee earned compensation in service after June 30, 1937, and after the last day of the calendar year in which he attained age sixty-five, such compensation and service shall be disregarded in computing the average monthly compensation if the result of taking such compensation into account in such computation would be to diminish his annuity. Where an employee claims credit for months of service rendered within two years prior to his retirement from the service of an employer, with respect to which the employer's return pursuant to section 231h of this title has not been entered on the records of the Board before the employee's annuity could otherwise be certified for payment, the Board may, in its discretion (subject to subsequent adjustment at the request of the employee) include such months in the computation of the annuity without further verification and may consider the compensation for such months to be the average of the compensation for months in the last period for which the employer has filed a return of the compensation of such employee and such return has been entered on the records of the Board.

(k) Employee representatives

The annuity of an individual who shall have been an employee representative shall be determined in the same manner and with the same effect as if the employee organization by which he shall have been employed were an employer.

(l) Reductions for increased annuities

(1) Except as provided in subdivision (2) of this subsection, if an annuity awarded under section 231a(a)(1)(iii) of this title or under section 231a(c)(2) of this title is increased or decreased either by a change in the law or by a recomputation, the reduction on account of age in the amount of such increase or decrease shall be computed as though such increase or decreased annuity amount had been in effect for and after the month in which the annuitant first became entitled to such annuity under section 231a(a)(1)(iii) or section 231a(c)(2) of this title.

(2) The reduction required under section 231a(a)(1)(iii) or section 231a(c)(2) of this title may be applied separately to each of the annu-

ity amounts computed under subsections (a), (b), and (h) of this section and subsections (a), (b), and (e) of section 231c of this title. For this purpose, in any case in which an annuity amount was computed for an individual under the provisions of this subchapter or of Public Law 93-445 prior to October 1, 1981, an annuity amount computed under subsections (a), (b), (c), (d) and (h) of this section, subsection (a), (b), or (e) of section 231c of this title, and section 204 or section 206 of Public Law 93-445 shall be reduced by its proportionate share of the reduction on account of age. For purposes of the preceding sentence, annuity amounts computed for an individual under subsections (b), (c), and (d) of this section prior to October 1981 shall be considered as one annuity amount.

(m) Reductions due to monthly social security payments

The annuity of any individual under subsection (a) of this section for any month shall, after any reduction pursuant to paragraph (iii) of section 231a(a)(1) of this title, be reduced, but not below zero, by the amount of any monthly benefit (before any deductions on account of work) payable to that individual for that month under title II of the Social Security Act [42 U.S.C. 401 et seq.].

AMENDMENTS

2001—Subsec. (a)(2). Pub. L. 107-90, §102(a), inserted after par. designation “For purposes of this subsection,

individuals entitled to an annuity under section 231a(a)(1)(ii) of this title shall, except for the purposes of recomputations in accordance with section 215(f) of the Social Security Act, be deemed to have attained retirement age (as defined by section 216(l) of the Social Security Act).”

Subsec. (a)(3). Pub. L. 107-90, §103(b), added par. (3). Pub. L. 107-90, §102(c), struck out par. (3) which read as follows: “In lieu of an annuity amount provided under subdivision (1), the annuity of an individual entitled to an annuity under paragraph (ii) of section 231a(a)(1) of this title which begins to accrue before the individual attains age 62 shall be in an amount equal to—

“(i) for each month prior to the first month throughout which the individual is age 62, the amount (after any reduction on account of age but before any deductions on account of work) of the old-age insurance benefit to which such individual would have been entitled under the Social Security Act as of the date on which such individual’s annuity begins to accrue if such individual had attained age 62 on the first day of the month in which his or her annuity begins to accrue and if all of such individual’s service as an employee after December 31, 1936, had been included in the term ‘employment’ as defined in that Act, using for purposes of this computation the number of benefit computation years applicable to a person born in the year in which such individual was born; and

“(ii) for months beginning with the first month throughout which the individual is age 62, the amount (after any reduction on account of age but before any deductions on account of work) of the old-age insurance benefit to which such individual would have been entitled under the Social Security Act if all of such individual’s service as an employee after December 31, 1936, had been included in the term ‘employment’ as defined in that Act.”

Subsec. (f). Pub. L. 107-90, §104(a)(1), (2)(A), redesignated pars. (2) and (3) as (1) and (2), respectively, struck out “, without regard to the provisions of subdivision (1) of this subsection,” before “proportionately so as to equal” in first sentence of par. (1), and struck out former par. (1) which read as follows: “If the total amount of an individual’s annuity and supplemental annuity computed under the preceding subsections of this section would, before any reductions on account of age, before any reduction due to such individual’s entitlement to a monthly insurance benefit under the Social Security Act, and disregarding any increases in such total amount which become effective after the date on which such individual’s annuity under section 231a(a)(1) of this title begins to accrue, exceed an amount equal to the sum of (A) 100 per centum of his ‘final average monthly compensation’ up to an amount equal to 50 per centum of one-twelfth of the maximum annual taxable ‘wages’ (as defined in section 3121 of the Internal Revenue Code of 1986) for the calendar year in which such individual’s annuity under section 231a(a)(1) of this title begins to accrue, plus (B) 80 per centum of so much of his ‘final average monthly compensation’ as exceeds 50 per centum of one-twelfth of the maximum annual taxable ‘wages’ (as defined in section 3121 of the Internal Revenue Code of 1986) for the calendar year in which such individual’s annuity under section 231a(a)(1) of this title begins to accrue, the supplemental annuity of such individual first, and then, if necessary, the annuity amount of such individual as computed under subsection (b) of this section, shall be reduced until such total amount of such individual’s annuity and supplemental annuity equals such sum or until such supplemental annuity and such annuity amount computed under subsection (b) of this section are reduced to zero, whichever occurs first: *Provided, however*, That the provisions of this subdivision shall not operate to reduce the total amount of an individual’s annuity and supplemental annuity computed under the preceding subsections of this section below \$1,200. For purposes of this subdivision, the ‘final average monthly compensa-

tion' of an individual shall except as provided in the following sentence be determined by dividing the total compensation received by such individual in the two calendar years, consecutive or otherwise, in which he was credited with the highest total compensation during the ten-year period ending with December 31 of the year in which such individual's annuity under section 231a(a)(1) of this title begins to accrue by 24. If the individual's 'average monthly compensation' is determined under subdivision (2) of subsection (b) of this section, the 'final average monthly compensation' for such individual shall be the average of the compensation for the 24 months in which the compensation determined for the purpose of subdivision (2) of subsection (b) of this section is the highest. For purposes of this subdivision, the term 'compensation' shall include 'compensation' as defined in section 231(h) of this title, 'wages' as defined in section 209 of the Social Security Act, 'self-employment income' as defined in section 211(b) of the Social Security Act, and wages deemed to have been paid under section 217 or 229 of the Social Security Act on account of military service: *Provided, however,* That in no case shall the compensation with respect to any calendar month exceed the limitation on the compensation for such month prescribed in subsection (j) of this section. Wages and self-employment income included as compensation for purposes of this subdivision shall, in the absence of evidence to the contrary, be presumed to have been paid in equal proportions with respect to all months in the calendar quarter in which credited, in the case of wages paid before 1978, or in equal proportions with respect to all months in the calendar year in which credited, in the case of self-employment income and in the case of wages paid after 1977."

1986—Subsecs. (f)(1), (2), (i)(4), (j). Pub. L. 99-514 substituted "Internal Revenue Code of 1986" for "Internal Revenue Code of 1954" wherever appearing.

1983—Subsec. (a)(2). Pub. L. 98-76, §101(a)(1), amended par. (2) generally, substituting provisions that for purposes of this subsection, individuals entitled to an annuity under section 231a(a)(1)(iv) or (v) of this title shall be deemed to be entitled to a disability insurance benefit under section 223 of the Social Security Act, for provisions that for purposes of this subsection, individuals entitled to an annuity under paragraph (ii) of section 231a(a)(1) of this title would except for purposes of recomputations in accordance with the provisions of section 215(f) of the Social Security Act, be deemed to have attained age 65, and individuals entitled to an annuity under paragraph (iv) or (v) of such section 231a(a)(1) of this title would be deemed to be entitled to a disability insurance benefit under section 223 of the Social Security Act.

Subsec. (a)(3). Pub. L. 98-76, §101(a)(2), added par. (3).

Pub. L. 98-76, §404(2), inserted "If the individual's 'average monthly compensation' is determined under subdivision (2) of subsection (b) of this section, the 'final average monthly compensation' for such individual shall be the average of the compensation for the 24 months in which the compensation determined for the purpose of subdivision (2) of subsection (b) of this section is the highest."

Subsec. (f)(3). Pub. L. 98-76, §405(a), in first sentence, inserted "and divorced wife" after "of the spouse", and substituted "the annuities of the individual and spouse" for "such annuity or annuities".

Subsec. (g). Pub. L. 98-76, §102(a), amended subsec. (g) generally. Prior to amendment, subsec. (g) read as follows: "Effective with the month of June for any year after 1981, that portion of the annuity of an individual which is computed under subsection (b) of this section shall, if such individual's annuity under section 231a(a)(1) of this title began to accrue on or before June 1 of such year, be increased by 32.5 per centum of the percentage increase, if any (rounded to the nearest one-tenth of 1 per centum), obtained by comparing (A) the

unadjusted Consumer Price Index for the calendar quarter ending March 31 of such year with (B) the higher of (i) such index for the calendar quarter ending March 31 of the year immediately preceding such year or (ii) such index for the calendar quarter ending March 31 of any preceding year after 1980. The unadjusted Consumer Price Index for any calendar quarter shall be the arithmetical mean of such index for the three months in such quarter."

Subsec. (i)(4). Pub. L. 98-76, §107(a), added par. (4).

L. 98-76, §107(b), inserted provision that if for any calendar year after 1984 an employee has received compensation of less than one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1954 in one or more months of the calendar year, the total compensation paid such employee in the calendar year (without regard to the limitation on the amount of compensation provided in the preceding sentence) shall be deemed to have been paid in equal proportions with respect to all months in the year in which the employee will have been in the service of one or more employers for compensation or will have performed service for compensation as an employee representative, but this sentence shall not operate to increase the employee's compensation for any month above an amount equal to one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1954.

1981—Subsec. (b). Pub. L. 97-35, §1118(a), substituted new criteria for computation of increase in annuity of an individual provided under subsec. (a) of this section.

Subsec. (c). Pub. L. 97-35, §1118(b), repealed subsec. (c) which provided for amount of increase of annuity of an individual entitled to an annuity under section 231a(a)(1) of this title and who rendered service as an employee to an employer, or as an employee representative subsequent to Dec. 31, 1974.

Subsec. (d). Pub. L. 97-35, §1118(b), repealed subsec. (d) which prescribed a formula for increase in amount of annuity of an individual provided for in other provisions of this section.

Subsec. (f)(1). Pub. L. 97-35, §1118(c)(2), substituted "such individual's annuity under section 231a(a)(1) of this title begins to accrue, exceed an amount equal to the sum of (A)" for "such begins to accrue, exceed an amount equal to the sum of individual's annuity under section 231a(a)(1) of this title (A)".

Pub. L. 97-35, §1118(c)(1), substituted "subsection (b) of this section" for "subsections (b), (c), and (d) of this section" in two places.

Subsec. (g). Pub. L. 97-35, §1118(d), substituted new formula for increase of portion of annuity of an individual computed under subsec. (b) of this section for formula for increase of portions of annuity of an individual computed under subsecs. (b) and (d) of this section, and revised effective dates for such increases.

Subsec. (h)(1) to (4). Pub. L. 97-35, §1118(e)(1), substituted "subsections (a) and (b) of this section" for "subsections (a) through (d) of this section" in subdvs. (1) to (4).

Subsec. (h)(5). Pub. L. 97-35, §1118(e)(2), substituted "January 1, 1975, to the earlier of the date on which the individual's annuity under section 231a(a)(1) of this title began to accrue or January 1, 1982" for "January 1, 1975, to the date on which the individual's annuity under section 231a(a)(1) of this title began to accrue".

Subsec. (l). Pub. L. 97-35, §1118(g), designated existing provisions as subdiv. (1), substituted provisions that except as provided in subdiv. (2) of this subsection, if an

annuity awarded under section 231a(a)(1)(iii) or under section 231a(c)(2) of this title is increased or decreased either by a change in law or by a recomputation, the reduction on account of age in the amount of such increase or decrease shall be computed as though such increased or decreased annuity amount had been in effect for and after month in which annuitant first became entitled to such annuity under section 231a(a)(1)(iii) or section 231a(c)(2) of this title, for provisions that in cases where an annuity awarded under section 231a(a)(1)(iii) or under section 231a(c)(2) of this title is increased either by a change in law or by a recomputation, the reduction for the increase in the annuity shall be determined separately and period with respect to which the reduction applies shall be determined as if such increase were a separate annuity payable for and after first month for which such increase is effective, and added subdiv. (2).

In the case of a widow or widower who is entitled to an annuity under section 231a(d) of this title solely on the basis of railroad service which was performed prior to January 1, 1937, the amount provided under this section with respect to any month shall not be less than the first amount appearing in column IV of the table appearing in section 215(a) of the Social Security Act [42 U.S.C. 415(a)] as in effect on December 31, 1974, after reduction in accord-

(ii) a widow or widower or a child who is entitled to an annuity under section 231a(d)(1) of this title on the basis of disability shall be deemed to be entitled to a widow's insurance benefit, a widower's insurance benefit, or a child's insurance benefit under the Social Security Act [42 U.S.C. 301 et seq.] on the basis of disability, and

(3) The annuity amount provided to a widow or widower under last sentence of subdivision (1) shall be increased by the same percentage or percentages as insurance benefits payable under section 202 of the Social Security Act [42 U.S.C. 402] are increased after the date on which such annuity begins to accrue.

(g) Increases in survivor's annuities in accordance with subsection (f)

(1) The amount of the annuity provided under subsection (f)(1) of this section (other than the last sentence thereof) for a survivor of a deceased individual shall be increased by an amount equal to the appropriate one of the following percentages of that portion of the annuity computed under section 231b(b) of this title, before any reduction on account of age and without regard to any reduction under section 231b(g)(2) of this title, to which such deceased individual would have been entitled for the month such survivor's annuity under section 231a(d) of this title began to accrue if such individual were living (deeming for this purpose that if such individual died before becoming entitled to an annuity under section 231a(a)(1) of this title, such individual became entitled to an annuity under subdivision (i) of such section 231a(a)(1) of this title in the month in which such individual died):

(i) In the case of a widow or widower, the increase shall be equal to 50 per centum of such portion of the deceased individual's annuity, but the amount of the annuity so determined shall be subject to reduction on account of age in the same manner as is applicable to the annuity amount determined for the widow or widower under subsection (f) of this section

and shall be subject to increase as provided in subdivision (4) of this subsection.

(ii) In the case of a parent, the increase shall be equal to 35 per centum of such portion of the deceased individual's annuity.

(iii) In the case of a child, the increase shall be equal to 15 per centum of such portion of the deceased individual's annuity.

(2) Whenever the total amount of the increases based on the deceased individual's portion of the annuity under section 231b(b) of this title as determined under subdivision (1) of this subsection for all survivors of a deceased employee is—

(i) less than an amount equal to 35 per centum of such portion of the deceased individual's annuity, the total increase shall, before any deductions under section 231a(g) of this title, be increased proportionately until the total increase is equal to 35 per centum of such portion of the deceased individual's annuity; or

(ii) more than an amount equal to 80 per centum of such portion of the deceased individual's annuity, the total increase shall, before any deductions under section 231a(g) of this title and before any reduction on account of age, be reduced proportionately until the total increase is equal to 80 per centum of such portion of the deceased individual's annuity.

(3) An annuity determined under this subsection for a month prior to the month in which application is filed, shall be reduced to any extent that may be necessary so that it will not render erroneous any annuity which, before the filing of such application, the Board has certified for payment for such prior month.

(4) If a widow or widower of a deceased employee is entitled to an annuity under section 231a(a)(1) of this title and if either such widow or widower or such deceased employee will have completed 10 years of service prior to January 1, 1975, the amount of the annuity of such widow or widower under subdivisions (1) through (3) of this subsection shall be increased by an amount equal to the amount, if any, by which (A) the widow's or widower's insurance annuity to which such widow or widower would have been entitled, upon attaining age 65, under section 5(a) of the Railroad Retirement Act of 1937 [45 U.S.C. 228e(a)] as in effect on December 31, 1974 (without regard to the proviso of that section or the first proviso of section 3(e) of that Act [45 U.S.C. 228c(e)] on the basis of the deceased employee's remuneration and service prior to January 1, 1975, increased by the same percentage, or percentages, as widow's and widower's insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] are increased during the period from January 1, 1975, to the later of the date on which such widow's or widower's annuity under section 231a(a)(1) of this title began to accrue or the date on which such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue, exceeds (B) the total of the annuity amounts to which such widow or widower was entitled (after any reductions pursuant to subsection (i)(2) of this section but before any deductions on account of work) under the preceding provisions of this subsection, sub-

section (f) of this section, and the amount determined under subsection (h) of this section, before the proviso, as of the later of the date on which such widow's or widower's annuity under section 231a(a)(1) of this title began to accrue or the date on which such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue. If a widow or widower of a deceased employee is not entitled to an annuity under section 231a(a)(1) of this title or to an old-age insurance benefit or a disability insurance benefit under the Social Security Act [42 U.S.C. 301 et seq.], the amount of the annuity to which such widow or widower is entitled under this subsection shall not be less than an amount which would cause the total of the annuity amounts to which such widow or widower is entitled (before any deductions on account of work) under this subsection and subsection (f)(1) of this section to equal the total of the annuity amounts to which such widow or widower was entitled (or would have been entitled except for the provisions of sections 231a(e) and 231a(f) of this title) as a spouse under subsections (a), (b), and (e) of this section (after any reduction on account of age) in the month preceding the employee's death. If a widow or widower of a deceased employee is entitled to an annuity under section 231a(a)(1) of this title or to an old-age insurance benefit or a disability insurance benefit under the Social Security Act, the amount of the annuity to which such widow or widower is entitled under this subsection shall not be less than an amount which would cause (A) the total of the annuity amounts to which such widow or widower is entitled (after any reductions pursuant to section 202(k) or 202(q) of the Social Security Act or subsection (i)(2) of this section but before any deductions on account of work) under this subsection and subsection (f) of this section to equal (B)(i) the total of the annuity amounts, if any, to which such widow or widower was entitled (or would have been entitled except for the provisions of sections 231a(e) and 231a(f) of this title) as a spouse under subsections (a), (b), and (e) of this section (after any reduction on account of age) in the month preceding the employee's death less (ii), if such widow or widower is entitled to an old-age insurance benefit or a disability insurance benefit under the Social Security Act but was not entitled to such a benefit in the month preceding the employee's death, the amount by which the annuity amount payable under subsection (a) of this section to such widow or widower as a spouse in the month preceding the employee's death would have been reduced by reason of section 202(k) or 202(q) of the Social Security Act if such widow or widower had been entitled to an old-age insurance benefit or a disability insurance benefit under the Social Security Act in the month preceding the employee's death in an amount equal to the amount of such benefit at the time such benefit first began to accrue to such widow or widower.

(5) This subsection shall not apply to the annuity of a widow, surviving divorced wife, or surviving divorced mother who is entitled to such annuity on the basis of the provisions of section 231a(d)(1)(v) of this title.

(6) That portion of the annuity of a survivor of an individual determined under subdivisions (1)

and (2) of this subsection shall be increased whenever, and by the same percentage or percentages as, the annuity of the individual would have been increased pursuant to section 231b(g)(1) of this title if such individual were still living.

(7) The first and, if necessary, the following time or times after January 1, 1983, that monthly insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] are increased, that portion of the annuity of a survivor of a deceased individual as is determined under subdivisions (1) and (2) of this subsection, or under this subsection as in effect before amendment by section 1119(g) of Public Law 97-35, shall, if such survivor's annuity under section 231a(d) of this title began to accrue before the effective date of such first increase under the Social Security Act [42 U.S.C. 301 et seq.], be reduced by the dollar amount by which that portion of the annuity provided such survivor under subsection (f) of this section was increased, after any reduction under subsection (i) of this section, as a result of such increase or increases under the Social Security Act until the total dollar amount of such reduction or reductions equals 5 per centum of the annuity amount provided such survivor under subsection (f) of this section, as reduced under subsection (i) of this section, prior to such first increase. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than \$10.

(8) That portion of the annuity of a survivor of a deceased individual as is determined under subdivisions (1) and (2) of this subsection shall, if the annuity of such survivor is not subject to reduction under subdivision (7) of this subsection, be reduced by an amount equal to the dollar amount by which the annuity of the deceased individual was reduced under section 231b(g)(2) of this title or would have been reduced under such section 231b(g)(2) of this title if such deceased individual had been living at the time such survivor's annuity under section 231a(d) of this title began to accrue (deeming for this purpose, if such individual died before becoming entitled to an annuity under section 231a(a)(1) of this title, that such individual became entitled to an annuity under paragraph (i) of such section 231a(a)(1) of this title in the month in which such individual died). In a case where the survivor of a deceased individual is not entitled to a monthly insurance benefit under the Social Security Act [42 U.S.C. 301 et seq.], the reduction provided by the preceding sentence of this subdivision shall be equal to the dollar amount by which the annuity of the deceased individual would have been reduced under section 231b(g)(2) of this title if the annuity of such deceased individual had not been subject to reduction under section 231b(m) of this title. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than \$10.

(9) That portion of the annuity of a survivor of a deceased individual as is determined under this subsection as in effect before amendment by section 1119(g) of Public Law 97-35 shall, if the annuity of such survivor is not subject to reduction under subdivision (7) of this subsection, be reduced by an amount equal to the dollar

amount by which the annuity of the deceased individual was reduced under section 231b(g)(2) of this title or, if such survivor is not entitled to a monthly insurance benefit under the Social Security Act [42 U.S.C. 301 et seq.], would have been reduced under such section 231b(g)(2) of this title if the annuity of such deceased individual had not been subject to reduction under section 231b(m) of this title. In no case shall the reduction by reason of this paragraph operate to reduce such portion to an amount less than \$10.

(10)(i) If for any month the unreduced annuity provided under this section for a widow or widower is less than the widow's or widower's initial minimum amount computed pursuant to paragraph (ii) of this subdivision, the unreduced annuity shall be increased to that initial minimum amount. For the purposes of this subdivision, the unreduced annuity is the annuity without regard to any deduction on account of work, without regard to any reduction for entitlement to an annuity under section 231a(a)(1) of this title, without regard to any reduction for entitlement to a benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.], and without regard to any reduction for entitlement to a public service pension pursuant to section 202(e)(7), 202(f)(2), or 202(g)(4) of the Social Security Act.⁵

(ii) For the purposes of this subdivision, the widow or widower's initial minimum amount is the amount of the unreduced annuity computed at the time an annuity is awarded to that widow or widower, except that—

(A) in subsection (g)(1)(i) of this section "100 per centum" shall be substituted for "50 per centum"; and

(B) in subsection (g)(2)(ii) of this section "130 per centum" shall be substituted for "80 per centum" both places it appears.

(iii) If a widow or widower who was previously entitled to a widow's or widower's annuity under section 231a(d)(1)(ii) of this title becomes entitled to a widow's or widower's annuity under section 231a(d)(1)(i) of this title, a new initial minimum amount shall be computed at the time of award of the widow's or widower's annuity under section 231a(d)(1)(i) of this title.

(h) Increases in particular widows' and widowers' annuities

(1) The amount of the annuity of the widow or widower of a deceased employee determined under subsections (f) and (g) of this section, if such deceased employee will have completed ten years of service prior to January 1, 1975, and such widow or widower will have been permanently insured under the Social Security Act [42 U.S.C. 301 et seq.] of⁶ December 31, 1974, shall be increased by an amount equal to the amount, if any, by which (A) the widow's or widower's insurance annuity to which such widow or widower would have been entitled, upon attaining age 65, under section 5(a) of the Railroad Retirement Act of 1937 [45 U.S.C. 228e(a)] as in effect on December 31, 1974 (without regard to the proviso of that section or the first proviso of section 3(e) of that Act [45 U.S.C. 228e(e)], on the

basis of the deceased employee's remuneration and service prior to January 1, 1975, increased by the same percentage, or percentages, as widow's and widower's insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] are increased during the period from January 1, 1975, to January 1, 1982 or, if earlier, to the later of the date on which such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue or the date beginning the first month for which such widow or widower is entitled to an old age insurance benefit or disability insurance benefit under the Social Security Act, exceeds (B) the total of the annuity amounts to which such widow or widower was entitled (after any reductions pursuant to section 202(k) or 202(q) of the Social Security Act and subsection (i)(2) of this section but before any deductions on account of work) under subsections (f) and (g) of this section as to the later of the date on which such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue or the date beginning the first month for which such widow or widower is entitled to an old-age insurance benefit or disability insurance benefit under the Social Security Act: *Provided, however,* That, if a widow or widower was entitled (or would have been entitled except for the provisions of section 231a(e) or 231a(f) of this title) to an annuity amount under subdivision (1) or (2) of subsection (e) of this section in the month preceding the employee's death, the amount of the annuity to which such widow or widower is entitled under this subsection shall not be less than an amount which would cause (A) the total of the annuity amounts to which such widow or widower is entitled (after any reductions pursuant to section 202(k) or 202(q) of the Social Security Act but before any deductions on account of work) under subsections (f) and (g) of this section and the preceding provisions of this subsection as of the date such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue to equal (B) the total of the annuity amounts to which such widow or widower was entitled (or would have been entitled except for the provisions of section 231a(e) or 231a(f) of this title) as a spouse under subsections (a), (b), and (e) of this section (after any reductions on account of age) in the month preceding the employee's death.

(2) Subdivision (1) of this subsection shall not apply to the annuity of a widow, surviving divorced wife, or surviving divorced mother who is entitled to such annuity on the basis of the provisions of section 231a(d)(1)(v) of this title. No amount shall be payable to a person under subdivision (1) of this subsection unless the entitlement of such person to such amount had been determined prior to August 13, 1981.

(i) Reductions in survivors' annuities

(1) The annuity of any spouse or divorced wife under subsection (a) of this section for any month shall, after a reduction pursuant to section 231a(c)(2) of this title be reduced, but not below zero, by the amount of any insurance benefit (before any deduction on account of work) payable to such spouse or divorced wife for that month under title II of the Social Security Act [42 U.S.C. 401 et seq.].

⁵ See References in Text note below.

⁶ So in original. Probably should be "on".

(2) If a spouse or divorced wife entitled to an annuity under section 231a(c) of this title or a survivor entitled to an annuity under section 231a(d) of this title for any month is also entitled to an annuity under section 231a(a)(1) of this title for such month, the annuity amount of such spouse or divorced wife determined under subsection (a) of this section or of such survivor under subsection (f) of this section shall, after any reduction pursuant to subdivision (1) of this subsection, be reduced by the amount of the annuity of such spouse or divorced wife or such survivor determined under section 231b(a) of this title.

(3) The annuity of any survivor under subsection (f) of this section shall be reduced, but not below zero, by the amount of any insurance benefit (before any deduction on account of work) payable to such survivor under title II of the Social Security Act [42 U.S.C. 401 et seq.], unless in computing the amount under subsection (f) of this section a reduction was made for such insurance benefit pursuant to section 202(k) of the Social Security Act [42 U.S.C. 402(k)].

“(i) for each month prior to the first month throughout which both the individual and the spouse are age 62, 50 per centum of that portion of the individual’s annuity as is, or was prior to such individual’s attaining age 62, computed under section 231b(a)(3)(i) of this title, reduced to the same extent such amount would be reduced under section 202(b)(4) of the Social Security Act (in the case of a wife) or under section 202(c)(2) of the Social Security Act (in the case of a husband) as if such amount were a wife’s insurance benefit or a husband’s insurance benefit, respectively, under such Act; and

“(ii) for months beginning with the first month throughout which both the individual and the spouse are age 62, the amount (after any reduction on account of age based on the spouse’s age at the time the amount under this paragraph first becomes payable but before any deductions on account of work) of the wife’s insurance benefit or the husband’s insurance benefit to which such spouse would have been entitled under the Social Security Act if the individual’s service as an employee after December 31, 1936, had been included in the term ‘employment’ as defined in that Act.”

(c) which read as follows: “If (A) the total amount of the annuity of a spouse of an individual as computed under the preceding subsections of this section as of the date on which the annuity of such individual under section 231a(a)(1) of this title began to accrue (before any reduction due to such spouse’s entitlement to a monthly insurance benefit under the Social Security Act) plus (B) the total amount of the annuity and supplemental annuity of the individual (before any reduction due to such individual’s entitlement to a monthly insurance benefit under the Social Security Act) subject to the provisions of section 231b(f)(1) of this title would, before any reductions in the amounts specified in clauses (A) and (B) on account of age and disregarding any increases in such amounts which become effective after the date on which the individual’s annuity

1976—Subsec. (g). Pub. L. 94-547, §2(a), inserted references to spouses under subsection (e)(3) of this section in two places and inserted proviso that if a widow or widower of a deceased employee is entitled to an annuity under section 231a(a)(1) of this title and if either such widow or widower of such deceased employee completed ten years of service prior to Jan. 1, 1975, the amount of the annuity of such widow or widower under the preceding provisions of this subsection would be increased by an amount equal to the amount, if any, by which (A) the widow's or widower's insurance annuity to which such widow or widower would have been entitled, upon attaining age 65, under section 5(a) of the Railroad Retirement Act of 1937 as in effect on Dec. 31, 1974 (without regard to the proviso of that section or the first proviso of section 3(e) of that Act), on the basis of the deceased employee's remuneration and service prior to Jan. 1, 1975, increased by the same percentage, or percentages, as widow's and widower's insurance benefits under section 202 of the Social Security Act are increased during the period from Jan. 1, 1975, to the later of the date on which such widow's or widower's annuity under section 231a(a)(1) of this title began to accrue or the date on which such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue, exceeds (B) the total of the annuity amounts to which the widow or widower was entitled (after any reductions pursuant to subsection (i)(2) of this section but before any deductions on account of work) under subsec. (f) of the section and the preceding provisions of this subsection as of the later of the date on which such widow's or widower's annuity under section 231a(a)(1) of this title began to accrue or the date on which such widow's or widower's annuity under section 231a(d)(1) of this title began to accrue.

Subsec. (h). Pub. L. 94-547, §2(b), revised the benefit formula by providing that the additional benefit amount for the widows and widowers in question be equal to the difference between (A) the amount of the widow's or widower's insurance annuity which would have been payable under the 1937 Act railroad retirement formula on the basis of the deceased employee's remuneration and service prior to 1975, with this amount being increased by the percentages of benefit increases occurring during the period from Jan. 1, 1975, to the date on which the widow's or widower's survivor annuity or social security benefit, whichever is awarded latest, begins, and (B) the total amount of the two survivor annuity components payable to the widow or widower under this subchapter, after reduction due to the receipt of a social security benefit, as of the time the widow's or widower's survivor annuity or social security benefit, whichever is awarded latest, begins, with a proviso to assure that, where the widow or widower had been receiving a "windfall" dual benefit as a spouse under this subchapter, the total annuity amounts, including dual benefit amounts, payable to that widow or widower will not be less than the annuity amounts, again including dual benefit amounts, which the widow or widower received as a spouse in the month preceding the employee's death.

§ 231d. Annuity beginning and ending dates**(a) Annuities under section 231a of this title**

Subject to the limitations set forth below, an annuity under section 231a of this title shall begin with the month in which eligibility therefor was otherwise acquired, but—

(i) not earlier than the date specified in the application therefor;

(ii) in the case of an applicant otherwise entitled to an annuity under paragraph (iv) or (v) of section 231a(a)(1) of this title or under section 231a(d)(1)(i) of this title on the basis of disability, not earlier than the later of (A) the first day of the sixth month following the onset date of the disability for which such annuity is awarded or (B) the first day of the twelfth month before the month in which the application therefor was filed;

(iii) in the case of an applicant otherwise entitled to an annuity under section 231a(a)(1), 231a(c), or 231a(d) of this title where paragraph (ii) does not apply, not earlier than the latest of (A) the first day of the sixth month before the month in which the application therefor was filed, (B) the first day of the month in which the application therefor was filed if the effect of beginning such annuity in an earlier month would result in a greater age reduction in the annuity, unless beginning the annuity in the earlier month would enable an annuity under section 231a(c) of this title which is not subject to an age reduction to be payable in such earlier month, (C) in the case of an applicant otherwise entitled to an annuity under section 231a(a)(1) or 231a(c) of this title, the date following the last day of compensated service of the applicant, or (D) in the case of an applicant otherwise entitled to an annuity under section 231a(a)(1) or 231a(c) of this title, the first day of the first month throughout which the applicant meets the age requirement for the annuity applied for;

(iv) in the case of an applicant otherwise entitled to an annuity under section 231a(c)(4) or (d)(1)(v) of this title, not earlier than the month an annuity would begin to accrue to such individual under such section if section 202(j)(1) and section 202(j)(4) of the Social Security Act [42 U.S.C. 402(j)(1), (4)] were applicable to this subchapter.¹

(v) an annuity amount provided by section 231b(h)(1) or 231b(h)(2) of this title shall not be paid to an individual otherwise eligible therefor for any month before the month such individual would be entitled, upon filing an application therefor, to an old-age insurance benefit or a disability insurance benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.] and an annuity amount provided by section 231b(h)(3) or section 231b(h)(4) of this title shall not be paid to an individual otherwise eligible therefor for any month before the month such individual would be entitled, upon filing an application therefor,² to an insurance benefit as a wife, husband, widow, or widower under title II of the Social Security Act;

(vi) an annuity amount provided by section 231c(e)(1) or 231c(e)(2) of this title shall not be

paid to a spouse otherwise eligible therefor for any month prior to the month such spouse would be entitled, upon filing an application therefor, to an old-age or disability insurance benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.]; and

(vii) an annuity amount provided by section 231c(e)(3) of this title shall not be paid to a spouse otherwise eligible therefor for any month prior to the month such spouse would be entitled, upon filing an application therefor, to a wife's or husband's insurance benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.].

For the purpose of determining annuity amounts provided under sections 231b(a), 231c(a), and 231c(f) of this title, the provisions with respect to the beginning dates of annuities set forth in this subsection shall be deemed to govern the beginning dates of monthly benefits provided under the Social Security Act [42 U.S.C. 301 et seq.].

(b) Applications for payment

An application for any payment under this subchapter shall be made and filed in such manner and form as the Board may prescribe. An application filed with the Board for an employee annuity, spouse annuity, or divorced spouse annuity on the basis of the employment record of an employee who will have completed less than ten years of service shall be deemed to be an application for any benefit to which such applicant may be entitled under this subchapter or section 202(a), section 202(b), or section 202(c) of the Social Security Act [42 U.S.C. 402(a), (b), (c)]. An application filed with the Board for an annuity on the basis of the employment record of an employee who will have completed ten years of service shall, unless the applicant specified otherwise, be deemed to be an application for any benefit to which such applicant may be entitled under this subchapter or title II of the Social Security Act [42 U.S.C. 401 et seq.]. An individual who was entitled to an annuity under paragraph (iv) or (v) of section 231a(a)(1) of this title for the month preceding the month in which he attained retirement age (as defined in section 216(l) of the Social Security Act [42 U.S.C. 416(l)]), shall be deemed to have filed an application for an annuity under paragraph (i) of section 231a(a)(1) of this title on the date on which he attained retirement age (as defined in section 216(l) of the Social Security Act), and a widow or widower who was entitled to an annuity under section 231a(d)(1) of this title on the basis of disability for the month preceding the month in which she or he attained age 60, shall be deemed to have filed an application for an annuity under such section 231a(d)(1) of this title on the basis of age on the date on which she or he attained age 60.

The entitlement of the divorced wife of an individual to an annuity under section 231a(c) of this title shall end on the last day of the month preceding the month in which (A) the divorced wife or the individual dies or (B) the divorced wife remarries.

(4) The entitlement of a widow or widower of a deceased employee to an annuity under paragraph (i) of section 231a(d)(1) of this title on the basis of age shall end on (A) the last day of the month preceding the month in which she or he dies or (B) the last day of the month preceding the month in which she or he remarries after the employee's death, whichever first occurs.

(6) The entitlement of a widow of a deceased employee to an annuity under paragraph (ii) of section 231a(d)(1) of this title shall end on (A) the last day of the month preceding the month in which she dies, (B) the last day of the month preceding the month in which she remarries after the employee's death, or (C) the last day of the month preceding the month in which she no longer has in her care a child described in clause (B) of such paragraph (ii) whichever first occurs.

(7) The entitlement of a child of a deceased employee to an annuity under paragraph (iii) of section 231a(d)(1) of this title shall end on (A) the last day of the month preceding the month in which he or she dies, (B) the last day of the month preceding the month in which he or she marries, (C) the last day of the month preceding the month in which he or she attains age 18 and does not meet the qualifications set forth in clause (B) or (C) of such paragraph (iii), (D) the last day of the month preceding (i) the month during no part of which he or she is a full-time

elementary or secondary school student or (ii) the month in which he or she attains age 19, and does not meet the qualifications set forth in clause (A) or (C) of such paragraph (iii), or (E) the last day of the second month following the month in which he or she ceases to be disabled for purposes of such paragraph (iii) and does not meet the qualifications set forth in clause (A) or (B) of such paragraph (iii), whichever first occurs. A child whose entitlement to an annuity under paragraph (iii) of section 231a(d)(1) of this title terminated with the month preceding the month in which he or she attained age 18, or with a subsequent month, may again become entitled to such an annuity (providing no event to disqualify the child has occurred) beginning with the first month thereafter in which he or she meets the qualifications set forth in clause (B) or (C) of such paragraph (iii), if he or she has filed an application for such reentitlement.

(8) The entitlement of a parent of a deceased employee to an annuity under paragraph (iv) of section 231a(d)(1) of this title shall end on the last day of the month preceding the month in which (A) such parent dies or (B) such parent remarries after the employee's death, whichever first occurs.

(9) No annuity shall accrue with respect to the calendar month in which an annuitant dies. In cases where an individual entitled to an annuity under this subchapter disappears, no annuity shall accrue to that individual with respect to any month until and unless such individual is shown, by evidence satisfactory to the Board, to have continued in life throughout such month, but—

(A) where an annuity would accrue for such month under section 231a(a)(1) of this title to an individual who had a current connection with the railroad industry at the time of such individual's disappearance, and under section 231a(c) of this title to such individual's spouse, had such individual been shown to be alive during such month, such individual shall be deemed, for the purposes of benefits under section 231a(d) of this title, to have died in the month in which such individual disappeared, and where an annuity would accrue for such month under section 231a(a)(1) of this title to an individual who did not have a current connection with the railroad industry at the time of such individual's disappearance, and under section 231a(c) of this title to such individual's spouse, had such individual been shown to be alive during such month, such individual shall be deemed, for purposes of benefits payable under section 231a(c) of this title, to be alive during such month unless the death of such individual has been established or the annuity of the spouse of such individual is otherwise terminated under subsection (c)(3) of this section, and

(B) if such individual is later determined to have been alive during any of such months, recovery of any benefits paid on the basis of such individual's compensation under section 231a(d) of this title for the months in which such individual was not known to be alive, minus the total of the amounts that would have been paid as a spouse's annuity during such months (treating the application for a widow's or widower's annuity as an application for spouse's annuity), shall be made in accordance with section 231l of this title.

For purposes of the payment of benefits under this subchapter, the death of an individual shall be presumed based on such individual's unexplained absence of not less than seven years, except that whenever the death of an individual is so established, such individual shall be deemed to have died in the month in which such individual disappeared.

(d) Annuities to surviving former spouses under section 231b(b) of this title

§ 231e. Lump sum payments

(a) Eligible annuities; applications; reversion; determination of status of recipient

(1) Annuities under section 231a(a)(1) of this title and supplemental annuities under section 231a(b) of this title which will have become due an individual but will not have been paid at the time of such individual's death shall be payable to the person, if any, who is determined by the Board to be such individual's widow or widower and to have been living with such individual at the time of such individual's death and who will not have died before receiving payment of such annuities. If there be no such widow or widower, such annuities shall be payable to any person or persons, equitably entitled thereto, to the extent and in the proportions that he or they shall have paid the expenses of burial of such individual, and to the extent that he or they will not have been reimbursed under subsection (b) of this section for having paid such expenses. If there be no person or persons so entitled, or if the total of such annuities exceeds the amount payable under this subdivision to such person or persons, such total, or the remainder thereof, as the case may be, shall be paid to the children, grandchildren, parents, or brothers and sisters of the deceased individual in the same manner as if such annuities were a lump sum payable under subsection (c)(1) of this section.

(2) Annuities under section 231a(d) of this title which will have become due a survivor of an employee but will not have been paid at the time of such survivor's death shall be payable to the person, if any, who is determined by the Board to be such employee's widow or widower and to have been living with such employee at the time of the employee's death and who will not have died before receiving payment of such annuities. If there be no such widow or widower, such annuities shall be payable to the children, grandchildren, parents, or brothers and sisters of the deceased employee in the same manner as if such unpaid annuities were a lump sum payable under subsection (c)(1) of this section.

(3) Annuities under section 231a(c) of this title which will have become due a spouse or divorced wife of an individual but which will not have been paid at the time of such spouse's or divorced wife's death shall be payable to the individual from whose employment such annuities derived and who will not have died before receiving payment of such annuities. If there be no such individual, such annuities shall be paid as provided in the last two sentences of subdivision (1) of this subsection as if such annuities were annuities due to an individual but unpaid at the time of such individual's death.

(4) Applications for accrued and unpaid annuities provided for in the preceding subdivisions of this subsection shall be filed prior to the expiration of two years after the death of the person to whom such annuities were originally due.

(5) If there is no person to whom all or any part of the payments described in subdivision

(1), (2), or (3) can be made, such payment or part thereof shall escheat to the credit of the Railroad Retirement Account.

(6) For the purposes of this subsection and subsection (c) of this section, a widow or widower of an individual shall be deemed to have been living with the individual at the time of the individual's death if the applicable conditions set forth in section 216(h)(2) or (3) of the Social Security Act [42 U.S.C. 416(h)(2) or (3)], as in effect before 1957, are fulfilled.

(7) In determining for purposes of this subsection and subsections (c) and (d) of this section whether an applicant is the widow, widower, child, or parent of an employee as claimed, the rules set forth in section 216(h) of the Social Security Act [42 U.S.C. 416(h)] shall be applied. In determining for purposes of this subsection and subsections (c) and (d) of this section whether an applicant is the grandchild, brother, or sister of an employee as claimed, the Board shall apply such law as would be applied in determining the devolution of intestate personal property by the courts of the State in which such employee was domiciled at the time of his death, or if such employee was not so domiciled in any State by the courts of the District of Columbia. Applicants who according to such law would have the same status relative to taking personal property as a grandchild, brother, or sister shall be deemed such.

(b) Payments in accordance with Railroad Retirement Act of 1937 and Social Security Act

(1) Upon the death of an individual who will have completed ten years of service prior to January 1, 1975, and will have had a current connection with the railroad industry at the time of his death, a lump-sum payment shall be made in accordance with the provisions of section 5(f)(1) of the Railroad Retirement Act of 1937 [45 U.S.C. 228e(f)(1)] as in effect on December 31, 1974, in an amount, if any, which would have been payable under such section on the basis of (A) the individual's compensation after December 31, 1936, and prior to January 1, 1975, and (B) the individual's wages (as defined in section 209 of the Social Security Act [42 U.S.C. 409]) prior to January 1, 1975. Any lump sum payable under this subdivision shall be in an amount computed as if the individual had died on January 1, 1975. No lump sum shall be payable under this subdivision if the employee died leaving a surviving divorced wife who would on proper application therefore be entitled to receive an annuity under section 231a(d) of this title for the month in which the employee's death occurred.

(2) Upon the death of an individual who will not have completed ten years of service prior to January 1, 1975, but who (i) will have completed ten years of service (or five or more years of service, all of which accrues after December 31, 1995) at the time of his death, (ii) will have had a current connection with the railroad industry at the time of his death, and (iii) will have died leaving no widow, surviving divorced wife, widower, child, or parent who would on proper application therefor be entitled to receive an annuity under section 231a(d) of this title for the month in which such death occurred, a lump-sum death payment shall be made in accordance

with the provisions of section 202(i) of the Social Security Act [42 U.S.C. 402(i)] in an amount equal to the amount which would have been payable under such section 202(i) if such individual's service as an employee after December 31, 1936, were included in the term "employment" as defined in that Act. If a lump sum would be payable to a widow or widower under this subdivision except for the fact that a survivor will have been entitled to receive an annuity for the month in which the individual will have died, but within one year after the individual's death there will not have accrued to survivors of the individual, by reason of his death, annuities which, after all deductions pursuant to section 231a(g) and 231a(h) of this title, are equal to such lump sum, a payment equal to the amount by which such lump sum exceeds such annuities so accrued after such deductions shall then nevertheless be made under this subdivision to the widow or widower to whom a lump sum would have been payable under this subdivision except for the fact that a monthly benefit under section 231a(d) of this title was payable for the month in which the individual died, if such widow or widower will not have died before receiving payment of such lump sum.

(c) Payments in the absence of further benefits

(1) Whenever it shall appear, with respect to the death of an employee, that no benefits, or no further benefits (other than benefits payable to a widow, widower, or parent under either this subchapter or the Social Security Act [42 U.S.C. 301 et seq.] upon attaining the age of eligibility therefor at a future date) will be payable under this subchapter or under the Social Security Act, a lump sum in an amount computed under subdivision (2) of this subsection shall be paid to such person or persons as the deceased employee may have designated by a writing filed with the Board prior to his or her death, or if there be no designation, to the following person (or, if more than one, in equal shares to the persons) whose relationship to the deceased employee will have been determined by the Board and who will not have died before receiving payment of the lump sum provided for in this subdivision—

(i) the widow or widower of the deceased employee who was living with such employee at the time of such employee's death; or

(ii) if there be no such widow or widower, to any child or children of such employee; or

(iii) if there be no such widow, widower, or child, to any grandchild or grandchildren of such employee; or

(iv) if there be no such widow, widower, child, or grandchild, to any parent or parents of such employee; or

(v) if there be no such widow, widower, child, grandchild, or parent, to any brother or sister of such employee; or

(vi) if there be no such widow, widower, child, grandchild, parent, brother, or sister, to the estate of such employee:

Provided, however, That if the employee is survived by a widow, widower, or parent who may upon attaining the age of eligibility be entitled to benefits under this subchapter or under the Social Security Act, such lump sum shall not be paid unless such widow, widower, or parent

makes and files with the Board an irrevocable election, in such form as the Board may prescribe, to have such lump sum be paid in lieu of all benefits to which such widow, widower, or parent might otherwise become entitled under this subchapter on the basis of the deceased employee's compensation and years of service or under the Social Security Act on the basis of the deceased employee's wages from (A) employment with an employer as defined in section 231(a) of this title or (B) service as an employee representative as defined in section 231(c) of this title. Any election made and filed by a widow, widower, or parent pursuant to this subdivision shall be legally effective according to its terms. After a lump sum with respect to the death of an employee is paid pursuant to an election filed with the Board under the provisions of this subsection, no further benefits shall be paid (other than to a survivor in the circumstances described in paragraph (3)) under this subchapter or the Social Security Act on the basis of such employee's compensation and service under this subchapter, except that nothing in this subchapter or the Social Security Act shall operate to deprive a widow, widower, or parent making such election of any insurance benefit under title II of the Social Security Act [42 U.S.C. 401 et seq.] to which such individual would have been entitled if the employee had not rendered service as an employee under this subchapter.

(2) The lump sum provided under subdivision (1) of this subsection shall be in an amount equal to (A) the sum of 4 per centum of the deceased employee's compensation paid after December 31, 1936, and prior to January 1, 1947, plus 7 per centum of such employee's compensation paid after December 31, 1946, and before January 1, 1959, plus 7½ per centum of such employee's compensation paid after December 31, 1958, and before January 1, 1962, plus 8 per centum of such employee's compensation paid after December 31, 1961, and before January 1, 1966, plus an amount equal to the total of all employee taxes payable by such employee after December 31, 1965, and before January 1, 1975, under the provisions of section 3201 of the Railroad Retirement Tax Act [26 U.S.C. 3201] (excluding, for this purpose, the amount of the employee tax attributable to that portion of the tax rate derived from section 3101(b) of the Internal Revenue Code of 1986 [26 U.S.C. 3101(b)]), plus one-half of 1 per centum of the compensation on which such taxes were payable, deeming the compensation attributable to creditable military service after June 30, 1963, and before January 1, 1975, to be taxable compensation, and one-half of the taxes payable by an employee representative under section 3211 of the Railroad Retirement Tax Act [26 U.S.C. 3211] to be employee taxes under section 3201 of such Act, minus (B) the sum of all benefits paid to such employee, and to others deriving from such employee, during his or her life, or to others by reason of his or her death, under this subchapter, the Railroad Retirement Act of 1937 [45 U.S.C. 228a et seq.], or the Social Security Act [42 U.S.C. 301 et seq.] (excluding, for this purpose, payments to providers of services under section 231f(d) of this title or section 21 of the Railroad Retirement Act of 1937 [45 U.S.C. 228s-2], any supplemental annuity pay-

ments made to the employee under section 231a(b) of this title or section 3(j) of the Railroad Retirement Act of 1937 [45 U.S.C. 228c(j)], any amounts by which that portion of the annuities provided the employee under section 231b(a) of this title or his spouse or divorced wife under section 231c(a) of this title were increased by reason of the employee's wages and self-employment income derived from employment and self-employment under the Social Security Act, that portion of the annuities provided the employee under section 231b(h) of this title or his spouse under section 231c(e) of this title, and so much of the benefits paid to the employee and to others deriving from him or her under the Social Security Act during his or her lifetime as would have been payable under that Act if such employee had not rendered service as an employee as defined in section 231(b) of this title). In computing compensation for purposes of this subdivision there shall be excluded compensation in excess of \$300 for any month before July 1, 1954; compensation in excess of \$350 for any month after June 30, 1954, and before June 1, 1959; compensation in excess of \$400 for any month after May 31, 1959, and before November 1, 1963; compensation in excess of \$450 for any month after October 31, 1963, and before October 1, 1965; and compensation in excess of (i) \$450 or (ii) an amount equal to one-twelfth of the current maximum annual taxable "wages" as defined in section 3121 of the Internal Revenue Code of 1986 [26 U.S.C. 3121], whichever is greater, for any month after September 30, 1965.

(3) Notwithstanding the last sentence of paragraph (1), benefits shall be paid to a survivor who—

(A) is a divorced wife; and

(B) through administrative error received benefits otherwise precluded by the making of a lump sum payment under this section to a widow;

if that divorced wife makes an election to repay to the Board the lump sum payment. The Board may withhold up to 10 percent of each benefit amount paid after October 21, 1998, toward such reimbursement. The Board may waive such repayment to the extent the Board determines it would cause an unjust financial hardship for the beneficiary.

(d) Payments to recipients ineligible for certain other annuities

(1) Every individual who will have completed ten years of service at the time of his retirement or death, but does not meet the qualifications for an annuity amount determined under the provisions of section 231b(h)(1) or 231b(h)(2) of this title, shall, at the time his annuity under section 231a(a)(1) of this title begins to accrue, be entitled to a lump sum in the amount provided under subdivision (2) of this subsection. If an individual otherwise eligible for a lump sum under this section dies before he becomes entitled to an annuity under section 231a(a)(1) of this title, or before he receives payment of such lump sum, such lump sum shall be payable to the person, if any, who is determined by the Board to be such individual's widow or widower and who will not have died before receiving payment of such lump sum. If there be no such

widow or widower, such lump sum shall be payable to the children, grandchildren, parents, brothers and sisters, or the estate of the deceased individual in the same manner as if such lump sum were a lump sum payable under subsection (c)(1) of this section.

(2) The lump sum provided under subdivision (1) of this subsection shall be in an amount equal to the sum of (A) 1.5 per centum of so much of such individual's combined earnings for any calendar year after 1950 and before 1954 as is in excess of \$3,600, plus (B) 2 per centum of so much of such individual's combined earnings for any calendar year after 1953 and before 1957 as is in excess of \$4,200, plus (C) 2.25 per centum of so much of such individual's combined earnings for any calendar year after 1956 and before 1959 as is in excess of \$4,200, plus (D) 2.5 per centum of so much of such individual's combined earnings for the calendar year 1959 as is in excess of \$4,800, plus (E) 3 per centum of so much of such individual's combined earnings for each of the calendar years 1960 and 1961 as is in excess of \$4,800, plus (F) 3.125 per centum of so much of such individual's combined earnings for the calendar year 1962 as is in excess of \$4,800, plus (G) 3.625 per centum of so much of such individual's combined earnings for any calendar year after 1962 and before 1966 as is in excess of \$5,400, plus (H) 4.2 per centum of so much of such individual's combined earnings for the calendar year 1966 as is in excess of \$6,600, plus (I) 4.4 per centum of so much of such individual's combined earnings for the calendar year 1967 as is in excess of \$6,600, plus (J) 3.8 per centum of so much of such individual's combined earnings for the calendar year 1968 as is in excess of \$7,800, plus (K) 4.2 per centum of so much of such individual's combined earnings for each of the calendar years 1969 and 1970 as is in excess of \$7,800, plus (L) 4.6 per centum of so much of such individual's combined earnings for the calendar year 1971 as is in excess of \$7,800, plus (M) 4.6 per centum of so much of such individual's combined earnings for the calendar year 1972 as is in excess of \$9,000, plus (N) 4.85 per centum of so much of such individual's combined earnings for the calendar year 1973 as is in excess of \$10,800, plus (O) 4.95 per centum of so much of such individual's combined earnings for the calendar year 1974 as is in excess of \$13,200. For purposes of this subsection, the term "combined earnings" shall include "compensation" as defined in section 1(h) of the Railroad Retirement Act of 1937 [45 U.S.C. 228a(h)], "wages" as defined in section 209 of the Social Security Act [42 U.S.C. 409], and "self-employment" income as defined in section 211(b) of the Social Security Act [42 U.S.C. 411(b)].

(e) Additional lump sum payment in certain cases

(1) Every individual who will have completed ten years of service (or five or more years of service, all of which accrues after December 31, 1995) at the time of his retirement or death, who will have received compensation in the nature of separation or severance pay on or after January 1, 1985, and who would have been credited with additional months of service pursuant to section 231b(i)(4) of this title except for the fact that such individual was not in an employment rela-

tion to one or more employers nor an employee representative in such months, shall, at the time his annuity under section 231a(a)(1) of this title begins to accrue, be entitled to a lump sum in the amount provided under subdivision (2) of this subsection. If the full amount of a lump sum under this subsection cannot be determined at the time an individual's annuity under section 231a(a)(1) of this title begins to accrue, such lump sum shall be payable at such time thereafter as such amount can be determined. If an individual otherwise eligible for a lump sum under this section dies before he becomes entitled to an annuity under section 231a(a)(1) of this title, or before he receives payment of such lump sum, such lump sum shall be payable to the person, if any, who is determined by the Board to be such individual's widow or widower and who will not have died before receiving payment of such lump sum. If there be no such widow or widower, such lump sum shall be payable to the children, grandchildren, parents, brothers and sisters, or the estate of the deceased individual in the same manner as if such lump sum were a lump sum payable under subsection (c)(1) of this section.

(2) The lump sum provided under subdivision (1)¹ of this subsection shall be in an amount equal to the product of (A) the compensation attributable to the additional months of service which would have been credited to the individual due to the receipt of payments in the nature of separation or severance pay pursuant to section 231b(i)(4) of this title if such individual had remained in an employment relation to one or more employers or had continued to be an employee representative and (B) the rate of tax, or rates of tax, imposed on the compensation described in clause (A) of this subdivision by section 3201(b) of the Internal Revenue Code of 1986 [26 U.S.C. 3201(b)].

(a) Administration

This subchapter shall be administered by the Railroad Retirement Board established by the Railroad Retirement Act of 1937 [45 U.S.C. 228a et seq.] as an independent agency in the executive branch of the Government and composed of three members appointed by the President, by and with the advice and consent of the Senate. Each member shall hold office for a term of five years, except that any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed for the remainder of the term and any member holding office pursuant to appointment under the Railroad Retirement Act of 1937 when this subchapter becomes effective shall hold office until the term for which he was appointed under such Railroad Retirement Act of 1937 expires. One member shall be appointed from recommendations made by representatives of the employees and one member shall be appointed from recommendations made by representatives of employers as defined in paragraph (i) of section 231(a)(1) of this title, in both cases as the President shall direct, so as to provide representation on the Board satisfactory to the largest number, respectively, of employees and employers concerned. One member, who shall be the chairman of the Board, shall be appointed without recommendation by either employers or employees and shall not be in the employment of or be pecuniarily or otherwise interested in any employer or organization of employees. Vacancies in the Board shall not impair the powers or affect the duties of the Board or of the remaining members of the Board, of whom a majority of those in office shall constitute a quorum for the transaction of business. Upon the expiration of his term of office a member shall continue to serve until his successor is appointed and shall have qualified.

(b) Powers and duties

(1) The Board shall have and exercise all the duties and powers necessary to administer this subchapter. The Board shall take such steps as may be necessary to enforce such subchapter and make awards and certify payments. Decisions by the Board upon issues of law and fact relating to annuities or death benefits shall not be subject to review by any other administrative or accounting officer, agent, or employee of the United States.

(B) the wife or divorced wife or husband of such an individual,

(C) any survivor of such an individual if such survivor is entitled, or could upon application become entitled, to an annuity under section 231a of this title, and

(D) any other person entitled to benefits under title II of the Social Security Act [42

U.S.C. 401 et seq.] on the basis of the wages and self-employment income of such an individual (except a survivor of such an individual where such individual did not have a current connection with the railroad industry at the time of his death);

the Board shall provide for the payment on behalf of the Managing Trustee of the Federal Old-Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund of monthly benefits payable under title II of the Social Security Act [42 U.S.C. 401 et seq.] which are certified by the Secretary to it for payment under the provisions of title II of the Social Security Act.

(3) If the Board finds that an applicant is entitled to an annuity or death benefit under the provisions of this subchapter then the Board shall make an award fixing the amount of the annuity or benefit, as the case may be, and shall certify the payment thereof as hereinafter provided; otherwise the application shall be denied. For purposes of this section, the Board shall have and exercise such of the powers, duties and remedies provided in subsections (a), (b), (d), and (n) of section 12 of the Railroad Unemployment Insurance Act [45 U.S.C. 362] as are not inconsistent with the express provisions of this subchapter. The Board is authorized to delegate to any member, officer, or employee of the Board any of the powers conferred upon the Board by this subchapter, excluding only the power to prescribe rules and regulations, including the power to make decisions on applications for annuities or other benefits: *Provided, however,* That any person aggrieved by a decision on his application for an annuity or other benefit shall have the right to appeal to the Board. Notice of a decision of the Board, or of an employee thereof, shall be communicated to the applicant in writing within thirty days after such decision shall have been made.

(4)(A) The Secretary of the Treasury shall serve as the disbursing agent for benefits payable under this subchapter, under such rules and regulations as the Secretary may in the Secretary's discretion prescribe.

(B) The Board shall from time to time certify—

(i) to the Secretary of the Treasury the amounts required to be transferred from the Social Security Equivalent Benefit Account and the Dual Benefits Payments Account to the disbursing agent to make payments of benefits and the Secretary of the Treasury shall transfer those amounts;

(ii) to the Board of Trustees of the National Railroad Retirement Investment Trust the amounts required to be transferred from the National Railroad Retirement Investment Trust to the disbursing agent to make payments of benefits and the Board of Trustees shall transfer those amounts; and

(iii) to the disbursing agent the name and address of each individual entitled to receive a payment, the amount of such payment, and the time at which the payment should be made.

(5) The Board shall establish and promulgate rules and regulations to provide for the adjust-

ment of all controversial matters arising in the administration of this subchapter. All rules, regulations, or decisions of the Board shall require the approval of at least two members, and they shall be entered upon the records of the Board, which shall be a public record.

(6) The Board shall gather, keep, compile, and publish in convenient form such records and data as may be necessary to assure proper administration of this subchapter, including subdivision (2) of this subsection. The Board shall have power to require all employers and employees and any officer, board, commission, or other agency of the United States to furnish such information and records as shall be necessary for the administration of this subchapter, including subdivision (2) of this subsection. The several district courts of the United States shall have jurisdiction upon suit by the Board to compel obedience to any order of the Board issued pursuant to this section. The orders, writs, and processes of the United States District Court for the District of Columbia in such suits may run and be served anywhere in the United States. Witnesses summoned before the Board shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. The Board shall make an annual report to the President of the United States to be submitted to Congress.

(7) Notwithstanding any other provision of law, the Secretary of Health and Human Services shall furnish the Board certified reports of wages, self-employment income, and periods of service and of other records in his possession, or which he may secure, pertinent to the administration of this subchapter, the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.],¹ the Milwaukee Railroad Restructuring Act [45 U.S.C. 901 et seq.], and the Rock Island Railroad Transition and Employee Assistance Act [45 U.S.C. 1001 et seq.].¹ The Board shall furnish the Secretary of Health and Human Services certified reports of records of compensation and periods of service reported to it pursuant to section 231h of this title, of determinations under section 231a of this title, and of other records in its possession, or which it may secure, pertinent to subsection (c) of this section or to the administration of the Social Security Act [42 U.S.C. 301 et seq.] as affected by section 231q of this title. Such certified reports shall be conclusive in adjudication as to the matters covered therein: *Provided, however,* That if the Board or the Secretary of Health and Human Services receives evidence inconsistent with a certified report and the application involved is still in course of adjudication or otherwise open for such evidence such recertification of such report shall be made as, in the judgment of the Board or the Secretary of Health and Human Services, whichever made the original certification, the evidence warrants. Such recertification and any subsequent recertification shall be treated in the same manner and be subject to the same conditions as an original certification.

(8) Any department or agency of the United States maintaining records of military service, at the request of the Board, shall certify to the

Board, with respect to any individual, the number of months of military service which such department or agency finds the individual to have had during any period or periods with respect to which the Board's request is made, the date and manner of entry into such military service, and the conditions under which such service was continued. Any department or agency of the United States which is authorized to make awards of pensions, disability compensation, or any other gratuitous benefits or allowances payable, on the periodic basis or otherwise, under any other Act of Congress on the basis of military service, at the request of the Board, shall certify to the Board, with respect to any individual, the calendar months for all or part of which any such pension, compensation, benefit, or allowance is payable to, or with respect to, the individual, the amounts of any such pension, compensation, benefit, or allowance, and the military service on which such pension, compensation, benefit, or allowance is based. Any certification made pursuant to the provisions of this subdivision shall be conclusive on the Board: *Provided, however,* That if evidence inconsistent with any such certification is submitted, and the claim is in the course of adjudication or is otherwise open for such evidence, the Board shall refer such evidence to the department or agency which made the original certification and such department or agency shall make such recertification as in its judgment the evidence warrants. Such recertification, and any subsequent recertification, shall be conclusive, made in the same manner, and subject to the same conditions as an original certification.

(9) The Board shall maintain such offices, provide such equipment, furnishings, supplies, services, and facilities, and employ such individuals and provide for their compensation and expenses as may be necessary for the proper discharge of its functions. All positions to which such individuals are appointed, except one administrative assistant to each member of the Board, shall be in and under the competitive civil service and shall not be removed or excepted therefrom. In the employment of such individuals under the civil service laws and rules the Board shall give preference over all others to individuals who have had experience in railroad service, if, in the judgment of the Board, they possess the qualifications necessary for the proper discharge of the duties of the positions to which they are to be appointed. For purposes of its administration of this subchapter or the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.], or both, the Board may place, without regard to the numerical limitations contained in section 5108(c)(9)² of title 5, four positions in grade GS-16 of the General Schedule established by that Act, four positions in grade GS-17 of such schedule, and one position in grade GS-18 of such schedule.

(c) Sources of payments; adjustments

it from the National Railroad Retirement Investment Trust or the Social Security Equivalent Benefit Account, as the case may be, except that payments of annuity amounts made under sections 231b(h), 231c(e), and 231c(h) of this title and under sections 204(a)(3), 204(a)(4), 206(3), and 207(3) of Public Law 93-445 shall be made by the disbursing agent under subsection (b)(4) of this section from money transferred to it from the Dual Benefits Payments Account. In any fiscal year, the total amounts paid under such sections shall not exceed the total sums appropriated to the Dual Benefits Payments Account for that fiscal year. The Board shall prescribe regulations for allocation of annuity amounts which would without regard to such regulations be payable under sections 231b(h), 231c(e), and 231c(h) of this title and sections 204(a)(3), 204(a)(4), 206(3), and 207(3) of Public Law 93-445 so that the sums appropriated to the Dual Benefits Payments Account for a fiscal year so far as practicable, are expended in equal monthly installments throughout such fiscal year, and are distributed so that recipients are paid annuity amounts which bear the same ratio to the annuity amounts such recipients would have received but for such regulations as the ratio of the total sums appropriated to pay such annuity amounts bear to the total sums necessary to pay such annuity amounts without regard to such regulations. Notwithstanding any other provision of law, the entitlement of an individual to an annuity amount under section 231b(h), 231c(e), or 231c(h) of this title or section 204(a)(3), 204(a)(4), 206(3), or 207(3) of Public Law 93-445 for any month in which the amount payable to such individual is allocated under the regulations prescribed by the Board under this subsection shall not exceed the amount so allocated for that month to such individual.

(2) At the close of the fiscal year ending June 30, 1975, and each fiscal year thereafter, the Board and the Secretary of Health and Human Services shall determine the amounts, if any, which if added to or subtracted from the Federal Old-Age and Survivors Insurance Trust Fund, the Federal Disability Insurance Trust Fund, and the Federal Hospital Insurance Trust Fund would place each such Trust Fund in the same position in which it would have been if (A) service as an employee after December 31, 1936, had been included in the term "employment" as defined in the Social Security Act [42 U.S.C. 301 et seq.] and in the Federal Insurance Contributions Act [26 U.S.C. 3101 et seq.] and (B) this subchapter had not been enacted. Such determination with respect to each such Trust Fund shall be made no later than June 15 following the close of the fiscal year. If, pursuant to any such determination, any amount is to be added to any such Trust Fund, the Board shall, within ten days after the determination, certify such amount to the Secretary of the Treasury for transfer from the Railroad Retirement Account to such Trust Fund. If, pursuant to any such determination, any amount is to be subtracted from any such Trust Fund, the Secretary of Health and Human Services shall, within ten days after the determination, certify such amount to the Secretary of the Treasury for transfer from such Trust Fund to the Railroad

Retirement Account. Any amounts so certified shall further include interest (at the rate determined in subdivision (3) for the fiscal year under consideration) payable from the close of such fiscal year until the date of certification. The Secretary of the Treasury is authorized and directed to transfer to the Railroad Retirement Account from the Federal Old-Age and Survivors Insurance Trust Fund, the Federal Disability Insurance Trust Fund, or the Federal Hospital Insurance Trust Fund or to any such Trust Fund from the Railroad Retirement Account, as the case may be, such amounts as, from time to time, may be determined by the Board and the Secretary of Health and Human Services pursuant to the provisions of this subdivision and certified by the Board or the Secretary of Health and Human Services for transfer from any such Trust Fund or from the Railroad Retirement Account.

(3) For purposes of subdivision (2), for any fiscal year, the rate of interest to be used shall be equal to the average rate of interest, computed as of May 31 preceding the close of such fiscal year, borne by all interest-bearing obligations of the United States then forming a part of the public debt; except that where such average rate is not a multiple of one-eighth of 1 per centum, the rate of interest shall be the multiple of one-eighth of 1 per centum next lower than such average rate.

(4) After the end of each month beginning with the month of October 1983, the Board shall determine the net amount, if any, which if added to or subtracted from the Federal Old-Age and Survivors Insurance Trust Fund, the Federal Disability Insurance Trust Fund, and the Federal Hospital Insurance Trust Fund would, with respect to such month, place those Trust Funds, taken as a whole, in the same position in which they would have been if (A) service as an employee after December 31, 1936, had been included in the term "employment" as defined in the Social Security Act [42 U.S.C. 301 et seq.] and in the Federal Insurance Contributions Act [26 U.S.C. 3101 et seq.], and (B) this subchapter had not been enacted. If for any month the net amount so determined would be subtracted from those Trust Funds, the Board shall, within ten days after the end of such month, report such amount to the Secretary of the Treasury for transfer from the general fund to the Railroad Retirement Account. Any amount so reported shall further include interest (at an annual rate equal to the rate of interest borne by a special obligation issued to the Railroad Retirement Account in the month in which the transfer is made to the Account) payable from the close of the month for which the transfer is made until the date of transfer. The Secretary of the Treasury is authorized and directed to transfer to the Railroad Retirement Account from the general fund such amounts as, from time to time, may be determined by the Board pursuant to the provisions of this subdivision and reported by the Board for transfer. For such purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities issued after August 12, 1983, under section 3102 of title 31, and the purpose for which securities may be issued under section

3102 of title 31 are extended to include such purpose. Each such transfer shall be made by the Secretary of the Treasury within five days after a report of the amount to be transferred is received. Not later than December 31 following the close of each fiscal year beginning with the fiscal year ending September 30, 1984, the Board shall certify to the Secretary of the Treasury the total of all amounts transferred pursuant to the provisions of this subdivision for months in such fiscal year. Within ten days after a transfer, or transfers, pursuant to subdivision (2) for a particular fiscal year, the Board shall request the Secretary of the Treasury to retransfer from the Railroad Retirement Account to the general fund an amount equal to (A) the total of all amounts, exclusive of interest, transferred to such Account pursuant to the provisions of this subdivision for months in such fiscal year, plus (B) interest (at the rate determined in subdivision (3) for such fiscal year) payable with respect to each amount transferred for a month during such fiscal year from the close of the month for which the transfer of the amount was made until the date of retransfer of such amount. The Secretary of the Treasury is authorized and directed to retransfer from the Railroad Retirement Account to the general fund such amounts as, from time to time, may be determined by the Board pursuant to the provisions of the preceding sentence of this subdivision and reported by the Board for retransfer.

(d) Hospital insurance benefits; certified beneficiaries; disability insurance benefits; services in Canada; exchange of information

(1) The Board shall, for purposes of this subsection, have the same authority to determine the rights of individuals described in subdivision (2) to have payments made on their behalf for hospital insurance benefits consisting of inpatient hospital services, posthospital extended care services, home health services, hospice care, and outpatient hospital diagnostic services (all hereinafter referred to as "services") under section 226 [42 U.S.C. 426], and parts A and E of title XVIII [42 U.S.C. 1395c et seq., 1395x et seq.], of the Social Security Act as the Secretary of Health and Human Services has under such section and such parts with respect to individuals to whom such sections and such parts apply. For purposes of section 231g of this title, a determination with respect to the rights of an individual under this subsection shall, except in the case of a provider of services, be considered to be a decision with respect to an annuity.

(2) Except as otherwise provided in this subsection, every person who—

(i) has attained age 65 and (A) is entitled to an annuity under this subchapter or (B) would be entitled to such an annuity had he ceased compensated service and, in the case of a spouse or divorced wife, had such spouse's husband or wife ceased compensated service or (C) bears a relationship to an employee which, by reason of section 231b(f)(2) of this title, has been, or would be, taken into account in calculating the amount of the annuity of such employee; or

(ii) has not attained age 65 and (A) has been entitled to an annuity under section 231a of

this title, or under the Railroad Retirement Act of 1937 [45 U.S.C. 228a et seq.] and section 231a of this title, or could have been includible in the computation of an annuity under section 231b(f)(2) of this title, for not less than 24 months and (B) could have been entitled for 24 calendar months, and could currently be entitled, to monthly insurance benefits under section 223 of the Social Security Act [42 U.S.C. 423] or under section 202 of that Act [42 U.S.C. 402] on the basis of disability if service as an employee after December 31, 1936, had been included in the term "employment" as defined in that Act and if an application for disability benefits had been filed,

shall be certified to the Secretary of Health and Human Services as a qualified railroad retirement beneficiary under section 226 of the Social Security Act [42 U.S.C. 426].

(3) If an individual entitled to an annuity under paragraph (iv) or (v) of section 231a(a)(1) of this title would have been insured for disability insurance benefits as determined under section 223(c)(1) of the Social Security Act [42 U.S.C. 423(c)(1)] at the time such annuity began, he shall be deemed, solely for purposes of paragraph (ii) of subdivision (2), to be entitled to a disability insurance benefit under section 223 of the Social Security Act for each month, and beginning with the first month, in which he would meet the requirements for entitlement to such a benefit, other than the requirement of being insured for disability insurance benefits, if service as an employee after December 31, 1936, had been included in the term "employment" as defined in the Social Security Act [42 U.S.C. 301 et seq.] and if an application for disability benefits had been filed.

(4) The rights of individuals described in subdivision (2) of this subsection to have payment made on their behalf for the services referred to in subdivision (1) but provided in Canada shall be the same as those of individuals to whom section 226 [42 U.S.C. 426] and part A of title XVIII [42 U.S.C. 1395c et seq.] of the Social Security Act apply, and this subdivision shall be administered by the Board as if the provisions of section 226 and part A of title XVIII of the Social Security Act were applicable, as if references to the Secretary of Health and Human Services were to the Board, as if references to the Federal Hospital Insurance Trust Fund were to the Railroad Retirement Account, as if references to the United States or a State included Canada or a subdivision thereof, and as if the provisions of sections 1862(a)(4), 1863, 1864, 1868, 1869, 1874(b), and 1875 [42 U.S.C. 1395y(a)(4), 1395z, 1395aaa, 1395ee, 1395ff, 1395kk(b), 1395ll] were not included in such title. The payments for services herein provided for in Canada shall be made from the Railroad Retirement Account (in accordance with, and subject to, the conditions applicable under subsection (b) of this section, in making payment of other benefits) to the hospital, extended care facility, or home health agency providing such services in Canada to individuals to whom subdivision (2) of this subsection applies, but only to the extent that the amount of payments for services otherwise hereunder provided for an individual exceeds the amount payable for like services provided pursuant to the law in ef-

fect in the place in Canada where such services are furnished. For the purposes of section 231i of this title, any overpayment under this subdivision shall be treated as if it were an overpayment of an annuity.

(5) The Board and the Secretary of Health and Human Services shall furnish each other with such information, records, and documents as may be considered necessary to the administration of this subsection or section 226 [42 U.S.C. 426], and part A of title XVIII [42 U.S.C. 1395c et seq.], of the Social Security Act.

(e) Acceptance of gifts and bequests

The Board is authorized to accept on behalf of the United States money gifts and bequests made unconditionally to the Railroad Retirement Account, to the Railroad Retirement Supplemental Account, or to the Railroad Unemployment Insurance Account, or to the Board, or any member, officer, or employee thereof, for the benefit of such accounts or any activity financed through such accounts. Any such gift accepted pursuant to the authority granted in this subsection shall be deposited in the specific account designated by the donor or, if the donor has made no such specific designation, in the Railroad Retirement Account.

(f) Congressional copies of documents submitted or transmitted to President or Office of Management and Budget

Whenever the Board submits or transmits any budget estimate, budget request, supplemental budget estimate, or other budget information, legislative recommendation, prepared testimony for congressional hearings, or comment on legislation to the President or to the Office of Management and Budget, it shall concurrently transmit a copy thereof to the Congress. No officer or agency of the United States shall have any authority to require the Board to submit its budget requests or estimates, legislative recommendations, prepared testimony for congressional hearings, or comments on legislation to any officer or agency of the United States for approval, comments, or review, prior to the submission of such recommendations, testimony, or comments to the Congress.

CODIFICATION

As originally enacted, the third sentence of subsec. (b)(6) of this section contained words “and the District Court of the United States for the District of Columbia” after “the several district courts of the United States”. The words “and the District Court of the United States for the District of Columbia” have been deleted entirely as superfluous in view of section 132(a) of Title 28, Judiciary and Judicial Procedure, which states that “There shall be in each judicial district a district court which shall be a court of record known as the United States District Court for the district” and section 88 of the Title 28 which states that “the District of Columbia constitutes one judicial district”.

In the fourth sentence of subsec. (b)(6) of this section, “United States District Court for the District of Columbia” substituted for “District Court of the United States for the District of Columbia” in conformity with

similar changes made throughout the Code pursuant to section 32(b) of act June 25, 1948, ch. 646, as amended by act May 24, 1949, ch. 139, §127, 63 Stat. 107, which provided for such substitution to be made in all laws of the United States in force on September 1, 1948. See note captioned "Circuit Court of Appeals:" "Senior Circuit Judge," Etc. Defined, set out under section 451 of Title 28, Judiciary and Judicial Procedure.

In subsec. (b)(9), "section 5108(c)(9) of title 5" substituted for "section 505 of the Classification Act of 1949, as amended", on authority of Pub. L. 89-554, §7(b), Sept. 6, 1966, 80 Stat. 631, the first section of which enacted Title 5, Government Organization and Employees. Section 505 of the Classification Act of 1949 had enacted section 1105 of former Title 5, Executive Departments and Government Officers and Employees.

August 12, 1983, referred to in subsec. (c)(4), was in the original "the date of enactment of this Act" which was translated as meaning the date of enactment of Pub. L. 98-76, which enacted subsec. (c)(4) of this section, to reflect the probable intent of Congress.

AMENDMENTS

2006—Subsec. (b)(4)(A). Pub. L. 109-305 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: "The Railroad Retirement Board, after consultation with the Board of Trustees of the National Railroad Retirement Investment Trust and the Secretary of the Treasury, shall enter into an arrangement with a nongovernmental financial institution to serve as disbursing agent for benefits payable under this subchapter who shall disburse consolidated benefits under this subchapter to each recipient. Pending the taking effect of that arrangement, benefits shall be paid as under the law in effect prior to December 21, 2001."

The Board's record of the compensation so returned shall be conclusive as to the amount of compensation paid to an employee during each period covered by the return, and the fact that the Board's records show that no return was made of the compensation claimed to have been paid to an employee during a particular period shall be taken as conclusive that no compensation was paid to such employee during that period, unless the error in the amount of compensation returned in the one case, or the failure to make return of the compensation in the other case, is called to the attention of the Board within four years after the day on which return of the compensation was required to be made.

§ 231i. Erroneous payments**(a) Recovery**

If the Board finds that at any time more than the correct amount of annuities or other benefits has been paid to any individual under this subchapter, or payment has been made to an individual not entitled thereto, recovery by adjustment in subsequent payments to which such individual, or any other individual on the basis of the same compensation, wages, or self-employment income, is entitled under this subchapter, or the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.] may, except as otherwise provided in this section, be made under regulations prescribed by the Board. If the individual to whom more than the correct amount has been paid dies before recovery is completed, recovery may be made by setoff or adjustments, under regulations prescribed by the Board, in subsequent payments due, under this subchapter, or the Railroad Unemployment Insurance Act, to the estate of such individual or to any person on the basis of the compensation, wages, or self-employment income of such individual. The Board shall have the authority to recover from any payment which would be made to an individual by the Board under section 231f(b)(2) of this title the amount of annuity payments made to such individual which are erroneous because of such individual's entitlement to monthly insurance benefits under title II of the Social Security Act [42 U.S.C. 401 et seq.].

(b) Adjustments

Adjustments under this section may be made either by deductions from subsequent payments

or, with respect to payments which are to be made during a lifetime or lifetimes, by subtracting the total amount of annuities or other benefits paid in excess of the proper amount from the actuarial value, as determined by the Board, of such payments to be made during a lifetime or lifetimes and recertifying such payments on the basis of the reduced actuarial value. In the latter case, recovery shall be deemed to have been completed upon such recertification.

(c) Decision not to recover

There shall be no recovery in any case in which more than the correct amount of annuities or other benefits has been paid under this subchapter to an individual or payment has been made to an individual not entitled thereto who, in the judgment of the Board, is without fault when, in the judgment of the Board, recovery would be contrary to the purpose of this subchapter or the Railroad Unemployment Insurance Act [45 U.S.C. 351 et seq.] or would be against equity or good conscience.

(d) Liability of officers

No certifying or disbursing officer shall be held liable for any amount certified or paid by him in good faith to any person where the recovery of such amount is waived under subsection (c) of this section or has been begun but cannot be completed under subsection (a) of this section.

In addition to the amount appropriated in subsection (a) of this section, there is hereby authorized to be appropriated to the Railroad Retirement Account for each fiscal year, beginning with the fiscal year ending June 30, 1975, such amount as the Board determines to be necessary to meet (A) the additional costs, resulting from the crediting of military service under this subchapter, of benefits payable under section 231a of this title, but only to the extent that such Account is not reimbursed for such costs under section 231f(c)(2) of this title, (B) the additional administrative expenses resulting from the crediting of military service under this subchapter, and (C) any loss in interest to such Account resulting from the payment of additional benefits based on military service credited under this subchapter: *Provided, however,* That, in determining the amount to be appropriated to the Railroad Retirement Account for any fiscal year pursuant to the provisions of this subsection, there shall not be considered any costs resulting from the crediting of military service under this subchapter for which appropriations to such Account have already been made pursuant to section 4(l) of the Railroad Retirement Act of 1937 [45 U.S.C. 228c-1(l)]. Any determination as to loss in interest to the Railroad Retirement Account pursuant to clause (C) of the first sentence of this subsection shall take into account interest from the date each annuity based, in part, on military service began to accrue or was increased to the date or dates on which the amount appropriated is credited to the Account. The cost resulting from the payment of additional benefits under this subchapter based on military service determined pursuant to the preceding provisions of this subsection shall be adjusted by applying thereto the ratio of the total net level cost of all benefits under this subchapter to the portion of such net level cost remaining after the exclusion of administrative expenses and interest charges on the unfunded accrued liability as determined under the last completed actuarial valuation pursuant to the provisions of subsection (g) of this section. At the close of the fiscal year ending June 30, 1975, and each fiscal year thereafter, the Board shall,

as promptly as practicable, determine the amount to be appropriated to the Account pursuant to the provisions of this subsection, and shall certify such amount to the Secretary of the Treasury for transfer from the general fund in the Treasury to the Railroad Retirement Account. When authorized by an appropriation Act, the Secretary of the Treasury shall transfer to the Railroad Retirement Account from the general fund in the Treasury such amounts as, from time to time, may be determined by the Board pursuant to the provisions of this subsection and certified by the Board for transfer to such Account. In any determination made pursuant to section 231f(c)(2) of this title, no further charges shall be made against the Trust Funds established by title II of the Social Security Act [42 U.S.C. 401 et seq.] for military service rendered before January 1, 1957, and with respect to which appropriations authorized by clause (2) of the first sentence of section 4(l) of the Railroad Retirement Act of 1937 shall have been credited to the Railroad Retirement Account, but the additional benefit payments incurred by such Trust Funds by reason of such military service shall be taken in account in making any such determination.

(c) Repealed. Pub. L. 107-90, title I, § 106(b), Dec. 21, 2001, 115 Stat. 887

(d) Dual Benefits Payments Account

(1) There is hereby created an account in the Treasury of the United States to be known as the Dual Benefits Payments Account. There is hereby authorized to be appropriated to such account for each fiscal year beginning with the fiscal year ending September 30, 1982, such sums as are necessary to pay during such fiscal year the amounts of annuities estimated by the Board to be paid under sections 231b(h), 231c(e), and 231c(h) of this title and under sections 204(a)(3), 204(a)(4), 206(3), and 207(3) of Public Law 93-445. Not more than 30 days prior to each fiscal year beginning with the fiscal year ending September 30, 1982, the Board may request the Secretary of the Treasury to transfer from the Railroad Retirement Account to the credit of the Dual Benefits Payments Account any amount not exceeding the amount that the Board estimates will be necessary to pay on the first day of the next succeeding month the annuity amounts under sections 231b(h), 231c(e), and 231c(h) of this title and under sections 204(a)(3), 204(a)(4), 206(3), and 207(3) of Public Law 93-445, taking into account any reduction in such annuity amounts as determined under section 231f(c)(1) of this title, and the Secretary of the Treasury shall make such transfer, but at no time shall the total amount of money outstanding to the Dual Benefits Payments Account from the Railroad Retirement Account exceed the amount necessary to pay the annuity amounts under sections 231b(h), 231c(e), and 231c(h) of this title and sections 204(a)(3), 204(a)(4), 206(3), and 207(3) of Public Law 93-445 for one month. Not more than 10 days after the funds appropriated to the Dual Benefits Payments Account for each such fiscal year are received into such Account, the Board shall request the Secretary of the Treasury to retransfer from the Dual Benefits Payments Account to the credit of the Railroad Retirement

Account an amount equal to the amount transferred to the Dual Benefits Payments Account prior to or during such fiscal year under the preceding sentence, together with such additional amount determined by the Board to be equal to the loss of interest to the Railroad Retirement Account resulting from such transfer, and the Secretary of the Treasury shall make such re-transfer. The Secretary of the Treasury shall from time to time transfer from the Dual Benefits Payments Account to the disbursing agent under section 231f(b)(4) of this title amounts necessary to pay benefits payable from that Account.

(2) The Secretary of the Treasury—

(i) shall transfer from the general fund as a loan to the Board on January 1, 1984, one-third of the special amount described in subdivision (3) of this subsection;

(ii) shall transfer from the general fund as a loan to the Board on January 1, 1985, one-third of the special amount described in subdivision (3) of this subsection, plus an amount equal to the interest that one-third would have earned had it been in the Railroad Retirement Account since January 1, 1984; and

(iii) shall transfer from the general fund as a loan to the Board on January 1, 1986, the final one-third of the special amount described in subdivision (3) of this subsection, plus an amount equal to the interest that one-third would have earned had it been in the Railroad Retirement Account since January 1, 1984.

(3) The special amount referred to in subdivision (2) of this subsection is the amount which, as of January 1, 1984, would place the Railroad Retirement Account in the same position it would have been on that date if no annuity amounts had been paid during the period beginning January 1, 1975 and ending September 30, 1981, under sections 231b(h), 231c(e), and 231c(h) of this title and under sections 204(a)(3), 204(a)(4), 206(3), and 207(3) of Public Law 93-445, and no sums had been appropriated as authorized in this subsection.

(4) For the purposes of subdivision (2) of this subsection, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds of the sale of any securities issued after August 12, 1983, under section 3102 of title 31 and the purposes for which securities may be so issued are extended to include such purposes.

(5) The amounts transferred to the Board as loans under subdivision (2) of this subsection shall be deposited in the Railroad Retirement Account.

(6) The amounts transferred as loans under subdivision (2) of this subsection shall be repaid to the general fund to the extent sums are appropriated for that purpose, and there are hereby authorized to be appropriated, in addition to any other sums authorized to be appropriated for the purposes of this subchapter and from any sums in the Treasury not otherwise appropriated, such sums as may be necessary to make such repayments.

(e) Investments

At the request and direction of the Board, it shall be the duty of the Secretary of the Treasury (hereinafter referred to as the "Secretary")

to invest such portion of the amounts credited to the Railroad Retirement Account and the Dual Benefits Payments Account as are not transferred to the National Railroad Retirement Investment Trust as the Board may determine in interest-bearing obligations of the United States or in obligations guaranteed as to both principal and interest by the United States. For such purpose such obligations may be acquired (A) on original issue at the issue price; or (B) by purchase of outstanding obligations at the market price. The purposes for which obligations of the United States may be issued under chapter 31 of title 31, are hereby extended to authorize the issuance at par of special obligations exclusively to the accounts. Such obligations issued for purchase by the accounts shall have maturities fixed with due regard for the needs of the accounts, and shall bear interest at a rate equal to the average market yield, computed as of the end of the calendar month next preceding the date of such issue, borne by all marketable interest-bearing notes of the United States then forming a part of the public debt that are not due or callable until after the expiration of three years from the end of such calendar month, except that where such rate is not a multiple of one-eighth of 1 per centum, the rate of interest on such obligation shall be the multiple of one-eighth of 1 per centum nearest such rate: *Provided*, That the rate of interest on such obligations shall in no case be less than 3 per centum per annum. At the request of the Board the Secretary shall purchase other interest-bearing obligations of the United States, or obligations guaranteed as to both principal and interest by the United States, or other obligations which are lawful investments for trust funds of the United States, on original issue or at the market price: *Provided*, That the interest yield of such obligations shall not be less than the interest rate determined in accordance with the preceding sentence. At the request of the Board, the Secretary shall sell at the market price such obligations in the accounts (other than special obligations issued exclusively to the accounts) as the Board designates. The Board shall from time to time request the Secretary to redeem such special obligations issued exclusively to the accounts as the Board designates and upon such request the Secretary shall redeem such obligations at par plus accrued interest. All requests of the Board to the Secretary, provided for in this subsection, shall be mandatory upon the Secretary. It shall be the duty of the Board to determine at all times what proportion of the accounts shall be invested in other than special obligations issued to the accounts and further to determine which of such obligations available to the accounts consistent with the requirements of this subsection will provide the greatest rate of return on the funds invested.

(f) Actuarial Advisory Committee

The Board is hereby authorized and directed to select two actuaries, one from recommendations made by representatives of employees and the other from recommendations made by representatives of employers as defined in paragraph (i) of section 231(a)(1) of this title. These actuaries, along with a third who shall be des-

igned by the Secretary of the Treasury, shall be known as the Actuarial Advisory Committee with respect to the Railroad Retirement Account. The actuaries so selected shall hold membership in the American Academy of Actuaries and shall be qualified in the evaluation of pension plans: *Provided, however,* That these requirements shall not apply to any actuary who served as a member of the Committee prior to January 1, 1975. The Committee shall examine the actuarial reports and estimates made by the Board and shall have authority to recommend to the Board such changes in actuarial methods as they may deem necessary. The compensation of the members of the Committee, exclusive of the member designated by the Secretary, shall be fixed by the Board on a per diem basis.

(g) Annual report

The Board shall include in its annual report a statement of the status and the operations of the Railroad Retirement and Railroad Retirement Supplemental Accounts, and the Dual Benefits Payments Account. At intervals not longer than three years the Board shall make an estimate of the liabilities created by this subchapter and shall include such estimate in its annual report.

(h) Authorization of appropriations; administrative expenses of subchapter

There are hereby authorized to be appropriated from time to time such sums as may be necessary to provide for the expenses of the Board in administering the provisions of this subchapter.

(i) Crediting of accounts for unnegotiated benefit checks

(1) The Secretary of the Treasury shall implement procedures to permit the identification of each check issued for benefits under this subchapter that has not been presented for payment by the close of the sixth month following the month of its issuance.

(2) The Secretary of the Treasury shall, on a monthly basis, credit each account established in the Treasury for the payment of benefits under this subchapter for the proportionate amount of benefit checks (including interest thereon) drawn on each such Account more than six months previously but not presented for payment and not previously credited to such Account, to the extent provided in advance in appropriation Acts.

(3) If a benefit check is presented for payment to the Treasury and the amount of the appropriate portion thereof has been previously credited pursuant to paragraph (2) to an Account or Accounts, the Secretary of the Treasury shall nevertheless pay such check, if otherwise proper, recharge such Account or Accounts for the amount of such check attributable to such Account or Accounts and notify the Board.

(4) A benefit check bearing a current date may be issued to an individual who did not negotiate the original benefit check and who surrenders such check for cancellation if the Secretary of the Treasury determines it is necessary to effect proper payment of benefits.

(j) National Railroad Retirement Investment Trust

(1) Establishment

The National Railroad Retirement Investment Trust (hereinafter in this subsection referred to as the "Trust") is hereby established as a trust domiciled in the District of Columbia and shall, to the extent not inconsistent with this subchapter, be subject to the laws of the District of Columbia applicable to such trusts. The Trust shall manage and invest its assets in the manner set forth in this subsection.

(2) Not a Federal agency or instrumentality

The Trust is not a department, agency, or instrumentality of the Government of the United States and shall not be subject to title 31.

(3) Board of Trustees

(A) Generally

(i) Membership

The Trust shall have a Board of Trustees, consisting of 7 members. Three shall represent the interests of labor, 3 shall represent the interests of management, and 1 shall be an independent Trustee. The members of the Board of Trustees shall not be considered officers or employees of the Government of the United States.

(ii) Selection

(I) The 3 members representing the interests of labor shall be selected by the joint recommendation of labor organizations, national in scope, organized in accordance with sections 151a and 152 of this title, and representing at least $\frac{2}{3}$ of all active employees, represented by such national labor organizations, covered under this subchapter.

(II) The 3 members representing the interests of management shall be selected by the joint recommendation of carriers as defined in section 151 of this title employing at least $\frac{2}{3}$ of all active employees covered under this subchapter.

(III) The independent member shall be selected by a majority of the other 6 members of the Board of Trustees.

A member of the Board of Trustees may be removed in the same manner and by the same constituency that selected that member.

(iii) Dispute resolution

In the event that the parties specified in subclause (I), (II), or (III) of the previous clause cannot agree on the selection of Trustees within 60 days of the date of enactment or 60 days from any subsequent date that a position of the Board of Trustees becomes vacant, an impartial umpire to decide such dispute shall, on the petition of a party to the dispute, be appointed by the District Court of the United States for the District of Columbia.

(B) Qualifications

Members of the Board of Trustees shall be appointed only from among persons who

have experience and expertise in the management of financial investments and pension plans. No member of the Railroad Retirement Board shall be eligible to be a member of the Board of Trustees.

(C) Terms

Except as provided in this subparagraph, each member shall be appointed for a 3-year term. The initial members appointed under this paragraph shall be divided into equal groups so nearly as may be, of which one group will be appointed for a 1-year term, one for a 2-year term, and one for a 3-year term. The Trustee initially selected pursuant to clause (ii)(III) shall be appointed to a 3-year term. A vacancy in the Board of Trustees shall not affect the powers of the Board of Trustees and shall be filled in the same manner as the selection of the member whose departure caused the vacancy. Upon the expiration of a term of a member of the Board of Trustees, that member shall continue to serve until a successor is appointed.

(4) Powers of the Board of Trustees

The Board of Trustees shall—

(A) retain independent advisers to assist it in the formulation and adoption of its investment guidelines;

(B) invest assets of the Trust in a manner consistent with such investment guidelines, either directly or through the retention of independent investment managers;

(C) adopt bylaws and other rules to govern its operations;

(D) employ professional staff, and contract with outside advisers, including the Railroad Retirement Board, to provide legal, accounting, investment advisory or management services (compensation for which may be on a fixed contract fee basis or on such other terms as are customary for such services), or other services necessary for the proper administration of the Trust;

(E) sue and be sued and participate in legal proceedings, have and use a seal, conduct business, carry on operations, and exercise its powers within or without the District of Columbia, form, own, or participate in entities of any kind, enter into contracts and agreements necessary to carry out its business purposes, lend money for such purposes, and deal with property as security for the payment of funds so loaned, and possess and exercise any other powers appropriate to carry out the purposes of the Trust;

(F) pay administrative expenses of the Trust from the assets of the Trust; and

(G) transfer money to the disbursing agent or as otherwise provided in section 231f(b)(4) of this title, to pay benefits payable under this subchapter from the assets of the Trust.

(5) Reporting requirements and fiduciary standards

The following reporting requirements and fiduciary standards shall apply with respect to the Trust:

(A) Duties of the Board of Trustees

The Trust and each member of the Board of Trustees shall discharge their duties (in-

cluding the voting of proxies) with respect to the assets of the Trust solely in the interest of the Railroad Retirement Board and through it, the participants and beneficiaries of the programs funded under this subchapter—

(i) for the exclusive purpose of—

(I) providing benefits to participants and their beneficiaries; and

(II) defraying reasonable expenses of administering the functions of the Trust;

(ii) with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims;

(iii) by diversifying investments so as to minimize the risk of large losses and to avoid disproportionate influence over a particular industry or firm, unless under the circumstances it is clearly prudent not to do so; and

(iv) in accordance with Trust governing documents and instruments insofar as such documents and instruments are consistent with this subchapter.

(B) Prohibitions with respect to members of the Board of Trustees

No member of the Board of Trustees shall—

(i) deal with the assets of the Trust in the Trustee's own interest or for the Trustee's own account;

(ii) in an individual or in any other capacity act in any transaction involving the assets of the Trust on behalf of a party (or represent a party) whose interests are adverse to the interests of the Trust, the Railroad Retirement Board, or the interests of participants or beneficiaries; or

(iii) receive any consideration for the Trustee's own personal account from any party dealing with the assets of the Trust.

(C) Exculpatory provisions and insurance

Any provision in an agreement or instrument that purports to relieve a Trustee from responsibility or liability for any responsibility, obligation, or duty under this subchapter shall be void: *Provided, however,* That nothing shall preclude—

(i) the Trust from purchasing insurance for its Trustees or for itself to cover liability or losses occurring by reason of the act or omission of a Trustee, if such insurance permits recourse by the insurer against the Trustee in the case of a breach of a fiduciary obligation by such Trustee;

(ii) a Trustee from purchasing insurance to cover liability under this section from and for his own account; or

(iii) an employer or an employee organization from purchasing insurance to cover potential liability of one or more Trustees with respect to their fiduciary responsibilities, obligations, and duties under this section.

(D) Bonding

Every Trustee and every person who handles funds or other property of the Trust

(hereafter in this subsection referred to as “Trust official”) shall be bonded. Such bond shall provide protection to the Trust against loss by reason of acts of fraud or dishonesty on the part of any Trust official, directly or through the connivance of others, and shall be in accordance with the following:

(i) The amount of such bond shall be fixed at the beginning of each fiscal year of the Trust by the Railroad Retirement Board. Such amount shall not be less than 10 percent of the amount of the funds handled. In no case shall such bond be less than \$1,000 nor more than \$500,000, except that the Railroad Retirement Board, after consideration of the record, may prescribe an amount in excess of \$500,000, subject to the 10 per centum limitation of the preceding sentence.

(ii) It shall be unlawful for any Trust official to receive, handle, disburse, or otherwise exercise custody or control of any of the funds or other property of the Trust without being bonded as required by this subsection and it shall be unlawful for any Trust official, or any other person having authority to direct the performance of such functions, to permit such functions, or any of them, to be performed by any Trust official, with respect to whom the requirements of this subsection have not been met.

(iii) It shall be unlawful for any person to procure any bond required by this subsection from any surety or other company or through any agent or broker in whose business operations such person has any control or significant financial interest, direct or indirect.

(E) Audit and report

(i) The Trust shall annually engage an independent qualified public accountant to audit the financial statements of the Trust.

(ii) The Trust shall submit an annual management report to the Congress not later than 180 days after the end of the Trust’s fiscal year. A management report under this subsection shall include—

- (I) a statement of financial position;
- (II) a statement of operations;
- (III) a statement of cash flows;
- (IV) a statement on internal accounting and administrative control systems;

(V) the report resulting from an audit of the financial statements of the Trust conducted under clause (i); and

(VI) any other comments and information necessary to inform the Congress about the operations and financial condition of the Trust.

(iii) The Trust shall provide the President, the Railroad Retirement Board, and the Director of the Office of Management and Budget a copy of the management report when it is submitted to Congress.

(F) Enforcement

The Railroad Retirement Board may bring a civil action—

ees or agents that violates any provision of this subchapter; or

(ii) to obtain other appropriate relief to redress such violations, or to enforce any provisions of this subchapter.

(6) State and local taxes

The Trust shall be exempt from any income, sales, use, property, or other similar tax or fee imposed or levied by a State, political subdivision, or local taxing authority. The district courts of the United States shall have original jurisdiction over a civil action brought by the Trust to enforce this subsection and may grant equitable or declaratory relief requested by the Trust.

(7) Quorum

Five members of the Board of Trustees constitute a quorum to do business. Investment guidelines must be adopted by a unanimous vote of the Trustees then holding office. All other decisions of the Board of Trustees shall be decided by a majority vote of the quorum present. All decisions of the Board of Trustees shall be entered upon the records of the Board of Trustees.

(k) Transfers to the Trust

The Board shall, upon establishment of the National Railroad Retirement Investment Trust and from time to time thereafter, direct the Secretary of the Treasury to transfer, in such manner as will maximize the investment returns to the Railroad Retirement system, that portion of the Railroad Retirement Account that is not needed to pay current administrative expenses of the Board to the National Railroad Retirement Investment Trust. The Secretary shall make that transfer.

(l) National Railroad Retirement Investment Trust

The National Railroad Retirement Investment Trust shall from time to time transfer to the disbursing agent described in section 231f(b)(4) of this title or as otherwise directed by the Railroad Retirement Board pursuant to section 231f(b)(4) of this title, such amounts as may be necessary to pay benefits under this subchapter (other than benefits paid from the Social Security Equivalent Benefit Account or the Dual Benefit Payments Account).

Any balance transferred under this paragraph shall be used by the National Railroad Retirement Investment Trust or the Railroad Retirement Board only to pay benefits under this subchapter or to purchase obligations of the United States (either directly or through a commingled account consisting only of such obligations) that are backed by the full faith and credit of the United States pursuant to chapter 31 of title 31. (a) Reduced benefits

If title II of the Social Security Act [42 U.S.C. 401 et seq.] is amended at any time after December 31, 1974, to reduce the eligibility requirements for old-age insurance benefits, disability

insurance benefits, wife's insurance benefits payable to a wife, husband's insurance benefits, child's insurance benefits payable to a child of a deceased individual, widow's insurance benefits payable to a widow, widower's insurance benefits, mother's insurance benefits payable to a widow, or parent's insurance benefits, such reduced eligibility requirements shall be applicable, in accordance with regulations prescribed by the Board, to individuals, spouses, or survivors, as the case may be, under section 231a of this title to the extent that such reduced eligibility requirements would provide such individuals, spouses, or survivors with entitlement to annuities under such section 231a of this title to which they would not be entitled except for such reduced eligibility requirements: *Provided, however*, That no annuity shall be paid to any person pursuant to the provisions of this subsection if that person does not satisfy an eligibility requirement imposed by section 231a of this title of a kind not imposed by the Social Security Act [42 U.S.C. 301 et seq.] on December 31, 1974, or an eligibility requirement imposed by section 231a of this title of a kind which was imposed by the Social Security Act on December 31, 1974, but which was not reduced by the amendment to that Act: *Provided further*, That the annuity amounts to which such individuals, spouses, or survivors will be entitled under this subchapter by reason of the provisions of this subsection shall be only such amounts as are determined under the provisions of section 231b(a), 231c(a), or 231c(f), respectively, of this title.

(c) Reduced conditions of entitlement; expanded benefits

If section 226 [42 U.S.C. 426] or title XVIII [42 U.S.C. 1395 et seq.] of the Social Security Act is amended at any time after December 31, 1974, to reduce the conditions of entitlement to, or to expand the nature of, the benefits payable thereunder, or if health care benefits in addition to, or in lieu of, the benefits payable under such section 226 or such title XVIII are provided by any provision of law which becomes effective at any time after December 31, 1974, such reductions in the conditions of entitlement to benefits, such expanded benefits, or such additional, or substituted, health care benefits shall be available to every employee (as defined in this subchapter), and those deriving from him, in the same manner, and to the same extent, as if his service as an employee after December 31, 1936,

The Board shall have the same authority, in accordance with regulations prescribed by it, to determine the rights of employees who will have completed ten years of service (or five or more years of service, all of which accrues after December 31, 1995), and of those deriving from such employees, to benefits provided by reason of the provisions of this subsection as the Secretary of Health and Human Services has with respect to individuals insured under the Social Security Act.

(2) No annuity shall be payable to a person by reason of subsection (a) or (b) of this section unless the individual upon whose compensation and years of service such annuity would be based will have (A) completed ten years of service (or five or more years of service, all of which accrues after December 31, 1995), and (B) in the case of a survivor, had a current connection with the railroad industry at the time of his death.

§ 231u. Benefit preservation

(a)(1) On or before May 1 of each year beginning in 1984, the Railroad Retirement Board shall prepare a five-year projection of anticipated revenues to and payments from the Railroad Retirement Account to determine the ability of such Account to pay benefits in each of the next succeeding five calendar years. On or before May 1 of each year beginning in 2003, the Railroad Retirement Board shall compute its projection of the account benefits ratio and the average account benefits ratio (as defined by section 3241(c) of the Internal Revenue Code of 1986 [26 U.S.C. 3241(c)]) for each of the next succeeding five fiscal years. No later than July 1 of each year, the Board shall submit a written report to the President, the Speaker of the House, and the President of the Senate setting forth the results of the projections prepared pursuant to the preceding two sentences. If the projection indicates that the funds in the Railroad Retirement Account will be insufficient to pay the full amount of the benefits under this subchapter which are payable from that Account at any time during the five-year period, the Board’s report shall include—

(A) the first fiscal year during which benefits under this subchapter must be reduced, in the absence of any adjustments, because insufficient funds (including any general revenue borrowing authority under this subchapter) would preclude payment of full benefits (other than benefits¹ payable from the Dual Benefits Payments Account) for every month in such fiscal year;

(B) the first fiscal year during which the Board would recommend suspension of the authority to borrow contained in section 360(d) of this title, in order to prevent depletion of the Railroad Retirement Account; and

(C) the amount, if any, of adjustments (stated in terms of percentage of taxable payroll), and any other changes such as cash flow adjustments, necessary to preserve the financial solvency of the Railroad Retirement Account, if such adjustments were effective at the beginning of the next succeeding fiscal year.

(2) Not less than 20 nor more than 30 days after the submission of a written report under this subsection which indicates that, in the absence

¹ So in original. Probably should be “benefits”.

of any adjustments, the Railroad Retirement Account will contain insufficient funds to pay the full amount of the benefits under this subchapter which are payable from that Account at some time during the five-year period covered by the report, the Board shall publish such report in the Federal Register.

(b) Not later than 180 days after the publication in the Federal Register of any Board report referred to in subsection (a) of this section which states an amount of adjustments (in terms of percentage of taxable payroll) necessary to preserve the financial solvency of the railroad retirement account—

(1) representatives of railroad employees and carriers shall, jointly or separately, submit to the President, the Speaker of the House, and the President of the Senate, funding proposals designed to preserve the financial solvency of the Railroad Retirement Account; and

(2) the President shall submit to the Speaker of the House and the President of the Senate such recommendations as he may deem appropriate with respect to the preservation of the Railroad Retirement Account, including a specific proposal to assure continuous payments of social security equivalent benefits by separating the social security equivalent benefits from industry pension equivalent benefits payable under this subchapter.

(c) Not later than 180 days after the submission of a written report under subsection (a) of this section which states the first fiscal year during which benefits under this subchapter must be reduced because insufficient funds would preclude payment of full benefits for every month of that year, the Board shall issue and publish in the Federal Register such regulations as may be necessary which shall be designed to—

(1) provide a constant level of benefits at the maximum level possible for every month of that fiscal year; and

(2) provide that no individual shall receive less during that fiscal year than the amount otherwise payable if the employee's service as an employee after December 31, 1936, had been covered under the Social Security Act [42 U.S.C. 301 et seq.], minus the amount of any reduction required under section 231b(m) or 231c(i) of this title.

Unless otherwise provided by law enacted after August 13, 1981, or by a later report filed by the Board under subsection (a) of this section, regulations issued by the Board under this subsection shall apply beginning with the fiscal year designated by the Board in its written report under subsection (a) of this section. Any Board regulation which becomes effective under this subsection may be modified, rescinded, or superseded in the same manner and to the same extent as in the case of any other Board regulation issued under authority of this subchapter.

§ 351. Definitions

For the purposes of this chapter, except when used in amending the provisions of other Acts—

(a) The term "employer" means any carrier (as defined in subsection (b) of this section), and any company which is directly or indirectly owned or controlled by one or more such car-

riers or under common control therewith, and which operates any equipment or facility or performs any service (except trucking service, casual service, and the casual operation of equipment or facilities) in connection with the transportation of passengers or property by railroad, or the receipt, delivery, elevation, transfer in transit, refrigeration or icing, storage, or handling of property transported by railroad, and any receiver, trustee, or other individual or body, judicial or otherwise, when in the possession of the property or operating all or any part of the business of any such employer: *Provided, however*, That the term "employer" shall not include any street, interurban, or suburban electric railway, unless such railway is operating as a part of a general steam-railroad system of transportation, but shall not exclude any part of the general steam-railroad system of transportation now or hereafter operated by any other motive power. The Surface Transportation Board is hereby authorized and directed upon request of the Railroad Retirement Board, or upon complaint of any party interested, to determine after hearing whether any line operated by electric power falls within the terms of this proviso. The term "employer" shall also include railroad associations, traffic associations, tariff bureaus, demurrage bureaus, weighing and inspection bureaus, collection agencies, and other associations, bureaus, agencies, or organizations controlled and maintained wholly or principally by two or more employers as hereinbefore defined and engaged in the performance of services in connection with or incidental to railroad transportation; and railway labor organizations, national in scope, which have been or may be organized in accordance with the provisions of the Railway Labor Act [45 U.S.C. 151 et seq.], and their State and National legislative committees and their general committees and their insurance departments and their local lodges and divisions, established pursuant to the constitution and bylaws of such organizations. The term "employer" shall not include any company by reason of its being engaged in the mining of coal, the supplying of coal to an employer where delivery is not beyond the mine tipple, and the operation of equipment or facilities therefor, or in any of such activities.

(b) The term "carrier" means a railroad subject to the jurisdiction of the Surface Transportation Board under part A of subtitle IV of title 49.

(c) The term "company" includes corporations, associations, and joint-stock companies.

(d) The term "employee" (except when used in phrases establishing a different meaning) means any individual who is or has been (i) in the service of one or more employers for compensation, or (ii) an employee representative. The term "employee" shall include an employee of a local lodge or division defined as an employer in subsection (a) of this section only if he was in the service of a carrier on or after August 29, 1935. The term "employee" includes an officer of an employer.

The term "employee" shall not include any individual while such individual is engaged in the physical operations consisting of the mining of coal, the preparation of coal, the handling

(other than movement by rail with standard railroad locomotives) of coal not beyond the mine tipple, or the loading of coal at the tipple.

(e) An individual is in the service of an employer whether his service is rendered within or without the United States if (i) he is subject to the continuing authority of the employer to supervise and direct the manner of rendition of his service, or he is rendering professional or technical services and is integrated into the staff of the employer, or he is rendering, on the property used in the employer's operations, other personal services the rendition of which is integrated into the employer's operations, and (ii) he renders such service for compensation: *Provided, however*, That an individual shall be deemed to be in the service of an employer, other than a local lodge or division or a general committee of a railway-labor-organization employer, not conducting the principal part of its business in the United States only when he is rendering service to it in the United States; and an individual shall be deemed to be in the service of such a local lodge or division only if (1) all, or substantially all, the individuals constituting its membership are employees of an employer conducting the principal part of its business in the United States; or (2) the headquarters of such local lodge or division is located in the United States; and an individual shall be deemed to be in the service of such a general committee only if (1) he is representing a local lodge or division described in clauses (1) or (2) immediately above; or (2) all, or substantially all, the individuals represented by it are employees of an employer conducting the principal part of its business in the United States; or (3) he acts in the capacity of a general chairman or an assistant general chairman of a general committee which represents individuals rendering service in the United States to an employer, but in such case if his office or headquarters is not located in the United States and the individuals represented by such general committee are employees of an employer not conducting the principal part of its business in the United States, only such proportion of the remuneration for such service shall be regarded as compensation as the proportion which the mileage in the United States under the jurisdiction of such general committee bears to the total mileage under its jurisdiction, unless such mileage formula is inapplicable, in which case the Board may prescribe such other formula as it finds to be equitable, and if the application of such mileage formula, or such other formula as the Board may prescribe, would result in the compensation of the individual being less than 10 per centum of his remuneration for such service no part of such remuneration shall be regarded as compensation: *Provided further*, That an individual not a citizen or resident of the United States shall not be deemed to be in the service of an employer when rendering service outside the United States to an employer who is required under the laws applicable in the place where the service is rendered to employ therein, in whole or in part, citizens or residents thereof.

(f) The term "employee representative" means any officer or official representative of a railway labor organization other than a labor orga-

nization included in the term employer as defined in subsection (a) of this section who before or after August 29, 1935, was in the service of an employer as defined in said subsection and who is duly authorized and designated to represent employees in accordance with the Railway Labor Act [45 U.S.C. 151 et seq.], and any individual who is regularly assigned to or regularly employed by such officer or official representative in connection with the duties of his office.

(g) The term "employment" means service performed as an employee. For the purposes of determining eligibility for and the amount of benefits and the amount of contributions due pursuant to this chapter, employment after June 30, 1940, in the service of a local lodge or division of a railway-labor-organization employer or as an employee representative shall be disregarded. For purposes of determining eligibility for and the amount of benefits and the amount of contributions due pursuant to this chapter, employment as a delegate to a national or international convention of a railway labor organization defined as an "employer", in subsection (a) of this section, shall be disregarded if the individual having such employment has not previously rendered service, other than as such a delegate, which may be included in his "years of service" for purposes of the Railroad Retirement Act [45 U.S.C. 231 et seq.].

(h) The term "registration period" means, with respect to any employee, the period which begins with the first day for which such employee registers at an employment office in accordance with such regulations as the Board may prescribe, and ends with whichever is the earlier of (i) the thirteenth day thereafter, or (ii) the day immediately preceding the day for which he next registers at a different employment office; and thereafter each period which begins with the first day for which he next registers at an employment office after the end of his last preceding registration period which began with a day for which he registered at an employment office and ends with whichever is the earlier of (i) the thirteenth day thereafter, or (ii) the day immediately preceding the day for which he next registers at a different employment office.

The term "registration period" means also, with respect to any employee, the period which begins with the first day with respect to which a statement of sickness for a "period of continuing sickness" (as defined in section 352(a) of this title) is filed in his behalf in accordance with such regulations as the Board may prescribe, or the first such day after the end of a registration period which will have begun with a day with respect to which a statement of sickness for a "period of continuing sickness" (as defined in section 352(a) of this title) was filed in his behalf, and ends with whichever is the earlier of (i) the thirteenth day thereafter, or (ii) the day immediately preceding the day with respect to which a statement of sickness for a new "period of continuing sickness" (as defined in section 352(a) of this title) is filed in his behalf.

(i)(1) IN GENERAL.—The term "compensation" means any form of money remuneration, including pay for time lost but excluding tips, paid for services rendered as an employee to one or more

employers, or as an employee representative, except that in computing the compensation paid to any employee, no part of any month's compensation in excess of the monthly compensation base (as defined in subdivision (2)) for any month shall be recognized. Solely for the purpose of determining the compensation received by an employee in a base year, the term "compensation" shall include any separation allowance or subsistence allowance paid under any benefit schedule provided under section 701¹ of title VII of the Regional Rail Reorganization Act of 1973 [45 U.S.C. 797] and any termination allowance paid under section 702 of that Act [45 U.S.C. 797a], but does not include any other benefits payable under that title [45 U.S.C. 797 et seq.]. The total amount of any subsistence allowance payable under a benefit schedule provided pursuant to section 701¹ of the Regional Rail Reorganization Act of 1973 shall be considered as being compensation in the month in which the employee first timely filed a claim for such an allowance. Such term does not include remuneration for service which is performed by a nonresident alien individual for the period he is temporarily present in the United States as a nonimmigrant under subparagraph (F) or (J) of section 1101(a)(15) of title 8 and which is performed to carry out the purpose specified in subparagraph (F) or (J) as the case may be. A payment made by an employer to an individual through the employer's pay roll shall be presumed, in the absence of evidence to the contrary, to be compensation for service rendered by such individual as an employee of the employer in the period with respect to which the payment is made. An employee shall be deemed to be paid, "for time lost" the amount he is paid by an employer with respect to an identifiable period of absence from the active service of the employer, including absence on account of personal injury, and the amount he is paid by the employer for loss of earnings resulting from his displacement to a less remunerative position or occupation. If a payment is made by an employer with respect to a personal injury and includes pay for time lost, the total payment shall be deemed to be paid for time lost unless, at the time of payment, a part of such payment is specifically apportioned to factors other than time lost, in which event only such part of the payment as is not so apportioned shall be deemed to be paid for time lost. Compensation earned in any calendar month before 1947 shall be deemed paid in such month regardless of whether or when payment will have been in fact made, and compensation earned in any calendar year after 1946 but paid after the end of such calendar year shall be deemed to be compensation paid in the calendar year in which it will have been earned if it is so reported by the employer before February 1 of the next succeeding calendar year or, if the employee establishes, subject to the provisions of section 356 of this title, the period during which such compensation will have been earned.

(2) MONTHLY COMPENSATION BASE.—

(A) IN GENERAL.—For purposes of subdivision (1), the term "monthly compensation base" means the amount—

¹ See References in Text note below.

(i) of \$400 for calendar months before January 1, 1984;

(ii) of \$600 for calendar months after December 31, 1983 and before January 1, 1989; and

(iii) computed under subparagraph (B) for months after December 31, 1988.

(B) COMPUTATION.—

(i) IN GENERAL.—The amount of the monthly compensation base for each calendar year beginning after December 31, 1988, is the greater of—

- (I) \$600; or
- (II) the amount, as rounded under clause (iii) if applicable, computed under the formula:

$$B=600 \left(1 + \frac{A - 37,800}{56,700} \right)$$

(ii) MEANING OF SYMBOLS.—For the purposes of the formula in clause (i)—

- (I) “B” is the dollar amount of the monthly compensation base; and
- (II) “A” is the amount of the applicable base with respect to tier 1 taxes, for the calendar year for which the monthly compensation base is being computed, as determined under section 3231(e)(2) of title 26.

(iii) ROUNDING RULE.—If the monthly compensation base computed under this formula is not a multiple of \$5, it shall be rounded to the nearest multiple of \$5, with such rounding being upward in the event the amount computed is equidistant between two multiples of \$5.

(j) The term “remuneration” means pay for services for hire, including pay for time lost, and tips, but pay for time lost shall be deemed earned on the day on which such time is lost. The term “remuneration” includes also earned income other than for services for hire if the accrual thereof in whole or in part is ascertainable with respect to a particular day or particular days. The term “remuneration” does not include any money payments received pursuant to any nongovernmental plan for unemployment insurance, maternity insurance, or sickness insurance.

(k) Subject to the provisions of section 354 of this title (1) a day of unemployment, with respect to any employee, means a calendar day on which he is able to work and is available for work and with respect to which (i) no remuneration is payable or accrues to him, and (ii) he has, in accordance with such regulations as the Board may prescribe, registered at an employment office; and (2) a “day of sickness”, with respect to any employee, means a calendar day on which because of any physical, mental, psychological, or nervous injury, illness, sickness, or disease he is not able to work, or, with respect to a female employee, a calendar day on which, because of pregnancy, miscarriage, or the birth of a child, (i) she is unable to work or (ii) working would be injurious to her health, and with respect to which (i) no remuneration is payable or accrues to him, and (ii) in accordance with such regulations as the Board may prescribe, a

statement of sickness is filed within such reasonable period, not in excess of ten days, as the Board may prescribe: *Provided, however*, That “subsidiary remuneration”, as hereinafter defined in this subsection, shall not be considered remuneration for the purpose of this subsection except with respect to an employee whose base-year compensation, exclusive of earnings from the position or occupation in which he earned such subsidiary remuneration, is less than an amount that is equal to 2.5 times the monthly compensation base for months in such base year as computed under subsection (i) of this section: *Provided further*, That remuneration for a working day which includes a part of each of two consecutive calendar days shall be deemed to have been earned on the first of such two days, and any individual who takes work for such working day shall not by reason thereof be deemed not available for work on the second of such calendar days: *Provided further*, That any calendar day on which no remuneration is payable to or accrues to an employee solely because of the application to him of mileage or work restrictions agreed upon in schedule agreements between employers and employees or solely because he is standing by for or laying over between regularly assigned trips or tours of duty shall not be considered either a day of unemployment or a day of sickness.

For the purpose of this subsection, the term “subsidiary remuneration” means, with respect to any employee, remuneration not in excess of an average of \$15 a day for the period with respect to which such remuneration is payable or accrues, if the work from which the remuneration is derived (i) requires substantially less than full time as determined by generally prevailing standards, and (ii) is susceptible of performance at such times and under such circumstances as not to be inconsistent with the holding of normal full-time employment in another occupation.

(l)(1) The term “benefits” (except in phrases clearly designating other payments) means the money payments payable to an employee as provided in this chapter, with respect to his unemployment or sickness.

(2) The term “statement of sickness” means a statement with respect to days of sickness of an employee, executed in such manner and form by an individual duly authorized pursuant to section 362(i) of this title to execute such statements, and filed as the Board may prescribe by regulations.

(m) The term “benefit year” means the twelve-month period beginning July 1 of any year and ending June 30 of the next year, except that a registration period beginning in June and ending in July shall be deemed to be in the benefit year ending in such month of June.

(n) The term “base year” means the completed calendar year immediately preceding the beginning of the benefit year.

(o) The term “employment office” means a free employment office operated by the Board, or designated as such by the Board pursuant to section 362(i) of this title.

(p) The term “account” means the railroad unemployment insurance account established pursuant to section 360 of this title in the unemployment trust fund.

(q) The term “fund” means the railroad unemployment insurance administration fund, established pursuant to section 361 of this title in the unemployment trust fund.

(r) The term “Board” means the Railroad Retirement Board.

(s) The term “United States”, when used in a geographical sense, means the States and the District of Columbia.

(t) The term “State” means any of the States or the District of Columbia.

(u) Any reference in this chapter to any other Act of Congress, including such reference in amendments to other Acts, includes a reference to such other Act as amended from time to time.

(i) **GENERALLY.**—Except as otherwise provided in this subparagraph, benefits shall be payable to any qualified employee for each day of sickness after the 4th consecutive day of sickness in a period of continuing sickness but excluding 4 days of sickness in any registration period in such period of continuing sickness.

(ii) **WAITING PERIOD FOR FIRST REGISTRATION PERIOD.**—Benefits shall be payable to any qualified employee for each day of sickness in excess of 7 during that employee's first registration period in a period of continuing sickness if such period of continuing sickness is the employee's initial period of continuing sickness commencing in the benefit year. For the purposes of this clause, the first registration period in a period of continuing sickness is that registration period that first begins with 4 consecutive days of sickness and includes more than 4 days of sickness.

(iii) **DEFINITION OF PERIOD OF CONTINUING SICKNESS.**—For the purposes of this subparagraph, a period of continuing sickness means—

(I) a period of consecutive days of sickness, whether from 1 or more causes; or

(II) a period of successive days of sickness due to a single cause without interruption of more than 90 consecutive days which are not days of sickness.

(iv) **SPECIAL RULE REGARDING END OF PERIOD.**—For purposes of applying clause (ii), a period of continuing sickness ends when an employee exhausts rights to sickness benefits under subsection (c) of this section.

(2) The daily benefit rate with respect to any such employee for such day of unemployment or sickness shall be in an amount equal to 60 per centum of the daily rate of compensation for the employee's last employment in which he engaged for an employer in the base year, but not less than \$12.70: *Provided, however,* That for registration periods beginning after June 30, 1975, but before July 1, 1976, such amount shall not exceed \$24 per day of such unemployment or sickness, that for registration periods beginning after June 30, 1976, but before July 1, 1988, such amount shall not exceed \$25 per day of such unemployment or sickness, that for registration periods beginning after June 30, 1988, but before July 1, 1989, such amount shall not exceed \$30 per day of unemployment or sickness, and that for registration periods beginning after June 30, 1989, such amount shall not exceed the maximum daily benefit rate provided in paragraph (3) of this subsection. The daily rate of compensation referred to in this paragraph shall be determined by the Board on the basis of information furnished to the Board by the employee, his employer, or both.

(3) The maximum daily benefit rate computed by the Board under section 362(r)(2) of this title

shall be the product of the monthly compensation base, as computed under section 351(i)(2) of this title for the base year immediately preceding the beginning of the benefit year, multiplied by 5 percent. If the maximum daily benefit rate so computed is not a multiple of \$1, it shall be rounded down to the nearest multiple of \$1.

(4) In computing benefits to be paid, days of unemployment shall not be combined with days of sickness in the same registration period.

(b) Time of payments

The benefits provided for in this section shall be paid to an employee at such reasonable intervals as the Board may prescribe.

(c) Maximum number of days for benefits

(1) Normal benefits

(A) Generally

The maximum number of days of unemployment within a benefit year for which benefits may be paid to an employee shall be 130, and the maximum number of days of sickness within a benefit year for which benefits may be paid to an employee shall be 130.

(B) Limitation

The total amount of benefits that may be paid to an employee for days of unemployment within a benefit year shall in no case exceed the employee's compensation in the base year; and the total amount of benefits that may be paid to an employee for days of sickness within a benefit year shall in no case exceed the employee's compensation in the base year, except that notwithstanding section 351(i) of this title, in determining the employee's compensation in the base year for the purpose of this sentence, any money remuneration paid to the employee for services rendered as an employee shall be taken into account that is not in excess of an amount that bears the same ratio to \$775 as the monthly compensation base for that year as computed under section 351(i) of this title bears to \$600.

(2) Extended benefits

(A) Generally

With respect to an employee who has 10 or more years of service as defined in section 231(f) of this title, who did not voluntarily retire and (in a case involving exhaustion of rights to normal benefits for days of unemployment) did not voluntarily leave work without good cause, and who had current rights to normal benefits for days of unemployment or days of sickness in a benefit year but has exhausted such rights, the benefit year in which such rights are exhausted shall be deemed not to be ended until the last day of the extended benefit period determined under this paragraph, and extended unemployment benefits or extended sickness benefits (depending on the type of normal benefit rights exhausted) may be paid for not more than 65 days of unemployment or 65 days of sickness within such extended benefit period.

(B) Beginning date

An employee's extended benefit period shall begin on the employee's first day of un-

employment or first day of sickness, as the case may be, following the day on which the employee exhausts the employee's then current rights to normal benefits for days of unemployment or days of sickness and shall continue for 7 consecutive 14-day periods, each of which shall constitute a registration period, but no such extended benefit period shall extend beyond the beginning of the first registration period in a benefit year in which the employee is again qualified for benefits in accordance with section 353 of this title on the basis of compensation earned after the first of such consecutive 14-day periods has begun.

(C) Termination when employee reaches age of 65

Notwithstanding any other provision of this paragraph, an extended benefit period for sickness benefits shall terminate on the day next preceding the date on which the employee attains age 65, except that it may continue for the purpose of paying benefits for days of unemployment.

(3) Accelerated benefits

(A) General rule

With respect to an employee who has 10 or more years of service as defined in section 231(f) of this title, who did not voluntarily retire, and (in a case involving unemployment benefits) did not voluntarily leave work without good cause, who has 14 or more consecutive days of unemployment, or 14 or more consecutive days of sickness, and who is not a qualified employee with respect to the general benefit year current when such unemployment or sickness commences but is or becomes a qualified employee for the next succeeding general benefit year, such succeeding general benefit year shall, in that employee's case, begin on the first day of the month in which such unemployment or sickness commences.

(B) Exception

In the case of a succeeding benefit year beginning in accordance with subparagraph (A) by reason of sickness, such sentence shall not operate to permit the payment of benefits in the period provided for in such sentence for any day of sickness beginning with the date on which the employee attains age 65, and continuing through the day preceding the first day of the next succeeding general benefit year.

(C) Determination of age

For the purposes of this subsection, the Board may rely on evidence of age available in its records and files at the time determinations of age are made.

(d) Overpayment of benefits; recovery; liability of officers

If the Board finds that at any time more than the correct amount of benefits has been paid to any individual under this chapter or a payment has been made to an individual not entitled thereto (including payments made prior to July 1, 1940), recovery by adjustments in subsequent

payments to which such individual is entitled under this chapter or any other Act administered by the Board may, except as otherwise provided in this subsection, be made under regulations prescribed by the Board. If such individual dies before recovery is completed, recovery may be made by set-off or adjustments, under regulations prescribed by the Board, in subsequent payments due, under this chapter or any other Act administered by the Board, to the estate, designee, next of kin, legal representative, or surviving spouse of such individual, with respect to the employment of such individual.

Adjustments under this subsection may be made either by deductions from subsequent payments or, with respect to payments which are to be made during a lifetime or lifetimes, by subtracting the total amount of benefits paid in excess of the proper amount from the actuarial value, as determined by the Board, of such payments to be made during a lifetime or lifetimes and recertifying such payments on the basis of the reduced actuarial value. In the latter case, recovery shall be deemed to have been completed upon such recertification.

There shall be no recovery in any case in which more than the correct amount of benefits has been paid to an individual or payment has been made to an individual not entitled thereto (including payments made prior to July 1, 1940) who, in the judgment of the Board, is without fault when, in the judgment of the Board, recovery would be contrary to the purpose of this chapter or would be against equity or good conscience.

No certifying or disbursing officer shall be held liable for any amount certified or paid by him in good faith to any person where the recovery of such amount is waived under the third paragraph of this subsection or has been begun but cannot be completed under the first paragraph of this subsection.

(e) Assignment, taxation, garnishment, attachment, etc., of benefits

Notwithstanding any other law of the United States, or of any State, Territory, or the District of Columbia, no benefits shall be assignable or be subject to any tax or to garnishment, attachment, or other legal process under any circumstances whatsoever, nor shall the payment thereof be anticipated.

(f) Effect of payment of benefits for remunerable period; payment of surplus remuneration to Board

If (i) benefits are paid to any employee with respect to unemployment or sickness in any registration period, and it is later determined that remuneration is payable to such employee with respect to any period which includes days in such registration period which had been determined to be days of unemployment or sickness, and (ii) the person or company from which such remuneration is payable has, before payment thereof, notice of the payment of benefits upon the basis of days of unemployment or sickness included in such period, the remuneration so payable shall not be reduced by reason of such benefits but the remuneration so payable, to the extent to which benefits were paid upon the basis of days which had been determined to be

days of unemployment or sickness and which are included in the period for which such remuneration is payable, shall be held to be a special fund in trust for the Board. The amount of such special fund shall be paid to the Board and in the collection thereof the Board shall have the same authority, and the same penalties shall apply, as are provided in section 358 of this title with respect to contributions. The proceeds of such special fund shall be credited to the account. Such benefits, to the extent that they are represented in such a special fund which has been collected by the Board, shall be disregarded for the purposes of subsection (c) of this section.

(g) Payment of accrued benefits upon death

Benefits accrued to an individual but not yet paid at death shall, upon certification by the Board, be paid, without necessity of filing further claims therefor, to the same individual or individuals to whom any accrued annuities under section 231e(a)(1) of this title are paid. In the event that no such accrued annuities are paid, and if application for such accrued benefits is filed prior to the expiration of two years after the death of the individual to whom such benefits accrued, such accrued benefits shall be paid, upon certification by the Board, to the individual or individuals who would be entitled thereto under section 231e(a)(1) of this title if such accrued benefits were accrued annuities. If there is no individual to whom all or any part of such accrued benefits can be paid in accordance with the foregoing provisions, such benefits or part thereof shall escheat to the credit of the account.

§ 354. Disqualifying conditions

(a-1) Day of unemployment or day of sickness

There shall not be considered as a day of unemployment, or as a day of sickness, with respect to any employee—

(i) any of the seventy-five days beginning with the first day of any registration period with respect to which the Board finds that he knowingly made or aided in making or caused to be made any false or fraudulent statement or claim for the purpose of causing benefits to be paid;

(ii) any day in any period with respect to which the Board finds that he is receiving or will have received annuity payments under the Railroad Retirement Act of 1974 [45 U.S.C. 231 et seq.], or insurance benefits under title II of the Social Security Act [42 U.S.C. 401 et

seq.], or unemployment, maternity, or sickness benefits under an unemployment, maternity, or sickness compensation law other than this chapter, or any other social-insurance payments under any law: *Provided*, That if an employee receives or is held entitled to receive any such payments, other than unemployment, maternity, or sickness payments, with respect to any period which include days of unemployment or sickness in a registration period, after benefits under this chapter for such registration period will have been paid, the amount by which such benefits under this chapter will have been increased by including such days as days of unemployment or as days of sickness shall be recoverable by the Board: *Provided further*, That, if that part of any such payment or payments, other than unemployment, maternity, or sickness payments, which is apportionable to such days of unemployment or days of sickness is less in amount than the benefits under this chapter which, but for this paragraph, would be payable and not recoverable with respect to such days of unemployment or days of sickness, the preceding provisions of this paragraph shall not apply but such benefits under this chapter for such days of unemployment or days of sickness shall be diminished or recoverable in the amount of such part of such other payment or payments;

(iii) if he is paid a separation allowance, any of the days in the period beginning with the day following his separation from service and continuing for that number of consecutive fourteen-day periods which is equal, or most nearly equal, to the amount of the separation allowance divided (i) by ten times his last daily rate of compensation prior to his separation if he normally works five days a week, (ii) by twelve times such rate if he normally works six days a week, and (iii) by fourteen times such rate if he normally works seven days a week;¹

(a-2) Day of unemployment

(i)(A) subject to the provisions of subdivision (B) hereof, any of the days in the period beginning with the day with respect to which the Board finds that he left work voluntarily, and continuing until he has been paid compensation of not less than \$1,500 with respect to time after the beginning of such period and before 1989 or, if any part of such compensation is paid in a calendar year after 1988, not less than an amount that is equal to 2.5 times the monthly compensation base for months in such calendar year, as computed under section 351(i) of this title;

(B) if the Board finds that he left work voluntarily with good cause, the provisions of subdivision (A) shall not apply, with respect to him, to any day in a registration period if such period does not include any day which is in a period for which he could receive benefits under an unemployment compensation law other than this chapter, and he so certifies. Such certification shall, in the absence of evidence to the contrary, be accepted subject to the penalty provisions of section 359(a) of this title;

(ii) any of the thirty days beginning with the day with respect to which the Board finds that he failed, without good cause, to accept suitable work available on such day and offered to him, or to comply with instructions from the Board requiring him to apply for suitable work or to report, in person or by mail as the Board may require, to an employment office;

(iii) subject to the provisions of subsection (b) of this section, any day with respect to which the Board finds that his unemployment was due to a stoppage of work because of a strike in the establishment, premises, or enterprise at which he was last employed, and the Board finds that such strike was commenced in violation of the provisions of the Railway Labor Act [45 U.S.C. 151 et seq.] or in violation of the established rules and practices of a bona fide labor organization of which he was a member.

(b) Participation, interest, or financial assistance in labor dispute

The disqualification provided in subsection (a-2)(iii) of this section shall not apply if the Board finds that—

(i) the employee is not participating in or financing or directly interested in the strike which causes the stoppage of work: *Provided*, That payment of regular union dues shall not be construed to constitute financing a strike or direct interest in a strike within the meaning of this and the following paragraphs; and

(ii) he does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed in the establishment, premises, or enterprise at which the stoppage occurs, any of whom are participating in or financing or directly interested in the dispute: *Provided*, That if separate types of work are commonly conducted in separate departments of a single enterprise, each such department shall, for the purposes of this subsection, be deemed to be a separate establishment, enterprise, or other premises.

No work shall be deemed suitable for the purposes of subsection (a-2)(ii) of this section, and benefits shall not be denied under this chapter to any otherwise qualified employee for refusing to accept work if—

(i) the position offered is vacant due directly to a strike, lockout, or other labor dispute;

(ii) the remuneration, hours, or other conditions of work offered are substantially less favorable to the employee than those prevailing for similar work in the locality, or the rate of remuneration is less than the union wage rate, if any, for similar work in the locality;

(iii) as a condition of being employed he would be required to join a company union or to resign from or refrain from joining any bona fide labor organization;

(iv) acceptance of the work would require him to engage in activities in violation of law or which, by reason of their being in violation of reasonable requirements of the constitution, bylaws, or similar regulations of a bona fide labor organization of which he is a member, would subject him to expulsion from such labor organization; or

¹ So in original. The semicolon probably should be a period.

(v) acceptance of the work would subject him to loss of substantial seniority rights under any collective bargaining agreement between a railway labor organization, organized in accordance with the provisions of the Railway Labor Act [45 U.S.C. 151 et seq.], and any other employer.

(d) Factors in determination of suitable work

In determining, within the limitations of subsection (c) of this section, whether or not any work is suitable for an employee for the purposes of subsection (a-2)(ii) of this section, the Board shall consider, in addition to such other factors as it deems relevant, (i) the current practices recognized by management and labor with respect to such work; (ii) the degree of risk involved to such employee's health, safety, and morals; (iii) his physical fitness and prior training; (iv) his experience and prior earnings; (v) his length of unemployment and prospects for securing work in his customary occupation; and (vi) the distance of the available work from his residence and from his most recent work.

(e) Voluntarily leaving unsuitable work

For the purposes of subsection (a-2)(i) of this section, no voluntary leaving of work shall be deemed to have been without good cause if the Board finds that such work would not have been suitable for the purposes of subsection (a-2)(ii) of this section.

§ 355. Claims for benefits

(a) Publication of Board's regulations

Claims for benefits and appeals from determinations with respect thereto shall be made in accordance with such regulations as the Board shall prescribe. Each employer shall post and maintain, in places readily accessible to employees in his service, such printed statements

concerning such regulations as the Board supplies to him for such purpose, and shall keep available to his employees copies of such printed statements. Such printed statements shall be supplied by the Board to each employer without cost to him.

(b) Findings, hearings, investigations, etc., by Board

The Board is authorized and directed to make findings of fact with respect to any claim for benefits and to make decisions as to the right of any claimant to benefits. The Board is further authorized to hold such hearings, to conduct such investigations and other proceedings, and to establish, by regulations or otherwise, such procedures as it may deem necessary or proper for the determination of a right to benefits. When a claim for benefits is filed with the Board, the Board shall provide notice of such claim to the claimant's base-year employer or employers and afford such employer or employers an opportunity to submit information relevant to the claim before making an initial determination on the claim. When the Board initially determines to pay benefits to a claimant under this chapter, the Board shall provide notice of such determination to the claimant's base-year employer or employers.

(c) Hearing and review of decisions on claims

(1) Each qualified employee whose claim for benefits has been denied in whole or in part upon an initial determination with respect thereto upon a basis other than one which is reviewable pursuant to one of the succeeding paragraphs of this subsection, shall be granted an opportunity for a fair hearing thereon before a referee or such other reviewing body as the Board may establish or assign thereto. In any such case the Board or the person or reviewing body so established or assigned shall, by publication or otherwise, notify all parties properly interested of their right to participate in the hearing and of the time and place of the hearing.

(2) Any claimant whose claim for benefits has been denied in an initial determination with respect thereto upon the basis of his not being a qualified employee, and any claimant who contends that under an initial determination of his claim he has been awarded benefits at less than the proper rate, may appeal to the Board for the review of such determination. Thereupon the Board shall review the determination and for such review may designate one of its officers or employees to receive evidence and to report to the Board thereon together with recommendations. In any such case the Board or the person so designated shall, by publication or otherwise, notify all parties properly interested of their right to participate in the proceeding and, if a hearing is to be held, of the time and place of the hearing. At the request of any party properly interested the Board shall provide for a hearing, and may provide for a hearing on its own motion. The Board shall prescribe regulations governing the appeals provided for in this paragraph and for decisions upon such appeal.

(3) Any base-year employer of a claimant whose claim for benefits has been granted in whole or in part, either in an initial determination with respect thereto or in a determination

after a hearing pursuant to paragraph (1), and who contends that the determination is erroneous for a reason or reasons other than a reason that is reviewable under paragraph (4), may appeal to the Board for review of such determination. Despite such an appeal, the benefits awarded shall be paid to such claimant, subject to recovery by the Board if and to the extent found on the appeal to have been erroneously awarded. The Board shall take such action as is appropriate to recover the amount of such benefits including if feasible adjustment in subsequent payments pursuant to the first two paragraphs of section 352(d) of this title. Upon an appeal, the Board shall review the determination appealed from and for such review may designate one of its officers or employees to receive evidence and report to the Board thereof together with recommendations. In any such case the Board or the person so designated shall, by publication or otherwise, notify all parties properly interested of their right to participate in the proceeding and, if a hearing is to be held, of the time and place of the hearing. At the request of any party properly interested the Board shall provide for a hearing, and may provide for a hearing on its own motion. The Board shall prescribe regulations governing the appeals provided for in this paragraph and for decisions upon such appeal.

(4) In any case in which benefits are awarded to a claimant in whole or in part upon the basis of pay earned in the service of a person or company found by the Board to be an employer as defined in this chapter but which denies that it is such an employer, such benefits awarded on such basis shall be paid to such claimant subject to a right of recovery of such benefits. The Board shall thereupon designate one of its officers or employees to receive evidence and to report to the Board on whether such benefits should be repaid. The Board may also designate one of its officers or employees to receive evidence and report to the Board whether or not any person or company is entitled to a refund of contributions or should be required to pay contributions under this chapter, regardless of whether or not any claims for benefits will have been filed upon the basis of service in the employ of such person or company, and shall follow such procedure if contributions are assessed and payment is refused or payment is made and a refund claimed upon the basis that such person or company is or will not have been liable for such contributions. In any such case the Board or the person so designated shall, by publication or otherwise, notify all parties properly interested of their right to participate in the proceeding and, if a hearing is to be held, of the time and place of the hearing. At the request of any party properly interested the Board shall provide for a hearing, and may provide for a hearing on its own motion. The Board shall prescribe regulations governing the proceedings provided for in this paragraph and for decisions upon such proceedings.

(5) Final decision of the Board in the cases provided for in the preceding three paragraphs shall be communicated to the claimant and to the other interested parties within fifteen days after it is made. Any properly interested party

notified, as hereinabove provided, of his right to participate in the proceedings may obtain a review of any such decision by which he claims to be aggrieved or the determination of any issue therein in the manner provided in subsection (f) of this section with respect to the review of the Board's decisions upon claims for benefits and subject to all provisions of law applicable to the review of such decisions. Subject only to such review, the decision of the Board upon all issues determined in such decision shall be final and conclusive for all purposes and shall conclusively establish all rights and obligations, arising under this chapter, of every party notified as hereinabove provided of his right to participate in the proceedings.

(6) For purposes of this subsection and subsections (d) and (f) of this section, any base-year employer of the claimant is a properly interested party.

(7) Any issue determinable pursuant to this subsection and subsection (f) of this section shall not be determined in any manner other than pursuant to this subsection and subsection (f) of this section.

(d) Decisions of reviewing bodies; review and finality

The Board shall prescribe regulations governing the filing of cases with and the decision of cases by reviewing bodies, and the review of such decisions. The Board may provide for intermediate reviews of such decisions by such bodies as the Board may establish or assign thereto. The Board may (i) on its own motion review a decision of an intermediate reviewing body on the basis of the evidence previously submitted in such case, and may direct the taking of additional evidence, or (ii) permit such parties as it finds properly interested in the proceedings to take appeals to the Board. Unless a review or an appeal is had pursuant to this subsection, the decision of an intermediate reviewing body shall, subject to such regulations as the Board may prescribe, be deemed to be the final decision of the Board.

(e) Application of rules of evidence in law and equity; notice of findings

In any proceeding other than a court proceeding, the rules of evidence prevailing in courts of law or equity shall not be controlling, but a full and complete record shall be kept of all proceedings and testimony, and the Board's final determination, together with its findings of fact and conclusions of law in connection therewith, shall be communicated to the parties within fifteen days after the date of such final determination.

(f) Review of final decision of Board by Courts of Appeals; costs

Any claimant, or any railway labor organization organized in accordance with the provisions of the Railway Labor Act [45 U.S.C. 151 et seq.], of which claimant is a member, or any base-year employer of the claimant, or any other party aggrieved by a final decision under subsection (c) of this section, may, only after all administrative remedies within the Board will have been availed of and exhausted, obtain a review of any final decision of the Board by filing a petition

for review within ninety days after the mailing of notice of such decision to the claimant or other party, or within such further time as the Board may allow, in the United States court of appeals for the circuit in which the claimant or other party resides or will have had his principal place of business or principal executive office, or in the United States Court of Appeals for the Seventh Circuit or in the United States Court of Appeals for the District of Columbia. A copy of such petition, together with initial process, shall forth-with be served upon the Board or any officer designated by it for such purpose. A copy of such petition also shall forthwith be served upon any other properly interested party, and such party shall be a party to the review proceeding. Service may be made upon the Board by registered mail addressed to the Chairman. Within thirty days after receipt of service, or within such additional time as the court may allow, the Board shall file with the court in which such petition has been filed the record upon which the findings and decision complained of are based, as provided in section 2112 of title 28. Upon the filing of such petition the court shall have exclusive jurisdiction of the proceeding and of the question determined therein. It shall have power to enter a decree affirming, modifying, or reversing the decision of the Board, with or without remanding the cause for rehearing. The findings of the Board as to the facts, if supported by evidence and in the absence of fraud, shall be conclusive. No additional evidence shall be received by the court but the court may order additional evidence to be taken before the Board, and the Board may, after hearing such additional evidence, modify its findings of fact and conclusions and file such additional or modified findings and conclusions with the court, and the Board shall file with the court the additional record. The judgment and decree of the court shall be final, subject to review as in equity cases.

An applicant for review of a final decision of the Board concerning a claim for benefits shall not be liable for costs, including costs of service, or costs of printing records, except that costs may be assessed by the court against such applicant if the court determines that the proceedings for such review have been instituted or continued without reasonable ground.

(g) Finality of Board decisions

Findings of fact and conclusions of law of the Board in the determination of any claim for benefits or refund, the determination of any other matter pursuant to subsection (c) of this section, and the determination of the Board that the unexpended funds in the account are available for the payment of any claim for benefits or refund under this chapter, shall be, except as provided in subsection (f) of this section, binding and conclusive for all purposes and upon all persons, including the Comptroller General and any other administrative or accounting officer, employee, or agent of the United States, and shall not be subject to review in any manner other than that set forth in subsection (f) of this section.

(h) Benefits payable prior to final decision of Board

Except as may be otherwise prescribed by regulations of the Board, benefits payable with respect to any period prior to the date of a final decision of the Board with respect to a claim therefor, shall be paid only after such final decision.

(i) Fees for presenting claims; penalties

No claimant or other properly interested person claiming benefits shall be charged fees of any kind by the Board, its employees or representatives, with respect to such claim. Any such claimant or other properly interested person may be represented by counsel or other duly authorized agent, in any proceeding before the Board or its representatives or a court, but no such counsel or agent for a claimant shall either charge or receive for such services more than an amount approved by the Board or by the court before whom the proceedings of the Board are reviewed. Any person who violates any provision of this subsection shall be punished by a fine of not more than \$10,000 or by imprisonment not exceeding one year.

§ 357. Free transportation

It shall not be unlawful for carriers to furnish free transportation to employees qualified for benefits or serving waiting periods under this chapter.

(June 25, 1938, ch. 680, § 7, 52 Stat. 1102.)

§ 358. Contributions

(a) Employer contribution

(1) In general

(A) General rule

(i) Contribution rate generally

Every employer shall pay a contribution, with respect to having employees in his service, equal to the percentage determined under subparagraph (B), (C), or (D), whichever is applicable, of so much of the compensation paid in any calendar month by such employer to any employee as is not in excess of the monthly compensation base for that month as computed under section 351(i) of this title.

(ii) Multiple employer limitation

If compensation is paid to an employee by more than one employer in any calendar month—

(I) the contributions required by this subsection shall not apply to any

amount of the aggregate compensation paid to such employee by all such employers in such calendar month which is in excess of such monthly compensation base; and

(II) each employer (other than a subordinate unit of a national-railway-labor-organization employer) shall be liable for that portion of the contribution with respect to such compensation paid by all such employers which the compensation paid by him to such employee bears to the total compensation paid in such month by all such employers to such employee.

In the event that the compensation paid by such employers to the employee in such month is less than such monthly compensation base, each subordinate unit of a national-railway-labor-organization employer shall be liable for such portion of any additional contribution as the compensation paid by such employer to such employee in such month bears to the total compensation paid by all such employers to such employee in such month.

(B) Transitional rule

(i) 1st, 2d, and 3d calendar years

Except as provided in clause (vi), with respect to compensation paid in calendar years 1988, 1989, and 1990, the contribution rate shall be 8 percent.

(ii) 4th calendar year

With respect to compensation paid in calendar year 1991, the contribution rate shall be the smaller of—

(I) the maximum contribution limit computed under paragraph (20); or

(II) the percentage computed pursuant to the following formula:

$$R = \frac{2A+B}{3}$$

(iii) 5th calendar year

With respect to compensation paid in calendar year 1992, the contribution rate shall be the smaller of—

(I) the maximum contribution limit computed under paragraph (20); or

(II) the percentage computed pursuant to the following formula:

$$R = \frac{A+2C}{3}$$

(iv) Meaning of symbols

For purposes of the formulas in clauses (ii) and (iii)—

(I) "R" is the applicable contribution rate expressed as a percentage for months in the calendar year;

(II) "A" is the contribution rate determined under clause (i);

(III) "B" is the percentage rate for the employer, as determined under subparagraph (C), for calendar year 1991; and

(IV) "C" is the percentage rate for the employer, as determined under subparagraph (C), for calendar year 1992.

(v) Special rule for certain computations

For purposes of computing B and C in such formulas—

(I) the percentage rate computed under subparagraph (C), if more than the maximum contribution limit computed under paragraph (20) shall not be reduced to that limit; and

(II) any computations which under subparagraph (C) are to be made on the basis of a 4-quarter or a 12-quarter period ending on a given June 30 shall be made on the basis of a period beginning on January 1, 1990, and ending on that June 30, and the amount so computed shall be increased to an amount that bears the same ratio to the amount so computed as 4 or 12, as appropriate, bears to the number of calendar quarters in the period on which the computation was based.

(vi) Special transition rule for public commuter railroads

With respect to each of calendar years 1989 and 1990, the contribution of the National Railroad Passenger Corporation and an employer which on November 10, 1988, is a publicly funded and publicly operated carrier providing rail commuter service shall be equal to the amount of benefits attributable to such carrier, plus an amount equal to 0.65 percent of the total compensation paid by that employer in that year on which that employer's contribution would be based under clause (i) if such employer's contribution were determined under that clause.

(C) Experience-rated contributions

With respect to compensation paid in a calendar year that begins after December 31, 1992, the contribution rate for each employer shall be determined as follows:

(i) Step 1

Compute the employer's benefit ratio as of the preceding June 30 to 4 decimal points in accordance with paragraph (2).

(ii) Step 2

Subtract the employer's reserve ratio as of the preceding June 30 as computed to 4 decimal points in accordance with paragraph (4).

(iii) Step 3

Subtract the pooled credit ratio for the calendar year, if any, as computed to 4 decimal points in accordance with paragraph (12).

(iv) Step 4

Multiply by 100 the total arrived at under the steps set forth in clauses (i) through (iii) so as to obtain a percentage rate, which shall be rounded to the nearest 100th of 1 percent. If the total arrived at under such steps is 0 or less than 0, the percentage rate as so computed shall be 0.

(v) Step 5

Add 0.65 to the percentage rate arrived at under clause (iv), representing the por-

tion of the employer's contribution which is to be deposited to the credit of the fund under subsection (i) of this section.

(vi) Step 6

Add the surcharge rate for the calendar year, if any, as computed under paragraph (14).

(vii) Step 7

Add the pooled charge ratio for the calendar year, if any, as computed to 4 decimal points under paragraph (13) and multiplied by 100.

(viii) Step 8

Reduce the percentage¹ rate computed in accordance with the preceding steps to the maximum contribution limit computed under paragraph (20), if such rate is higher than such limit. The rate computed in accordance with the preceding steps, after any reduction under this clause, is the contribution rate.

(D) New-employer contribution rates

Notwithstanding subparagraphs (B) and (C), the contribution rate applicable to a new employer who does not become subject to this chapter until after December 31, 1989, shall be determined as follows:

(i) 1st calendar year

With respect to compensation paid in calendar months before the end of the first full calendar year in which the employer is subject to this chapter, the contribution rate shall be the average contribution rate paid by all employers during the 3 calendar years preceding the calendar year before the calendar year in which the compensation is paid. The average contribution rate shall be determined—

(I) by dividing the aggregate contributions paid by all employers under this subsection in those 3 calendar years by the aggregate compensation with respect to which such contributions were paid; and

(II) by multiplying the resulting ratio as computed to 4 decimal points by 100.

(ii) 2d calendar year

With respect to compensation paid in calendar months in the next calendar year, the contribution rate shall be the smaller of—

(I) the maximum contribution limit computed under paragraph (20); or

(II) the percentage rate computed pursuant to the following formula:

$$R = \left(\frac{2(A_2) + B}{3} \right)$$

(iii) 3d calendar year

With respect to compensation paid in calendar months in the third full calendar year in which the employer is subject to the coverage of this chapter, the contribution rate shall be the smaller of—

¹ So in original. Probably should be "percentage".

(I) the maximum contribution limit computed under paragraph (20); or

(II) the percentage rate computed pursuant to the following formula:

$$R = \frac{A3+2C}{3}$$

(iv) Subsequent calendar years

With respect to all calendar months in calendar years subsequent to that calendar year, the contribution rate shall be determined under subparagraph (C).

(v) Meaning of symbols

For purposes of the formulas in clauses (ii) and (iii)—

(I) “R” is the applicable contribution rate expressed as a percentage for months in the calendar year;

(II) “A1” is the contribution rate determined under clause (i) for such employer’s first full calendar year;

(III) “A2” is the contribution rate which would have been determined under clause (i) if the employer’s second calendar year had been its first full calendar year;

(IV) “A3” is the contribution rate which would have been determined under clause (i) if the employer’s third calendar year had been such employer’s first full calendar year;

(V) “B” is the contribution rate for the employer as determined under subparagraph (C) for the employer’s second full calendar year; and

(VI) “C” is the contribution rate for the employer as determined under subparagraph (C) for the employer’s third full calendar year.

(vi) Special rule for certain computations

For purposes of computing B and C in such formulas—

(I) the percentage rate computed under subparagraph (C), shall not be reduced under clause (viii) of that subparagraph; and

(II) any computations which under subparagraph (C) are to be made on the basis of a 4-quarter or 12-quarter period ending on a given June 30 shall be made on the basis of a period commencing with the first day of the first calendar quarter that begins after the date on which the employer first commenced paying compensation subject to this chapter and ending on that June 30, and the amount so computed shall be increased to an amount that bears the same ratio to the amount so computed as 4 or 12, as appropriate, bears to the number of calendar quarters in the period on which the computation was based.

(2) Benefit ratio

An employer’s benefit ratio as of any given June 30 shall be determined by dividing all benefits charged to the employer under paragraph (15) during the 12 calendar quarters end-

ing on such June 30 by the employer’s 3-year compensation base as of such June 30 as computed under paragraph (3).

(3) 3-year compensation base

An employer’s 3-year compensation base as of any given June 30 is the aggregate compensation with respect to which contributions were paid by the employer under this subsection in the 12 calendar quarters ending on such June 30.

(4) Reserve ratio

An employer’s reserve ratio as of any given June 30 shall be computed by dividing the employer’s reserve balance as of such June 30, as computed under paragraph (6), by that employer’s 1-year compensation base as of such June 30, as computed under paragraph (5). The employer’s reserve ratio may be either a positive or a negative figure, depending upon whether the employer’s reserve balance is a positive or negative figure.

(5) 1-year compensation base

An employer’s 1-year compensation base as of any given June 30 is the aggregate compensation with respect to which contributions were paid by the employer under this subsection in the 4 calendar quarters ending on such June 30.

(6) Reserve balance

An employer’s reserve balance as of any given June 30 shall be determined by subtracting the employer’s cumulative benefit balance as of such June 30, computed under paragraph (7), from the employer’s net cumulative contribution balance as of such June 30, computed under paragraph (8). An employer’s reserve balance may be either positive or negative, depending upon whether or not that employer’s net cumulative contribution balance exceeds the employer’s cumulative benefit balance.

(7) Cumulative benefit balance

An employer’s cumulative benefit balance as of any given June 30 shall be determined by adding—

(A) the net amount of the benefits charged to the employer under paragraph (15) on or after January 1, 1990; and

(B) the cumulative amount of the employer’s unallocated charges for the same period, if any, as computed under paragraph (9).

(8) Net cumulative contribution balance

An employer’s net cumulative contribution balance as of any given June 30 shall be determined as follows:

(A) Step 1

Compute the sum of

(i) all contributions paid by the employer pursuant to this subsection;

(ii) that portion of the tax imposed under section 3321(a) of title 26 that is attributable to the surtax rate under section 516(b) of the Railroad Unemployment Insurance and Retirement Improvement Act of 1988;² and

² See References in Text note below.

(iii) any taxes paid by the employer pursuant to section 3321(a) of title 26 (after the outstanding balance of loans made under section 360(d) of this title before October 1, 1985, plus interest, have been paid);

on or after January 1, 1990.

(B) Step 2

Subtract an amount equal to the amount of such contributions deposited to the credit of the fund under subsection (i) of this section.

(C) Step 3

Add an amount equal to the aggregate amount by which such contributions were reduced in prior calendar years as a result of pooled credits, if any, under paragraph (1)(C)(iii).

(9) Unallocated charge

An employer's unallocated charge as of any given June 30 is the amount that as of such June 30 bears the same ratio to the system unallocated charge balance, computed under paragraph (10), as the employer's 1-year compensation base, computed under paragraph (5), bears to the system compensation base computed under paragraph (11).

(10) System unallocated charge balance

The system unallocated charge balance as of any given June 30 shall be determined as follows:

(A) Step 1

Compute the aggregate amount of all interest paid by the account on loans from the Railroad Retirement Account after September 30, 1985, pursuant to section 360(d) of this title, during the 4 calendar quarters ending on that June 30.

(B) Step 2

Add the aggregate amount of any additions to the system unallocated charge balance specified in paragraphs (15) and (16), during that period.

(C) Step 3

Add the aggregate amount of any other expenditures by the account during that period not chargeable to any individual employer under paragraph (15) or to the fund under section 361 of this title.

(D) Step 4

Subtract the aggregate amount of all income to the account, under section 360(a)(iv) of this title or section 360(a)(vii) of this title, during that period.

(E) Step 5

Subtract the aggregate amount of all transfers to the account, pursuant to section 361(d) of this title, during that period.

(F) Step 6

Subtract the aggregate amount of all other income and receipts of the account, during that period, which are not assigned to individual employer balances.

(G) Step 7

Subtract the net cumulative contribution balance of each employer whose balance has

been cancelled pursuant to paragraph (16), during that period, calculated as of the date of such cancellation.

(11) System compensation base

The system compensation base as of any given June 30 shall be determined by adding together the amounts of the 1-year compensation bases of all employers and employee representatives subject to this chapter, computed in accordance with paragraph (5), as of such June 30.

(12) Pooled credit ratio

The pooled credit ratio, if any, for a calendar year shall be determined as follows:

(A) Step 1

Compute the balance to the credit of the account as of the close of business on the preceding June 30, including any amounts in the account attributable to loans made under section 360(d) of this title before October 1, 1985, but disregarding the obligation to repay such loans and interest thereon. In determining such balance as of June 30 of any year, so much of the balance to the credit of the railroad unemployment insurance administration fund as of the close of business on such date as is in excess of \$6,000,000 shall be deemed to be part of the balance to the credit of such account. There will be a pooled credit ratio for the calendar year only if that balance is in excess of the greater of \$250,000,000 or of the amount that bears the same ratio to \$250,000,000 as the system compensation base as of that June 30 bears to the system compensation base as of June 30, 1991, as computed in accordance with paragraph (11).

(B) Step 2

If there is such an excess amount, divide that excess amount by the system compensation base as of the June 30 preceding the calendar year. The result is the pooled credit ratio for the calendar year.

(13) Pooled charge ratio

The pooled charge ratio, if any, for a calendar year shall be determined as follows:

(A) Step 1

With respect to each employer whose contribution rate for that calendar year as computed through step 6 under paragraph (1)(C) was greater than the maximum contribution limit computed under paragraph (20), multiply the employer's 1-year compensation base as of the preceding June 30, as computed in accordance with paragraph (5), by the difference between—

- (i) the percentage rate determined under subparagraph (B), (C), or (D) of paragraph (1) before the reduction to the maximum contribution limit; and
- (ii) the maximum contribution limit.

(B) Step 2

Add the amounts arrived at under step 1 so as to obtain an aggregate amount for all such employers.

(C) Step 3

For each employer whose contribution rate as computed through step 3 under para-

graph (1)(C) was less than 0, the percentage rate by which such employer's rate was raised in order to bring that rate to 0 shall be multiplied by that employer's 1-year compensation base as of the preceding June 30. Subtract the total of the amounts computed under the preceding sentence for all employers from the amount arrived at in step 2.

(D) Step 4

Divide the aggregate amount arrived at under step 3 by the system compensation base as of the preceding June 30 as computed under paragraph (11) minus the one-year compensation base of those employers whose rates computed through step 6 of paragraph (1)(C) exceeded the maximum contribution rate computed under paragraph (20). The result is the pooled charge ratio for the calendar year.

(14) Surcharge rate

The surcharge rate for a calendar year, if any, shall be determined as follows:

(A) Step 1

Compute the balance to the credit of the account as of the close of business on the preceding June 30, including any amounts in the account attributable to loans made under section 360(d) of this title before October 1, 1985, but disregarding the obligation to repay such loans and interest thereon. In determining such balance as of June 30 of any year, so much of the balance to the credit of the railroad unemployment insurance administration fund as of the close of business on such date as is in excess of \$6,000,000 shall be deemed to be part of the balance to the credit of such account. There will be a surcharge rate for the calendar year only if that balance is less than the greater of \$100,000,000 or of the amount that bears the same ratio to \$100,000,000 as the system compensation base as of that June 30 bears to the system compensation base as of June 30, 1991, as computed in accordance with paragraph (11).

(B) Step 2

(i) If the balance to the credit of the account is less than the greater of the amounts referred to in the 2nd sentence of step 1 but is equal to or more than the greater of \$50,000,000 or of the amount that bears the same ratio to \$50,000,000 as the system compensation base as of that June 30 bears to the system compensation base as of June 30, 1991, then the surcharge rate for the calendar year shall be 1.5 percent.

(ii) If the balance to the credit of the account is less than the greater of the amounts referred to in the clause (i), but greater than or equal to zero, then the surcharge rate for the calendar year shall be 2.5 percent.

(iii) If the balance to the credit of the account is less than zero, the surcharge rate for the calendar year shall be 3.5 percent.

(15) Chargeable benefits

(A) In general

Beginning January 1, 1990, all benefits paid to an employee for days of unemployment or

days of sickness shall be charged to that employee's base year employer by adding amounts equal to the amounts of such benefits to the employer's cumulative benefit balance except that benefits paid by reason of strikes or work stoppages growing out of labor disputes shall not be added to the employer's cumulative benefit balance but instead shall be added to the system unallocated charge balance.

(B) Adjustments

A sum equal to each amount realized in recovery for overpayment, erroneous payment, or reimbursement of benefits and credited to the account pursuant to section 360(a)(v) or 360(a)(viii) of this title shall be subtracted from the cumulative benefit balances of the employers of the employees to whom such an amount was paid as a benefit in the proportion to the amount by which each such employer's cumulative benefit balance was increased as a result of the payment of the benefit.

(C) Multiple employers

(i) In general

All benefits paid to an employee who had more than 1 base-year employer shall be charged to the cumulative benefit balances of the employee's base year employers—

(I) in reverse chronological order of the employee's employment with each such employer in the base year if the employer at the time of the claim was the last base year employer, and the amount charged to each employer shall not exceed the compensation paid by that employer to the employee in the base year; and

(II) in all other cases, in the same ratio as the compensation paid to such employee by the employer bears to the total of such compensation paid to such employees by all such employers in the base year.

(ii) Special rule for employer with cancelled balances

All benefits chargeable under this subparagraph to an employer for which the Board has cancelled balances under paragraph (16) shall be added to the system unallocated charge balance.

(16) Defunct employer

Whenever the Board determines, pursuant to such regulations as the Board may prescribe, that an employer has permanently ceased to pay compensation with respect to which contributions are payable pursuant to this subsection, the Board shall, effective on the date of the Board's determination, transfer the employer's net cumulative contribution balance as a subtraction from, and cumulative benefit balance as an addition to, the system unallocated charge balance and cancel all other accumulations of the employer.

(17) Individual employer record

(A) In general

As of January 1, 1990, the Board shall commence maintaining an individual employer

record with respect to each employer, and the records necessary to determine pooled charges, pooled credits and unallocated charge balances for the system. Whenever a new employer begins paying compensation with respect to which contributions are payable pursuant to this subsection, the Board shall establish and maintain an individual employer record for such employer.

(B) Definition

As used in this paragraph, the term "individual employer record" means a record of an individual employer's benefit ratio, reserve ratio, 1-year compensation base, 3-year compensation base, unallocated charge, reserve balance, net cumulative contribution balance, and cumulative benefit balance.

(18) Joint employer records

Pursuant to regulations prescribed by the Board, the Board may allow 2 or more employers, upon application, to establish and maintain, or to discontinue, a joint individual employer record for such employers as though such joint record constituted a single employer's individual employer record.

(19) Mergers, consolidations, or other changes in employer identity

(A) With other employers

In the event of a merger, consolidation, unification, or reorganization in which an employer combines with another employer and the combination entails no partitioning of the property of the employer, the individual employer records of the 2 employers shall be combined into a joint individual employer record if the parties request such joint treatment pursuant to paragraph (18) or if the Board otherwise determines, pursuant to regulations prescribed by the Board, that such joint treatment is desirable.

(B) With nonemployers

In the event of a merger, consolidation, unification, or reorganization in which an employer combines with another entity that is not an employer, the employer's individual employer record shall attach to the combined entity.

(C) Sale of assets

In the event property of an employer is sold or transferred to another employer or other entity, or is partitioned among 2 or more employers or entities, the cumulative benefit balance, net cumulative contribution balance, 1-year compensation base, and 3-year compensation base of the employer shall be prorated among the employers which receive the property, including any entities which become employers by virtue of such transfer or partition, in such equitable manner as the Board by regulation shall prescribe.

(D) Reincorporation

The cumulative benefit balance, net cumulative contribution balance, 1-year compensation base, and 3-year compensation base of an employer that reincorporates or otherwise alters its corporate identity in a

transaction not involving a merger, consolidation, or unification shall attach to the re-incorporated or altered entity.

(E) Abandonment

If an employer abandons property or discontinues service but continues to operate as an employer, the employer's individual employer record shall continue to be calculated as provided in this subsection without retroactive adjustment.

(20) Maximum contribution limit

The maximum contribution limit with respect to a calendar year is 12 percent, unless a 3.5 percent surcharge under paragraph (14) is in effect with respect to that calendar year. If such a surcharge is in effect the maximum contribution limit with respect to that calendar year is 12.5 percent.

(21) Special rules for certain computations under paragraph (1)(C)

(A) Any computation that is to be made under paragraph (1)(C) on the basis of a 12-quarter period ending on a given June 30 shall be made on the basis of a period—

(i) beginning on the later of—

(I) January 1, 1990;

(II) the first day of the first calendar quarter that begins after the date on which the employer first began to pay compensation subject to this chapter; or

(III) July 1 of the third calendar year preceding that June 30; and

(ii) ending on that June 30.

(B) The amount computed under subparagraph (A) shall be increased to an amount that bears the same ratio to the amount so computed as 12 bears to the number of calendar quarters on which the computation is based.

(b) Employee representative contribution

Each employee representative shall pay a contribution with respect to so much of the compensation paid to him for services performed as an employee representative as is not in excess of the monthly compensation base computed in accordance with section 351(i) of this title, at a rate which shall be determined under subsection (a) of this section in the same manner and with the same effect as if the employee organization by which such employee representative is employed were an employer as defined in this chapter.

(c) Board proclamation of balance

(1) In general

Not later than October 15, 1990, and October 15 of each year thereafter the Board shall proclaim—

(A) the balance to the credit of the account as of the preceding June 30 for purposes of paragraphs (12) and (14) of subsection (a) of this section;

(B) the balance of any advances to the account under section 360(d) of this title after September 30, 1985, that has not been repaid with interest as provided in such section as of September 30 of that year;

(C) the system compensation base as of that June 30 as computed in accordance with paragraph (11) of that subsection;

(D) the system unallocated charge balance as of that June 30, as computed in accordance with paragraph (10) of that subsection; and

(E) the pooled credit ratio, the pooled charge rate, and the surcharge rate, if any, as determined under paragraph (12), (13), or (14) of that subsection and applicable in the following calendar year.

(2) Publication of notice

As soon as is practicable after such proclamation, the Board shall publish notice in the Federal Register of the amounts so determined and proclaimed.

(d) Notifications by Board

(1) Not later than the last day of any calendar quarter that begins after March 31, 1990, the Board shall notify each employer and employee representative of its net cumulative contribution balance and cumulative benefit balance as of the end of the preceding calendar quarter, as computed in accordance with paragraphs (7) and (8) of subsection (a) of this section as of the last day of such preceding calendar quarter rather than as of a given June 30 if such last day is not a June 30.

(2) Not later than October 15, 1990, and October 15 of each year thereafter, the Board shall notify each employer and employee representative of its benefit ratio, reserve ratio, 1-year compensation base, 3-year compensation base, unallocated charge, and reserve balance as of the preceding June 30 as computed in accordance with paragraphs (2), (3), (4), (5), (6), and (9) of subsection (a) of this section, and of the contribution rate applicable to the employer or employee representative in the following calendar year as computed under paragraphs 1(B), (C), or (D) of that subsection.

(e) Information to verify accuracy to be made available

Notwithstanding any other provision of law, upon request by an employer or employee representative, the Board shall make available to such employer or employee representative any information available to the Board which may be necessary to verify the accuracy of a contribution rate determined by the Board to be applicable to such employer or employee representative, or of any component of that contribution rate including the accuracy of the employer's individual employer record, upon payment by such employer or employee representative to the Board of the cost incurred by the Board in making such information available. The amounts so paid to the Board shall be credited to and deposited in the fund.

(f) Fractional parts of a cent

In the payment of any contribution under this chapter, a fractional part of a cent shall be disregarded unless it amounts to one-half cent or more, in which case it shall be increased to one cent.

(g) Adjustments for improper payments

If more or less than the correct amount of the contribution required by this section is paid with respect to any compensation, then, under regulations prescribed under this chapter by the

Board, proper adjustments with respect to the contribution shall be made, without interest, in connection with subsequent contribution payments made under this chapter by the same employer or employee representative.

(h) Refunding overpayment; collecting underpayment

If more or less than the correct amount of the contribution required by this section is paid with respect to any compensation and the overpayment or underpayment of the contribution cannot be adjusted under subsection (d) of this section, the amount of the overpayment shall be refunded from the account, or the amount of the underpayment shall be collected, in such manner and at such times (subject to the statute of limitations properly applicable thereto) as may be prescribed by regulations of the Board.

(i) Collection and deposit of contributions

The contributions required by this chapter shall be collected by the Board and shall be deposited by it with the Secretary of the Treasury of the United States, such part thereof as equals 0.65 per centum of the total compensation on which such contributions are based to be deposited to the credit of the fund and the balance to be deposited to the credit of the account.

(j) Time for payment; failure to pay promptly

The contributions required by this chapter shall be collected and paid quarterly or at such other times and in such manner and under such conditions not inconsistent with this chapter as may be prescribed by regulations of the Board, and shall not be deducted, in whole or in part, from the compensation of employees in the employer's employ. § 361. Railroad unemployment insurance administration fund

(a) Maintenance of account; amounts constituting fund

The Secretary of the Treasury shall maintain in the unemployment trust fund established pur-

suant to section 904 of the Social Security Act [42 U.S.C. 1104] an account to be known as the railroad unemployment insurance administration fund. This unemployment insurance administration fund shall consist of (i) such part of all contributions collected pursuant to section 358 of this title as equals 0.65 per centum of the total compensation on which such contributions are based; (ii) all amounts advanced to the fund by the Secretary of the Treasury pursuant to this section; (iii) all amounts appropriated by subsection (b) of this section; and (iv) such additional amounts as Congress may appropriate for expenses necessary or incidental to administering this chapter. Such additional amounts are authorized to be appropriated.

(b) Authorization of appropriations; advance of sums; repayment

In addition to the other moneys herein provided for expenses necessary or incidental to administering this chapter, there is appropriated to the fund such amount as the Secretary of the Treasury and the Board shall jointly estimate to have been collected or to be collectible with respect to the calendar years 1936, 1937, 1938, and 1939, from employers subject to this chapter, under title IX of the Social Security Act, less such amount as the Secretary of the Treasury and the Board shall jointly estimate will be appropriated or has been appropriated to States or Territories pursuant to the Act of Congress approved August 24, 1937 (Public, Numbered 353, Seventy-fifth Congress), as proceeds of taxes paid by employers pursuant to title IX of the Social Security Act.

Until the amount appropriated by this subsection is credited to the fund, the Secretary of the Treasury is directed to advance to the credit of the fund such sums, but not more than \$2,000,000, as the Board requests for the purpose of financing the costs of administering this chapter. Such advance shall be repaid from the fund at such time after the amount appropriated by this subsection is credited to the fund as the Board by agreement with the Secretary of the Treasury may determine, but not later than January 1, 1940.

persons or organizations, by contract or otherwise, for any special technical or professional services, determined necessary by the Board, including but not restricted to accounting, actuarial, statistical, and reporting services, without regard to section 5 of title 41 and the provisions of other laws applicable to the employment and compensation of officers and employees of the United States; services; advertising, postage, telephone, telegraph, teletype, and other communication services and tolls; supplies; reproducing, photographing, and all other equipment, office appliances, and laborsaving devices, including devices for internal communication and conveyance; purchase and exchange, operation, maintenance and repair of motor-propelled passenger-carrying vehicles to be used only for official purposes in the District of Columbia and in the field; printing and binding; purchase and exchange of law books, books of reference, and directories; periodicals, newspapers and press clippings, in such amounts as the Board deems necessary, without regard to the provisions of section 192 of the Revised Statutes; manuscripts and special reports; membership fees or dues in organizations which issue publications to members only, or to members at a lower price than to others, payment for which may be made in advance; rentals, including garages, in the District of Columbia or elsewhere; alterations and repairs; if found by the Board to be necessary to expedite the certification to the Board by the Director of the Office of Personnel Management of persons eligible to be employed by the Board, and to the extent that the Board finds such expedition necessary, meeting the expenses of the Director of the Office of Personnel Management in holding examinations for testing the fitness of applicants for admission to the classified service for employment by the Board pursuant to the second paragraph of section 362(7) of this title, but not to exceed the additional expenses found by the Board to have been incurred by reason of the holding of such examinations; and miscellaneous items, including those for public instruction and information deemed necessary by the Board: *Provided*, That section 5 of title 41 shall not be construed to apply to any purchase or procurement of supplies or services by the Board from moneys in the fund when the aggregate amount involved does not exceed \$300. Determinations of the Board whether the fund or an appropriation for the administration of the Railroad Retirement Act of 1974 [45 U.S.C. 231 et seq.] is properly chargeable with the authorized expenses, or parts thereof, incurred in the administration of such Act, or of this chapter, shall be binding and conclusive for all purposes and upon all persons, including the Comptroller General and any other administrative or accounting officer, employee, or agent of the United States and shall not be subject to review in any manner.

§ 362. Duties and powers of Board**(a) Witnesses; subpoenas, service, fees, etc.**

For the purpose of any investigation or other proceeding relative to the determination of any right to benefits, or relative to any other matter within its jurisdiction under this chapter, the Board shall have the power to issue subpoenas requiring the attendance and testimony of witnesses and the production of any evidence, documentary or otherwise, that relates to any matter under investigation or in question, before the Board or any member, employee, or representative thereof. Any member of the Board or any of its employees or representatives designated by it may administer oaths and affirmations, examine witnesses, and receive evidence. Such attendance of witnesses and production of evidence may be required from any place in the United States or any Territory or possession thereof at any designated place of hearing. All subpoenas may be served and returned by anyone authorized by the Board in the same manner as is now provided by law for the service and return by United States marshals of subpoenas in suits in equity. All orders, writs, and processes in any such proceeding may be served in the judicial district of the district court issuing such order, writ, or process, except that the orders, writs, and processes of the United States District Court for the District of Columbia or of the United States District Court for the Northern District of Illinois in such proceedings may run and be served anywhere in the United States.

(d) Information as confidential

Information obtained by the Board in connection with the administration of this chapter shall not be revealed or open to inspection nor be published in any manner revealing an employee's identity: *Provided, however,* That (i) the Board may arrange for the exchange of any information with governmental agencies engaged in functions related to the administration of this chapter; (ii) the Board may disclose such information in cases in which the Board finds that such disclosure is clearly in furtherance of the interest of the employee or his estate; (iii) any claimant of benefits under this chapter shall, upon his request, be supplied with information from the Board's records pertaining to his claim; and (iv) the Board shall disclose to any base-year employer of a claimant for benefits any information, including information as to the claimant's identity, that is necessary or appropriate to notify such employer of the claim for benefits or to full and fair participation by such employer in an appeal, hearing, or other proceeding relative to the claim pursuant to section 355 of this title. Subject to the provisions of this section, the Board may furnish such information to any person or organization upon payment by such person or organization to the Board of the cost incurred by the Board by reason thereof; and the amounts so paid to the Board shall be credited to the railroad unemployment insurance administration fund established pursuant to section 361(a) of this title;

(e) Certification of claims; authorization of employee to make payments; bond

The Board shall provide for the certification of claims for benefits and refunds and may arrange total or partial settlements at such times and in such manner as may appear to the Board to be expedient. The Board shall designate and authorize one or more of its employees to sign vouchers for the payment of benefits and refunds under this chapter. Each such employee shall give bond, in form and amount fixed by the Board, conditioned upon the faithful performance of his duties. The premiums due on such bonds shall be paid from the fund and deemed to be a part of the expenses of administering this chapter.

(f) Cooperation with other agencies administering unemployment or sickness compensation laws; agreements

The Board may cooperate with or enter into agreement with the appropriate agencies charged with the administration of State, Territorial, Federal, or foreign unemployment-compensation or sickness laws or employment offices, with respect to investigations, the exchange of information and services, the establishment, maintenance, and use of free employment service facilities, and such other matters as the Board deems expedient in connection with the administration of this chapter, and may compensate any such agency for services or facilities supplied to the Board in connection with the administration of this chapter. The Board may enter also into agreements with any such agency, pursuant to which any unemployment or sickness benefits provided for by this chapter or any other unemployment-compensation or sickness law, may be paid through a single agency to persons who have, during the period on the basis of which eligibility for and duration of benefits is determined under the law administered by such agency or under this chapter, or both, performed services covered by one or more of such laws, or performed services which constitute employment as defined in this chapter: *Provided,* That the Board finds that any such agreement is fair and reasonable as to all affected interests.

(g) Benefits also subject to a State law; mutual reimbursement

In determining whether an employee has qualified for benefits in accordance with section 353 of this title, and in determining the amount of benefits to be paid to such employee in accordance with section 352(a) and (c) of this title, the Board is authorized to consider as employment (and compensation therefor) services for hire other than employment (and remuneration therefor) if such services for hire are subject to an unemployment or sickness compensation law of any State, provided that such State has agreed to reimburse the United States such portion of the benefits to be paid upon such basis to such employee as the Board deems equitable. Any amounts collected pursuant to this paragraph shall be credited to the account.

If a State, in determining whether an employee is eligible for unemployment or sickness benefits under an unemployment or sickness

compensation law of such State, and in determining the amount of unemployment or sickness benefits to be paid to such employee pursuant to such unemployment or sickness compensation law, considers as services for hire (and remuneration therefor) included within the provisions of such unemployment or sickness compensation law, employment (and compensation therefor), the Board is authorized to reimburse such State such portion of such unemployment or sickness benefits as the Board deems equitable; such reimbursements shall be paid from the account, and are included within the meaning of the word "benefits" as used in this chapter.

(h) Assistance from employers and labor organizations; compensation

The Board may enter into agreements or arrangements with employers, organizations of employers, and railway-labor organizations which are duly organized in accordance with the provisions of the Railway Labor Act [45 U.S.C. 151 et seq.], for securing the performance of services or the use of facilities in connection with the administration of this chapter, and may compensate any such employer or organization therefor upon such reasonable basis as the Board shall prescribe, but not to exceed the additional expense incurred by such employer or organization by reason of the performance of such services or making available the use of such facilities pursuant to such agreements or arrangements. Such employers and organizations, and persons employed by either of them, shall not be subject to section 209 of title 18.

(i) Free employment offices; registration of unemployed; statements of sickness; reemployment

The Board may establish, maintain, and operate free employment offices, and may designate as free employment offices facilities maintained by (i) a railway labor organization which is duly authorized and designated to represent employees in accordance with the Railway Labor Act [45 U.S.C. 151 et seq.], or (ii) any other labor organization which has been or may be organized in accordance with the provisions of the Railway Labor Act, or (iii) one or more employers, or (iv) an organization of employers, or (v) a group of such employers and labor organizations, or (vi) a State, Territorial, foreign, or the Federal Government. The Board may also enter into agreements or arrangements with one or more employers or railway labor organizations organized in accordance with the provisions of the Railway Labor Act, pursuant to which notice of the availability of work and the rights of employees with respect to such work under agreements between such employers and railway labor organizations may be filed with employment offices and pursuant to which employees registered with employment offices may be referred to such work.

The Board shall prescribe a procedure for registration of unemployed employees at employment offices. Such procedure for registration shall be prescribed with a view to such registration affording substantial evidence of the days of unemployment of the employees who register. The Board may, when such registration is made

personally by an employee, accept such registration as initial proof of unemployment sufficient to certify for payment a claim for benefits.

The Board shall provide a form or forms for statements of sickness and a procedure for the execution and filing thereof. Such forms and procedure shall be designated with a view to having such statements provide substantial evidence of the days of sickness of the employee. Such statements may be executed by any doctor (authorized to practice in the State or foreign jurisdiction in which he practices his profession) or any officer or supervisory employee of a hospital, clinic, group health association, or other similar organization, who is qualified under such regulations as the Board may prescribe to execute such statements. The Board shall issue regulations for the qualification of such persons to execute such statements. When so executed by any such person, or, in the discretion of the Board, by others designated by the Board individually or by groups, they may be accepted as initial proof of days of sickness sufficient to certify for payment a claim for benefits.

The regulations of the Board concerning registration at employment offices by unemployed persons may provide for group registration and reporting, through employers, and need not be uniform with respect to different classes of employees.

The operation of any employment facility operated by the Board shall be directed primarily toward the reemployment of employees who have theretofore been substantially employed by employers.

(j) Advisory councils; members' remuneration

The Board may appoint national or local advisory councils composed of equal numbers of representatives of employers, representatives of employees, and persons representing the general public, for the purpose of discussing problems in connection with the administration of this chapter and aiding the Board in formulating policies. The members of such councils shall serve without remuneration, but shall be reimbursed for any necessary traveling and subsistence expenses or on a per diem basis in lieu of subsistence expenses.

(k) Reduction of unemployment; training and reemployment of unemployed employees, etc.

The Board, with the advice and aid of any advisory council appointed by it, shall take appropriate steps to reduce and prevent unemployment and loss of earnings; to encourage and assist in the adoption of practical methods of vocational training, retraining, and vocational guidance; to promote the reemployment of unemployed employees; and to these ends to carry on and publish the results of investigations and research studies.

(l) Necessary and incidental powers; employees of Board, employment, remuneration, civil-service laws, registration of unemployed, and detail

In addition to the powers and duties expressly provided, the Board shall have and exercise all the powers and duties necessary to administer or incidental to administering this chapter, and in connection therewith shall have such of the

powers, duties, and remedies provided in subdivisions (5), (6), and (9) of section 7(b) of the Railroad Retirement Act of 1974 [45 U.S.C. 231f(b)] with respect to the administration of the Railroad Retirement Act of 1974 [45 U.S.C. 231 et seq.], as are not inconsistent with the express provisions of this chapter. A person in the employ of the Board under section 205 of the Act of Congress approved June 24, 1937 (50 Stat. 307), shall acquire a competitive classified civil-service status if, after recommendation by the Board to the Director of the Office of Personnel Management, he shall pass such noncompetitive tests of fitness as the Director of the Office of Personnel Management may prescribe. A person in the employ of the Board on June 30, 1939, and on June 30, 1940, and who has had experience in railroad service, shall acquire a competitive classified civil-service status if, after recommendation by the Board to the Director of the Office of Personnel Management, he shall pass such noncompetitive tests of fitness for the position for which the Board recommends him as the Director of the Office of Personnel Management may prescribe.

The Board may employ such persons and provide for their remuneration and expenses, as may be necessary for the proper administration of this chapter. Such persons shall be employed and their remuneration prescribed in accordance with the civil-service laws and chapter 51 and subchapter III of chapter 53 of title 5: *Provided*, That all positions to which such persons are appointed, except one administrative assistant to each member of the Board, shall be in and under the competitive civil service and shall not be removed or excepted therefrom: *Provided*, That in the employment of such persons the Board shall give preference, as between applicants attaining the same grades, to persons who have had experience in railroad service, and notwithstanding any other provisions of law, rules, or regulations, no other preference shall be given or recognized: *And provided further*, That certification by the Director of the Office of Personnel Management of persons for appointment to any positions at minimum salaries of \$4,600 per annum, or less, shall, if the Board so requests, be upon the basis of competitive examinations, written, oral, or both, as the Board may request: *And provided further*, That, for the purpose of registering unemployed employees who reside in areas in which no employer facilities are located, or in which no employer will make facilities available for the registration of such employees, the Board may, without regard to civil-service laws and chapter 51 and subchapter III of chapter 53 of title 5, appoint persons to accept, in such areas, registration of such employees and perform services incidental thereto and may compensate such persons on a piece-rate basis to be determined by the Board. Notwithstanding any other provision of law, the Board may detail employees from stations outside the District of Columbia to other stations outside the District of Columbia or to service in the District of Columbia, and may detail employees in the District of Columbia to service outside the District of Columbia: *Provided*, That all details hereunder shall be made by specific order and in no case for a period of time exceeding one hundred and

twenty days. Details so made may, on expiration, be renewed from time to time by order of the Board, in each particular case, for periods not exceeding one hundred and twenty days.

The Board is authorized to delegate to any member, officer, or employee of the Board any of the powers conferred upon the Board by this chapter, excluding only the power to prescribe rules and regulations.

(n) Sickness benefits; examinations; information and reports; contracts and expenses for examinations

Any employee claiming, entitled to, or receiving sickness benefits under this chapter may be required to take such examination, physical, medical, mental, or otherwise, in such manner and at such times and by such qualified individuals, including medical officers or employees of the United States or a State, as the Board may prescribe. The place or places of examination shall be reasonably convenient for the employee. No sickness benefits shall be payable under this chapter with respect to any period during which the employee unreasonably refuses to take or willfully obstructs an examination as prescribed by the Board.

Any doctor who renders any attendance, treatment, attention, or care, or performs any examination with respect to a sickness of an employee, upon which a claim or right to benefits under this chapter is based, shall furnish the Board, in such manner and form and at such times as the Board by regulations may prescribe, information and reports relative thereto and to the condition of the employee. An application for sickness benefits under this chapter shall contain a waiver of any doctor-patient privilege that the employee may have with respect to any sickness period upon which such application is based: *Provided*, That such information shall not be disclosed by the Board except in a proceeding relating to any claim for benefits by the employee under this chapter.

The Board may enter into agreements or arrangements with doctors, hospitals, clinics, or other persons for securing the examination, physical, medical, mental, or otherwise, of employees claiming, entitled to, or receiving sickness benefits under this chapter and the performance of services or the use of facilities in connection with the execution of statements of sickness. The Board may compensate any such doctors, hospitals, clinics, or other persons upon such reasonable basis as the Board shall prescribe. Such doctors, hospitals, clinics, or other persons and persons employed by any of them shall not be subject to section 209 of title 18. In the event that the Board pays for the physical or mental examination of an employee or for the execution of a statement of sickness and such employee's claim for benefits is based upon such examination or statement, the Board shall deduct from any sickness benefits payable to the employee pursuant to such claim such amount as, in the judgment of the Board, is a fair and reasonable charge for such examination or execution of such statement.

(o) Liability of third party for sickness; reimbursement of Board

Benefits payable to an employee with respect to days of sickness shall be payable regardless of the liability of any person to pay damages for such infirmity. The Board shall be entitled to reimbursement from any sum or damages paid or payable to such employee or other person through suit, compromise, settlement, judgment, or otherwise on account of any liability (other than a liability under a health, sickness, accident, or similar insurance policy) based upon such infirmity, to the extent that it will have paid or will pay benefits for days of sickness resulting from such infirmity. Upon notice to the person against whom such right or claim exists or is asserted, the Board shall have a lien upon such right or claim, any judgment obtained thereunder, and any sum or damages paid under such right or claim, to the extent of the amount to which the Board is entitled by way of reimbursement.

(p) Disqualification to execute statements of sickness or receive fees

The Board may, after hearing, disqualify any person from executing statements of sickness who, the Board finds, (i) will have solicited, or will have employed another to solicit, for himself or for another the execution of any such statement, or (ii) will have made false or misleading statements to the Board, to any employer, or to any employee, in connection with the awarding of any benefits under this chapter, or (iii) will have failed to submit medical reports and records required by the Board under this chapter, or will have failed to submit any other reports, records, or information required by the Board in connection with the administration of this chapter or any other Act heretofore or hereafter administered by the Board, or (iv) will have engaged in any malpractice or other professional misconduct. No fees or charges of any kind shall accrue to any such person from the Board after his disqualification.

(q) Investigations and research with respect to accidents and disabilities

The Board shall engage in and conduct research projects, investigations, and studies with respect to the cause, care, and prevention of, and benefits for, accidents and disabilities and other subjects deemed by the Board to be related thereto, and shall recommend legislation deemed advisable in the light of such research projects, investigations, and studies.

(r) Duty of Board to make certain computations

§ 363. Exclusiveness of provisions; transfers from State unemployment compensation accounts to railroad unemployment insurance account

(a) Omitted

(b) Effect on State unemployment compensation laws

By enactment of this chapter the Congress makes exclusive provision for the payment of unemployment benefits for unemployment occurring after June 30, 1939, and for the payment of sickness benefits for sickness periods after June 30, 1947, based upon employment (as defined in this chapter). No employee shall have or assert any right to unemployment benefits under an unemployment compensation law of any State with respect to unemployment occurring after June 30, 1939, or to sickness benefits under a sickness law of any State with respect to sickness periods occurring after June 30, 1947, based upon employment (as defined in this chapter). The Congress finds and declares that by virtue of the enactment of this chapter, the application of State unemployment compensation laws after June 30, 1939 or of State sickness laws after June 30, 1947, to such employment, except pursuant to section 362(g) of this title, would constitute an undue burden upon, and an undue interference with the effective regulation of, interstate commerce. In furtherance of such determination, after June 30, 1939, the term “person” as used in section 1106 of title 42 shall not be construed to include any employer (as defined in this chapter) or any person in its employ: *Provided*, That no provision of this chapter shall be construed to affect the payment of unemployment benefits with respect to any period prior to July 1, 1939, under an unemployment compensation law of any State based upon employment performed prior to July 1, 1939, and prior to such date employment as defined in this chapter shall not constitute “Service with respect to which unemployment compensation is payable under an [or “service under any”] unemployment compensation system [or “plan”] established by an Act of Congress” [or “a law of the United States”] or “employment in interstate commerce, of an individual who is covered by an unemployment compensation system established directly by an Act of Congress,” or any term of similar import, used in any unemployment compensation law of any State.

(c) Determination of “preliminary amount” for States

The Social Security Board is directed to determine for each State, after agreement with the Railroad Retirement Board, and after consultation with such State; the total (hereinafter re-

ferred to as the "preliminary amount") of (i) the amount remaining as the balances of reserve accounts of employers as of June 30, 1939, if the unemployment compensation law of such State provides for a type of fund known as "Reserve Accounts," plus (ii) if the unemployment compensation law of such State provides for a type of fund known as "Pooled Fund" or "Pooled Account," that proportion of the balance of such fund or account of such State as of June 30, 1939, as the amount of taxes or contributions collected from employers and their employees prior to July 1, 1939, pursuant to its unemployment compensation law and credited to such fund or account bears to all such taxes or contributions theretofore collected from all persons subject to its unemployment compensation law and credited to such fund or account; and the additional amounts (hereinafter referred to as the "liquidating amount") of taxes or contributions collected from employers and their employees from July 1, 1939 to December 31, 1939, pursuant to its unemployment compensation law.

(d) Withholding amounts from certification to States; transfers to railroad unemployment compensation account

The Social Security Board shall withhold from certification to the Secretary of the Treasury for payment the amounts determined by it pursuant to section 502(a) of title 42 to be necessary for the proper administration of each State's unemployment-compensation law, until an amount equal to its "preliminary amount" plus interest from July 1, 1939, at 2½ per centum per annum on such portion thereof as has not been used as the measure for withholding certification for payment, has been so withheld from certification pursuant to this paragraph: *Provided, however,* That if a State shall, prior to whichever is the later of (i) thirty days after the close of the first regular session of its legislature which begins after the approval of this chapter, and (ii) July 1, 1939, authorize and direct the Secretary of the Treasury to transfer from its account in the unemployment trust fund to the railroad unemployment insurance account in the unemployment trust fund an amount equal to its "preliminary amount", no amount shall be withheld from certification for payment to such State pursuant to this paragraph.

The Social Security Board shall withhold from certification to the Secretary of the Treasury for payment the amounts determined by it pursuant to section 502(a) of title 42 to be necessary for the proper administration of each State's unemployment compensation law, until an amount equal to its "liquidating amount" plus interest from January 1, 1940, at 2½ per centum per annum on such portion thereof as has not been used as the measure for withholding certification for payment has been so withheld from certification pursuant to this paragraph: *Provided, however,* That if a State shall, prior to whichever is the later of (i) thirty days after the close of the first regular session of its legislature which begins after the approval of this chapter, and (ii) January 1, 1940, authorize and direct the Secretary of the Treasury to transfer from its account in the unemployment trust fund to the railroad unemployment insurance

account in the unemployment trust fund an amount equal to its "liquidating amount", no amount shall be withheld from certification for payment to such State pursuant to this paragraph.

The withholdings from certification directed in each of the foregoing paragraphs of this subsection shall begin with respect to each State when the Social Security Board finds that such State is unable to avail itself of the condition set forth in the proviso contained in such paragraph: *Provided, however,* That if the Social Security Board finds with respect to any State that such State (1) is unable to avail itself of such conditions solely by reason of prohibitions contained in the constitution of such State, as determined by a decision of the highest court of such State declaring invalid in whole or in part the action of the legislature of the State purporting to provide for transfers from the State's account in the Unemployment Trust Fund to the railroad unemployment insurance account, and (2) for similar reasons is unable to use amounts withdrawn from its account in the Unemployment Trust Fund for the payment of expenses incurred in the administration of its State unemployment compensation law, the Social Security Board shall not begin to withhold from certification to the Secretary of the Treasury for payment to such State the amounts determined by it pursuant to section 502 of title 42 and to certify to the Secretary of the Treasury for payment into the railroad unemployment insurance account the amount so withheld from such State until July 1, 1944, or until a date one hundred and eighty days after the adjournment of the first session of the legislature of such State beginning after July 1, 1942, whichever date is the earlier, and then only if the Social Security Board finds that such State had not prior thereto effectively authorized and directed the Secretary of the Treasury to transfer from such State's account in the Unemployment Trust Fund to the railroad unemployment insurance account amounts equal to such State's "preliminary amount" and "liquidating amount" less such parts thereof, if any, as the State may have, within the periods set forth in the provisos contained in the first two paragraphs of this subsection, effectively authorized and directed the Secretary of the Treasury so to transfer, plus interest on such difference, if any, with respect to each amount, at 2½ per centum per annum from the date the State's "preliminary amount" or "liquidating amount", as the case may be, is determined by the Social Security Board; and with respect to any such State the amount withheld shall equal the State's "preliminary amount" and "liquidating amount" less such parts thereof, if any, as the State may have, within the periods set forth in the provisos contained in the first two paragraphs of this subsection effectively authorized and directed the Secretary of the Treasury to transfer, plus interest from July 1, 1939, at 2½ per centum per annum on so much of the "preliminary amount" and "liquidating amount", as the case may be, as has not been so transferred or has not been used as the measure for withholding. An enactment of any State legislature providing for the transfer (from the State's ac-

count in the Unemployment Trust Fund to the railroad unemployment insurance account) of all interest earned upon contributions which are collected with respect to employment occurring after such enactment by such State pursuant to its unemployment compensation law and credited to its account in the Unemployment Trust Fund (until the total of such transfers equals the amounts which otherwise would be required to be withheld from certification under this subsection), shall be deemed an effective authorization and direction to the Secretary of the Treasury as required by this subsection; and for purposes of computing the interest to be so transferred, amounts withdrawn by such State from its account in the Unemployment Trust Fund after the date of such State enactment shall be considered to be first charged against the amounts credited to such State's account prior to the date of such State enactment: *Provided, however,* That if at any time after such enactment the provision for transfer therein contained for any reason fails to be operative to effect the transfers of interest as therein prescribed, and such State has not otherwise made an effective authorization and direction to the Secretary of the Treasury as required by this subsection, the Social Security Board shall immediately after such failure or, on the date otherwise provided in this subsection for the beginning of withholdings from certification, whichever is later, begin to make the withholdings from certification provided for in this subsection in the same manner and to the same extent as if such enactment by such State had not been enacted, except that the amounts of the certifications withheld shall be reduced by the total amount, if any, which has been transferred from interest pursuant to such enactment.

(e) Transfers and withdrawals, effect upon social security provisions

The transfers described in the provisos contained in the several paragraphs of subsection (d) of this section shall not be deemed to constitute a breach of the conditions set forth in sections 503(a)(5) and 1103(a)(4) of title 42; nor shall the withdrawal by a State from its account in the unemployment trust fund of amounts, but not to exceed the total amount the Social Security Board shall have withheld from certification with respect to such State pursuant to subsection (d) of this section, be deemed to constitute a breach of the conditions set forth in sections 503(a)(5) and 1103(a)(4) of title 42, provided the moneys so withdrawn are expended solely for expenses which the Social Security Board determines to be necessary for the proper administration of such State's unemployment compensation law.

(f) Payments to railroad unemployment insurance account; transfers from unemployment trust fund of States

The Social Security Board is authorized and directed to certify to the Secretary of the Treasury for payment, and the Secretary shall pay, into the railroad unemployment insurance account, such amounts as the Social Security Board withholds from certification pursuant to subsection (d) of this section and the appropria-

tions authorized in section 501 of title 42 shall be available for payments authorized by this subsection. The Secretary shall transfer from the account of a State in the unemployment trust fund to the railroad unemployment insurance account in the unemployment trust fund such amounts as the State authorizes and directs him so to transfer pursuant to subsection (d) of this section.

SHORT TITLE

Section 1 of Pub. L. 91-663 provided: “That this Act [enacting this chapter] may be cited as the ‘Emergency Rail Services Act of 1970.’”

§ 662. Guarantee of certificates

(a) Authority of Secretary; prerequisites; procedures; waiver

The trustees of any railroad undergoing reorganization under section 77 of the Bankruptcy Act, as amended, upon approval of the court, may apply to the Secretary for the guarantee of certificates. The Secretary, after consultation with the Board, is authorized to guarantee such certificates upon findings in writing that—

(1) cessation of essential transportation services by the railroad would endanger the public welfare;

- (2) cessation of such services is imminent;
- (3) there is no other practicable means of obtaining funds to meet payroll and other expenses necessary to provide such services than the issuance of such certificates;
- (4) such certificates cannot be sold without a guarantee;
- (5) the railroad can reasonably be expected to become self-sustaining; and
- (6) the probable value of the assets of the railroad in the event of liquidation provides reasonable protection to the United States.

The Secretary shall publish notice of his intention to make such finding in the Federal Register not less than fifteen days prior to such finding, give interested persons, including agencies of the Federal Government, an opportunity to submit written data, views, or arguments (with or without opportunity for oral presentation), and give consideration to the relevant matter presented. The Secretary for good cause shown and upon a finding that extraordinary circumstances warrant doing so may waive the requirements of the preceding sentence. Notwithstanding any other provision of this section, the Secretary, in guaranteeing certificates under this section, is authorized to waive the findings required by paragraphs (1), (5), and (6) of this subsection.

(b) Conditions to guarantee

As a condition to a guarantee, the Secretary, after consultation with the Board, shall require that:

- (1) the proceeds of the sale of certificates guaranteed under this chapter, will be used solely for meeting payroll and other expenses which, if not met, would preclude continued provision of essential transportation services by the railroad;
- (2) other revenues of the railroad will be used, to the fullest extent possible, for such expenses;
- (3) proceeds from the sale of assets will be devoted to the fullest extent possible to the provision of essential transportation services by the railroad; and
- (4) in the event of actual or threatened cessation of essential transportation services by the railroad, the Secretary shall have the option to procure by purchase or lease trackage rights over the lines of the railroad and such equipment as may be necessary to provide such services by the Secretary or his assignee, and, in the event of a default in the payment of principal or interest as provided by the certificates, the money paid or expenses incurred by the United States as a result thereof shall be deemed to have been applied to the purchase or lease price. The terms of purchase or lease shall be subject to the approval of the reorganization court and the operation over the lines shall be subject to the approval of the Board pursuant to subchapter II of chapter 113 of title 49, but in no event shall the rendition of services by the Secretary or his assignee await the outcome of proceedings before the reorganization court or the Board.

(c) Certificate as administrative expense; priority of certificate

The Secretary shall not guarantee any certificate under this section unless such certificate is

treated as an expense of administration and receives the highest lien on the railroad's property and priority in payment under the Bankruptcy Act, except that this subsection shall not apply to certificates guaranteed for a railroad that is actively engaged in restructuring, as defined by the Secretary. For purposes of this subsection, the term "restructuring" includes an employee ownership plan or an employee-shipper ownership plan.

(d) Interest rate; date of maturity; other terms and conditions

A certificate under this chapter shall bear interest at such per annum rate as the Secretary deems reasonable, taking into account the range of interest rates prevailing in the private market for similar loans and the risks assumed by the Federal Government; nor may its maturity date, including all extensions and renewals thereof, be later than fifteen years from the date of original issuance. The Secretary may prescribe such other terms and conditions as he deems appropriate. In each case, the Secretary shall consider the feasibility of requiring the railroad to dispose of nonrailroad assets as a condition to a guarantee.

(e) Maximum aggregate principal amount outstanding

At any one time the outstanding aggregate principal amount of all certificates guaranteed under this chapter shall not exceed \$200,000,000.

(f) Rules and regulations

The Secretary shall issue such rules and regulations as are appropriate to carry out the authority granted by this chapter.

SUBCHAPTER I—GENERAL PROVISIONS

§ 701. Congressional declaration of policy**(a) Findings**

The Congress finds and declares that—

(1) Essential rail service in the midwest and northeast region of the United States is provided by railroads which are today insolvent and attempting to undergo reorganization under the Bankruptcy Act.

(2) This essential rail service is threatened with cessation or significant curtailment because of the inability of the trustees of such railroads to formulate acceptable plans for reorganization. This rail service is operated over rail properties which were acquired for a public use, but which have been permitted to deteriorate and now require extensive rehabilitation and modernization.

(3) The public convenience and necessity require adequate and efficient rail service in this region and throughout the Nation to meet the needs of commerce, the national defense, the environment, and the service requirements of passengers, United States mail, shippers, States and their political subdivisions, and consumers.

(4) Continuation and improvement of essential rail service in this region is also necessary to preserve and maintain adequate national rail services and an efficient national rail transportation system.

(5) Rail service and rail transportation offer economic and environmental advantages with respect to land use, air pollution, noise levels, energy efficiency and conservation, resource allocation, safety, and cost per ton-mile of movement to such extent that the preservation and maintenance of adequate and efficient rail service is in the national interest.

(6) These needs cannot be met without substantial action by the Federal Government.

(b) Purposes

It is therefore declared to be the purpose of Congress in this chapter to provide for—

(1) the identification of a rail service system in the midwest and northeast region which is adequate to meet the needs and service requirements of this region and of the national rail transportation system;

(2) the reorganization of railroads in this region into an economically viable system capable of providing adequate and efficient rail service to the region;

(3) the establishment of the United States Railway Association, with enumerated powers and responsibilities;

(4) the establishment of the Consolidated Rail Corporation, with enumerated powers and responsibilities;

(5) assistance to States and local and regional transportation authorities for continuation of local rail services threatened with cessation; and

(6) necessary Federal financial assistance at the lowest possible cost to the general taxpayer.

§ 716. Final system plan**(a) Goals**

The final system plan shall be formulated in such a way as to effectuate the following goals:

(1) the creation, through a process of reorganization, of a financially self-sustaining rail and express service system in the region;

(2) the establishment and maintenance of a rail service system adequate to meet the rail transportation needs and service requirements of the region;

(3) the establishment of improved high-speed rail passenger service, consonant with the recommendations of the Secretary in his report of September 1971, entitled "Recommendations for Northeast Corridor Transportation";

(4) the preservation, to the extent consistent with other goals, of existing patterns of service by railroads (including short-line and terminal railroads), and of existing railroad trackage in areas in which fossil fuel natural resources are located, and the utilization of those modes of transportation in the region which require the smallest amount of scarce energy resources and which can most efficiently transport energy resources;

(5) the retention and promotion of competition in the provision of rail and other transportation services in the region;

(6) the attainment and maintenance of any environmental standards, particularly the applicable national ambient air quality standards and plans established under the Clean Air Act Amendments of 1970, taking into consideration the environmental impact of alternative choices of action;

(7) the movement of passengers and freight in rail transportation in the region in the most efficient manner consistent with safe operation, including the requirements of commuter and intercity rail passenger service; the extent to which there should be coordination with the National Railroad Passenger Corporation and similar entities; and the identification of all short-to-medium distance corridors in densely populated areas in which the major upgrading of rail lines for high-speed passenger operation would return substantial public benefits; and

(8) the minimization of job losses and associated increases in unemployment and community benefit costs in areas in the region presently served by rail service.

(b) Factors

The final system plan shall be based upon due consideration of all factors relevant to the realization of the goals set forth in subsection (a) of this section. Such factors include the need for and the cost of rehabilitation and modernization of track, equipment, and other facilities; methods of achieving economies in the cost of rail operations in the region; means of achieving rationalization of rail services and the rail service system in the region; marketing studies; the impact on railroad employees; consumer needs; traffic analyses; financial studies; and any other factors identified by the Association under section 712(b)¹ of this title or in the report of the Secretary required under section 714(a) of this title.

(c) Designations

The final system plan shall designate—

(1) which rail properties of railroads in reorganization in the region or of railroads leased, operated, or controlled by any railroad in reorganization in the region—

(A) shall be transferred to the Corporation: *Provided*, That the Corporation shall, within 95 days after the effective date of the final system plan, give notice to the Association of which such rail properties, if any, are to be transferred to a subsidiary of the Corporation in the event that the Board of Directors of the Association finds that such transfer would be consistent with the final system plan;

(B) shall be offered for sale to a profitable railroad operating in the region and, if such offer is accepted, operated by such railroad; the plan shall designate what additions shall be made to the designation under subparagraph (A) of this paragraph and what alternative designations shall be made under this paragraph in the event such profitable railroad fails to accept such offer;

(C) shall be purchased, leased, or otherwise acquired from the Corporation by the Na-

tional Railroad Passenger Corporation in accordance with the exercise of its option under section 791(d) of this title for improvement to achieve the goal set forth in subsection (a)(3) of this section;

(D) may be purchased or leased from the Corporation by (i) a State or a local or regional transportation authority to meet the needs of commuter and intercity rail passenger service, or (ii) the National Railroad Passenger Corporation to meet the needs of improved rail passenger service over intercity routes, other than properties designated pursuant to subparagraph (C) of this paragraph; and

(E) if not otherwise required to be operated by the Corporation, a government entity, or a responsible person, are suitable for use for other public purposes, including highways, other forms of transportation, conservation, energy transmission, education or health care facilities, or recreation. In carrying out this subparagraph, the Association shall solicit the views and recommendations of the Secretary, the Secretary of the Interior, the Administrator of the Environmental Protection Agency, and other agencies of the Federal Government and of the States and political subdivisions thereof within the region, and the general public; and

(2) which rail properties of profitable railroads operating in the region may be offered for sale to the Corporation or to other profitable railroads operating in the region subject to paragraphs (3) and (4) of subsection (d) of this section. Any rail properties designated to be offered for sale to the Corporation may be sold instead to a subsidiary of the Corporation.

(d) Transfers

All transfers or conveyances pursuant to the final system plan shall be made in accordance with, and subject to, the following principles:

(1) All rail properties to be transferred to the Corporation or any subsidiary thereof by a profitable railroad, by trustees of a railroad in reorganization, or by any railroad leased, operated, or controlled by a railroad in reorganization in the region, shall be transferred in exchange for stock and other securities of the Corporation or any subsidiary thereof (including obligations of the Association) and the other benefits accruing to such railroad by reason of such transfer.

(2) All rail properties to be conveyed to a profitable railroad operating in the region by trustees of a railroad in reorganization, or by any railroad leased, operated, or controlled by a railroad in reorganization in the region, shall be conveyed in exchange for compensation from the profitable railroad.

(3) Notwithstanding any other provision of this chapter, no acquisition under this chapter shall be made by any profitable railroad operating in the region without a determination with respect to each such transaction and all such transactions cumulatively (A) by the Association, upon adoption and release of the preliminary system plan, that such acquisition

or acquisitions will not materially impair the profitability of any other profitable railroad operating in the region or of the Corporation, and (B) by the Commission, which shall be made within 90 days after adoption and release by the Association of the preliminary system plan, that such acquisition or acquisitions will be in full accord and comply with the provisions and standards of subchapter III² of chapter 113 of title 49. All determinations made by the Association in the correction to the preliminary system plan published on April 11, 1975 (40 Fed. Reg. 16377), shall be treated for all purposes as if they had been made upon adoption and release by the Association of the preliminary system plan. All determinations made by the Commission with respect to such correction shall be treated for all purposes as if they had been made within 90 days after adoption and release by the Association of the preliminary system plan. All determinations made by the Commission with respect to acquisitions by profitable railroads referred to in any supplement to the preliminary system plan published under section 717(b)(2) of this title shall be deemed to be timely if made prior to the adoption of the final system plan under section 717(c) of this title. The determination by the Association shall not be reviewable in any court. The determination by the Commission shall not be reviewable in any court.

(4) Where the final system plan designates specified rail properties of a railroad in reorganization in the region, or of a railroad leased, operated, or controlled by a railroad in reorganization in the region, to be offered for sale to and operated by a profitable railroad operating in the region, such designation shall terminate 7 days after February 5, 1976, unless, prior to such date, such profitable railroad has notified the Association in writing of its acceptance of such offer. Any such offer may be modified until the date of acceptance thereof, unless such modification results in an offer for the sale of rail properties at less than the net liquidation value thereof. Where the final system plan designates specified rail properties of a profitable railroad operating in the region as authorized to be offered for sale or lease to the Corporation or to other profitable railroads operating in the region, such designation and authorization shall terminate 95 days after the effective date of the final system plan unless, prior to such date, a binding agreement with respect to such properties has been entered into and concluded.

(5) All properties—

(A) transferred by the Corporation pursuant to subsection (c)(1)(C) of this section and section 791(d) of this title;

(B) transferred by the Corporation to any State (or local or regional transportation authority), pursuant to subsection (c)(1)(D) of this section, or

(C) transferred by the Corporation to any State, local or regional transportation authority, or the National Railroad Passenger Corporation, within 3 years after the date of

² See References in Text note below.

conveyance, pursuant to section 743(b)(1) of this title, to meet the needs of commuter or intercity rail passenger service,

shall be transferred at a value related to the value received from the Corporation pursuant to the final system plan for the transfer to such Corporation of such properties. The value of any such properties, which are transferred pursuant to subparagraph (B) or (C) of this paragraph, shall be adjusted to reflect the value attributable to any applicable maintenance and improvement provided by the Corporation (to the extent the Corporation has not been released from the obligation to pay for such improvements) and the cost to the Corporation of transferring such properties. The Corporation, its Board of Directors, and its individual directors shall not be liable to any party, for money damages or in any other manner, solely by reason of the fact that the Corporation transferred property pursuant to section 743 of this title to meet the needs of commuter or intercity rail passenger service or for purposes of providing rail marine freight floating service, except as otherwise provided with respect to the Corporation pursuant to section 743(c)(2) of this title.

(6) Notwithstanding any statement to the contrary in the final system plan, a State (or a local or regional transportation authority) shall not be required to deliver to the Corporation a firm commitment to acquire rail properties designated to such State or authority prior to 7 days after February 5, 1976.

(7) Notwithstanding any contrary provision in the options conveyed to the Corporation by railroads in reorganization, or railroads leased, operated, or controlled by a railroad in reorganization, with respect to the acquisition by the Corporation pursuant to the final system plan, on behalf of a State (or a local or regional transportation authority) of rail properties designated under subsection (c)(1)(D) of this section, such options shall not be deemed to have expired prior to 7 days after September 30, 1976. The exercise by the Corporation of any such option shall be effective if it is made, prior to the expiration of such 7-day period, in the manner prescribed in such options.

(e) Corporation features

The final system plan shall set forth—

(1) pro forma earnings for the Corporation, as reasonably projected and considering the additions or changes in the designation of rail properties to be operated by the Corporation which may be made under subsection (d)(4) of this section;

(2) the capital structure of the Corporation, based on the pro forma earnings of the Corporation as set forth, including such debt capitalization as shall be reasonably deemed to conform to the requirements of the public interest with respect to railroad debt securities, including the adequacy of coverage of fixed charges; and

(3) the manner in which employee stock ownership plans may, to the extent practicable, be utilized for meeting the capitalization requirements of the Corporation, taking into account (A) the relative cost savings com-

pared to conventional methods of corporate finance; (B) the labor cost savings; (C) the potential for minimizing strikes and producing more harmonious relations between labor organizations and railway management; (D) the projected employee dividend incomes; (E) the impact on quality of service and prices to railway users; and (F) the promotion of the objectives of this chapter of creating a financially self-sustaining railway system in the region which also meets the service needs of the region and the Nation.

(f) Value

The final system plan shall designate the value of all rail properties to be transferred under the final system plan and the value of the securities and other benefits to be received for transferring those rail properties to the Corporation in accordance with the final system plan.

(g) Other provisions

The final system plan may recommend arrangements among various railroads for joint use or operation of rail properties on a shared ownership, cooperative, pooled, or condominium-type basis, subject to such terms and conditions as may be specified in the final system plan. The final system plan shall also make such designations as are determined to be necessary in accordance with the provisions of section 762 or 763³ of this title.

(h) Obligational authority

The final system plan shall recommend the amount of obligations of the Association which are necessary to enable it to implement the final system plan.

(i) Terms and conditions for securities

The final system plan may include terms and conditions for any securities to be issued by the Corporation in exchange for the conveyance of rail properties under the final system plan which in the judgement of the Association will minimize any actual or potential debt burden on the Corporation. Any such terms and conditions for securities of the Corporation which purport to directly obligate the Association shall not become effective without affirmative approval, with or without modification by a joint resolution of the Congress.

(j) Additional properties deemed designated

Any rail properties over which rail service was being provided as of February 5, 1976, and which were recommended in the preliminary system plan for transfer to the Corporation, shall be deemed to be designated in the final system plan for transfer to the Corporation under subsection (c)(1)(A) of this section. Any designation in the final system plan, pursuant to subsection (c)(1)(B) of this section, of overhead trackage rights to be acquired by a profitable railroad operating in the region over specified rail properties to be acquired by the Corporation, where such designation does not (1) authorize such profitable railroad to interchange traffic with at least one railroad, or (2) provide for the connection of portions of such profitable railroad's rail

properties, and where the transfer of ownership of such rail properties (including trackage rights) to such profitable railroad was recommended in the preliminary system plan, and the Commission has made a determination with respect thereto, in accordance with subsection (d)(3) of this section, shall be deemed to authorize such profitable railroad to interchange traffic with the Corporation and any other profitable railroad connecting with such specified rail properties.

§ 717. Adoption of final system plan

(a) Preliminary system plan

(1) Within 420 days after January 2, 1974, the Association shall adopt and release a preliminary system plan prepared by it on the basis of reports and other information submitted to it by the Secretary, the Office, and interested persons in accordance with this chapter and on the basis of its own investigations, consultations, research, evaluation, and analysis pursuant to this chapter. Copies of the preliminary system plan shall be transmitted by the Association to the Secretary, the Office, the Governor and public utility commission of each State in the region, the Congress, each court having jurisdiction over a railroad in reorganization in the region, the special court, and interested persons, and a copy shall be published in the Federal Register.

The Association shall invite and afford interested persons an opportunity to submit comments on the preliminary system plan to the Association within 60 days after the date of its release.

(2) The Office is authorized and directed to hold public hearings on the preliminary system plan and to make available to the Association a summary and analysis of the evidence received in the course of such proceedings, together with its critique and evaluation of the preliminary system plan, not later than 60 days after the date of release of such plan. The Office is authorized to hold public hearings on any supplement to the preliminary system plan and to make available to the Association a summary and analysis of the evidence received in the course of such proceedings, together with its critique and evaluation of such supplement, not later than 30 days after the release of such supplement.

(b) Approval

(1) Within 120 days after January 2, 1974, each United States district court or other court having jurisdiction over a railroad in reorganization shall decide whether the railroad is reorganizable on an income basis within a reasonable time under section 77 of the Bankruptcy Act and that the public interest would be better served by continuing the present reorganization proceedings than by a reorganization under this chapter. Within 60 days after the submission of the report by the Office, under section 715(d)(1) of this title, on the Secretary's report on rail services in the region, each United States district court or other court having jurisdiction over a railroad in reorganization shall decide whether or not such railroad shall be reorganized by means of transferring some of its rail properties to the Corporation pursuant to the provisions of this chapter. Because of the strong public interest in the continuance of rail transportation in the region pursuant to a system plan devised under the provisions of this chapter, each such court shall order that the reorganization be proceeded with pursuant to this chapter unless it (1) has found that the railroad is reorganizable on an income basis within a reasonable time under section 77 of the Bankruptcy Act and that the public interest would be better served by such a reorganization than by a reorganization under this chapter, or (2) finds that this chapter does not provide a process which would be fair and equitable to the estate of the railroad in reorganization in which case it shall dismiss the reorganization proceeding. If a court does not enter an order or make a finding as required by this subsection, the reorganization shall be proceeded with pursuant to this chapter. An appeal from an order made under this section may be made only to the special court. Appeal to the special court shall be taken within 10 days following entry of an order pursuant to this subsection, and the special court shall complete its review and render its decision within 80 days after such appeal is taken. There shall be no review of the decision of the special court.

(2) Whenever it has been finally determined pursuant to the procedures of paragraph (1) of this subsection, that the reorganization of a

railroad subject to reorganization under section 77 of the Bankruptcy Act shall not be proceeded with pursuant to this chapter, the court having jurisdiction over such railroad may, upon a petition which is filed within 10 days after February 28, 1975, by the trustees of such railroad, reconsider such order. Such reorganization court shall (i) affirm its previous order or (ii) issue an order that the reorganization of such railroad be proceeded with pursuant to this chapter unless it finds that this chapter does not provide a process which would be fair and equitable. The provisions of paragraph (1) of this subsection are applicable in such reconsideration, except that (A) such reorganization court shall make its decision within 30 days after such petition is filed, and (B) any decision by the special court on appeal from such a decision shall be rendered within 30 days after such reorganization court decision is made. There shall be no review of the decision of the special court. The Association shall take any steps it finds necessary, consistent with time limitations and other provisions of this chapter, to effectuate the consequences of such a revised order, including the preparation and submission of any necessary or appropriate supplements to the preliminary system plan.

(c) Adoption

Within 540 days after January 2, 1974, the executive committee of the Association shall prepare and submit a final system plan for the approval of the Board of Directors of the Association. A copy of such submission shall be simultaneously presented to the Commission. The submission shall reflect evaluation of all responses and summaries of responses received, testimony at any public hearings, and the results of additional study and review. Within 30 days thereafter, the Board of Directors of the Association shall by a majority vote of all its members approve a final system plan which meets all of the requirements of section 716 of this title.

(d) Review of Commission

Within 30 days following the adoption of the final system plan by the Association under subsection (c) of this section and the submission of such plan to Congress under section 718(a) of this title, the Commission shall submit to the Congress an evaluation of the final system plan delivered to both Houses of Congress.

§ 718. Review by Congress**(a) General**

The Board of Directors of the Association shall deliver the final system plan adopted by the Association to both Houses of Congress and to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate. The final system plan shall be deemed approved at the end of the first period of 60 calendar days of continuous session of Congress after such date of transmittal unless either the House of Representatives or the Senate passes a resolution during such period stating that it does not favor the final system plan.

(b) Revised plan

If either the House or the Senate passes a resolution of disapproval under subsection (a) of this section, the Association, with the cooperation and assistance of the Secretary and the Office, shall prepare, determine, and adopt a revised final system plan. Each such revised plan shall be submitted to Congress for review pursuant to subsection (a) of this section.

(c) Computation

For purposes of this section—

(1) continuity of session of Congress is broken only by an adjournment sine die; and

(2) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain are excluded in the computation of the 60-day period.

(d) Additions

(1) The supplemental report, dated September 18, 1975, to the final system plan, and the provisions of the Association’s official errata supplement to the final system plan, dated December 1, 1975, including all designations made therein, shall be treated for all purposes as if they had been part of and included in the final system plan adopted by the Association and reviewed by the Congress. The final system plan shall, for all purposes, be deemed to be approved as modified and amended by such supplemental report and such supplement.

(2) The Association may, upon petition of any State, modify the final system plan to make further designations with respect to rail properties of railroads in reorganization in the region designated for transfer to the Corporation under such plan, if such designations (A) are likely to result in improved rail service on such rail properties and connecting rail properties, and (B) would not materially impair the profitability of the Corporation. Such designations, including designations of such rail properties to a State, a profitable railroad, or a responsible person, may be made at any time prior to delivery of the final system plan to the special court under section 719(c) of this title. Such further designations shall be treated for all purposes as if they had been included in the final system plan adopted by the Association and reviewed by the Congress, and the final system plan shall for all purposes be deemed to be approved as modified by such designations. Any action of the Association with respect to any such petition shall not be subject to review by any court.

(3)(A) Within 20 days after February 5, 1976, the Association may, by notice to the Congress and by publication in the Federal Register, modify, supplement, or add to the designations of rail properties in the final system plan if the Association finds such actions are necessary to—

(i) achieve the efficient implementation of the final system plan, or

(ii) provide for the offer to profitable railroads of rail properties designated in the final system plan to the Corporation, if such properties are not essential in the operation of other rail properties of the Corporation but are or would be integrally related to the operation of rail properties of (or which are offered pursuant to the final system plan to) such profitable railroad, or

(iii) provide for the designation of additional rail properties to the Corporation or to a subsidiary thereof to enable the Corporation to serve efficiently a line of railroad designated to the Corporation in the final system plan if such line does not connect with any other line of railroad so designated to the Corporation or if such line would be served more efficiently as a consequence of such designation.

Any designation to a profitable railroad pursuant to this paragraph shall comply with the second sentence of section 716(d)(4) of this title, and shall only be made upon a finding by the Association that such designation is integrally related to an offer of rail properties to a profitable railroad in the final system plan, that the goals of the final system plan require that the rail

properties be operated as a part of the rail properties included in such offer, and that the implementation of such designation will not materially and adversely affect the impact of such offer on the profitability of the Corporation or any profitable railroad operating in the region. Any designation to a profitable railroad pursuant to this subsection, which amends any prior offer, shall terminate 30 days after February 5, 1976, unless, prior to such date, such profitable railroad has notified the Association in writing of its acceptance of such amendment to the prior offer.

(B) If a line of railroad or any segment thereof is designated for rail service in the final system plan, no designation may be made by the Association pursuant to this paragraph which would result in such line or segment not being so designated. Any designations made pursuant to this paragraph shall be treated for all purposes as if they had been included in the final system plan adopted by the Association and reviewed by the Congress. The final system plan shall for all purposes be deemed to be approved as amended by such designations.

(C) Any designations made pursuant to this paragraph shall not be subject to review by any court.

(D) Any labor agreements entered into under section 778¹ of this title shall be subject to further negotiations for any modifications which may be necessary to implement designations made pursuant to this paragraph.

§ 719. Judicial review

(a) General

Notwithstanding any other provision of law, the final system plan which is adopted by the Association and which becomes effective after review by the Congress is not subject to review by any court except in accordance with this section. After the final system plan becomes effective under section 718 of this title, it may be reviewed with respect to matters concerning the value of the rail properties to be conveyed under the plan and the value of the consideration to be received for such properties.

(b) Special court

(1) Within 30 days after January 2, 1974, the Association shall make application to the judicial panel on multi-district litigation authorized by section 1407 of title 28 for the consolidation in a single, three-judge district court of the United States of all judicial proceedings with respect to the final system plan. Within 30 days after such application is received, the panel shall make the consolidation in a district court (cited herein as the "special court") which the panel determines to be convenient to the parties and the one most likely to be able to conduct any proceedings under this section with the least delay and the greatest possible fairness and ability. Such proceedings shall be conducted by the special court which shall be composed of three Federal judges who shall be selected by the panel, except that none of the judges selected may be a judge assigned to a proceeding involving any railroad in reorganization in the region under section 77 of the Bankruptcy Act. The special court is authorized to exercise the powers of a district judge in any judicial district with respect to such proceedings and such powers shall include those of a reorganization court. The special court shall have the power to order the conveyance of rail properties of railroads leased, operated, or controlled by a railroad in reorganization in the region. The special court may issue rules for the conduct of any proceedings under this section and under section 745 of this title, including rules with respect to the time within which motions may be filed, and with respect to appropriate representation of interests not otherwise represented (including the Secretary with respect to a petition by the Association in the case of a proposal developed by the Secretary, under such section 745 of this title). No determination by the panel under this subsection may be reviewed in any court.

(2) The special court referred to in paragraph (1) of this subsection is abolished effective 90 days after October 19, 1996. On such effective date, all jurisdiction and other functions of the special court shall be assumed by the United

With respect to any proceedings that arise or continue after the date on which the special court is abolished, the references in the following provisions to the special court established under this subsection shall be deemed to refer to the United States District Court for the District of Columbia:

(F) Any other Federal law (other than this subsection and section 605 of the Federal Courts Improvement Act of 1996), Executive order, rule, regulation, delegation of authority, or document of or relating to the special court as previously established under paragraph (1) of this subsection.

(c) Delivery of plan to special court

Within 90 days after its effective date, the Association shall deliver a certified copy of the final system plan to the special court and shall certify to the special court—

(1) which rail properties of the respective railroads in reorganization in the region and of any person leased, operated, or controlled by such railroads in reorganization are to be transferred to the Corporation, or any subsidiary thereof, in accordance with the final system plan;

(2) which rail properties of the respective railroads in reorganization in the region or person leased,¹ operated, or controlled by such railroads in reorganization are to be conveyed to profitable railroads, in accordance with the final system plan;

(3) the amount, terms, and value of the securities of the Corporation or any subsidiary thereof (including any certificates of value of the Association) to be exchanged for those rail properties to be transferred to the Corporation or any subsidiary thereof pursuant to the final system plan, and as indicated in paragraph (1) of this subsection; and

(4) that the transfer of rail properties in exchange for securities of the Corporation or any subsidiary thereof (including any certificates of value of the Association) and other benefits is fair and equitable and in the public interest.

Notwithstanding any other provisions of this subsection and subsection (d) of this section, the time for the delivery of a certified copy of the final system plan shall be March 12, 1976, and may be extended to a date not more than 30 days thereafter, prescribed in a notice filed by the Association not later than February 17, 1976, with the special court, the Congress, and each court referred to in such subsection (d) of this section.

Such notice shall contain the certification of the Association that an orderly conveyance of rail properties cannot reasonably be effected before the date for conveyance determined with respect to such notice. The time prescribed in section 743(a) of this title shall be determined with respect to the date prescribed in such notice.

(d) Bankruptcy courts

Within 90 days after its effective date, the Association shall deliver a certified copy of the final system plan to each district court of the United States or any other court having jurisdiction over a railroad in reorganization in the region and shall certify to each such court—

(1) which rail properties of that railroad in reorganization are to be transferred to the Corporation or any subsidiary thereof under the final system plan; and

(2) which rail properties of that railroad in reorganization, if any, are to be conveyed to profitable railroads operating in the region, under the final system plan.

(e) Original and exclusive jurisdiction

(1) Notwithstanding any other provision of law, any civil action—

(A) for injunctive or other relief against the Association from the enforcement, operation, or execution of this chapter or any provision thereof, or from any action taken by the Association pursuant to authority conferred or purportedly conferred under this chapter;

(B) challenging the constitutionality of this chapter or any provision thereof;

(C) challenging the legality of any action of the Association, or any failure of the Association to take any action, pursuant to authority conferred or purportedly conferred under this chapter;

(D) to obtain, inspect, copy, or review any document in the possession or control of the Association that would be discoverable in litigation pursuant to section 743(c) of this title;

(E) brought after a conveyance, pursuant to section 743(b) of this title, to set aside or annul such conveyance or to secure in any way the reconveyance of any rail properties so conveyed; or

(F) with respect to continuing reorganization and supplemental transactions, in accordance with section 745 of this title;

shall be within the original and exclusive jurisdiction of the special court. The special court shall not hear or determine any such action prior to the date of conveyance, pursuant to section 743(b)(1) of this title, except as the Constitution may require. Relief shall not be granted in any action referred to in subparagraph (A), (C), or (E) unless the person seeking such relief establishes that the Association acted in reckless or deliberate disregard of applicable law.

(2) The original and exclusive jurisdiction of the special court shall include any action, whether filed by any interested person or initiated by the special court itself, to interpret, alter, amend, modify, or implement any of the orders entered by such court pursuant to section 743(b) of this title in order to effect the purposes of this chapter or the goals of the final system plan. During the pendency of any proceeding de-

scribed in this paragraph, the special court may enter such orders as it determines to be appropriate, including orders enjoining, restraining, conditioning, or limiting any conveyance, transfer, or use of any asset or right which is subject to such an order or which is at issue in such a proceeding, or which involves the enforcement of any liens or encumbrances upon such assets or rights. Any orders pursuant to this paragraph which interpret, alter, amend, modify, or implement orders entered by the special court shall be final and shall not be restrained or enjoined by any court.

(3) An order or judgment of the United States District Court for the District of Columbia in any action referred to in this section shall be reviewable in accordance with sections 1291, 1292, and 1294 of title 28.

(f) Disposition of cash deposits

Whenever the compensation which is deposited with the special court under section 743(a) of this title is in the form of cash, such cash shall be invested and reinvested upon such terms and conditions as the special court shall determine, pending the making of the findings referred to in paragraphs (1), (2), and (3) of section 743(c) of this title. Notwithstanding section 743(c)(4) of this title, the special court may order (1) the income from such investments, (2) the dividends or interest, if any, received on any securities or obligations deposited with the special court under such section 743(a) of this title, and (3) the income, if any, received with respect to any other form of compensation so deposited, to be distributed to the trustee of each railroad in reorganization and to any person leased, operated or controlled by such a railroad which conveyed the right, title, and interest in the rail properties with respect to which such cash, securities, obligations, or other compensation have been so deposited with the special court. Notwithstanding section 743(c)(4) of this title, the special court may, within 90 days after the date of conveyance of rail properties pursuant to section 743(b) of this title, order up to 25 percent of any cash (including investments made with cash) and other compensation deposited with the special court to be distributed to such trustee or person. (g) Stay of court proceedings

The special court may stay or enjoin any action or proceeding in any State court or in any court of the United States other than the Supreme Court or Court of Appeals for the District of Columbia Circuit if such action or proceeding is contrary to any provision of this chapter, impairs the effective implementation of this chapter, or interferes with the execution of any order of the special court pursuant to this chapter.

Application of National Environmental Policy Act to actions of Commission not affected by title VI of Pub. L. 94-210, see section 619 of Pub. L. 94-210, set out as a note under section 791 of this title.

§ 721. Loans**(a) General**

The Association is authorized, in accordance with the provisions of this section and such rules and regulations as it shall prescribe, to make loans to the Corporation, the National Railroad Passenger Corporation, and other railroads (including a railroad in reorganization which has been found to be reorganizable under section 77 of the Bankruptcy Act pursuant to section 717(b) of this title) in the region, for purposes of achieving the goals of this chapter; to a State or local or regional transportation authority pursuant to section 763¹ of this title; and to provide assistance in the form of loans to any railroad which (A) connects with a railroad in reorganization, and (B) is in need of financial assistance to avoid reorganization proceedings under section 77 of the Bankruptcy Act. No such loan shall be made by the Association to a railroad unless such loans shall, where applicable, be treated as an expense of administration. The rights referred to in the last sentence of section 77(j) of the Bankruptcy Act shall in no way be affected by this chapter.

(b) Applications

Each application for such a loan shall be made in writing to the Association in such form and with such content and other submissions as the Association shall prescribe to protect reasonably the interests of the United States. The Association shall publish a notice of the receipt of each such application in the Federal Register and shall afford interested persons an opportunity to comment thereon.

(c) Terms and conditions

Each loan shall be extended in such form, under such terms and conditions, and pursuant to such regulations as the Association deems appropriate. Such loan shall bear interest at a rate not less than the greater of a rate determined by the Secretary of the Treasury taking into consideration (1) the rate prevailing in the private market for similar loans as determined by the Secretary of the Treasury, or (2) the current average yield on outstanding marketable obligations of the Association with remaining periods of maturity comparable to the average maturities of such loans, plus such additional charge, if any, toward covering costs of the Association as the Association may determine to be consistent with the purposes of this chapter.

(d) Modifications

The Association is authorized to approve any modification of any provision of a loan under this section, including the rate of interest, time of payment of interest or principal, security, or any other term or condition, upon agreement of the recipient of the loan and upon a finding by the Association that such modification is equitable and necessary or appropriate to achieve the policy declared in subsection (f) of this section. Notwithstanding any other provision of this section, in the case of a loan made under subsection (a) of this section to a railroad in the region, the Association is not required to make

the findings with respect to subsections (e)(3) and (f) of this section and may, upon the request of such railroad—

(1) continue to make advances to such railroad pursuant to such loan, up to the total principal provided, as of November 8, 1978, under the agreement between such railroad and the Association under this section, upon finding only that (A) a good faith effort has been commenced by such railroad toward the establishment of an employee stock ownership plan, and (B) such continued advances will permit the continuation of rail service determined by the Association, in the Final System Plan or under the goals of this chapter, to be desirable; and

(2) increase the principal amount of such loan to such railroad, in an amount not to exceed \$7,500,000, only if the Association makes the finding referred to in paragraph (1)(B) of this subsection and determines that such railroad is making a good faith effort to establish an employee stock ownership plan for review and approval by the Association. Any such approval shall be conditioned upon a written commitment that by December 31, 1980, the railroad will adopt an employee stock ownership plan which will acquire qualifying employer securities with a fair market value of \$250,000.

The Association may not take any action pursuant to the preceding sentence of this subsection after December 31, 1981.

(e) Prerequisites

The Association shall make a finding in writing, before making a loan to any applicant under this section, that—

(1) the loan is necessary to achieve the goals of this chapter or to prevent insolvency;

(2) it is satisfied that the business affairs of the applicant will be conducted in a reasonable and prudent manner; and

(3) the applicant has offered such security as the Association deems necessary to protect reasonably the interests of the United States.

(f) Policy

It is the intent of Congress that loans made under this section shall be made on terms and conditions which furnish reasonable assurance that the Corporation or the railroads to which such loans are granted will be able to repay them within the time fixed and that the goals of this chapter are reasonably likely to be achieved.

(g) Pre-conveyance loans to Corporation

During the period between the effective date of the final system plan and the date of the conveyance of rail properties pursuant to section 743(b) of this title, the Association may make such loans in such amounts to the Corporation as the Association deems essential to provide for the purchase by the Corporation of material, supplies, equipment, and services necessary to permit the orderly and efficient implementation of the final system plan. Notwithstanding any inability of the Association during such period to make the finding required by subsection (e)(3) of this section because of any existing contingencies, the Association may make any such loans to the Corporation, subject to—

(1) the most favorable terms and conditions for assuring timely repayment and security as may then be reasonably available, and

(2) the requirement that any loan to the Corporation under this subsection be refinanced immediately out of the proceeds of the first sale by the issuance of debentures under section 726 of this title.

In order to assure that necessary funds are available to the Corporation for implementation of the final system plan, the Corporation is authorized to accept such loans as may be approved by the Association under this subsection, and any such acceptance shall be deemed for all purposes to constitute a reasonable and prudent business judgment in compliance with any fiduciary obligations imposed on the Corporation or its directors. For purposes of this subsection, the term "Corporation" includes a subsidiary of the Corporation.

(h) Loans for payment of obligations

(1)(A) The Association is authorized, subject to the limitations set forth in section 720(b) of this title, to enter into loan agreements, in amounts not to exceed, at any given time, \$350,000,000 in the aggregate principal amount, with the Corporation, the National Railroad Passenger Corporation, and any profitable railroad to which rail properties are transferred or conveyed pursuant to section 743(b)(1) of this title, under which the Corporation, the National Railroad Passenger Corporation, and any profitable railroad entering into such agreement will agree to meet existing or prospective obligations of the railroads in reorganization in the region which the Association, in accordance with procedures established by the Association, determines should be paid by the Corporation, the National Railroad Passenger Corporation, or a profitable railroad, on behalf of such railroads in reorganization, in order to avoid disruptions in ordinary business relationships. Such obligations shall be limited to—

(i) amounts claimed by suppliers (including private car lines) of materials or services utilized or purchased in current rail operations;

(ii) claims by shippers arising from current rail services;

(iii) payments to railroads for settlement of current interline accounts and all other current accounts and obligations;

(iv) claims of employees arising under the collective-bargaining agreements of the railroads in reorganization in the region and subject to section 153 of this title (including claims for accrued vacation and wages and similar claims arising in connection with labor and services performed);

(v) claims of all employees or their personal representatives for personal injuries or death and subject to the provisions of Employers' Liability Act (45 U.S.C. 51-60);

(vi) amounts required for adequate funding of accrued pension benefits existing at the time of a conveyance or discontinuance of service under employee pension benefit plans described in section 775(a)² of this title;

(vii) amounts required to provide adequate funding for payment, when due, of claims de-

riding from membership in any employee voluntary relief plan which provides benefits to its members and their beneficiaries in the event of sickness, accident, disability, or death, and to which both a railroad in reorganization and employee members have made contributions;

(viii) amounts required to provide adequate funding for continuation, by the Corporation, of medical and life insurance coverage and benefits for retired employees of railroads in reorganization as required and limited by section 743(b)(6)(B) of this title.³

(ix) amounts required to discharge the obligations of each such railroad in reorganization to nonemployee claimants for personal injuries suffered during the period such railroad has been in reorganization; and

(x) amounts required to discharge any obligation of a railroad in reorganization in the region to the National Railroad Passenger Corporation, arising out of a contract between such railroad in reorganization and such Corporation under which such railroad in reorganization is required to provide a suitable rail passenger station, in any case in which such railroad in reorganization sold a rail passenger station pursuant to a judicial order of condemnation prior to April 1, 1976.

(B) The Association shall make a loan pursuant to subparagraph (A) of this paragraph if, notwithstanding any other requirement of this subsection, it finds that the Corporation,⁴ the National Railroad Passenger Corporation, or a profitable railroad is entitled to a loan pursuant to section 743(b)(6), 774(e), or 774(g)² of this title, or if, with respect to an obligation referred to in subparagraph (A) of this paragraph, it finds that—

(i) provision for the payment of such obligation was not included in the financial projections of the final system plan;

(ii) such obligation arose from rail operations prior to the date of conveyance of rail properties pursuant to section 743(b)(1) of this title and is, under other applicable law, the responsibility of a railroad in reorganization in the region, and a claim is presented to a railroad in reorganization in the region, or the Corporation within 2 years after October 19, 1976;

(iii) the Corporation, the National Railroad Passenger Corporation, or a profitable railroad has advised the Association that the direct payment of such obligation by the Corporation, the National Railroad Passenger Corporation, or a profitable railroad is for services or materials, the furnishing of which served to avoid disruptions in ordinary business relationships prior to the date of conveyance of rail properties pursuant to section 743(b)(1) of this title, or is necessary to avoid postconveyance disruptions in ordinary business relationships;

(iv) the transferor is unable to pay such obligation within a reasonable period of time; and

(v) with respect to loans made to the Corporation, the procedures to be followed by the

Corporation, in seeking reimbursement from a railroad in reorganization in the region for an obligation paid on its behalf under this subsection, have been jointly agreed to by the Finance Committee and the Corporation, and the joint agreement—

(I) provides for the Corporation to receive reimbursement from the Association for any expenses incurred in seeking reimbursement from any railroad in reorganization in the region for an obligation paid on its behalf under this subsection; and

(II) includes a stipulation of the exact procedures the Corporation shall undertake to avoid the finding, referred to in paragraph (6)(A)(i) of this subsection, that it has not exercised due diligence.

(2) The trustees of each railroad in reorganization in the region shall attempt to negotiate agency agreements with the Corporation, the National Railroad Passenger Corporation, or a profitable railroad for the processing of all accounts receivable and accounts payable attributable to operations prior to the conveyance of property pursuant to section 743(b)(1) of this title and for the payment of only those accounts payable which relate to obligations of the estates identified in paragraph (1) of this subsection. If any railroad in reorganization in the region fails to conclude such an agreement within a reasonable time prior to such conveyance, the applicable reorganization courts, after giving all parties an opportunity to be heard, shall prescribe the terms of such an agency arrangement by order, giving due consideration to the need, wherever possible, to make such agreements uniform among the various estates. Nothing in this subsection shall be construed as permitting any district court of the United States having jurisdiction over the reorganization of a railroad in reorganization in the region to enjoin, restrain, or limit the Corporation, the National Railroad Passenger Corporation, or a profitable railroad from applying, to payment of the obligations of the estates identified in paragraph (1) of this subsection, amounts collected as (A) accounts receivable pursuant to this paragraph, (B) cash or other current assets identified pursuant to paragraph (3) of this subsection, or (C) proceeds of loans pursuant to paragraph (1) of this subsection. Any agency agreement executed prior to October 19, 1976, shall be deemed amended to the extent necessary to conform such agreement or order to the provisions of this paragraph. Nothing in this paragraph shall be construed to affect any payment made prior to October 19, 1976, with respect to obligations other than those identified in paragraph (1) of this subsection.

(3) The Association may, not less than 30 days prior to the date of conveyance pursuant to section 743(b)(1) of this title, petition each district court of the United States having jurisdiction over the reorganization of a railroad in reorganization in the region for an order, which shall be entered prior to such conveyance, and which—

(A) identifies that cash and other current assets of the estate of such railroad which shall be utilized to satisfy obligations of the estates identified in paragraph (1) of this subsection; and

³ So in original. The period probably should be a semicolon.

⁴ So in original. Should be "Corporation,".

(B) provides for the application by the trustees of such railroads and their agents, consistent with the principles of reorganization under section 77 of the Bankruptcy Act and with the agency agreement specified in paragraph (2) of this subsection, of all such current assets, including cash available as of or subsequent to such date of conveyance, to the payment in the postconveyance period of the obligations of the estates identified in paragraph (1) of this subsection.

(4)(A) Each obligation of a railroad in reorganization in the region which is paid with financial assistance under paragraph (1) of this subsection shall be processed, on behalf of such railroad, by the Corporation, the National Railroad Passenger Corporation, or a profitable railroad, whichever is appropriate. An obligation of a railroad in reorganization in the region shall be paid, on behalf of such railroad, by the Corporation, the National Railroad Passenger Corporation, or a profitable railroad, whichever is appropriate, if—

(i) such obligation is deemed by the Corporation, the National Railroad Passenger Corporation, or a profitable railroad, whichever is appropriate, to have been, on the date of conveyance of rail properties pursuant to section 743(b)(1) of this title, the obligation of a railroad in reorganization in the region;

(ii) such obligation accrues after such date of conveyance but as a result of rail operations conducted prior to such date, and the trustees of such railroad in reorganization acknowledge that it is an obligation of such railroad; or

(iii) the district court of the United States having jurisdiction over such railroad in reorganization in the region approves such obligation as a valid administrative claim against such railroad;

to the extent that payment is required under a loan agreement with the Association under such paragraph (1).

(B) The Association shall resolve any disputes among the Corporation, the National Railroad Passenger Corporation, and a profitable railroad concerning which of them shall process and pay any particular obligation on behalf of a particular railroad in reorganization.

(C) The Corporation, the National Railroad Passenger Corporation, or a profitable railroad shall have a direct claim, as a current expense of administration, for reimbursement from the estate of a railroad in reorganization in the region for all obligations of such estate (plus interest thereon) which are paid by the Corporation, the National Railroad Passenger Corporation, or a profitable railroad, as the case may be. The right of the Corporation or the National Railroad Passenger Corporation to receive reimbursement under this subparagraph from the estate of a railroad in reorganization in the region shall be reduced by the amount, if any, of loans, plus interest forgiven under paragraph (5) of this subsection.

(D)(i) Except as provided in clause (ii) of this subparagraph, any funds held in an escrow account by a railroad in reorganization on October 19, 1976, which are thereafter determined to be

cash and other current assets of the estate of such railroad in reorganization, for purposes of paragraph (3) of this subsection, shall be applied as follows—

(I) first, to the reduction of any outstanding loans to the Corporation by the Association, pursuant to paragraph (1) of this subsection, the proceeds of which were used to discharge obligations of such railroad in reorganization;

(II) second, to the Association to the extent of any such loans which have been forgiven pursuant to paragraph (5) of this subsection; and

(III) third, to the payment of any remaining obligations of such railroad in reorganization, in accordance with the provision of the agency agreement entered into pursuant to paragraph (2) of this subsection.

(ii) The manner of disposition set forth in clause (i) of this subparagraph shall not apply with respect to a railroad in reorganization if the Secretary (I) determines that a different disposition of assets is necessary to carry out a reorganization plan of such railroad in reorganization, and that such different disposition adequately protects the interests of the United States, and (II) transmits his determination to the court having jurisdiction over the reorganization of such railroad.

(5)(A) If, at any time, the Finance Committee of the Association determines that the failure of the Corporation to receive full reimbursement with interest from the estate of a railroad in reorganization in the region for any obligation of such estate paid pursuant to this subsection could adversely affect the fairness and equity of the transfers and conveyances pursuant to section 743(b)(1) of this title, or that the failure of the National Railroad Passenger Corporation to receive such full reimbursement plus interest for any such obligation would be contrary to the public interest, the Association shall forgive the indebtedness, plus accrued interest, of the Corporation or of the National Railroad Passenger Corporation incurred pursuant to paragraph (1) of this subsection in the amount recommended by the Finance Committee. The Association shall have a direct claim, as a current expense of administration of the estate of such railroad in reorganization, equal to the amount by which loans of the Corporation or of the National Railroad Passenger Corporation, plus interest, have been forgiven. Such direct claim shall not be subject to any reduction by way of setoff, cross-claim, or counter-claim which the estate of such railroad in reorganization may be entitled to assert against the Corporation, the National Railroad Passenger Corporation, the Association, or the United States.

(B) The direct claim of the Association under this paragraph, and any direct claim authorized under paragraph (4) of this subsection, shall be prior to all other administrative claims of the estate of a railroad in reorganization, except claims arising under trustee's certificates or from default on the payment of such certificates. The Corporation, the National Railroad Passenger Corporation, or a profitable railroad, as the case may be, shall, with respect to each direct claim for reimbursement pursuant to paragraph (4) of this subsection, file a proof of ad-

ministrative expense claim with the trustees of the railroad in reorganization from whom reimbursement is sought. Each such proof of administrative expense claim shall set forth, by category and amount, the obligations of such railroad in reorganization which were paid pursuant to such paragraph (4).

(6)(A) Notwithstanding any other provision of this subsection, the Association shall forgive any loan made to the Corporation or the National Railroad Passenger Corporation pursuant to this subsection, plus accrued interest thereon, on the 3rd anniversary date of any such loan, except that the Association shall not forgive any loan or portion thereof, in accordance with this paragraph, if—

(i) the Finance Committee makes an affirmative finding, with respect to such loan or portion thereof, that—

(I) the Corporation has not exercised due diligence in executing the procedures adopted pursuant to paragraph (1)(B)(v) of this subsection, and

(II) the failure of the Association to forgive such loan or portion thereof will not adversely affect the ability of the Corporation to become financially self-sustaining;

(ii) the Finance Committee so directs the Association; and

(iii) neither House of the Congress disapproves such affirmative finding and direction, in accordance with the following provisions of this paragraph.

The Association is authorized, in accordance with the provisions of this section, and such rules and regulations as it may prescribe, to invest from time to time in the securities of the Corporation by purchasing (1) up to \$1,000,000,000 of debentures issued by the Corporation, and (2) after the acquisition of such debentures, up to \$2,629,000,000 of the series A preferred stock of the Corporation.

(b) Purposes and procedure for investment

(1) The Association is authorized to purchase debentures and, thereafter, series A preferred stock of the Corporation at such times and in such amounts as may be required and requested by the Corporation in accordance with the terms and conditions governing such purchases (which shall be prescribed by the Association), to provide—

(A) for the modernization, rehabilitation and maintenance of rail properties of the Corporation;

(B) for the acquisition of equipment and other capital needs;

(C) for the refinancing of indebtedness which was incurred by the Corporation under section 721 of this title or which was incurred under section 725 of this title and assumed by the Corporation; or

(D) working capital as contemplated by the final system plan.

(2) Purchases of up to \$1,000,000,000 of debentures and, thereafter, of up to \$2,300,000,000 of series A preferred stock shall be made by the Association as required and requested by the Corporation, unless the Finance Committee makes an affirmative finding that—

(A) the Corporation has failed in any material respect to comply with any covenants or undertakings made to the Association and such failure remains uncorrected;

(B) the Corporation has failed substantially (as determined by performance within the margins prescribed by the Board of Directors) to attain the overall operating (including rehabilitation) and financial results projected for the Corporation in the final system plan (including any modifications of such projected results and of the performance margins applicable to such projected results which are jointly approved by the Finance Committee and the Board of Directors and which would improve the possibility that the Corporation will attain such projected results and perform within such margins, as modified); or

(C) it is not reasonably likely, taking into consideration all relevant factors including the overall operating (including rehabilitation) and financial results achieved by the Corporation, that the Corporation will be able to become financially self-sustaining without requiring Federal financial assistance substantially in excess of the amounts authorized in this section.

(3)(A) Amounts transferred to the Association pursuant to section 509(b)(1)¹ of the Railroad Revitalization and Regulatory Reform Act of 1976 may be used to purchase series A preferred stock of the Corporation to provide for the implementation by the Corporation of a program to reduce the Corporation’s work force, if the Finance Committee finds that the implementation of such program will result in substantial savings to the United States.

(B) An employee who ceases to be an employee as a result of the reduction of work force under a program implemented pursuant to this paragraph shall not, by reason of so ceasing to be an employee, or by reason of any work or employment entered into after so ceasing to be an employee, lose such employee’s current connection with the railroad industry for the purposes of the Railroad Retirement Act of 1974 [45 U.S.C. 231 et seq.].

(4) Purchases of up to \$329,000,000 of a series A preferred stock shall be made by the Association, subject to the availability of appropriations, as required and requested by the Corporation, if the Finance Committee makes an affirmative finding that the Corporation has

¹ See References in Text note below.

taken appropriate action to eliminate losses on light density lines and other lines which are unprofitable. Such action shall include the imposition of surcharges on such lines, the abandonment of such lines, and the transfer of such lines.

(5) The authority of the Association to purchase debentures or series A preferred stock of the Corporation shall terminate October 21, 1986.

(c) Finding, direction, and review by Congress

(1) If the Finance Committee makes an affirmative finding pursuant to subsection (b)(2) of this section, it may direct the Association—

(A) not to purchase any debentures or series A preferred stock of the Corporation after the date of such affirmative finding; or

(B) to purchase debentures or series A preferred stock of the Corporation, after the date of such affirmative finding, only in such amounts, at such times, and on such terms and conditions (notwithstanding subsection (e)(1) of this section) as the Finance Committee determines to be appropriate to the role of the Association as an investor in such debentures and series A preferred stock.

(2) A copy of each affirmative finding, the reasons therefor, and each direction made by the Finance Committee under paragraph (1) of this subsection, together with the comments and recommendations thereon of the Board of Directors of the Association, shall be transmitted to the Congress by the Association within 10 days after the date on which the Finance Committee makes such finding and direction, or if not so transmitted, shall be transmitted by the Finance Committee. Each such direction so transmitted shall become finally effective and is required to be implemented by the Association, unless within the first period of 30 calendar days of continuous session of Congress after the date of its transmittal to Congress either House of Congress disapproves such direction (except that such direction shall become finally effective immediately upon approval of such direction by both Houses of Congress) in accordance with the procedures specified in section 688 of title 2. For purposes of this paragraph, continuity of session of Congress is broken only in the circumstances described in section 682(5) of title 2. During review by the Association and Congress, the Association shall take no action inconsistent with the direction of the Finance Committee pursuant to paragraph (c)(1) of this section, except to the extent the Association finds necessary, in its discretion, to assure continuous orderly operation of the Corporation.

(3) If the Congress, pursuant to paragraph (2) of this subsection, disapproves a direction submitted to the Association pursuant to paragraph (1) of this subsection, the Association shall continue to purchase the debentures or series A preferred stock of the Corporation as otherwise provided in this subchapter until such time as a direction is submitted under this section which is not so disapproved (or affirmatively approved). The powers of the Association and of the Board of Directors of the Association shall remain in effect except to the extent modified by any such direction. If any such direction is disapproved by either House of Congress, the Finance Com-

mittee may, not earlier than 30 days after the date of such disapproval, make (and the Board of Directors of the Association shall transmit) any additional affirmative finding and direction with respect to the same matter, which direction shall become effective in accordance with paragraph (2) of this subsection. An affirmative finding and direction under this subsection, or action by the Association during a review thereof by the Congress, may not be held unlawful or set aside by any reviewing court on the ground that such finding and direction or action were not adequate to meet the requirements of subparagraph (A), (E), or (F) of section 706(2) of title 5.

(4) Notwithstanding any other provision of this section, or any terms and conditions governing its purchase of securities of the Corporation, the Association shall, upon written application by the Corporation at least 30 days prior to such investment, make an initial investment in debentures of the Corporation within 60 days after the date of conveyance of rail properties pursuant to section 743(b)(1) of this title. Such initial investment shall be limited to such amounts as the Association and Finance Committee, acting jointly, determine are necessary for the continued and orderly operations of the Corporation prior to any additional investment.

(5) Not later than 60 days after the date of conveyance pursuant to section 743(b)(1) of this title, the Association shall select 6 individuals to serve as members of the Board of Directors of the Corporation, subject to the provisions of section 741(d) of this title.

(d) Terms and conditions

Notwithstanding any other provision of State law, the debentures and the series A preferred stock of the Corporation shall have such terms and conditions, not inconsistent with the final system plan or this subchapter, as may be prescribed by the Association, except as follows:

(1) The Corporation shall not be required to issue to the Association additional shares of series A preferred stock of the Corporation as a dividend on any such stock.

(2) The dividends payable on series A preferred stock of the Corporation shall not be cumulative and shall be paid in cash when and to the extent that there is "cash available for restricted cash payments", as that term is defined in the final system plan.

(3) After the Association calls for redemption of the certificates of value, no shares of series A preferred stock of the Corporation shall be issued in lieu of interest on the debentures of the Corporation and, to the extent such interest is not payable in cash by reason of the absence of sufficient "cash available for restricted cash payment", the Corporation shall deliver to the holders of the debentures contingent interest notes in a face amount equal to such unpaid interest.

(4) If the Board of Directors of the Association and the Finance Committee, acting jointly, modify the terms or conditions governing the purchase of debentures or series A preferred stock of the Corporation pursuant to subsection (e)(1) of this section, or if the Finance Committee waives compliance with any

term, condition, provision, or covenant of such securities pursuant to subsection (e)(2) of this section, the Finance Committee may require the Corporation to issue contingent interest notes in such amount as, in the determination of the Finance Committee, will provide protection for the United States, in the event of bankruptcy, reorganization, or receivership of the Corporation, equal to the protection the United States would have had in the absence of such modification or waiver.

(5) The contingent interest notes issued pursuant to this section shall bear interest compounded annually at the rate of 8 percent per annum and such notes and the accumulated interest thereon shall be payable only in the event of bankruptcy, reorganization, or receivership of the Corporation occurring prior to the repayment and redemption of all outstanding debentures and accumulated series A preferred stock of the Corporation. The contingent interest notes and the accumulated interest thereon shall have the same priority in bankruptcy, reorganization, or receivership as the debentures of the Corporation. The other terms and conditions of the contingent interest notes shall be as set forth in an agreement to be entered into between the Association and the Corporation prior to issuance of any debentures.

(e) Modifications, waivers, and conversions

(1) The Board of Directors of the Association and the Finance Committee, acting jointly, may agree with the Corporation to modify any of the terms and conditions governing the purchase by the Association of securities of the Corporation, upon a finding that such action is necessary or appropriate to achieve the purposes of this chapter or the goals of the final system plan.

(2) The Finance Committee may, in its discretion and upon a finding that such action is necessary or appropriate to achieve the purposes of this chapter or the goals of the final system plan, waive compliance with any term, condition, provision, or covenant of the securities of the Corporation held by the Association, including any provision of such securities with respect to redemption of principal or issuance price, payment of interest or dividends, or any term or condition governing the purchase of such securities.

(3) Notwithstanding any provision of State law, there shall be no conversion of the debentures of the Corporation into series A preferred stock of the Corporation, as provided in the terms and conditions of the debentures and pursuant to the final system plan, unless the Board of Directors of the Association and the Finance Committee jointly determine to effect such conversion.

(f) Employee stock ownership plan

(1) The Association shall not invest the final \$345,000,000 of the additional investment in the Corporation authorized by the Regional Rail Reorganization Act Amendments of 1978 unless and until (A) the Corporation has in effect an employee stock ownership plan which satisfies the requirements of paragraphs (2) and (3), and (B) the requirements of the other paragraphs of this subsection have been satisfied.

(2) The employee stock ownership plan shall:

(A) provide:

(i) for a transfer to the plan and allocation to the accounts of plan participants in periodic installments of Series A preferred stock of the Corporation with a stated redemption value of at least \$345,000,000 or any other securities in an amount determined by the Association, with the concurrence of the Finance Committee, as constituting a meaningful interest in the Corporation, or any combination thereof so determined by the Association, with the concurrence of the Finance Committee. The use of Series A preferred stock to fund the Employee Stock Ownership Plan shall not be interpreted to relieve ConRail of the responsibility for repaying in full to the United States Railway Association its indebtedness as represented by all shares originally issued under Public Law 94-210 and this chapter;

(ii) for immediate vesting of the rights of participants to such securities upon allocation, subject to defeasance as a result of the plan's termination which termination shall occur in the event that, by the end of the 120th month beginning after the month in which securities or interests therein are first allocated to participants' accounts, the Corporation has not attained for two consecutive quarters positive net income and a freight labor cost to freight revenue ratio equal to the average such ratio for all Class I railroads in 1977, as determined pursuant to procedures adopted by the Corporation pursuant to regulations promulgated by the Association with the concurrence of the Finance Committee;

(B) be an employee benefit plan which is designed to invest primarily in employer securities;

(C) meets such other requirements (similar to requirements applicable to employee stock ownership plans as defined in section 4975(e)(7) of title 26) as the Secretary of the Treasury or his delegate may describe;

(D) have been approved by the Board of Directors of the Corporation to the extent and in the manner which may be required by the Corporation's articles of incorporation and bylaws then in effect; and

(E) have been prepared in consultation with, and been approved by, the Association and the Finance Committee.

(3) Notwithstanding any other provision of law, if a plan does not meet the requirements of section 401 of title 26—

(A) stock transferred under paragraph (2) and allocated to the account of any participant under paragraph (2) shall not be considered income of the participant or his beneficiary under title 26 until such stock or dividends are actually distributed or made available to the participant or his beneficiary and, at such time, shall be taxable under section 72 of title 26 (treating the participant or his beneficiary as having a basis of 0 in the stock);

(B) no amount shall be allocated to any participant under the plan in excess of the amount which might be allocated if the plan

met the requirements of section 401 of title 26; and

(C) the plan must meet the requirements of sections 410 and 415 of title 26.

(4) The Corporation shall adopt such terms and conditions governing the securities of interests therein to be transferred to the plan (including limitations on voting rights) as the Association, with the concurrence of the Finance Committee, determines are necessary to protect reasonably the interests of the United States in the litigation pursuant to section 743(c) of this title and in the event of any action to further reorganize or restructure the Corporation's assets or capital structure.

(5) The Corporation, the Association, and a representative appointed by the Chairman of the Railway Labor Executives' Association as representative of all the classes or crafts of employees of the Corporation shall engage in negotiations to agree upon a plan in accordance with the provisions of this subsection. For purposes of this subsection, the Railway Labor Executives' Association shall be deemed to represent all of the representatives of crafts or classes of employees of the Corporation and its subsidiaries as though that organization held powers of attorney from each representative of a craft or class for the limited purposes of negotiating and agreeing upon an employee stock ownership plan. The parties shall incorporate their agreement into a written plan instrument specifying the terms and conditions set forth in this subsection and such other terms and conditions as they may decide upon, with the concurrence of the Finance Committee, unless the parties are unable to reach on² an agreement on the plan following the exertion of every reasonable effort to do so, in accordance with the Railway Labor Act [45 U.S.C. 151 et seq.], in which event, the Corporation and the Association, with the concurrence of the Finance Committee, shall establish a written plan with such terms and conditions as they may agree upon in accordance with this subsection. The plan shall not be subject to change under the provisions of section 6 of the Railway Labor Act [45 U.S.C. 156] until after such time as securities have been distributed from the plan to the participants in the plan or their beneficiaries pursuant to the terms of the plan. Within one year after November 1, 1978, the Corporation shall transmit a draft of such plan to the Congress and shall report on its progress in establishing and administering the plan. The report shall include recommendations of contractual and statutory provisions necessary to reasonably (A) exempt any Trustee of the plan, the Corporation, the Association, any member of the Finance Committee, and any other person from any fiduciary duty, responsibility or liability for the acquisition of, investment in, or retention of any security or interest therein of the Corporation or for any other transaction contemplated by this subsection and (B) provide for the United States to indemnify, defend, and hold harmless such persons against any and all liabilities, claims, actions, judgments, amounts paid in settlement, and costs and expenses actually

incurred in connection with any matter so exempted in which it is determined that such persons were acting in good faith and in a manner they believed to not be opposed to the best interests of the plan.

(6) Within fourteen months of November 1, 1978, the Association shall report to the Congress on the draft plan and on any legal obstacle to the ability of the Corporation to effectuate and implement an employee stock ownership plan of the nature contemplated by this subsection, including specific recommendations on amendments to this subsection and other relevant laws which would harmonize the requirements of this subsection with those other laws. The Department of Transportation and the Department of the Treasury, as each finds appropriate, shall provide separate comments to the Association for inclusion with such report.

(7) For the purposes of this subsection, the officers of each duly authorized representative of the crafts or classes of the employees of the Corporation who have been given leaves of absence by the Corporation to serve as such officers, are to be eligible to participate in such plan on the same basis as are employees whose employment is governed by a collective bargaining agreement with the Corporation.

(8)(A) Except as provided in subparagraph (B) of this paragraph, no person described in subparagraph (C) of this paragraph shall have or be subject to any fiduciary responsibility, obligation, or duty, nor shall any such person be subject to civil liability, under any Federal or State law, as a fiduciary or otherwise—

(i) in connection with the employee stock ownership plan and related trust established by the Corporation pursuant to the requirements of this subsection or with ConRail Equity Corporation (I) on account of any reorganization or restructuring of the Corporation, its successors or assigns, or their assets or capital structure, or (II) on account of any action taken or not taken by the Corporation which may affect its ability to attain the performance levels established in connection with the plan pursuant to paragraph (2)(A)(ii) of this subsection;

(ii) for or in connection with the establishment, continuation or implementation of the plan and related trust or of ConRail Equity Corporation or the acquisition of, investment in or retention of any security of the Corporation or ConRail Equity Corporation, or of any of their successors and assigns, by the plan or ConRail Equity Corporation, or the disposition of any such security to the extent that such disposition is made in connection with a reorganization or restructuring of the Corporation, its successors and assigns, or their assets or capital structure, as directed or approved by or on behalf of the Association or the United States, or the acquisition or retention of any cash, security or other property received in connection with any such reorganization or restructuring; or

(iii) for or in connection with any other action taken or not taken pursuant to any term or condition of the plan or related trust agreement or of the articles of incorporation or by-laws of ConRail Equity Corporation.

² So in original.

Any directions described in clauses (i)(I), (ii), or (iii) shall be taken at the direction, or with the consent, of the Association or of the Secretary or his designate.

(B) Subparagraph (A) of this paragraph shall not be interpreted to relieve any person from any fiduciary or other responsibility, obligation or duty under any Federal or State law to take or not to take actions with respect to the plan in connection with (i) receiving contributions, (ii) exercising custodial responsibilities, (iii) determining eligibility to participate in the plan, (iv) calculating, determining and paying benefits, (v) processing and deciding claims, (vi) preparing and distributing plan information, benefit statements, returns and reports, (vii) maintaining plan records, (viii) appointing plan fiduciaries and other persons to advise or assist in plan administration and (ix) other than as provided in subparagraph (A), acquiring, holding or disposing of plan assets.

(C) For purposes of subparagraph (A) of this paragraph, the term "person" includes each of the following:

(i) the trustee or trustees of the plan, the Corporation and its subsidiaries, ConRail Equity Corporation, the Association, and any of their successors and assigns;

(ii) each director, officer, employee and agent of the Corporation of³ any of its subsidiaries, of ConRail Equity Corporation, of the plan, of the Association or of any of their successors and assigns; and

(iii) each member of the Finance Committee and any of their employees and agents.

(D) Neither this paragraph nor paragraph (9) of this subsection shall be construed to grant immunity from any criminal law of the United States or of any State or the District of Columbia.

(9) The United States shall indemnify, defend, and hold harmless the persons described in paragraph (8)(C) of this subsection from and against any and all liabilities, claims, actions, judgments, amounts paid in settlement, and costs and expenses (including reasonable fees of accountants, experts, and attorneys) actually incurred in connection with the establishment, implementation, or operation of the plan or ConRail Equity Corporation or with any transaction which is required by or is appropriate to effectuate fully the provisions of this subsection, except as may arise in connection with the execution of a responsibility, obligation, or duty excluded from paragraph (8)(A) by paragraph (8)(B), if it is determined that such persons were acting in good faith. The indemnity provided in this paragraph shall be a full faith and credit obligation of the United States.

(10) All securities of the Corporation, all securities of any subsidiary of the Corporation and of ConRail Equity Corporation, and all interests in the employee stock ownership plan which are issued or transferred in connection with the employee stock ownership plan established by the Corporation pursuant to the requirements of this subsection shall be deemed for all purposes to have been issued subject to and authorized

and approved pursuant to section 11301(b)⁴ of title 49 and any corresponding provision of any successor statute.

(g) Authorization of appropriations; reappropriation of funds

(1) There is authorized to be appropriated to the Association \$3,629,000,000 to be used for the purchase of securities of the Corporation in accordance with this section. All sums received by the Association on account of the holding or disposition of any such securities shall be deposited in the general fund of the Treasury.

(2) To the extent provided in appropriation Acts, any funds appropriated under the authority of paragraph (1) of this subsection prior to January 14, 1983, may be reappropriated to the Secretary, to facilitate the transfer of rail commuter services from the Corporation to other operators, for distribution under the statutory provisions of section 1139(b) of the Northeast Rail Service Act of 1981.

The principal office of the Corporation or of its principal railroad operating subsidiary shall be located in Philadelphia in the Commonwealth of Pennsylvania.

(c) Incorporators

(1) The members of the executive committee of the Association shall be the incorporators of the Corporation and shall take whatever steps are necessary to establish the Corporation, including the filing of articles of incorporation.

Notwithstanding anything to the contrary in the final system plan, the initial authorized number of shares of series B preferred stock may be 35,000,000, and the Corporation may issue initially for the purpose of the deposit required under section 743(a)(1) of this

(i) Liability of directors

No director of the Corporation shall be liable, for money damages or otherwise, to any party by reason of the fact that such person is or was a director, if, with respect to the subject matter of the action, suit, or proceeding, such person was fulfilling a duty which he in good faith reasonably believed to be required by law or vested in him in his capacity as a director of the Association or as an officer of the United States. The United States shall indemnify such person against all judgments, amounts paid in settlement, and costs and expenses (including fees of accountants, experts, and attorneys), actually and reasonably incurred in connection with any such action, suit, or proceeding in which such person is determined to have met such standard of conduct. rail properties from a railroad in reorganization in the region, or from a railroad leased, operated, or controlled by a railroad in reorganization in the region, as provided in the final system plan shall deposit with the special court the compensation to be paid for such rail properties.

(b) Conveyance of rail properties

(1) The special court shall, within 10 days after deposit under subsection (a) of this section of the securities of the Corporation, certificates of value issued by the Association, and compensation from the profitable railroads operating in the region, States, and responsible persons, order the trustee or trustees of each railroad in reorganization in the region to convey forthwith to the Corporation or any subsidiary thereof, the respective profitable railroads operating in the region, States, and responsible persons all right, title, and interest in the rail properties of such railroad in reorganization and shall itself order the conveyance of all right, title, and interest in the rail properties of any person leased, operated, or controlled by such railroad in reorganization that are to be conveyed to them under the final system plan as certified to such court under section 719(d) of this title. In any case where the special court orders the trustee or trustees of a railroad in reorganization in the region to execute and deliver deeds or other instruments conveying rail properties to the Corporation or a subsidiary thereof or to a profitable railroad operating in the region or a State or responsible person, those deeds or other instruments may be executed, acknowledged, and delivered on behalf of the trustee or trustees by any person or persons who have been duly authorized to perform such acts on behalf of the trustee or trustees by the district court of the United States or any other court having jurisdiction over the respective railroad in reorganization in the region. Notwithstanding any provision of State or local law, in any case where deeds or other instruments have been executed, acknowledged, or delivered by a representative of the trustee or trustees of a railroad in reorganization in the region in accordance with the previous sentence, such execution, acknowledgment, and delivery, and the deeds or other instruments to which they pertain, shall have the same legal effect as they would have had if the trustee or trustees had themselves executed, acknowledged and delivered such deeds or other instruments.

(2) All rail properties conveyed to the Corporation or any subsidiary thereof the respective profitable railroads operating in the region, States, and responsible persons under this section shall be conveyed free and clear of any liens or encumbrances, but subject to such leases and agreements as shall have previously burdened such properties or bound the owner or operator thereof in pursuance of an arrangement with any State, or local or regional transportation authority under which financial support from such State, or local or regional transportation authority was being provided on January 2, 1974, for the continuance of rail passenger service or any lien or encumbrance of no greater than 5 years' duration which is necessary for the con-

tractual performance by any person of duties related to public health or sanitation. Such conveyances shall not be restrained or enjoined by any court.

(3)(A)(i) Notwithstanding any other provision of this chapter, if an interest in railroad rolling stock is included in the rail properties conveyed pursuant to subsection (b)(1) of this section, and if such conveyance is in accordance with the requirements of clause (ii) of this subparagraph, the conveyance of such properties shall be deemed an assignment. Any such assignment shall relieve the assignor of liability for any breach which occurs after the date of such conveyance, except that such assignor shall remain liable for any breach, event of default, or violation of covenant which occurred (and any charges or obligations which accrued) prior to the date of such conveyance, regardless of whether the assignee thereof assumes such liabilities, charges or obligations (accrued prior to the date of such conveyance) are paid by or on behalf of any person or entity other than such assignor, such person or entity shall have a claim to direct reimbursement, as a current expense of administration, from such assignor, together with interest on the amount so paid.

(ii) A conveyance referred to in clause (i) of this subparagraph may be effected only if—

(I) the Corporation or a subsidiary thereof, the profitable railroad operating in the region, or the State or responsible person to whom such conveyance is made assumes all of the obligations under any applicable conditional sale agreement, equipment trust agreement, or lease with respect to such rolling stock (including any obligations which accrued prior to the date on which such properties are conveyed), and

(II) such conveyance is made subject to such obligations.

As used in this subparagraph, the term “railroad rolling stock” means assets which could be carried in Interstate Commerce Commission account numbers 52, 53, 54, and 57.

(B) Subject to the provisions of this paragraph, the provisions of this chapter shall not affect the title and interests of any lessor, equipment trust trustee, or conditional sale vendor under any conditional sale agreement, equipment trust agreement, or lease under section 77(j) of the Bankruptcy Act. A profitable railroad operating in the region, the Corporation or a subsidiary thereof, or a State or responsible person, to whom such a conveyance is made as assignee or as lessee, shall assume all liability under such conditional sale agreement, equipment trust agreement, or lease. Such an assignment or conveyance to, and such an assumption of liability by, such a profitable railroad, Corporation, subsidiary, State, or responsible person shall not be deemed a breach, an event of default, or a violation of any covenant of any such conditional sale agreement, equipment trust agreement, or lease so assigned or conveyed, notwithstanding any provisions of any such agreement or lease.

(4) Notwithstanding anything to the contrary contained in this chapter, if a railroad in reorganization has leased rail properties from a lessor

that is neither a railroad nor controlled by or affiliated with a railroad, and such lease has been approved by the lessee railroad’s reorganization court prior to January 2, 1974, conveyance of such lease may only be effected if the Corporation, profitable railroad, State, or responsible person to whom the conveyance is made assumes all future liability under such lease and all of the terms and conditions specified in the lease, including the obligation to pay the specified rent to the non-railroad lessor.

(5) Notwithstanding any covenant, undertaking, condition, or provision of any sort in any lease, agreement, or contract, the conveyance, transfer, assignment, or other disposition of such lease, agreement, or contract or of any interest therein to, or the assumption by, the Corporation or any subsidiary thereof, or a profitable railroad of obligations thereunder, shall not be deemed a breach, an event of default, or a violation of any covenant of such lease, agreement, or contract.

(6)(A) Notwithstanding anything to the contrary contained in this chapter or any other other¹ provision of law, the special court shall include in its order such further directions as may be necessary to assure (i) that the operation and administration of the employee pension benefit plans described in section 775(a)² of this title shall be continued, without termination or interruption, by the Corporation until such time as the Corporation elects to amend or terminate any such plan, in whole or in part; and (ii) that appropriate transfers and assignments with respect to all rights and obligations relating to such plans shall be made to the Corporation for such purposes, without prejudice to payment of consideration for whatever rights any railroad in reorganization may have in any residual assets under any such employee pension benefit plan. No court shall enter any judgment against the Corporation with respect to any such rights, except that the special court may enter such a judgment in an order issued by it pursuant to subsection (c) of this section, after taking into consideration the rights and obligations transferred pursuant to this paragraph. All liabilities as an employer shall be imposed solely upon the railroad in reorganization in the event such plan is terminated, in whole or in part, by the Corporation within 1 year after the date of such transfer or assignment (except liabilities as an employer under the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1001 et seq.] for benefits accruing during such period), except that in any case in which the Corporation, on or after the date of transfer or assignment as provided by this paragraph, terminates in whole or in part any such plan, the benefits under which are not guaranteed under title IV of the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1301 et seq.], the Corporation shall guarantee the payment when due of the accrued pension benefits provided for thereunder at the time of termination. The Corporation shall be entitled to a loan pursuant to section 721(h) of this title in an amount required for the adequate funding of accrued pension benefits

under all plans transferred or assigned to the Corporation in accordance with this paragraph (whether or not terminated by the Corporation). For purposes of such section 721(h) and notwithstanding any other provision of Federal or State law, amounts required for such adequate funding shall be deemed to be expenses of administration of the respective estates of the railroads in reorganization, due and payable as of the date of transfer or assignment of the plans to the Corporation.

(B) The Corporation shall, through the purchase of insurance or otherwise, maintain in effect any medical insurance coverage or so much of any life insurance coverage that does not exceed in death benefits an amount equal to twice the employee's annual salary at the time of retirement or \$60,000, whichever is lower, which coverage was maintained by a railroad in reorganization in the region immediately prior to April 1, 1976, and which provides insurance benefits to employees who retired, prior to April 1, 1976, from service with such a railroad. With respect to any such employee whose medical or life insurance coverage lapsed after April 1, 1976, due to nonpayment of premiums, the Corporation shall—

(i) through the purchase of insurance or otherwise, provide medical insurance benefits or life insurance benefits at the same level as were provided by the employer railroad in reorganization and in effect with respect to such employees immediately prior to April 1, 1976, except that the life insurance benefits so provided shall not exceed in death benefits an amount equal to twice the employee's annual salary at the time of retirement or \$60,000, whichever is lower; and

(ii) assume and pay any claim for such employee (or his personal representative) for any such insurance benefits, if—

(I) such claim arose during the period beginning April 1, 1976, and ending on the date insurance coverage is provided pursuant to clause (i) of this subparagraph;

(II) such benefits were not paid by an insurer solely because of the lapse of the insurance coverage during such period,

except that such death benefits shall not be paid for any such employee in excess of an amount equal to twice the employee's annual salary at the time of retirement or \$60,000, whichever is lower.

The Corporation shall be entitled to a loan pursuant to section 721(h) of this title in an amount required for the payment of insurance premiums and benefits described in this subparagraph. For purposes of section 721(h)(4)(A)(iii) of this title, amounts required for the payment of such premiums and benefits shall be deemed to be valid administrative claims against the respective estates of the railroads in reorganization, due and payable as of April 1, 1976, or, in the case of a railroad in reorganization which is not subject to a bankruptcy proceeding, such amounts shall be deemed to be obligations of such railroad, due and payable as of such date, and shall be reimbursable in accordance with the procedures set forth in paragraphs (4) and (5) of such section 721(h) of this title. As used in this subparagraph,

the term "railroad in reorganization" includes any railroad which is controlled by a railroad in reorganization but is not itself subject to a bankruptcy proceeding, if such railroad conveyed substantially all of its rail properties to the Corporation pursuant to paragraph (1) of this subsection and conducted operations over such rail properties prior to the date of such conveyance.

(c) Findings and distribution

(1) After the rail properties have been conveyed to the Corporation or any subsidiary thereof, profitable railroads operating in the region, States, and responsible persons under subsection (b) of this section, the special court, giving due consideration to the findings contained in the final system plan, shall decide—

(A) whether the transfers or conveyances—

(i) of rail properties of each railroad in reorganization, or of each railroad leased, operated, or controlled by a railroad in reorganization, to the Corporation or any subsidiary thereof in exchange for the certificates of value and the other benefits accruing to such railroad as a result of such exchange (taking into consideration compensable unconstitutional erosion, if any, which the special court finds to have occurred in the estate of each such railroad, during the bankruptcy proceeding with respect to such railroad) as provided in the final system plan and this chapter, and

(ii) of rail properties of each railroad in reorganization, or of each railroad leased, operated, or controlled by a railroad in reorganization, to a profitable railroad operating in the region in exchange for compensation and other benefits accruing to such transferor as a result of such exchange (taking into consideration compensable unconstitutional erosion, if any, which the special court finds to have occurred in the estate of each such railroad, during the bankruptcy proceeding with respect to such railroad) State, or responsible person in accordance with the final system plan,

are in the public interest and are fair and equitable to the estate of each railroad in reorganization in accordance with the standard of fairness and equity applicable to the approval of a plan of reorganization or a step in such a plan under section 77 of the Bankruptcy Act, or fair and equitable to a railroad that is not itself in reorganization but which is leased, operated, or controlled by a railroad in reorganization;

(B) whether the transfers or conveyances are more fair and equitable than is required as a constitutional minimum; and

(C) what portion of the proceeds received by a railroad in reorganization from an entity other than the Corporation or any subsidiary thereof for the sale, lease, or transfer of property subject to an agreement under section 723 or section 725(a)(1) or (2) of this title reflects value attributable to the maintenance or improvement provided pursuant to the agreement.

(2) If the special court finds that the terms of one or more exchanges for certificates of value

and other benefits are not fair and equitable to an estate of a railroad in reorganization, or to a railroad leased, operated, or controlled by a railroad in reorganization (taking into consideration compensable unconstitutional erosion, if any, which the special court finds to have occurred in the estate of each such railroad, during the bankruptcy proceeding with respect to such railroad), which has transferred rail properties pursuant to the final system plan, it may—

(A) enter a judgment reallocating the certificates of value in a fair and equitable manner if they have not been fairly allocated among the railroads transferring rail properties to the Corporation or any subsidiary thereof, except that one certificate of value shall be allocated to each such railroad; and

(B) if the lack of fairness and equity cannot be completely cured by a reallocation of the certificates of value, order the Corporation to provide for the transfer to the railroad of certificates of value issued by the Association as designated in the final system plan in such nature and amount as would make the exchange or exchanges fair and equitable; and

(C) enter a judgment against the Corporation if the judgment would not endanger the viability or solvency of the Corporation.

(3) If the special court finds that the terms of one or more conveyances of rail properties to a profitable railroad operating in the region, State, or responsible person in accordance with the final system plan are not fair and equitable, it shall enter a judgment against such profitable railroad, State, or responsible person. If the special court finds that the terms of one or more conveyances or exchanges for certificates of value or other benefits are fairer and more equitable than is required as a constitutional minimum, then it shall order the return of any excess certificates of value, or compensation to the Corporation or a profitable railroad, State, or responsible person so as not to exceed the constitutional minimum standard of fairness and equity. The special court shall also find the amount of the payments, if any, which each profitable railroad has made on behalf of a transferor railroad in reorganization in accordance with section 721(h) of this title, for which payment the profitable railroad has not been reimbursed, as provided in section 721(h) of this title. Notwithstanding any other provision of this paragraph or of paragraph (4), the special court shall order the return to any such profitable railroad from compensation deposited by such profitable railroad pursuant to subsection (a)(2) of this section, of any such amount so found together with interest at the rate provided in section 721(h) of this title. In making any finding under this paragraph, the special court shall take into consideration compensable unconstitutional erosion, if any, which it finds to have occurred in the estate of a railroad in reorganization in the region, or of a railroad leased, operated, or controlled by such a railroad, during the bankruptcy proceeding with respect to such railroad.

(4) Upon making the findings referred to in this subsection, the special court shall order distribution of the certificates of value and com-

ensation deposited with it under subsection (a) of this section to the trustee or trustees of each railroad in reorganization in the region and to persons leased, operated, or controlled by such railroads who so transferred or conveyed rail properties who conveyed right, title, and interest in rail properties to the Corporation and the respective profitable railroads, States, and responsible persons under such subsection.

(5) Whenever the special court, pursuant to subsection (b)(1) of this section, orders the transfer or conveyance of rail properties—

(A) designated under section 716(c)(1)(C) or (D) of this title, to the Corporation or any subsidiary thereof, the United States shall indemnify the Corporation against any costs or liabilities imposed on the Corporation as the result of any judgment entered against the Corporation, with respect to such properties, under paragraph (2) of this subsection; and

(B) to the National Railroad Passenger Corporation, a profitable railroad operating in the region, a State, or any other responsible person (including a governmental entity), the United States shall indemnify such Corporation, railroad, State, or person against any costs or liabilities imposed thereon as the result of any judgment entered against such Corporation, railroad, State, or person under paragraph (3) of this subsection;

plus interest on the amount of such judgment at such rate as is constitutionally required. The United States may, in its discretion, represent the Corporation or the National Railroad Passenger Corporation, such profitable railroad, State or responsible person, in any proceedings before the special court that could result in such a judgment against the Corporation under paragraph (2) of this subsection or against the National Railroad Passenger Corporation, such profitable railroad, State or responsible person, under paragraph (3) of this subsection. The Corporation, the National Railroad Passenger Corporation, any profitable railroad, State, or responsible person, which is represented by the United States of America shall cooperate diligently in whatever manner the United States shall reasonably request of it in connection with such proceedings. Neither the Corporation, or its subsidiaries, nor the National Railroad Passenger Corporation, any profitable railroad, State or responsible person, shall be obligated to reimburse the United States for any moneys paid by the United States pursuant to this section.

(6) Whenever the Corporation exercises an option to acquire, or acquires, interests in rail marine freight floating equipment pursuant to the recommendations of the final system plan, and the Corporation thereafter makes such floating equipment available to a profitable railroad operating in the region, a State, or a responsible person including³ a governmental entity), the United States shall indemnify—

(A) the Corporation against any costs or liabilities imposed on the Corporation as the result of any judgment entered against it, with respect to such equipment, under paragraph (2) of this subsection; and

³ So in original. Probably should be "(including)".

(B) such profitable railroad, State, or responsible person against any costs or liabilities imposed thereon as the result of any judgment entered against such profitable railroads, State, or responsible person under paragraph (3) of this subsection,

plus interest on the amount of such judgment at such rate as is constitutionally required.

(d) Appeal

An order or judgment entered by the United States District Court for the District of Columbia pursuant to subsection (c) of this section or section 746 of this title shall be reviewable in accordance with sections 1291, 1292, and 1294 of title 28.

(e) Transfer and other taxes and recording fees

All transfers or conveyances of rail properties (whether real, personal, or mixed) which are made under this chapter (including transfers and conveyances which are made in accordance with a supplemental transaction pursuant to section 745 of this title or which are made at any time to carry out the purposes of section 791(d) of this title) shall be exempt from any taxes, imposts, or levies now or hereafter imposed, by the United States or by any State or any political subdivision of a State, on or in connection with such transfers or conveyances or on the recording of deeds, bills of sale, liens, encumbrances, or other instruments evidencing, effectuating, or incident to any such transfers or conveyances, whether imposed on the transferor or on the transferee. Such transferors and transferees shall be entitled to record any such deeds, bills of sale, liens, encumbrances, or other instruments and, consistent with the designations and applicable principles in the final system plan, to record the release or removal of any pre-existing liens or encumbrances of record with respect to properties so transferred or conveyed, upon payment of any appropriate and generally applicable charges to compensate for the cost of the service performed.

Title IV of the Employee Retirement Income Security Act of 1974 is classified principally to subchapter III (§1301 et seq.) of chapter 18 of Title 29, Labor. CODIFICATION

The amendments made by section 612(i)(4) of Pub. L. 94-210 could be read as substituting "certificates of value" for "obligations" in subsecs. (b)(3)(A), (b)(5), and (b)(6), as added by section 612(a) and (l) of Pub. L. 94-210. However, this substitution is not appropriate in the context of the new subsecs. (b)(3)(A), (b)(5), and (b)(6).

"(1) as affecting the jurisdiction of the district court having jurisdiction over such a railroad in reorganization to determine whether such insurance premiums and benefits constitute enforceable contractual obligations of the estate of such a railroad for purposes of reimbursement under such section 211(h) [section 721(h) of this title]; or

"(2) as establishing or reordering any priority which a claim against the estate of such a railroad for reimbursement for the amounts paid for such insurance premiums and benefits may or may not have under the provisions of the Bankruptcy Act [section 1 et seq. of former Title 11, Bankruptcy] or any other law."

§ 744. Termination and continuation of rail services

(a) Discontinuance

(1) Except as provided in subsections (c) and (f) of this section, rail service on rail properties of

a railroad in reorganization in the region, or of a person leased, operated, or controlled by such a railroad, which transfers to the Corporation or to profitable railroads operating in the region all or substantially all of its rail properties designated for such conveyance in the final system plan, and rail service on rail properties of a profitable railroad operating in the region which transfers substantially all of its rail properties to the Corporation or to other railroads pursuant to the final system plan, may be discontinued, to the extent such discontinuance is not precluded by the terms of the leases and agreements referred to in section 743(b)(2) of this title, if—

(A) the final system plan does not designate rail service to be operated over such rail properties;

(B) not sooner than 30 days following the effective date of the final system plan, the trustee or trustees of the applicable railroad in reorganization or a profitable railroad give notice in writing of intent to discontinue such service on a date certain which is not less than 60 days after the date of such notice or on the date of any conveyance ordered by the special court pursuant to section 743(b)(1) of this title, whichever is later; and

(C) the notice required by subparagraph (B) of this paragraph is sent by certified mail to the Commission; to the chief executive officer, the transportation agencies, and the government of each political subdivision of each State in which such rail properties are located; and to each shipper who has used such rail service during the previous 12 months.

(2)(A) If rail properties are not, in accordance with the designations in the final system plan, required to be operated, as a consequence of a recommended arrangement for joint use or operation of rail properties (under section 716(g) of this title) or as part of a coordination project (under sections 716(c) and (g) of this title), rail service on such properties may be discontinued, subsequent to the date of conveyance of rail properties pursuant to such section 743(b)(1) of this title, if the Commission determines that such rail service on such rail properties is not compensatory and if—

(i) the petitioner and any other railroad involved in such arrangement or coordination project have, prior to filing an application for such discontinuance, entered into a binding agreement (effective on or before the effective date of such discontinuance) to carry out such arrangement or project;

(ii) such application is filed with the Commission not later than 1 year after the effective date of the final system plan; and

(iii) such discontinuance is not precluded by the terms of the leases and agreements referred to in such section 743(b)(2).

(B) For purposes of this paragraph, rail service on rail properties is compensatory if the revenue attributable to such properties from such service equals or exceeds the sum of the avoidable costs of providing such service on such properties plus a reasonable return on the value of such rail properties, as determined in accord-

ance with the standards developed pursuant to section 10362(b)(6)¹ of title 49.

(C) The Commission shall make its final determination, with respect to any discontinuance requested under this paragraph, not later than 120 days after the date of filing of an application therefor. The applicant shall have the burden of proving that the service involved is not compensatory. If the Commission fails to make a final determination within such time, the application shall be deemed to be granted.

(D) The Commission may issue such rules, regulations, and procedures as it deems necessary for the conduct of its functions under this paragraph.

(b) Abandonment

(1) Except as provided in subsections (c) and (f) of this section, rail properties over which rail service has been discontinued under subsection (a) of this section may not be abandoned sooner than 120 days after the effective date of the discontinuance. Thereafter, except as provided in subsection (c) of this section, such rail properties may be abandoned upon 30 days' notice in writing to any person (including a government entity) required to receive notice under subsection (a)(1)(C) of this section.

(2) In any case in which rail properties proposed to be abandoned under this section are designated by the final system plan as rail properties which are suitable for use for other public purposes (including roads or highways, other forms of mass transportation, conservation, and recreation), such rail properties shall not be sold, leased, exchanged, or otherwise disposed of during the 240-day period beginning on the date of notice of proposed abandonment under this section unless such rail properties have first been offered, upon reasonable terms, for acquisition for public purposes.

(3) Rail service may be discontinued, under subsection (a) of this section, and rail properties may be abandoned, under this section, notwithstanding any provision of part A of subtitle IV of title 49, the constitution or law of any State, or the decision of any court or administrative agency of the United States or of any State.

(c) Continuation of rail services

No rail service may be discontinued and no rail properties may be abandoned, pursuant to this section—

(1) in the case of service and properties referred to in subsections (a)(1) and (b)(1) of this section, after 2 years from the effective date of the final system plan or more than 2 years after the date on which the final rail service continuation payment is received, whichever is later; or

(2) if a financially responsible person (including a government entity) offers—

(A) to provide a rail service continuation payment which is designed to cover the difference between the revenue attributable to such rail properties and the avoidable costs of providing rail service on such properties, together with a reasonable return on the value of such properties;

(B) to provide a rail service continuation payment which is payable pursuant to a

lease or agreement with a State or with a local or regional transportation authority under which financial support was being provided on January 2, 1974 for the continuation of rail passenger service; or

(C) to purchase, pursuant to subsection (f) of this section, such rail properties in order to operate rail services thereon.

If a rail service continuation payment is offered, pursuant to paragraph (2)(A) of this subsection, for both freight and passenger service on the same rail properties, the owner of such properties may not be entitled to more than one payment of a reasonable return on the value of such properties.

(d) Rail freight service

(1) If a rail service continuation payment is offered, pursuant to subsection (c)(2)(A) of this section, for rail freight service, the person offering such payment shall designate the operator of such service and enter into an operating agreement with such operator. The person offering such payment shall designate as the operator of such service—

(A) the Corporation, if rail properties of the Corporation connect with the line of railroad involved, unless the Commission determines that such rail service continuation could be performed more efficiently and economically by another railroad;

(B) any other railroad whose rail properties connect with such line, if the Corporation's rail properties do not so connect or if the Commission makes a determination in accordance with subparagraph (A) of this paragraph; or

(C) any responsible person (including a government entity) which is willing to operate rail service over such rail properties.

A designated railroad may refuse to enter into such an operating agreement only if the Commission determines, on petition by any affected party, that the agreement would substantially impair such railroad's ability to serve adequately its own patrons or to meet its outstanding common carrier obligations. The designated operator shall, pursuant to each such operating agreement (i) be obligated to operate rail freight service on such rail properties, and (ii) be entitled to receive, from the person offering such payment, the difference between the revenue attributable to such properties and the avoidable costs of providing service on such rail properties, together with a reasonable management fee, as determined by the Office.

(2) The trustees of a railroad in reorganization shall permit rail service to be continued on any rail properties with respect to which a rail service continuation payment operating agreement has been entered into under this subsection. Such trustees shall receive a reasonable return on the value of such properties, as determined in accordance with the standards developed pursuant to section 10362(b)(6)¹ of title 49.

(3) If necessary to prevent any disruption or loss of rail service, at any time after the date of conveyance, pursuant to section 743(b)(1) of this title, the Commission shall take such action as may be appropriate under its existing authority

¹ See References in Text note below.

(including the enforcement of common carrier requirements applicable to railroads in reorganization in the region) to ensure compliance with obligations imposed under this subsection. The district courts of the United States shall have jurisdiction, upon petition by the Commission or any interested person (including a government entity), to enforce any order of the Commission issued pursuant to the exercise of its authority under this subsection, or to enjoin any designated entity or the trustees of a railroad in reorganization in the region from refusing to comply with the provisions of this subsection.

(4) No determination of reasonable payment for the use of rail properties of a railroad in reorganization in the region, and no determination of value of rail properties of such a railroad (including supporting or related documents or reports of any kind) which is made in connection with any lease agreement, contract of sale, or other agreement or understanding which is entered into after October 19, 1976—

(A) pursuant to this section; or

(B) pursuant to section 762¹ of this title or section 17¹ of the Federal Transit Act (49 U.S.C. 1613),

shall be admitted as evidence, or used for any other purpose, in any civil action, or any other proceeding for damages or compensation, arising under this chapter.

(e) Rail passenger service

(1) The Corporation (or a profitable railroad) shall provide rail passenger service for a period of 180 days immediately following the date of conveyance (pursuant to section 743(b)(1) of this title), with respect to any rail properties over which a railroad in reorganization in the region, or a person leased, operated, or controlled by such a railroad, was providing rail passenger service immediately prior to such date of conveyance. Such service shall be provided on such properties regardless of whether or not such properties are designated in the final system plan as rail properties over which rail service is required to be operated, except with respect to properties over which such service is provided by the National Railroad Passenger Corporation.

(2) If a State (or a local or regional transportation authority) was providing financial assistance to support the operation of rail passenger service, pursuant to a lease or agreement which was in effect immediately prior to the date of conveyance (pursuant to such section 743(b)(1) of this title), the Corporation (or a profitable railroad) shall be bound by the service provisions of such lease or agreement for the duration of the 180-day mandatory operation period specified in paragraph (1) of this subsection. If a State or such an authority was providing financial assistance for the continuation of rail passenger service on rail properties immediately prior to such date of conveyance, it shall provide the same level of financial assistance during such 180-day mandatory operation period. If no such financial assistance was being provided or if no such lease or agreement was in effect immediately prior to such date of conveyance, with respect to any such rail properties, the Corporation (or a prof-

itable railroad) shall provide the same level of rail passenger service, for the duration of such 180-day mandatory operation period, that was provided prior to such date by the applicable railroad. If—

(A) such financial assistance is not provided;

(B) a State (or a local or regional transportation authority) has not, by the end of such 180-day mandatory operation period, offered a rail service continuation payment pursuant to subsection (c)(2)(A) of this section;

(C) an applicable rail service continuation payment pursuant to such subsection (c)(2)(A) of this section is not paid when it is due; or

(D) a payment required under a lease or agreement, pursuant to section 743(b)(2) of this title or subsection (c)(2)(B) of this section, is not paid when it is due,

the Corporation (or, where applicable, the National Railroad Passenger Corporation, a profitable railroad, or the trustee or trustees of a railroad in reorganization in the region) may (i) discontinue such rail passenger service, and (ii) with respect to rail properties not designated for inclusion in the final system plan, abandon such properties pursuant to subsections (a) and (b) of this section.

(3) Nothing in this subsection shall be construed to affect the obligation of the Corporation (or a profitable railroad), or of the trustees of the railroads in reorganization in the region, to provide rail passenger service pursuant to section 743(b)(2) of this title or subsection (c)(2)(B) of this section.

(4) If a State (or a local or regional transportation authority)—

(A) offers a rail service continuation payment, pursuant to subsection (c)(2)(A) of the² section, for the operation of rail passenger service after the 180-day mandatory operation period, and

(B) provides compensation, pursuant to paragraph (2) of this subsection, for operations conducted during the 180-day mandatory operation period; or

(C) offers a rail service continuation payment, pursuant to subsection (c)(2)(A) of this section, for the operation of rail passenger service provided under an agreement or lease pursuant to section 743(b)(2) of this title or subsection (c)(2)(B) of this section where such offer is made for the continuation of the service beyond the period required by such agreement or lease, except that such services shall not be eligible for assistance under section 17(a)(2)³ of the Federal Transit Act (49 U.S.C. 1613(a)(2)),

the Corporation (or a profitable railroad) shall continue to provide such service after the end of such period, except as otherwise provided in this subsection.

(5)(A) The Secretary shall reimburse the Corporation (or a profitable railroad) for any loss which is incurred by it during the 180-day mandatory operation period specified in paragraph (1) of this subsection which is not compensated for by a State (or a local or regional transpor-

tation authority). The amount of such reimbursement shall be determined pursuant to section 17(a)(1)³ of the Federal Transit Act.

(B) The Secretary shall reimburse States, local public bodies, and agencies thereof for additional costs incurred by such States, bodies, and agencies for rail service continuation payments for rail passenger service pursuant to section 17(a)(2)³ of the Federal Transit Act.

(C) For purposes of the obligation of the Secretary to reimburse the Corporation (or a profitable railroad) or States, local public bodies, and agencies thereof under subparagraphs (A) and (B) of this paragraph, the level of rail passenger service shall be determined on the basis of train miles, car miles, or some other appropriate indicia of scheduled train movements. Programs to correct deferred maintenance on rolling stock, right-of-way, and other facilities which are designed to maintain service, meet on-time performance, and maintain a reasonable degree of passenger comfort (and costs incurred incident thereto) shall be included within the meaning of the term "loss" as used in subparagraph (A) of this paragraph and within the meaning of the term "additional costs" as used in subparagraph (B) of this paragraph and section 17(a)(2)³ of the Federal Transit Act (49 U.S.C. 1613(a)(2)).

(D) If a dispute arises with respect to the application of any such regulations, the parties to such dispute may submit such dispute to arbitration by a third party. If the parties are unable to agree upon the selection of an arbitrator, the Chairman of the Commission shall serve in that capacity (except as to matters required to be decided by the Commission, pursuant to section 562(a) of this title).

(6) Notwithstanding any other provision of this subsection, the Corporation is not obligated to provide rail passenger service on rail properties if a State (or a local or regional transportation authority) contracts for such service to be provided on such properties by an operator other than the Corporation, except that the Corporation shall, where appropriate, provide such operator with access to such properties for such purpose.

(7)(A) If a State (or a local or regional transportation authority) in the region offers to provide payment for the provision of additional rail passenger service, the Corporation shall undertake to provide such service pursuant to this subsection (including the discontinuance provisions of paragraph (2) of this subsection). An offer to provide payment for the provision of additional rail passenger service shall be made in accordance with subsection (c)(2)(A) of this section, and shall be designed to avoid any additional costs to the Corporation arising from the construction or modification of capital facilities or from any additional operating delays or costs arising from the absence of such construction or modification. The State (or local or regional transportation authority) shall demonstrate that it has acquired, leased, or otherwise obtained access to all rail properties, other than those designated for conveyance to the National Railroad Passenger Corporation pursuant to sections 716(c)(1)(C) and 716(c)(1)(D) of this title and to the Corporation pursuant to section 743(b)(1) of this title, necessary to provide the additional

rail passenger service and that it has completed, or will complete prior to the inception of the additional rail service, all capital improvements necessary to avoid significant costs which cannot be avoided by improved scheduling or other means on other existing rail services (including rail freight service) and to assure that the additional service will not detract from the level and quality of existing rail passenger and freight service.

(B) As used in this paragraph, the term "additional rail passenger service" means rail passenger service (other than rail passenger service provided pursuant to the provisions of paragraphs (2) and (4) of this subsection), including extended or expanded service and modified routings, which is to be provided over rail properties conveyed to the Corporation pursuant to section 743(b)(1) of this title, or over (i) rail properties contiguous thereto conveyed to the National Railroad Passenger Corporation pursuant to this chapter, or (ii) any other rail properties contiguous thereto to which a State (or local or regional transportation authority) has obtained access.

(C) Notwithstanding any other provision of this paragraph, the Corporation shall not be required to operate additional rail passenger service over rail properties leased or acquired from or owned or leased by a profitable railroad in the region.

(8) The Secretary shall, in consultation with the Association, conduct a study to determine the best means of compensating the Corporation for liabilities which it may incur for damages to persons or property, resulting from the operation of rail passenger service required to be operated pursuant to this subsection or section 743(b)(2) of this title, which are not underwritten by private insurance carriers or are not indemnified by a State (or local or regional transportation authority). Such study shall identify the nature of the risks to the Corporation, the probable degree of uninsurability of such risks, and the desirability and feasibility of various indemnification programs, including subsidy offers made pursuant to this section, self-insurance through a passenger tax or other mechanism, or government indemnification for such liabilities. Within one year after November 8, 1978, the Secretary shall prepare a report with appropriate recommendations and shall submit such report to the Congress. Such report shall specify the most appropriate means of indemnifying the Corporation for such liabilities in a manner which shall prevent the cross-subsidization of passenger services with revenues from freight services operated by the Corporation.

(f) Purchase

If an offer to purchase is made under subsection (c)(2)(C) of this section, such offer shall be accompanied by an offer of a rail service continuation payment. Such payment shall continue until the purchase transaction is completed, unless a railroad assumes operations over such rail properties of its own account pursuant to an order or authorization of the Commission. Whenever a railroad in reorganization in the region or a profitable railroad gives notice of intent to discontinue service pursuant to

subsection (a) of this section, such railroad shall, upon the request of anyone apparently qualified to make an offer to purchase or to provide a rail service continuation payment, promptly make available its most recent reports on the physical condition of such property, together with such traffic and revenue data as would be required under subpart B of part 1121 of chapter X of title 49 of the Code of Federal Regulations and such other data as are necessary to ascertain the avoidable costs of providing service over such rail properties.

(g) Abandonment by Corporation

After the rail system to be operated by the Corporation or a subsidiary thereof under the final system plan has been in operation for 2 years, the Commission may authorize the Corporation or a subsidiary thereof to abandon any rail properties as to which it determines that rail service over such properties is not required by the public convenience and necessity, if the Corporation or a subsidiary thereof can demonstrate that no State (or local or regional transportation authority) is willing to offer a rail service continuation payment pursuant to subsection (c) of this section. The Commission may, at any time after the effective date of the final system plan, authorize additional rail service in the region or authorize the abandonment of rail properties which are not being operated by the Corporation or any subsidiary or affiliate thereof or by any other person. Determinations by the Commission under this subsection shall be made pursuant to applicable provisions of part A of subtitle IV of title 49.

(h) Interim abandonment

After February 5, 1976, and prior to the date of conveyance (pursuant to section 743(b)(1) of this title), no railroad in reorganization in the region may discontinue service or abandon any line of railroad other than in accordance with the provisions of this chapter, unless (1) it is authorized to do so by the Association, and (2) no affected State (or local or regional transportation authority) reasonably opposes such action, notwithstanding any provision of any other Federal law, the constitution or law of any State, or the decision or order of, or the pendency of any proceeding before any Federal or State court, agency, or authority.

(i) Disposition of designated rail properties

No railroad in reorganization in the region and no person leased, operated or controlled by such a railroad shall sell, transfer, encumber, or otherwise dispose of rail property, or any right or interest therein, designated for transfer to the Corporation or conveyance to a profitable railroad in the final system plan, except pursuant to section 743(b) of this title. The provisions of this subsection shall not apply to any such sale, transfer, encumbrance, or other disposition—

(1) as to which the Association generally or specifically consents in writing;

(2) which, prior to February 5, 1976, had been specifically approved by a United States district court having jurisdiction over the reorganization of a railroad in reorganization under section 77 of the Bankruptcy Act; or

(3) following certification to the special court, pursuant to section 719(c) of this title, of any such rail properties not previously so certified.

§ 745. Continuing reorganization; supplemental transactions

(a) Proposals

If the Secretary or the Association determines that, as part of continuing reorganization, further restructuring of rail properties in the region through transactions supplemental to the final system plan would promote the establishment and retention of a financially self-sustaining rail service system in the region adequate to meet the needs of the region, the Secretary or the Association, as the case may be, may develop proposals for such supplemental transactions as are necessary or appropriate to implement the needed restructuring. Transfers of rail properties included in proposals developed by the Association shall be limited to (1) rail properties which would have qualified for designation under section 716(c)(1)(A) of this title but which were not transferred or conveyed under the final system plan, and which the Association finds to be essential to the efficient operations of the Corporation, and (2) transfers, consistent with the final system plan, of rail properties from the Corporation to a subsidiary thereof. Each proposal (other than a proposal developed by the Association) shall be submitted in writing to the Association and shall state and describe any transactions proposed, the rail properties involved, the parties to such transactions, the financial and other terms of such transactions, the purposes of the chapter or the goals of the final system plan intended to be effectuated by such transactions, and such other information incidental thereto as the Association may prescribe. Within 10 days after receipt of a proposal developed by the Secretary, and upon

the development of a proposal developed by the Association, the Association shall publish a summary of such proposal in the Federal Register, and shall afford interested persons (including the Corporation when property is to be transferred to or from the Corporation) an opportunity to comment thereon.

(b) Evaluation by Association

The Association shall analyze each proposal containing one or more supplemental transactions, taking into account the comments of interested persons and statements and exhibits submitted at any public hearings which may have been held. The Association shall, within 120 days after the publication of a summary thereof under subsection (a) of this section, publish in the Federal Register a report evaluating such proposal. Such evaluation shall state whether the supplemental transactions contained in such proposal, considered in their entirety, are (1) in the public interest and consistent with the purposes of this chapter and the goals of the final system plan, and (2) fair and equitable. If the Corporation opposes, or seeks modification of, any such proposed transfer, its written comments shall be given due consideration by the Association and shall be published as part of the evaluation. Within 30 days after the Association publishes its report, each proposed transferor or transferee shall notify the Association in writing as to whether any proposed supplemental transaction requiring the transfer of any property from or to such transferor or transferee is acceptable to such proposed transferor or transferee. If any such proposed transferor (other than the Corporation) or transferee fails to notify the Association that any proposed supplemental transaction requiring the transfer of any property from such transferor or to such transferee is acceptable to it, no further administrative or judicial proceedings shall be conducted with respect to such proposed supplemental transaction.

(c) Review by Commission

Within 90 days after the publication in the Federal Register of each report referred to in subsection (b) of this section, the Commission shall determine whether the supplemental transactions referred to in the report, considered in their entirety, would be in the public interest and consistent with the purposes of this chapter and the goals of the final system plan. In making such determination, the Commission shall give due consideration to the views received by it, within 30 days after the publication of the applicable report, from the Corporation and the Secretary. The Commission may condition its approval of such supplemental transactions on such reasonable terms and conditions as it may deem necessary in the public interest. The approval by the Commission of such supplemental transactions shall not be a prerequisite to the consummation of such transactions, but any determination of the Commission modifying, approving, or disapproving any proposed supplemental transactions shall be given due weight and consideration by the special court in the proceedings prescribed in subsection (d) of this section. If the Commission fails to act within the time period provided in this subsection,

the supplemental transactions involved shall be deemed to have been approved by the Commission. The Commission may prescribe such regulations as may be necessary for the administration of this section.

(d) Special court proceedings

(1) If the Association has made the determination pursuant to subsection (b) of this section that a proposal for supplemental transactions is in the public interest and consistent with the purposes of this chapter and the goals of the final system plan, and is fair and equitable, the Association shall, within 40 days after the date of the Commission's determination under subsection (c) of this section, or after the expiration of the 90-day period referred to in such subsection (c) of this section, whichever is applicable, petition the special court for an order of such court finding that such proposal for supplemental transactions is in the public interest and consistent with the purposes of this chapter and the goals of the final system plan, and is fair and equitable, and directing the Corporation to carry out the supplemental transactions specified in such proposal. If the Association has determined, pursuant to subsection (b) of this section that a proposal made by the Secretary is not in the public interest or is not consistent with the purposes of this chapter and the goals of the final system plan or is not fair and equitable, the Secretary may, if he determines that such proposal is in the public interest and consistent with the purposes of this chapter and the goals of the final system plan and is fair and equitable, petition the special court for an order of such court finding that such proposal for supplemental transactions is in the public interest and consistent with the purposes of this chapter and the goals of the final system plan and is fair and equitable, and directing the Corporation to carry out any supplemental transactions specified in such proposal. Such a petition shall be submitted to the special court within 90 days after the date of the Commission's determination under such subsection (c) of this section, or after the expiration of the 90-day period referred to in such subsection (c) of this section, whichever is applicable.

(2) After the filing of a petition under paragraph (1) of this subsection, the special court shall decide, after a hearing, whether the proposed supplemental transactions contained in such petition, considered in their entirety, are in the public interest and consistent with the purposes of this chapter and the goals of the final system plan and are fair and equitable. If the special court determines that such proposed supplemental transactions, considered in their entirety, are in the public interest and consistent with the purposes of this chapter and the goals of the final system plan and are fair and equitable, it shall, upon making such determination, issue such orders as may be necessary to direct the Corporation to consummate the transactions. If the special court determines that such proposed supplemental transactions, considered in their entirety, are not in the public interest or not consistent with the purposes of this chapter and the goals of the final system plan, or are not fair and equitable, it shall file

an opinion stating its conclusion and the reasons therefor. In such event the Association (in the case of a proposal developed by the Association) or the Secretary (in the case of a proposal developed by the Secretary) may, within 120 days after the filing of such opinion, certify to the special court that the terms and conditions of the proposal have been modified consistent with the opinion of the court and are acceptable to each proposed transferor (other than the Corporation) or transferee, and may petition the special court for reconsideration of the proposal as so modified. After the filing of such petition, the special court shall decide, after a hearing, whether the proposal as modified by the certification is in the public interest and consistent with the purposes of this chapter and the goals of the final system plan and is fair and equitable, and shall enter such further orders as are consistent with its determination.

(3) The Corporation is authorized to petition the special court and to be represented regarding any proposed supplemental transaction, contained in a proposal developed by either the Association or the Secretary, which involves the properties of the Corporation.

(4) In proceedings under this subsection, the special court is authorized to exercise the powers of a reorganization court.

(5) Any evaluation by the Association, the Secretary, or the Commission shall not be reviewable in any court except the special court in accordance with the provisions of this section. The supplemental transactions shall not be restrained or enjoined by any court nor shall they be otherwise reviewable by any court other than by the special court to the extent provided in this section.

(6) Notwithstanding any other provision of this chapter, no findings, determinations, or proceedings shall be required with respect to any proposal for supplemental transactions other than as expressly set forth in this section.

(7) Repealed. Pub. L. 97-35, title XI, §1155(b), Aug. 13, 1981, 95 Stat. 679.

(8) A final order or judgment of the special court entering or denying an order pursuant to this subsection shall be reviewable in the same manner as provided in section 719(e)(3) of this title.

(e) "Fair and equitable" defined

As used in this section, the term "fair and equitable" means fair and equitable, in accordance with the standards applicable to the approval of a plan of reorganization (or a step in such plan) under section 77 of the Bankruptcy Act¹ to—

(1) the estates of railroads in reorganization in the region and persons leased, operated, or controlled by such railroads who have conveyed rail properties, under section 743(b)(1) of this title, in exchange for securities of the Corporation, the Association, or profitable railroads and other benefits provided as a consequence of this chapter and to any subsequent holders of such securities at the time of the supplemental transaction involved; and

(2) the holders of other securities of the Corporation.

¹ See References in Text note below.

Whenever any property or securities of the Corporation are required to be valued in order to determine whether the terms of a supplemental transaction are fair and equitable, the special court shall give proper recognition to the contributions to the Corporation by all classes of security holders, except that such court shall not assign to the series B preferred stock or the common stock of the Corporation any values added to those securities, by reason of investment by the Association in debentures and series A preferred stock of the Corporation, in excess of any value required by constitutional principles applicable to a reorganization process.

(f) Expedited proposals

(1) Within 240 days after the effective date of the Staggers Rail Act of 1980, the Secretary, after providing an opportunity for comments from interested parties, shall determine whether to initiate a proposal for a supplemental transaction under this section for the transfer of all rail properties of the Corporation in the States of Connecticut and Rhode Island to another railroad in the region. If the Secretary determines that—

(A) the proposed transferee railroad is financially and operationally capable of assuming the freight operations and freight service obligations of the Corporation on a financially self-sustaining basis;

(B) the proposed transfer would promote the establishment and retention of a financially self-sustaining rail system in the States of Connecticut and Rhode Island adequate to meet the needs of such States; and

(C) the proposed transfer is consistent with the goals set forth in section 716(a)(8) of this title,

the Secretary shall develop such a proposal and may, after providing the Association, the Commission, and the States of Connecticut and Rhode Island an opportunity to review and comment on such proposal, petition the special court for an order to carry out such proposal.

(2)(A) Within 10 days after August 13, 1981, the Secretary shall initiate discussions and negotiations for the transfer of some or all of the Corporation's rail properties and freight service obligations in the States of Connecticut and Rhode Island to one or more parties under a plan which provides for continued rail freight service on all lines operated by the Corporation on August 13, 1981, for at least four years.

(B) Within 120 days after August 13, 1981, the Secretary shall petition the special court for an order to transfer all of the Corporation's rail properties and freight service obligations in the States of Connecticut and Rhode Island to one or more railroads in the Region—

(i) which have under subparagraph (A) of this paragraph completed negotiations and submitted to the Secretary a proposal to assume all of the freight operations and freight service obligations of the Corporation in such States on a financially self-sustaining basis for a period of at least four years; or

(ii) which have developed a proposal to assume all of the freight operations and freight service obligations of the Corporation in such

States under an agreement by and between the Corporation and such railroad or railroads; or

(iii) which have, prior to May 1, 1981, submitted a proposal to the Secretary for such a transfer.

For the purpose of this section, an order to transfer may include the Corporation if the Corporation agrees to maintain service over lines retained by the Corporation for four years.

(C) To permit efficient and effective rail operations consistent with the public interest, as a part of any transfer under paragraph (2)(B) of this subsection, the Secretary shall promote the transfer of additional non-mainline Corporation properties in adjoining States that connect with properties that are the subject of such transfer.

(D) The special court shall determine a fair and equitable price for the rail properties to be transferred under this subsection, and shall, unless the parties otherwise agree, establish divisions of joint rates for through routes over such properties which are fair and equitable to the parties. The special court shall establish a method to ensure that such divisions are promptly paid.

(E) Notwithstanding any other provision of law or agreement in effect on May 1, 1981, the special court shall require that the railroad or railroads to which properties are to be transferred under this subsection assume all charges payable by the Corporation to Amtrak for the carriage of property by rail over those portions of the Northeast Corridor in Connecticut and Rhode Island. If the Corporation operates any rail freight service over those portions of the Northeast Corridor in Connecticut and Rhode Island after the date of such transfer, the Corporation shall pay Amtrak any compensation that may be separately agreed upon by the Corporation and Amtrak, and the railroad or railroads to which properties are transferred under this subsection shall not be obligated to pay any compensation owed by the Corporation to Amtrak for such post-transfer operations by the Corporation.

(3) If the special court determines that a proposal developed under this subsection is fair and equitable, meets the requirements of this subsection, and is in the public interest, it shall issue such orders as may be necessary to carry out such proposal. The provisions of paragraphs (2)–(6) of subsection (d) of this section shall apply to the determination of the special court under this subsection, except that the standards for such determination shall be those set forth in this paragraph.

(4)(A) Any employee who was protected by the compensatory provisions of subchapter V² of this chapter immediately prior to August 13, 1981, and who is deprived of employment as a result of the transfer of rail properties under this subsection shall be eligible for benefits under section 797² of this title.

(B) As used in this paragraph, “employee deprived of employment” means any employee who is unable to secure employment through the normal exercise of seniority rights, but does not include any employee who refuses an offer of

² See References in Text note below.

employment with a railroad acquiring properties under this subsection.

(g) Transfer of properties and freight service obligations of specific lines

(1) Within 20 days after August 13, 1981, the Secretary shall initiate discussions and negotiations for the expedited transfer of all properties and freight service obligations of the Corporation with respect to the following lines: Canaan, Connecticut, to Pittsfield, Massachusetts; North Adams Junction, Massachusetts, to North Adams, Massachusetts; Hazardville, Connecticut, to Springfield, Massachusetts; Westfield, Massachusetts, to Easthampton, Massachusetts; Westfield, Massachusetts, to Holyoke, Massachusetts.

(2) Within 120 days after August 13, 1981, the Secretary shall transfer, provided a qualified purchaser offers to purchase, the Corporation's properties and freight service obligations described in paragraph (1) of this subsection to another railroad or railroads in the Region which are determined by the Secretary to be qualified. A qualified purchaser is defined as a railroad financially self-sustaining which guarantees continuous service for at least four years.

(3) The Secretary shall determine a fair and equitable price for the rail properties to be transferred under this subsection, and shall, unless the parties otherwise agree, establish divisions of joint rates for through routes over such properties which are fair and equitable to the parties.

(4) The Secretary shall determine fair and equitable terms for the provision of such track-age rights, on segments of the Corporation's lines not to exceed 5 miles per line transferred, to acquiring carriers as may be necessary to operate such transferred lines in an efficient manner.

§ 746. Certificates of value

(a) General

On the date when the Corporation is required to deposit securities with the special court pursuant to section 743(a)(1) of this title, the Association shall deposit with the special court the certificates of value of the Association required by this section. The Secretary shall guarantee the payment of all certificates of value delivered in accordance with this subchapter. All guarantees entered by the Secretary under this section shall constitute general obligations of the United States of America for the payment or redemption of which its full faith and credit are pledged. Such guarantees shall be valid and incontestable except as to mutual mistake of fact or as to fraud or material misrepresentation by the holder of such certificates or the transferor of rail properties to which certificates of value of any series so guaranteed are issued.

(b) Number and distribution

A separate series of certificates of value shall be issued to each railroad in reorganization in the region and each person leased, operated, or controlled by such a railroad that transfers rail properties to the Corporation or a subsidiary thereof. The number of certificates of value of each series to be deposited pursuant to subsection (a) of this section shall be equal to the number of shares of series B preferred stock of the Corporation which are required to be deposited by the Corporation with the special court, pursuant to section 743(a)(1) of this title in exchange for the rail properties transferred to the Corporation or a subsidiary thereof by such transferor. Certificates of value of the appropriate series shall be distributed by the special court, pursuant to section 743(c)(4) of this title, at the same time to the same transferors, and in the same numbers of units as shares of such series B preferred stock are distributed to such transferor.

(c) Redemption

(1) Certificates of value, of any series, shall be redeemed by the Association on December 31, 1987, or on such earlier date as the Board of Directors of the Association and the Finance Committee jointly may determine and specify.

(2) Each certificate of value of each series shall be redeemable for an amount, payable in cash, equal to its base value on the redemption date, minus—

(A) the sum of the fair market value of the series B preferred stock applicable to such certificate, the fair market value of the common stock applicable to such certificate, and all cash dividends theretofore paid on any such series B preferred stock and on any such common stock; and

(B) any sums paid to a transferor of rail properties to whom such series of certificates of value was issued resulting from sales or leases by the Corporation of properties transferred to it by such transferor divided by the

number of certificates of value distributed to such transferor.

(3) The number of shares of series B preferred stock and common stock applicable to each certificate of value of any series, pursuant to paragraph (2) of this subsection, shall be—

(A) one share of series B preferred stock (adjusted to reflect any stock splits, stock combinations, reclassifications or similar transactions affecting the number of shares of outstanding series B preferred stock following the date of distribution pursuant to section 743(c)(4) of this title); and

(B) the number of shares of common stock determined by dividing the total number of shares of common stock distributed pursuant to section 743(c)(4) of this title to the transferor receiving such series of certificates of value (adjusted to reflect any stock splits, stock combinations, reclassifications, or similar transactions affecting the number of shares of outstanding common stock following the date of distribution pursuant to section 743(c)(4) of this title) by the total number of certificates of value in the series so distributed to such transferor.

(4) The base value of each certificate of value of any series shall be the value obtained by (A) taking the net liquidation value, as determined by the special court, to which the transferor to whom such series of certificates of value is issued is entitled by virtue of transfers of rail properties, under section 743(b)(1) of this title to the Corporation or a subsidiary thereof; (B) subtracting the value of other benefits provided under this chapter, as determined by the special court; (C) adding such amount, if any, as the special court may determine shall be required after taking into consideration compensable unconstitutional erosion, if any, in the estate of a railroad in reorganization, or of a railroad leased, operated, or controlled by such a railroad, which the special court finds to have occurred during any bankruptcy proceeding with respect to such railroad; (D) adding interest from the transfer date to the redemption date to be compounded annually at a rate of 8 percent per annum; and (E) dividing the resulting value by the number of certificates of value of such series distributed to such transferor. In determining such base value, the special court shall give due weight and consideration to the finding of the Association as to the net liquidation value to which each transferor is entitled by virtue of conveyances of rail properties under section 743(b)(1) of this title. For purposes of this paragraph, the term "rail properties" includes all rights with respect to employee benefit plans transferred and assigned to the Corporation pursuant to section 743(b)(6) of this title. Net liquidation value with respect to such rights shall be determined after taking into account all obligations finally transferred or assigned to the Corporation pursuant to such section.

(5) The fair market value of series B preferred stock and of common stock of the Corporation shall be determined in accordance with regulations prescribed by the Association, on the basis of the average price of each such security in the primary established market in which such secu-

rities are traded over a period of 120 consecutive trading days ending not less than 20 nor more than 40 trading days preceding the redemption date, or, in the case of a security for which there is not an established trading market, on the basis of the fair market value thereof as determined by the majority vote of three experts in the valuation of securities, one to be selected by the Association, one to be selected by the directors of the Corporation elected by the holders of the security to be valued, and one to be selected by the two first selected.

(d) Authorization of appropriations

There are authorized to be appropriated to the Secretary such sums as are necessary to discharge the obligations of the United States arising under this section.

§ 797a. Termination allowance

(a) General

The Corporation may terminate the employment of certain employees, in accordance with this section, upon the payment of an allowance of \$350 for each month of active service with the Corporation or with a railroad in reorganization, but in no event may any such termination allowance exceed \$25,000.

(b) Employment needs

Within 90 days after August 13, 1981, the Corporation shall determine, for each location, the number of employees that the Corporation intends to separate under subsection (a) of this section.

(c) Notification and separation procedure

(1) Within 90 days after August 13, 1981, the Corporation shall notify its employees of their rights and responsibilities under this section.

(2) Within 90 days after August 13, 1981, the Corporation shall notify each train and engine service employee eligible to be separated under paragraph (3) that such employee may be entitled to receive a separation payment under this section if such employee files a written request to be separated. Such notice may be revised from time to time.

(3) If the number of employees who request to be separated pursuant to paragraph (2) of this subsection is greater, in engine service at any location, and in train service at the location than the number of excess firemen and third brakemen, as determined by the Corporation, the Corporation shall separate the employees described in paragraph (2) of this subsection in order of seniority beginning with the most senior employee, until the excess firemen and second and third brakemen positions at that location, as determined by the Corporation, have been eliminated.

(d) Designated separations

If the number of employees who are separated pursuant to subsection (c)(3) of this section is less at any location than the number of excess firemen in freight and commuter service and second and third brakemen in freight service at such location, as determined by the Corporation, the Corporation may, after 210 days after August 13, 1981, designate for separation employees in engine service or train service respectively in inverse order of seniority, beginning with the most junior employee in active service at such location until the excess firemen in freight and commuter service and second and third brakemen in freight service, at that location have been eliminated. An employee designated under this subsection may choose (1) to furlough himself voluntarily, in which case the next most junior employee protected under the fireman manning or crew consist agreements or any other agreement or law, in the same craft or class at such location may be separated instead and receive the separation allowance, or (2) to exercise his seniority to another location, in

which case the Corporation may separate, under the provisions of this subsection, the next most junior protected employee in active service at the location to which seniority ultimately is exercised.

(e) Effect on positions

(1) The Corporation shall refrain from filling one fireman position in freight service, or in commuter service where applicable, for each employee in engine service separated in accordance with this section.

(2) The Corporation may refrain from filling one brakeman position in excess of one conductor and one brakeman on one crew in freight service for each employee in train service who is separated in accordance with this section.

(3) Positions permitted to be not filled under this subsection shall be not filled in different types of freight service actually operated at or from the location in a sequence to be agreed upon between the Corporation and the general chairman representative of classes or crafts of employees having jurisdiction over the positions to be not filled. If no such agreement is reached, the Corporation may designate the position to be not filled.

(4) Notwithstanding paragraphs (1) and (2) of this subsection, the Corporation shall retain all rights it has under any provision of law or agreement to refrain from filling any position of employment.

(f) Procedures

The Corporation and representatives of the various classes and crafts of employees to be separated may agree on procedures to implement this section, but the absence of such agreement shall not interfere with implementation of the separations authorized by this section.

(g) Commuter employees

The provisions of this section shall apply to the separation of firemen in commuter service, except that with respect to such employees the Corporation is required to make the separations authorized by this section.

For purposes of this section, a railroad shall not be considered to be hiring new employees when it recalls any of its own furloughed employees.

(b) Status

The first right of hire afforded to employees under this section shall be coequal to the first right of hire afforded under sections 907 and 1004 of this title.

(Pub. L. 93-236, title VII, §703, as added Pub. L. 97-35, title XI, §1143(a), Aug. 13, 1981, 95 Stat. 663.)

With respect to any craft or class of employees not covered by a collective bargaining agree-

Prior to the exercise of authority under this subsection, the Corporation shall negotiate an agreement with the representatives of the employees involved permitting such employees the right to follow their work.

(B) The cost of a direct loan shall be the net present value, at the time when the direct loan is disbursed, of the following estimated cash flows:

(i) Loan disbursements.

(ii) Repayments of principal.

(iii) Payments of interest and other payments by or to the Government over the life of the loan after adjusting for estimated defaults, prepayments, fees, penalties, and other recoveries.

Calculation of the cost of a direct loan shall include the effects of changes in loan terms resulting from the exercise by the borrower of an option included in the loan contract.

(C) The cost of a loan guarantee shall be the net present value, at the time when the guaranteed loan is disbursed, of the following estimated cash flows:

(i) Payments by the Government to cover defaults and delinquencies, interest subsidies, or other payments.

(ii) Payments to the Government, including origination and other fees, penalties, and recoveries.

Calculation of the cost of a loan guarantee shall include the effects of changes in loan terms resulting from the exercise by the guar-

anteed lender of an option included in the loan guarantee contract, or by the borrower of an option included in the guaranteed loan contract.

(D) The cost of a modification is the difference between the current estimate of the net present value of the remaining cash flows under the terms of a direct loan or loan guarantee contract, and the current estimate of the net present value of the remaining cash flows under the terms of the contract, as modified.

(E) In estimating net present values, the discount rate shall be the average interest rate on marketable Treasury securities of similar maturity to the cash flows of the direct loan or loan guarantee for which the estimate is being made.

(F) When funds are obligated for a direct loan or loan guarantee, the estimated cost shall be based on the current assumptions, adjusted to incorporate the terms of the loan contract, for the fiscal year in which the funds are obligated.

(2) The term “current” has the same meaning as in section 900(c)(9) of title 2.

(3) The term “direct loan” means a disbursement of funds by the Government to a non-Federal borrower under a contract that requires the repayment of such funds. The term includes the purchase of, or participation in, a loan made by another lender and financing arrangements that defer payment for more than 90 days, including the sale of a Government asset on credit terms. The term does not include the acquisition of a federally guaranteed loan in satisfaction of default claims.

(4) The term “direct loan obligation” means a binding agreement by the Secretary to make a direct loan when specified conditions are fulfilled by the borrower.

(5) The term “intermodal” means of or relating to the connection between rail service and other modes of transportation, including all parts of facilities at which such connection is made.

(6) The term “loan guarantee” means any guarantee, insurance, or other pledge with respect to the payment of all or a part of the principal or interest on any debt obligation of a non-Federal borrower to a non-Federal lender, but does not include the insurance of deposits, shares, or other withdrawable accounts in financial institutions.

This includes the sale of loan assets, with or without recourse, and the purchase of guaranteed loans. This also includes any action resulting from new legislation, or from the exercise of administrative discretion under existing law, that di-

L. 105-178, title VII, §7203(b)(2), June 9, 1998, 112 Stat. 477, provided that: “A transaction entered into under the authority of title V of the Railroad Revitalization and Regulatory Reform Act of 1976 (45 U.S.C. 821 et seq.) before the date of enactment of this Act [June 9, 1998] shall be administered until completion under its terms as if this Act [see Tables for classification] were not enacted.”

§ 822. Direct loans and loan guarantees

(a) General authority

The Secretary shall provide direct loans and loan guarantees to—

(1) State and local governments;

(2) interstate compacts consented to by Congress under section 410(a) of the Amtrak Reform and Accountability Act of 1997 (49 U.S.C. 24101 note);

(3) government sponsored authorities and corporations;

(4) railroads;

(5) joint ventures that include at least one railroad; and

(6) solely for the purpose of constructing a rail connection between a plant or facility and a second rail carrier, limited option rail freight shippers that own or operate a plant or other facility that is served by no more than a single railroad.

(b) Eligible purposes

(1) In general

Direct loans and loan guarantees under this section shall be used to—

(A) acquire, improve, or rehabilitate intermodal or rail equipment or facilities, including track, components of track, bridges, yards, buildings, and shops;

(B) refinance outstanding debt incurred for the purposes described in subparagraph (A); or

(C) develop or establish new intermodal or railroad facilities.

(2) Operating expenses not eligible

Direct loans and loan guarantees under this section shall not be used for railroad operating expenses.

(c) Priority projects

In granting applications for direct loans or guaranteed loans under this section, the Secretary shall give priority to projects that—

- (1) enhance public safety;
- (2) enhance the environment;
- (3) promote economic development;
- (4) enable United States companies to be more competitive in international markets;
- (5) are endorsed by the plans prepared under section 135 of title 23 by the State or States in which they are located;
- (6) preserve or enhance rail or intermodal service to small communities or rural areas;
- (7) enhance service and capacity in the national rail system; or
- (8) would materially alleviate rail capacity problems which degrade the provision of service to shippers and would fulfill a need in the national transportation system.

(d) Extent of authority

The aggregate unpaid principal amounts of obligations under direct loans and loan guarantees made under this section shall not exceed \$35,000,000,000 at any one time. Of this amount, not less than \$7,000,000,000 shall be available solely for projects primarily benefiting freight railroads other than Class I carriers. The Secretary shall not establish any limit on the proportion of the unused amount authorized under this subsection that may be used for 1 loan or loan guarantee.

(e) Rates of interest

(1) Direct loans

The Secretary shall require interest to be paid on a direct loan made under this section at a rate not less than that necessary to recover the cost of making the loan.

(2) Loan guarantees

The Secretary shall not make a loan guarantee under this section if the interest rate for the loan exceeds that which the Secretary determines to be reasonable, taking into consideration the prevailing interest rates and customary fees incurred under similar obligations in the private capital market.

(f) Infrastructure partners

(1) Authority of Secretary

In lieu of or in combination with appropriations of budget authority to cover the costs of direct loans and loan guarantees as required under section 661c(b)(1) of title 2, the Secretary may accept on behalf of an applicant for assistance under this section a commitment from a non-Federal source to fund in whole or in part credit risk premiums with respect to the loan that is the subject of the application. In no event shall the aggregate of appropriations of budget authority and credit risk premiums described in this paragraph with respect to a direct loan or loan guarantee be less than the cost of that direct loan or loan guarantee.

(2) Credit risk premium amount

The Secretary shall determine the amount required for credit risk premiums under this subsection on the basis of—

- (A) the circumstances of the applicant, including the amount of collateral offered, if any;
- (B) the proposed schedule of loan disbursements;

- (C) historical data on the repayment history of similar borrowers;
- (D) consultation with the Congressional Budget Office;
- (E) the size and characteristics of the cohort of which the loan or loan guarantee is a member; and
- (F) any other factors the Secretary considers relevant.

(3) Payment of premiums

Credit risk premiums under this subsection shall be paid to the Secretary before the disbursement of loan amounts.

(4) Cohorts of loans

In order to maintain sufficient balances of credit risk premiums to adequately protect the Federal Government from risk of default, while minimizing the length of time the Government retains possession of those balances, the Secretary shall establish cohorts of loans. When all obligations attached to a cohort of loans have been satisfied, credit risk premiums paid for the cohort, and interest accrued thereon, which were not used to mitigate losses shall be returned to the original source on a pro rata basis. A cohort may include loans and loan guarantees. The Secretary shall not establish any limit on the proportion of a cohort that may be used for 1 loan or loan guarantee.

(g) Prerequisites for assistance

The Secretary shall not make a direct loan or loan guarantee under this section unless the Secretary has made a finding in writing that—

- (1) repayment of the obligation is required to be made within a term of not more than 25 years from the date of its execution;
- (2) the direct loan or loan guarantee is justified by the present and probable future demand for rail services or intermodal facilities;
- (3) the applicant has given reasonable assurances that the facilities or equipment to be acquired, rehabilitated, improved, developed, or established with the proceeds of the obligation will be economically and efficiently utilized;
- (4) the obligation can reasonably be repaid, using an appropriate combination of credit risk premiums and collateral offered by the applicant to protect the Federal Government; and
- (5) the purposes of the direct loan or loan guarantee are consistent with subsection (b) of this section.

(h) Conditions of assistance

(1) The Secretary shall, before granting assistance under this section, require the applicant to agree to such terms and conditions as are sufficient, in the judgment of the Secretary, to ensure that, as long as any principal or interest is due and payable on such obligation, the applicant, and any railroad or railroad partner for whose benefit the assistance is intended—

- (A) will not use any funds or assets from railroad or intermodal operations for purposes not related to such operations, if such use would impair the ability of the applicant, railroad, or railroad partner to provide rail or intermodal services in an efficient and eco-

conomic manner, or would adversely affect the ability of the applicant, railroad, or railroad partner to perform any obligation entered into by the applicant under this section;

(B) will, consistent with its capital resources, maintain its capital program, equipment, facilities, and operations on a continuing basis; and

(C) will not make any discretionary dividend payments that unreasonably conflict with the purposes stated in subsection (b) of this section.

(2) The Secretary shall not require an applicant for a direct loan or loan guarantee under this section to provide collateral. Any collateral provided or thereafter enhanced shall be valued as a going concern after giving effect to the present value of improvements contemplated by the completion and operation of the project. The Secretary shall not require that an applicant for a direct loan or loan guarantee under this section have previously sought the financial assistance requested from another source.

(3) The Secretary shall require recipients of direct loans or loan guarantees under this section to comply with—

(A) the standards of section 24312 of title 49, as in effect on September 1, 2002, with respect to the project in the same manner that the National Railroad Passenger Corporation is required to comply with such standards for construction work financed under an agreement made under section 24308(a) of that title; and

(B) the protective arrangements established under section 836 of this title, with respect to employees affected by actions taken in connection with the project to be financed by the loan or loan guarantee.

(i) Time limit for approval or disapproval

Not later than 90 days after receiving a complete application for a direct loan or loan guarantee under this section, the Secretary shall approve or disapprove the application.

(j) Repayment schedules

(1) In general

The Secretary shall establish a repayment schedule requiring payments to commence not later than the sixth anniversary date of the original loan disbursement.

(2) Accrual

Interest shall accrue as of the date of disbursement, and shall be amortized over the remaining term of the loan beginning at the time the payments begin.

(f) Default

The Secretary shall prescribe regulations setting forth procedures in the event of default on a loan made or guaranteed under section 822 of this title. The Secretary shall ensure that each loan guarantee made under that section contains terms and conditions that provide that—

- (1) if a payment of principal or interest under the loan is in default for more than 30 days, the Secretary shall pay to the holder of the obligation, or the holder's agent, the amount of unpaid guaranteed interest;
- (2) if the default has continued for more than 90 days, the Secretary shall pay to the holder of the obligation, or the holder's agent, 90 percent of the unpaid guaranteed principal;
- (3) after final resolution of the default, through liquidation or otherwise, the Secretary shall pay to the holder of the obligation, or the holder's agent, any remaining amounts guaranteed but which were not recovered through the default's resolution;
- (4) the Secretary shall not be required to make any payment under paragraphs (1) through (3) if the Secretary finds, before the expiration of the periods described in such paragraphs, that the default has been remedied; and

(5) the holder of the obligation shall not receive payment or be entitled to retain payment in a total amount which, together with all other recoveries (including any recovery based upon a security interest in equipment or facilities) exceeds the actual loss of such holder.

(g) Rights of the Secretary

(1) Subrogation

If the Secretary makes payment to a holder, or a holder's agent, under subsection (g) of this section in connection with a loan guarantee made under section 822 of this title, the Secretary shall be subrogated to all of the rights of the holder with respect to the obligor under the loan.

(2) Disposition of property

The Secretary may complete, recondition, reconstruct, renovate, repair, maintain, operate, charter, rent, sell, or otherwise dispose of any property or other interests obtained pursuant to this section. The Secretary shall not be subject to any Federal or State regulatory requirements when carrying out this paragraph.

(h) Action against obligor

The Secretary may bring a civil action in an appropriate Federal court in the name of the United States in the event of a default on a direct loan made under section 822 of this title, or in the name of the United States or of the holder of the obligation in the event of a default on a loan guaranteed under section 822 of this title. The holder of a guarantee shall make available to the Secretary all records and evidence necessary to prosecute the civil action. The Secretary may accept property in full or partial satisfaction of any sums owed as a result of a default. If the Secretary receives, through the sale or other disposition of such property, an amount greater than the aggregate of—

- (1) the amount paid to the holder of a guarantee under subsection (g) of this section; and
- (2) any other cost to the United States of remedying the default,

the Secretary shall pay such excess to the obligor.

(i) Breach of conditions

The Attorney General shall commence a civil action in an appropriate Federal court to enjoin any activity which the Secretary finds is in violation of this subchapter, regulations issued hereunder, or any conditions which were duly agreed to, and to secure any other appropriate relief.

(j) Attachment

No attachment or execution may be issued against the Secretary, or any property in the control of the Secretary, prior to the entry of final judgment to such effect in any State, Federal, or other court.

(k) Evaluation charge

The Secretary may charge and collect from each applicant a reasonable charge for the cost of evaluating the application, including appraisal of the value of the equipment or facili-

ties for which the direct loan or loan guarantee is sought, and for making necessary determinations and findings. Such charge shall not aggregate more than one-half of 1 percent of the principal amount of the obligation. Amounts collected under this subsection shall be credited directly to the Safety and Operations account of the Federal Railroad Administration, and shall remain available until expended to pay for the evaluation costs described in this subsection.

(I) Fees and charges

Except as provided in this subchapter, the Secretary may not assess any fees, including user fees, or charges in connection with a direct loan or loan guarantee provided under section 822 of this title.

§ 836. Employee protection

(a) General

Fair and equitable arrangements shall be provided, in accordance with this section, to protect the interests of any employees not otherwise protected under title V of the Regional Rail Reorganization Act of 1973 (45 U.S.C. 771 et seq.), who may be affected by actions taken pursuant to authorizations or approval obtained under this subchapter. Such arrangements shall be determined by the execution of an agreement between the representatives of the railroads and the representatives of their employees, within 120 days after February 5, 1976. In the absence of such an executed agreement, the Secretary of Labor shall prescribe the applicable protective arrangements, within 150 days after February 5, 1976.

(b) Terms

The arrangements required by subsection (a) of this section shall apply to each employee who has an employment relationship with a railroad on the date on which such railroad first applies for applicable financial assistance under this subchapter. Such arrangements shall include such provisions as may be necessary for the negotiation and execution of agreements as to the manner in which the protective arrangements shall be applied, including notice requirements. Such agreements shall be executed prior to implementation of work funded from financial assistance under this subchapter. If such an agreement is not reached within 30 days after the date on which an application for such assistance is approved, either party to the dispute may submit the issue for final and binding arbitration. The decision on any such arbitration shall be rendered within 30 days after such submission. Such arbitration decision shall in no way modify the protection afforded in the protective arrangements established pursuant to this section, shall be final and binding on the parties thereto, and shall become a part of the agreement. Such arrangements shall also include such provisions as may be necessary—

(1) for the preservation of compensation (including subsequent general wage increases, vacation allowances, and monthly compensation guarantees), rights, privileges, and benefits (including fringe benefits such as pensions, hospitalization, and vacations, under the same conditions and so long as such benefits continue to be accorded to other employees of the employing railroad in active service or on furlough, as the case may be) to such employees under existing collective-bargaining agreements or otherwise;

(2) to provide for final and binding arbitration of any dispute which cannot be settled by

the parties, with respect to the interpretation, application, or enforcement of the provisions of the protective arrangements;

(3) to provide that an employee who is unable to secure employment by the exercise of his or her seniority rights, as a result of actions taken with financial assistance obtained under this subchapter, shall be offered reassignment and, where necessary, retraining to fill a position comparable to the position held at the time of such adverse effect and for which he is, or by training and retraining can become, physically and mentally qualified, so long as such offer is not in contravention of collective bargaining agreements relating thereto; and

(4) to provide that the protection afforded pursuant to this section shall not be applicable to employees benefited solely as a result of the work which is financed by funds provided pursuant to this subchapter.

(c) Subcontracting

The arrangements which are required to be negotiated by the parties or prescribed by the Secretary of Labor, pursuant to subsections (a) and (b) of this section, shall include provisions regulating subcontracting by the railroads of work which is financed by funds provided pursuant to this subchapter.

§ 901. Congressional findings

(a) Congress hereby finds that—

(1) the severe operating losses and the deteriorating plant and equipment of the Milwaukee Railroad threaten to cause cessation of its operations in the near future;

(2) a cessation of operations by the Milwaukee Railroad would have serious repercussions on the economies of the States in which such railroad principally operates (the States of Washington, Montana, Idaho, North Dakota, South Dakota, Illinois, Iowa, Missouri, Michigan, Indiana, Minnesota, and Wisconsin);

(3) a cessation of operations of the Milwaukee Railroad would result in the loss of many thousands of jobs of railroad workers and other workers whose employment is dependent upon rail service over the lines presently operated by the Milwaukee Railroad;

(4) experienced railroad employees make a valuable contribution toward strengthening the railroad industry; and other railroads have the ability and willingness to employ displaced employees of the Milwaukee Railroad;

(5) the ownership by employees or by employees and shippers of part or all of the Milwaukee Railroad may be a valuable tool in reorganization and should be given serious consideration;

(6) cessation of essential transportation services by the Milwaukee Railroad would endanger the public welfare;

(7) cessation of such services is imminent; and

(8) there is no other practicable means of obtaining funds to meet payroll and other expenses necessary for continuation of services and reorganization of the Milwaukee Railroad.

(b) The Congress declares that emergency measures set forth in this chapter must be taken to restructure the Milwaukee Railroad and to avoid the potential unemployment and damage to the economy of the region and of the Nation which a cessation of essential services by the Milwaukee Railroad would otherwise cause.

This chapter, referred to in subsec. (b), was in the original "this Act", meaning Pub. L. 96-101, Nov. 4, 1979, 93 Stat. 736, as amended, known as the Milwaukee Railroad Restructuring Act, which enacted this chapter and amended sections 231f, 662, 721, 821, and 825 of this title. SHORT TITLE OF 1983 AMENDMENT

Pub. L. 97-468, title II, § 201, Jan. 14, 1983, 96 Stat. 2543, provided that: "This title [amending sections 797c, 907, 913, 915, 1004, 1005, 1007, 1014, and 1017 of this title, repealing section 1008 of this title and enacting provisions set out as notes under this section] may be referred to as the 'Bankrupt Railroad Service Preservation and Employee Protection Act of 1982'."

SHORT TITLE

Section 1 of Pub. L. 96-101 provided: "That this Act [enacting this chapter and amending sections 231f, 662,

721, 821, and 825 of this title] may be cited as the ‘Milwaukee Railroad Restructuring Act.’”

STATEMENT OF PURPOSE

Pub. L. 97-468, title II, subtitle A, §211, Jan. 14, 1983, 96 Stat. 2543, provided that: “It is the purpose of this subtitle [amending sections 915 and 1017 of this title and enacting provisions set out as notes under this section] to continue the effort by Congress to assure service over the lines of rail carriers subject to liquidation in instances where rail carriers are willing to provide service over such lines and financially responsible persons are willing to purchase the lines for continued rail operations.”

CONGRESSIONAL FINDINGS

Pub. L. 97-468, title II, §212, Jan. 14, 1983, 96 Stat. 2543, provided that: “The Congress finds that—

“(1) it is necessary to establish procedures to facilitate and expedite the acquisition of rail lines of carriers subject to liquidation by financially responsible persons in instances where service is not being provided over the line by the carrier and where the financially responsible person seeks to provide rail service over the line;

“(2) procedures set forth in the amendments made by this title [see Short Title of 1983 Amendment note above] represent an exercise of the powers of the Congress under the Constitution to regulate commerce among the several States which will provide a practicable means for preserving rail service, thus benefiting shippers, employees, and the economies of the States in which such carriers subject to liquidation have operated service, and for facilitating interstate commerce, while at the same time providing safeguards to protect the interest of the estates of such carriers by requiring compensation which is not less than the constitutionally required minimum; and

“(3) it is in the public interest that the Interstate Commerce Commission’s authority to issue orders involving temporary authority to operate service over lines of carriers subject to liquidation be clarified.”

[Interstate Commerce Commission abolished and functions of Commission transferred, except as otherwise provided in Pub. L. 104-88, to Surface Transportation Board effective Jan. 1, 1996, by section 702 of Title 49, Transportation, and section 101 of Pub. L. 104-88, set out as a note under section 701 of Title 49. (2) Any sale or transfer proposal developed under paragraph (1) of this subsection shall be submitted to the bankruptcy court. Such a proposal may in no event become final or effective until the occurrence of an event described in section 920(b) of this title, or April 1, 1980, whichever first occurs.

Pending the expiration of the time for appeal of an abandonment order or the determination of any such appeal, the bankruptcy court may authorize the termination of service on a line to be abandoned, and the order authorizing such termination may not be stayed. In authorizing any abandonment pursuant to this section, the court shall require the carrier to provide a fair arrangement at least as protective of the interests of employees as that required under section 11347¹ of title 49.

(2) Prior to the date specified in paragraph (1) of this subsection, the bankruptcy court may hear and consider any request for the abandonment of lines of the Milwaukee Railroad, and may fix the time for the Commission's report on the request, but it may take final action authorizing such abandonment only in accordance with such paragraph (1).

Any action or order of the Commission approving, modifying, conditioning, or disapproving such application is subject to review by the court only under sections 706(2)(A), 706(2)(B), 706(2)(C), and 706(2)(D) of title 5. An application may be initiated with the Commission prior to the date specified in paragraph (1) of this subsection.

(3) Pending review of an application by the Commission pursuant to paragraph (2) of this subsection, the bankruptcy court may, on a preliminary basis, authorize the sale or transfer of lines of the Milwaukee Railroad to another rail carrier. The court may permit the purchasing carrier to operate interim service as a common carrier over the lines to be purchased, without regard to section 10901 of title 49. In operating

§ 915. Court approved abandonment and sales in pending cases

(a) Abandonment of lines of railroad under Bankruptcy Act

Notwithstanding any other provision of law, in any case pending under section 77 of the Bankruptcy Act on November 4, 1979, the court may authorize the abandonment of lines of railroad pursuant to section 1170 of title 11. Pending the expiration of the time for appeal of an abandonment order or the determination of any such appeal, the court may authorize the termination of service on a line to be abandoned, and the order authorizing such termination may not be stayed. In authorizing any abandonment pursuant to this section, the court shall require the carrier to provide a fair arrangement at least as protective of the interests of employees as that required under section 11347¹ of title 49.

(b) Sale or transfer of lines of railroad under Bankruptcy Act

(1) Notwithstanding any other provision of law, in any case pending under section 77 of the Bankruptcy Act on November 4, 1979, the court may authorize the sale or transfer of a line of railroad to be used in continued rail operations, subject to the approval of the Commission under paragraph (2) of this subsection, if the application with respect to such sale or transfer is filed with the Commission on or after November 1, 1979. In authorizing any such sale or transfer, the court shall provide a fair arrangement at least as protective of the interests of employees as that required under section 11347¹ of title 49.

(2) The court described in paragraph (1) may not authorize a sale or transfer pursuant to such paragraph unless an appropriate application with respect to such sale or transfer is initiated with the Commission and, within such time as the court may fix, not exceeding 180 days, the Commission, with or without a hearing, as the Commission may determine, and with or without modification or condition, approves such application, or does not act on such application. Any action or order of the Commission approving, modifying, conditioning, or disapproving such application is subject to review by the court only under sections 706(2)(A), 706(2)(B), 706(2)(C), and 706(2)(D) of title 5.

(3)(A) If a person has made or makes an offer to acquire from a carrier subject to liquidation a rail line or lines over which no service is provided by that carrier, and that offer has been or is rejected by the trustee in bankruptcy of such carrier, such person may submit an application to the Commission seeking approval of such person's acquisition of such line or lines. A copy of any such application shall be filed simultaneously with the court.

(B) The Commission shall, within 15 days after the filing of an application under subparagraph (A) of this paragraph, determine whether the applicant—

(i) is a financially responsible person; and

(ii) has made a bona fide offer to acquire the line or lines under reasonable terms.

(C)(i) If the Commission's determination under subparagraph (B) of this paragraph is affirma-

tive with respect to the matters referred to in clauses (i) and (ii) of such subparagraph, the applicant and the trustee in bankruptcy (hereafter in this paragraph referred to collectively as the "parties") shall enter into negotiations with respect to terms for the acquisition of the line or lines applied for. If the parties at any time agree on such terms, a request for approval of the acquisition shall be filed with the Commission and the court. If the parties are unable to agree to such terms within 30 days after the date of the Commission's determination under subparagraph (B) of this paragraph, either party may, within 60 days after the expiration of such 30-day period, request the Commission to prescribe terms for such acquisition, including compensation for the line or lines to be acquired. The Commission shall prescribe such terms within 60 days after any such request is made. The terms prescribed by the Commission shall be binding upon both parties, subject to court review as provided in subparagraph (D) of this paragraph, except that the applicant may withdraw its offer within 10 days after the Commission prescribes such terms.

(ii) If more than one applicant has requested under this subparagraph that the Commission prescribe the terms of acquisition for the same or overlapping lines or portions of such lines, the Commission shall prescribe terms for such acquisition which it determines best serve the public interest.

(D)(i) Within 15 days after the Commission prescribes terms under subparagraph (C) of this paragraph, the Commission shall transmit such terms to the court, unless the offer is withdrawn under such subparagraph. Notwithstanding any other provision of law, the court shall, within 60 days after such transmittal, approve the acquisition under terms prescribed by the Commission if the compensation for the line or lines is not less than that required as a constitutional minimum.

(ii) Except as provided in this subparagraph, no action shall be taken by the court which would prejudice the acquisition which is the subject of an application under this paragraph.

(E) The Commission shall require that any person acquiring a line or lines under this paragraph use, to the maximum extent practicable, employees or former employees of the carrier subject to liquidation in the operation of service on such line or lines.

(F) No person acquiring a line under this paragraph may transfer or discontinue service on such line prior to the expiration of 4 years after such acquisition.

(G) The Commission shall, within 45 days after January 14, 1983, prescribe such regulations and procedures as are necessary to carry out the provisions of this paragraph.

(H) As used in this paragraph, the term—

(i) "carrier subject to liquidation" means a carrier which, on January 14, 1983, was the subject of a proceeding pending under section 77 of the Bankruptcy Act or under subchapter IV of chapter 11 of title 11 and which has been ordered by the court to liquidate its properties;

(ii) "the court" means the court having bankruptcy jurisdiction over the carrier subject to liquidation; and

(iii) "financially responsible person" means a person capable of compensating the carrier subject to liquidation for the acquisition of the line or lines proposed to be acquired and able to cover expenses associated with providing service over such line or lines for a period of not less than 4 years.

(4) Pending review of an application by the Commission pursuant to paragraph (2) of this subsection, the court described in paragraph (1) may, on a preliminary basis, authorize the sale or transfer proposed in such application. The court may permit the purchasing carrier to operate interim service over the lines to be purchased, and in operating such service it shall use employees of the carrier subject to the bankruptcy proceeding to the extent such purchasing carrier deems necessary for the operation of such service.

(c) Judicial review

Any action or order of the Commission approving, modifying, conditioning, or disapproving an application for the sale or transfer of rail property that is filed with the Commission before November 1, 1979, in connection with a case pending under section 77 of the Bankruptcy Act on November 4, 1979—

(1) is subject to review by the court only under sections 706(2)(A), 706(2)(B), 706(2)(C), and 706(2)(D) of title 5; and

(2) may not be stayed by the Commission.

(d) Authority of bankruptcy court

The authority of the bankruptcy court to authorize abandonments, sales, and transfers of lines of the Milwaukee Railroad shall be governed by the provisions of section 904 of this title, rather than the provisions of this section.

(e) Effect on priorities and timing of employee protection payments

Nothing in this section shall be deemed to affect the priorities or timing of payment of employee protection which might have existed in the absence of this chapter.

§ 1001. Congressional findings

Congress hereby finds that—

(1) uninterrupted continuation of services over Rock Island lines is dependent on adequate employee protection provisions covering Rock Island Railroad employees who are not hired by other railroads;

(2) for those Rock Island Railroad employees not hired by other rail carriers, there is no other practicable means of obtaining funds to meet the necessary costs of such employee protection that are assumed by the Rock Island Railroad;

(3) a cessation of necessary operations of the Rock Island Railroad would have serious repercussions on the economies of the States in which such railroad principally operates; and

(4) premature cessation of services over lines which are the subject of pending purchase application would result in harm to the shipping public and could imperil continuation of vital commuter service.

§ 1016. Temporary rail banking

During the 180-day period beginning on May 30, 1980, no rail line or facility of the Rock Island Railroad which has been approved for abandonment by the Commission or the bankruptcy court may be downgraded, scrapped, or otherwise disposed of without the approval of the Secretary under this section. In no case before abandonment has been approved and before the 180-day period has elapsed shall the Secretary approve a disposition of such portion of the rail line or related facility to any carrier or other entity not engaged in providing railroad services or not formed for the purpose of providing railroad services. The Secretary, upon application by the Rock Island Railroad, shall grant such approval unless he finds that—

(1) a rail carrier, shipper, State, or other interested party has expressed in writing an interest in purchasing, leasing or rehabilitating the particular rail line or facility for purposes of providing rail service; and

(2) there is a reasonable expectation that such purchase transaction will be consummated.

§ 1101. Congressional findings and declarations

The Congress finds and declares that—

(1) the processes set in motion by the Regional Rail Reorganization Act of 1973 [45 U.S.C. 701 et seq.] have failed to create a self-sustaining railroad system in the Northeast region of the United States and have cost United States taxpayers many billions of dollars over original estimates;

(2) current arrangements for the provision of rail freight and commuter service in the Northeast and Midwest regions of the United States are inadequate to meet the transportation needs of the public and the needs of national security;

(3) although the Federal Government has provided billions of dollars in assistance for Conrail and its employees, the Federal inter-

est in ensuring the flow of interstate commerce through rail service in the private sector has not been achieved, and the protection of interstate commerce requires Federal intervention to preserve essential rail service in the private sector;

(4) the provisions for protection of employees of bankrupt railroads contained in the Regional Rail Reorganization Act of 1973 [45 U.S.C. 701 et seq.] have resulted in the payment of benefits far in excess of levels anticipated at the time of enactment, have imposed an excessive fiscal burden on the Federal taxpayer, and are now an obstacle to the establishment of improved rail service and continued rail employment in the Northeast region of the United States; and

(5) since holding Conrail liable for employee protection payments would destroy its prospects of becoming a profitable carrier and further injure its employees, an alternative employee protection system must be developed and funded.

Section 1169 of subtitle E (§§1131-1169) of title XI of Pub. L. 97-35 provided that: "Except as otherwise provided, the provisions of and the amendments made by this subtitle [see Short Title note set out below] shall take effect on the date of the enactment of this subtitle [Aug. 13, 1981]."

SHORT TITLE

Section 1131 of subtitle E (§§1131-1169) of title XI of Pub. L. 97-35 provided that: "This subtitle [enacting this chapter, and sections 159a, 581 to 590, 727 to 729, 744a, 748, 761 to 769c, and 797 to 797m of this title, amending sections 601, 702, 711 to 713, 724, 741, 743, 745, 821, 825, and 829 of this title, repealing sections 771 to 780, 910, and 1006 of this title, and enacting provisions set out as notes under sections 744a, 771, and 1101 of this title] may be cited as the 'Northeast Rail Service Act of 1981'."

§ 1102. Statement of purpose

It is therefore declared to be the purpose of the Congress in this subtitle to provide for—

(1) the removal by a date certain of the Federal Government's obligation to subsidize the freight operations of Conrail;

(2) transfer of Conrail commuter service responsibilities to one or more entities whose principal purpose is the provision of commuter service; and

(3) an orderly return of Conrail freight service to the private sector.

§ 1103. Goals and objectives

It is the goal of this subtitle to provide Conrail the opportunity to become profitable through the achievement of the following objectives:

(1) Nonagreement personnel

(A) Employees who are not subject to collective bargaining agreements (hereafter in this section referred to as "nonagreement personnel") should forego wage increases and benefits in an amount proportionately equivalent to the amount foregone by agreement employees pursuant to paragraph (4) of this section, adjusted annually to reflect inflation.

(B) After May 1, 1981, the number of nonagreement personnel should be reduced proportionately to any reduction in agreement employees (excluding reductions pursuant to the termination program under section 797a of this title).

(2) Suppliers

To facilitate the orderly movement of goods in interstate commerce, materials and services should continue to be available to Conrail, under normal business practices, including the provision of credit and normal financing arrangements.

(3) Shippers

Conrail should utilize the revenue opportunities available to it under the Staggers Rail Act of 1980 and subtitle IV of title 49.

(4) Agreement employees

(A) Conrail should enter into collective bargaining agreements with its employees which would reduce Conrail's costs in an amount equal to \$200,000,000 a year, beginning April 1, 1981, adjusted annually to reflect inflation.

(B) Agreements under this subparagraph may provide for reductions in wage increases and for changes in fringe benefits common to agreement employees, including vacations and holidays.

(C) The cost reductions required under this subparagraph in the first year of the agreement may be deferred, but the aggregate cost reductions should be no less than an average of \$200,000,000 per year for each of the first three one-year periods beginning April 1, 1981.

(D) The amount of cost reductions provided under this paragraph shall be calculated by subtracting the cost of an agreement entered into under this paragraph from (i) the cost that would otherwise result from the application of the national agreement reached by railroad industry and its employees, or (ii) until such national agreement is reached, the cost which the United States Railway Association estimates would result from the application of such a national agreement.

§ 1201. Findings

The Congress finds that—

(1) the Alaska Railroad, which was built by the Federal Government to serve the transportation and development needs of the Territory of Alaska, presently is providing freight and passenger services that primarily benefit residents and businesses in the State of Alaska;

(2) many communities and individuals in Alaska are wholly or substantially dependent on the Alaska Railroad for freight and passenger service and provision of such service is an essential governmental function;

(3) continuation of services of the Alaska Railroad and the opportunity for future expansion of those services are necessary to achieve Federal, State, and private objectives; however, continued Federal control and financial support are no longer necessary to accomplish these objectives;

(4) the transfer of the Alaska Railroad and provision for its operation by the State in the manner contemplated by this chapter is made pursuant to the Federal goal and ongoing program of transferring appropriate activities to the States;

(5) the State's continued operation of the Alaska Railroad following the transfer contemplated by this chapter, together with such expansion of the railroad as may be necessary or convenient in the future, will constitute an appropriate public use of the rail system and associated properties, will provide an essential governmental service, and will promote the general welfare of Alaska's residents and visitors; and

(6) in order to give the State government the ability to determine the Alaska Railroad's role in serving the State's transportation needs in the future, including the opportunity to extend rail service, and to provide a savings to the Federal Government, the Federal Government should offer to transfer the railroad to the State, in accordance with the provisions of this chapter, in the same manner in which other Federal transportation functions (including highways and airports) have been transferred since Alaska became a State in 1959.

§ 1203. Transfer authorization

(a) Authority of Secretary; time, manner, etc., of transfer

Subject to the provisions of this chapter, the United States, through the Secretary, shall transfer all rail properties of the Alaska Railroad to the State. Such transfer shall occur as soon as practicable after the Secretary has made the certifications required by subsection (d) of this section and shall be accomplished in the manner specified in subsection (b) of this section.

(b) Simultaneous and interim transfers, conveyances, etc.

(1) On the date of transfer, the Secretary shall simultaneously:

(A) deliver to the State a bill of sale conveying title to all rail properties of the Alaska Railroad except any interest in real property;

(B) deliver to the State an interim conveyance of the rail properties of the Alaska Railroad that are not conveyed pursuant to subparagraph (A) of this paragraph and are not subject to unresolved claims of valid existing rights;

(C) deliver to the State an exclusive license granting the State the right to use all rail properties of the Alaska Railroad not conveyed pursuant to subparagraphs (A) or (B) of this paragraph pending conveyances in accordance with the review and settlement or final administrative adjudication of claims of valid existing rights;

(D) convey to the State a deed granting the State (i) an exclusive-use easement for that portion of the right-of-way of the Alaska Railroad within the Denali National Park and Preserve extending not less than one hundred feet on either side of the main or branch line tracks, and eight feet on either side of the centerline of the "Y" track connecting the main line of the railroad to the power station at McKinley Park Station and (ii) title to railroad-related improvements within such right-of-way.

Prior to taking the action specified in subparagraphs (A) through (D) of this paragraph, the Secretary shall consult with the Secretary of the Interior. The exclusive-use easement granted pursuant to subparagraph (D) of this paragraph and all rights afforded by such easement shall be exercised only for railroad purposes, and for such other transportation, transmission, or communication purposes for which lands subject to such easement were utilized as of January 14, 1983.

(2) The Secretary shall deliver to the State an interim conveyance of rail properties of the Alaska Railroad described in paragraph (1)(C) of this subsection that become available for conveyance to the State after the date of transfer as a result of settlement, relinquishment, or final administrative adjudication pursuant to section 1205 of this title. Where the rail properties to be conveyed pursuant to this paragraph are surveyed at the time they become available for conveyance to the State, the Secretary shall deliver a patent therefor in lieu of an interim conveyance.

(3) The force and effect of an interim conveyance made pursuant to paragraphs (1)(B) or (2) of this subsection shall be to convey to and vest in the State exactly the same right, title, and interest in and to the rail properties identified therein as the State would have received had it been issued a patent by the United States. The Secretary of the Interior shall survey the land conveyed by an interim conveyance to the State pursuant to paragraphs (1)(B) or (2) of this subsection and, upon completion of the survey, the Secretary shall issue a patent therefor.

(4) The license granted pursuant to paragraph (1)(C) of this subsection shall authorize the State to use, occupy, and directly receive all benefits of the rail properties described in the license for the operation of the State-owned railroad in conformity with the Memorandum of Understanding referred to in section 1205(b)(3) of this title. The license shall be exclusive, subject only to valid leases, permits, and other instru-

ments issued before the date of transfer and easements reserved pursuant to subsection (c)(2) of this section. With respect to any parcel conveyed pursuant to this chapter, the license shall terminate upon conveyance of such parcel.

(c) Reservations to United States in interim conveyances and patents

(1) Interim conveyances and patents issued to the State pursuant to subsection (b) of this section shall confirm, convey and vest in the State all reservations to the United States (whether or not expressed in a particular patent or document of title), except the unexercised reservations to the United States for future rights-of-way made or required by the first section of the Act of March 12, 1914 (43 U.S.C. 975d). The conveyance to the State of such reservations shall not be affected by the repeal of such Act under section 615 of this title.¹

(2) In the license granted under subsection (b)(1)(C) of this section and in all conveyances made to the State under this chapter, there shall be reserved to the Secretary of the Interior, the Secretary of Defense and the Secretary of Agriculture, as appropriate, existing easements for administration (including agency transportation and utility purposes) that are identified in the report required by section 1204(a) of this title. The appropriate Secretary may obtain, only after consent of the State, such future easements as are necessary for administration. Existing and future easements and use of such easements shall not interfere with operations and support functions of the State-owned railroad.

(3) There shall be reserved to the Secretary of the Interior the right to use and occupy, without compensation, five thousand square feet of land at Talkeetna, Alaska, as described in ARR lease numbered 69-25-0003-5165 for National Park Service administrative activities, so long as the use or occupation does not interfere with the operation of the State-owned railroad. This reservation shall be effective on the date of transfer under this section or the expiration date of such lease, whichever is later.

(d) Certifications by Secretary; scope, subject matter, etc.

(1) Prior to the date of transfer, the Secretary shall certify that the State has agreed to operate the railroad as a rail carrier in intrastate and interstate commerce.

(2)(A) Prior to the date of transfer, the Secretary shall also certify that the State has agreed to assume all rights, liabilities, and obligations of the Alaska Railroad on the date of transfer, including leases, permits, licenses, contracts, agreements, claims, tariffs, accounts receivable, and accounts payable, except as otherwise provided by this chapter.

(B) Notwithstanding the provisions of subparagraph (A) of this paragraph, the United States shall be solely responsible for—

(i) all claims and causes of action against the Alaska Railroad that accrue on or before the date of transfer, regardless of the date on which legal proceedings asserting such claims were or may be filed, except that the United

States shall, in the case of any tort claim, only be responsible for any such claim against the United States that accrues before the date of transfer and results in an award, compromise, or settlement of more than \$2,500, and the United States shall not compromise or settle any claim resulting in State liability without the consent of the State, which consent shall not be unreasonably withheld; and

(i) all claims that resulted in a judgment or award against the Alaska Railroad before the date of transfer.

(C) For purposes of subparagraph (B) of this paragraph, the term "accrue" shall have the meaning contained in section 2401 of title 28.

(D) Any hazardous substance, petroleum or other contaminant release at or from the State-owned rail properties that began prior to January 5, 1985, shall be and remain the liability of the United States for damages and for the costs of investigation and cleanup. Such liability shall be enforceable under 42 U.S.C. 9601 et seq.¹ for any release described in the preceding sentence.

(3)(A) Prior to the date of transfer, the Secretary shall also certify that the State-owned railroad has established arrangements pursuant to section 1206 of this title to protect the employment interests of employees of the Alaska Railroad during the two-year period commencing on the date of transfer. These arrangements shall include provisions—

(i) which ensure that the State-owned railroad will adopt collective bargaining agreements in accordance with the provisions of subparagraph (B) of this paragraph;

(ii) for the retention of all employees, other than officers of the Alaska Railroad, who elect to transfer to the State-owned railroad in their same positions for the two-year period commencing on the date of transfer, except in cases of reassignment, separation for cause, resignation, retirement, or lack of work;

(iii) for the payment of compensation to transferred employees (other than employees provided for in subparagraph (E) of this paragraph), except in cases of separation for cause, resignation, retirement, or lack of work, for two years commencing on the date of transfer at or above the base salary levels in effect for such employees on the date of transfer, unless the parties otherwise agree during that two-year period;

(iv) for priority of reemployment at the State-owned railroad during the two-year period commencing on the date of transfer for transferred employees who are separated for lack of work, in accordance with subparagraph (C) of this paragraph (except for officers of the Alaska Railroad, who shall receive such priority for one year following the date of transfer);

(v) for credit during the two-year period commencing on the date of transfer for accrued annual and sick leave, seniority rights, and relocation and turnaround travel allowances which have been accrued during their period of Federal employment by transferred² employees retained by the State-owned rail-

road (except for officers of the Alaska Railroad, who shall receive such credit for one year following the date of transfer);

(vi) for payment to transferred employees retained by the State-owned railroad during the two-year period commencing on the date of transfer, including for one year officers retained or separated under subparagraph (E) of this paragraph, of an amount equivalent to the cost-of-living allowance to which they are entitled as Federal employees on the day before the date of transfer, in accordance with the provisions of subparagraph (D) of this paragraph; and

(vii) for health and life insurance programs for transferred employees retained by the State-owned railroad during the two-year period commencing on the date of transfer, substantially equivalent to the Federal health and life insurance programs available to employees on the day before the date of transfer (except for officers of the Alaska Railroad, who shall receive such credit for one year following the date of transfer).

(B) The State-owned railroad shall adopt all collective bargaining agreements which are in effect on the date of transfer. Such agreements shall continue in effect for the two-year period commencing on the date of transfer, unless the parties agree to the contrary before the expiration of that two-year period. Such agreements shall be renegotiated during the two-year period, unless the parties agree to the contrary. Any labor-management negotiation impasse declared before the date of transfer shall be settled in accordance with chapter 71 of title 5. Any impasse declared after the date of transfer shall be subject to applicable State law.

(C) Federal service shall be included in the computation of seniority for transferred employees with priority for reemployment, as provided in subparagraph (A)(iv) of this paragraph.

(D) Payment to transferred employees pursuant to subparagraph (A)(vi) of this paragraph shall not exceed the percentage of any transferred employee's base salary level provided by the United States as a cost-of-living allowance on the day before the date of transfer, unless the parties agree to the contrary.

(E) Prior to the date of transfer, the Secretary shall also certify that the State-owned railroad has agreed to the retention, for at least one year from the date of transfer, of the offices of the Alaska Railroad, except in cases of separation for cause, resignation, retirement, or lack of work, at or above their base salaries in effect on the date of transfer, in such positions as the State-owned railroad may determine; or to the payment of lump-sum severance pay in an amount equal to such base salary for one year to officers not retained by the State-owned railroad upon transfer or, for officers separated within one year on or after the date of transfer, of a portion of such lump-sum severance payment (diminished pro rata for employment by the State-owned railroad within one year of the date of transfer prior to separation).

(4) Prior to the date of transfer, the Secretary shall also certify that the State has agreed to allow representatives of the Secretary adequate access to employees and records of the Alaska

Railroad when needed for the performance of functions related to the period of Federal ownership.

(5) Prior to the date of transfer, the Secretary shall also certify that the State has agreed to compensate the United States at the value, if any, determined pursuant to section 1204(d) of this title.

During that period, the Secretary and the Alaska Railroad shall not, without the consent of the State and only in conformity with applicable law and the Memorandum of Understanding referred to in section 1205(b)(3) of this title—

See section 1341 of this title.

§ 1205. Lands to be transferred

(a) Availability of lands among rail properties

Lands among the rail properties of the Alaska Railroad shall not be—

(1) available for selection under section 12 of the Act of January 2, 1976, as amended (43 U.S.C. 1611, note), subject to the exception contained in section 12(b)(8)(i)(D) of such Act, as amended by subsection (d)(5) of this section;

(2) available for conveyance under section 1425 of the Alaska National Interest Lands Conservation Act (Public Law 96-487; 94 Stat. 2515);

(3) available for conveyance to Chugach Natives, Inc., under sections 1429 or 1430 of the Alaska National Interest Lands Conservation Act (Public Law 96-487; 94 Stat. 2531) or under sections 12(c) or 14(h)(8) of the Alaska Native Claims Settlement Act (43 U.S.C. 1611(c) and 1613(h)(8), respectively); or

(4) available under any law or regulation for entry, location, or for exchange by the United States, or for the initiation of a claim or selection by any party other than the State or other transferee under this chapter, except that this paragraph shall not prevent a conveyance pursuant to section 12(b)(8)(i)(D) of the Act of January 2, 1976 (43 U.S.C. 1611, note), as amended by subsection (d)(5) of this section.

(b) Review and settlement of claims; administrative adjudication; management of lands; procedures applicable

(1)(A) During the ten months following January 14, 1983, so far as practicable consistent with the priority of preparing the report required pursuant to section 1204(a) of this title, the Secretary of the Interior, Village Corporations with claims of valid existing rights, and the State shall review and make a good faith effort to settle as many of the claims as possible. Any agreement to settle such claims shall take effect and bind the United States, the State, and the Village Corporation only as of the date of transfer of the railroad.

(B) At the conclusion of the review and settlement process provided in subparagraph (A) of this paragraph, the Secretary of the Interior shall prepare a report identifying lands to be conveyed in accordance with settlement agreements under this chapter or applicable law. Such settlement shall not give rise to a presumption as to whether a parcel of land subject to such agreement is or is not public land.

(2) The Secretary of the Interior shall have the continuing jurisdiction and duty to adjudicate unresolved claims of valid existing rights pursuant to applicable law and this chapter. The Secretary of the Interior shall complete the final administrative adjudication required under this subsection not later than three years after January 14, 1983, and shall complete the survey of all lands to be conveyed under this chapter not later than five years after January 14, 1983, and after consulting with the Governor of the State of Alaska to determine priority of survey with regard to other lands being processed for patent to the State. The Secretary of the Interior shall give priority to the adjudication of Village Corporation claims as required in this section. Upon completion of the review and settlement process required by paragraph (1)(A) of this subsection, with respect to lands not subject to an agreement under such paragraph, the Secretary of the Interior shall adjudicate which lands subject to claims of valid existing rights filed by Village Corporations, if any, are public lands and shall complete such final administrative adjudication within two years after January 14, 1983.

(3) Pending settlement or final administrative adjudication of claims of valid existing rights filed by Village Corporations prior to the date of transfer or while subject to the license granted

² See References in Text note below.

to the State pursuant to section 1203(b)(1)(C) of this title, lands subject to such claims shall be managed in accordance with the Memorandum of Understanding among the Federal Railroad Administration, the State, Eklutna, Incorporated, Cook Inlet Region, Incorporated (as that term is used in section 12 of the Act of January 2, 1976 (Public Law 94-204; 89 Stat. 1150)), and Toghoththele Corporation, executed by authorized officers or representatives of each of these entities. Duplicate originals of the Memorandum of Understanding shall be maintained and made available for public inspection and copying in the Office of the Secretary, at Washington, District of Columbia, and in the Office of the Governor of the State of Alaska, at Juneau, Alaska.

(4) The following procedures and requirements are established to promote finality of administrative adjudication of claims of valid existing rights filed by Village Corporations, to clarify and simplify the title status of lands subject to such claims, and to avoid potential impairment of railroad operations resulting from joint or divided ownership in substantial segments of right-of-way:

(A)(i) Prior to final administrative adjudication of Village Corporation claims of valid existing rights in land subject to the license granted under section 1203(b)(1)(C) of this title, the Secretary of the Interior may, notwithstanding any other provision of law, accept relinquishment of so much of such claims as involved lands within the right-of-way through execution of an agreement with the appropriate Village Corporation effective on or after the date of transfer. Upon such relinquishment, the interest of the United States in the right-of-way shall be conveyed to the State pursuant to section 1203(b)(1)(B) or (2) of this title.

(ii) With respect to a claim described in clause (i) of this subparagraph that is not settled or relinquished prior to final administrative adjudication, the Congress finds that exclusive control over the right-of-way by the Alaska Railroad has been and continues to be necessary to afford sufficient protection for safe and economic operation of the railroad. Upon failure of the interested Village Corporation to relinquish so much of its claims as involve lands within the right-of-way prior to final adjudication of valid existing rights, the Secretary shall convey to the State pursuant to section 1203(b)(1)(B) or (2) of this title all right, title and interest of the United States in and to the right-of-way free and clear of such Village Corporation's claim to and interest in lands within such right-of-way.

(B) Where lands within the right-of-way, or any interest in such lands, have been conveyed from Federal ownership prior to January 14, 1983, or is subject to a claim of valid existing rights by a party other than a Village Corporation, the conveyance to the State of the Federal interest in such properties pursuant to section 1203(b)(1)(B) or (2) of this title shall grant not less than an exclusive-use easement in such properties. The foregoing requirements shall not be construed to permit the conveyance to the State of less than the entire Fed-

eral interest in the rail properties of the Alaska Railroad required to be conveyed by section 1203(b) of this title. If an action is commenced against the State or the United States contesting the validity or existence of a reservation of right-of-way for the use or benefit of the Alaska Railroad made prior to January 14, 1983, the Secretary of the Interior, through the Attorney General, shall appear in and defend such action.

(c) Judicial review; remedies available; standing of State

(1) The final administrative adjudication pursuant to subsection (b) of this section shall be final agency action and subject to judicial review only by an action brought in the United States District Court for the District of Alaska.

§ 1206. Employees of Alaska Railroad

(a) Coverage under Federal civil service retirement laws; election, funding, nature of benefits, etc., for employees transferring to State-owned railroad; voluntary separation incentives

(1) Any employees who elect to transfer to the State-owned railroad and who on the day before the date of transfer are subject to the civil service retirement law (subchapter III of chapter 83 of title 5) shall, so long as continually employed by the State-owned railroad without a break in service, continue to be subject to such law, except that the State-owned railroad shall have the option of providing benefits in accordance with the provisions of paragraph (2) of this subsection. Employment by the State-owned railroad without a break in continuity of service shall be considered to be employment by the United States Government for purposes of subchapter III of chapter 83 of title 5. The State-owned railroad shall be the employing agency for purposes of section 8334(a) of title 5 and shall contribute to the Civil Service Retirement and Disability Fund a sum as provided by such section, except that such sum shall be determined by applying to the total basic pay (as defined in section 8331(3) of title 5) paid to the employees of the State-owned railroad who are covered by the civil service retirement law, the per centum rate determined annually by the Director of the Office of Personnel Management to be the excess of the total normal cost per centum rate of the civil service retirement system over the employee deduction rate specified in section 8334(a) of title 5. The State-owned railroad shall pay into the Federal Civil Service Retirement and Disability Fund that portion of the cost of administration of such Fund which is demonstrated by the Director of the Office of Personnel Management to be attributable to its employees.

(2) At any time during the two-year period commencing on the date of transfer, the State-owned railroad shall have the option of providing to transferred employees retirement benefits, reflecting prior Federal service, in or substantially equivalent to benefits under the retirement program maintained by the State for State employees. If the State decides to provide benefits under this paragraph, the State shall provide such benefits to all transferred employees, except those employees who will meet the age and service requirements for retirement under section 8336(a), (b), (c) or (f) of title 5 within five years after the date of transfer and who elect to remain participants in the Federal retirement program.

(3) If the State provides benefits under paragraph (2) of this subsection—

(A) the provisions of paragraph (1) of this subsection regarding payments into the Civil

Service Retirement and Disability Fund for those employees who are transferred to the State program shall have no further force and effect (other than for employees who will meet the age and service requirements for retirement under section 8336(a), (b), (c) or (f) of title 5 within five years after the date of transfer and who elect to remain participants in the Federal retirement program); and

(B) all of the accrued employee and employer contributions and accrued interest on such contributions made by and on behalf of the transferred employees during their prior Federal service (other than amounts for employees who will meet the age and service requirements for retirement under section 8336(a), (b), (c) or (f) of title 5 within five years after the date of transfer and who elect to remain participants in the Federal retirement program) shall be withdrawn from the Federal Civil Service Retirement and Disability Fund and shall be paid into the retirement fund utilized by the State-owned railroad for the transferred employees, in accordance with the provisions of paragraph (2) of this subsection. Upon such payment, credit for prior Federal service under the Federal civil service retirement system shall be forever barred, notwithstanding the provisions of section 8334 of title 5.

(4)(A) The State-owned railroad shall be included in the definition of "agency" for purposes of section 3(a), (b), (c), and (e) of the Federal Workforce Restructuring Act of 1994 and may elect to participate in the voluntary separation incentive program established under such Act. Any employee of the State-owned railroad who meets the qualifications as described under the first sentence of paragraph (1) shall be deemed an employee under such Act.

(B) An employee who has received a voluntary separation incentive payment under this paragraph and accepts employment with the State-owned railroad within 5 years after the date of separation on which payment of the incentive is based shall be required to repay the entire amount of the incentive payment unless the head of the State-owned railroad determines that the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(b) Coverage for employees not transferring to State-owned railroad

Employees of the Alaska Railroad who do not transfer to the State-owned railroad shall be entitled to all of the rights and benefits available to them under Federal law for discontinued employees.

(c) Rights and benefits of transferred employees whose employment with State-owned railroad is terminated

Transferred employees whose employment with the State-owned railroad is terminated during the two-year period commencing on the date of transfer shall be entitled to all of the rights and benefits of discontinued employees that such employees would have had under Federal law if their termination had occurred immediately before the date of the transfer, except

that financial compensation paid to officers of the Alaska Railroad shall be limited to that compensation provided pursuant to section 1203(d)(3)(E) of this title. Such employees shall also be entitled to seniority and other benefits accrued under Federal law while they were employed by the State-owned railroad on the same basis as if such employment had been Federal service.

(d) Lump-sum payment for unused annual leave for employees transferring to State-owned railroad

Any employee who transfers to the State-owned railroad under this chapter shall not be entitled to lump-sum payment for unused annual leave under section 5551 of title 5, but shall be credited by the State with the unused annual leave balance at the time of transfer.

(e) Continued coverage for certain employees and annuitants in Federal health benefits plans and life insurance plans

(1) Any person described under the provisions of paragraph (2) may elect life insurance coverage under chapter 87 of title 5 and enroll in a health benefits plan under chapter 89 of title 5 in accordance with the provisions of this subsection.

(2) The provisions of paragraph (1) shall apply to any person who—

(A) on March 30, 1994, is an employee of the State-owned railroad;

(B) has 20 years or more of service (in the civil service as a Federal employee or as an employee of the State-owned railroad, combined) on the date of retirement from the State-owned railroad; and

(C)(i) was covered under a life insurance policy pursuant to chapter 87 of title 5 on January 4, 1985, for the purpose of electing life insurance coverage under the provisions of paragraph (1); or

(ii) was enrolled in a health benefits plan pursuant to chapter 89 of title 5 on January 4, 1985, for the purpose of enrolling in a health benefits plan under the provisions of paragraph (1).

(3) For purposes of this section, any person described under the provisions of paragraph (2) shall be deemed to have been covered under a life insurance policy under chapter 87 of title 5 and to have been enrolled in a health benefits plan under chapter 89 of title 5 during the period beginning on January 5, 1985, through the date of retirement of any such person.

(4) The provisions of paragraph (1) shall not apply to any person described under paragraph (2) until the date such person retires from the State-owned railroad.

(a) Laws, authorities, etc., applicable to State-owned railroad with status as rail carrier engaged in interstate and foreign commerce

(1) After the date of transfer to the State pursuant to section 1203 of this title, the State-owned railroad shall be a rail carrier engaged in interstate and foreign commerce subject to part A of subtitle IV of title 49 and all other Acts applicable to rail carriers subject to that chapter,¹ including the antitrust laws of the United States, except, so long as it is an instrumentality of the State of Alaska, the Railroad Retirement Act of 1974 (45 U.S.C. 231 et seq.), the Railroad Retirement Tax Act (26 U.S.C. 3201 et seq.), the Railway Labor Act (45 U.S.C. 151 et seq.), the Act of April 22, 1908 (45 U.S.C. 51 et seq.) (popularly referred to as the “Federal Employers’ Liability Act”), and the Railroad Unemployment Insurance Act (45 U.S.C. 351 et seq.). Nothing in this chapter shall preclude the State from explicitly invoking by law any exemption from the antitrust laws as may otherwise be available.

(2) The transfer to the State authorized by section 1203 of this title and the conferral of jurisdiction to the Interstate Commerce Commission pursuant to paragraph (1) of this subsection are intended to confer upon the State-owned railroad all business opportunities available to comparable railroads, including contract rate agreements meeting the requirements of section 10713² of title 49, notwithstanding any participation in such agreements by connecting water carriers.

(3) All memoranda which sanction noncompliance with Federal railroad safety regulations contained in 49 CFR Parts 209-236, and which are in effect on the date of transfer, shall continue in effect according to their terms as “waivers of compliance” (as that term is used in section 20103(d) of title 49).

(6)(A) After the date of transfer, continued operation of the Alaska Railroad by a public corporation, authority or other agency of the State shall be deemed to be an exercise of an essential governmental function, and revenue derived from such operation shall be deemed to accrue to the State for the purposes of section 115(a)(1) of title 26. Obligations issued by such entity shall also be deemed obligations of the State for the purposes of section 103(a)(1)² of title 26, but not obligations within the meaning of section 103(b)(2)² of title 26.

(B) Nothing in this chapter shall be deemed or construed to affect customary tax treatment of private investment in the equipment or other assets that are used or owned by the State-owned railroad.

(b) Procedures for issuance of certificate of public convenience and necessity; inventory, valuation, or classification of property; additional laws, authorities, etc., applicable

As soon as practicable after January 14, 1983, the Interstate Commerce Commission shall promulgate an expedited, modified procedure for providing on the date of transfer a certificate of public convenience and necessity to the State-owned railroad. The provisions of the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and section 382(b) of the Energy Policy and Conservation Act (42 U.S.C. 6362(b)) shall not apply to actions of the Commission under this subsection.

The State-owned railroad shall be eligible to participate in all Federal railroad assistance programs on a basis equal to that of other rail carriers subject to part A of subtitle IV of title 49.

(d) Laws and regulations applicable to national forest and park lands; limitations on Federal actions

SUBCHAPTER I—GENERAL PROVISIONS

§ 1301. Findings

The Congress finds that—

(1) the bankruptcy of the Penn Central and other railroads in the Northeast and Midwest resulted in a transportation emergency which required the intervention of the Federal Government;

(2) the United States Government created the Consolidated Rail Corporation, which provides essential rail service to the Northeast and Midwest;

(3) the future of rail service in the Northeast and Midwest is essential and must be protected through rail service obligations, consistent with the transfer of the Corporation to the private sector;

(4) the Northeast Rail Service Act of 1981 has achieved its purpose in allowing the Corporation to become financially self-sustaining;

(5) the Federal Government has invested over \$7,000,000,000 in providing rail service to the Northeast and Midwest;

(6) the Government, as a result of its ownership and investment of taxpayer dollars in the Corporation, controls substantial assets, including cash of approximately \$1,000,000,000;

(7) the Corporation's viability and sound performance allow it to be sold to the American public for a substantial sum through a public offering;

(8) a public offering of the Corporation's stock will preserve competitive rail service in the region, provide a reasonable return to the Government, and protect employment;

(9) the Corporation's employees contributed significantly to the turnaround in the Corporation's financial performance and they should share in the Corporation's success through a settlement of their claims for reimbursement for wages below industry standard, and a share in the common equity of the Corporation;

(10) the requirements of section 761(e)¹ of this title are met by this chapter; and

(11) the Secretary of Transportation has discharged the responsibilities of the Department of Transportation under the Northeast Rail Service Act of 1981 with respect to the sale of the Corporation as a single entity.
