§ 1901. Findings and declaration of policy

The Congress finds that the use of humane methods in the slaughter of livestock prevents needless suffering; results in safer and better working conditions for persons engaged in the slaughtering industry; brings about improvement of products and economies in slaughtering operations; and produces other benefits for producers, processors, and consumers which tend to expedite an orderly flow of livestock and livestock products in interstate and foreign commerce. It is therefore declared to be the policy of the United States that the slaughtering of livestock and the handling of livestock in connection with slaughter shall be carried out only by humane methods.

§ 1927. Repayment requirements

(a) Period of repayment; interest rates

(1) The period for repayment of loans under this subchapter shall not exceed forty years.

(2) Except as otherwise provided in paragraphs (3), (4), (5), and (6) of this subsection, the interest rates on loans under this subchapter shall be as determined by the Secretary, but not in excess of the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus not to exceed 1 per centum, as determined by the Secretary, and adjusted to the nearest one-eighth of 1 per centum.

(3)(A) Notwithstanding the provisions of the constitution or laws of any State limiting the rate or amount of interest that may be charged, taken, received, or reserved, except as provided in paragraph (6), the interest rates on loans (other than guaranteed loans), to public bodies or nonprofit associations (including Indian tribes on Federal and State reservations and other federally recognized Indian tribal groups) for water and waste disposal facilities and essential community facilities shall be set by the Secretary at rates not to exceed the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity for such loans, and adjusted to the nearest one-eighth of 1 per centum; and not in excess of 5 per centum per annum for any such loans which are for the upgrading of existing facilities or construction of new facilities as required to meet applicable health or sanitary standards in areas where the median household income of the persons to be served by such facility is below the higher of 80 per centum of the statewide nonmetropolitan median household income or the poverty line established by the Office of Management and Budget, as revised under section 9902(2) of title 42 and in other areas as the Secretary may designate where a significant percentage of the per-

sons to be served by such facilities are of low income, as determined by the Secretary; and not in excess of 7 per centum per annum on loans for such facilities that do not qualify for the 5 per centum per annum interest rate but are located in areas where the median household income of the persons to be served by the facility does not exceed 100 per centum of the statewide non-metropolitan median household income.

(B) Except as provided in subparagraph (D) and in paragraph (6), the interest rate on loans (other than guaranteed loans) under section 1934 of this title shall not be—

(i) greater than the sum of—

(I) an amount that does not exceed one-half of the current average market yield on outstanding marketable obligations of the United States with maturities of 5 years; and

(II) an amount not exceeding 1 percent per year, as the Secretary determines is appropriate; or

(ii) less than 5 percent per year.

(C) Notwithstanding subparagraph (A), the Secretary shall establish loan rates for health care and related facilities based solely on the income of the area to be served, and such rates shall be otherwise consistent with such subparagraph.

(D) JOINT FINANCING ARRANGEMENTS.—If a direct farm ownership loan is made under this subchapter as part of a joint financing arrangement and the amount of the direct farm ownership loan does not exceed 50 percent of the total principal amount financed under the arrangement, the interest rate on the direct farm ownership loan shall be a rate equal to the greater of—

(i) the difference between—

(I) 2 percent; and

(II) the interest rate for farm ownership loans under this subchapter; or

(ii) 2.5 percent.

(E) INTEREST RATES FOR WATER AND WASTE DISPOSAL FACILITIES LOANS.—

(i) IN GENERAL.—Except as provided in clause (ii) and notwithstanding subparagraph (A), in the case of a direct loan for a water or waste disposal facility—

(I) in the case of a loan that would be subject to the 5 percent interest rate limitation under subparagraph (A), the Secretary shall establish the interest rate at a rate that is equal to 60 percent of the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity of the loan, adjusted to the nearest $\frac{1}{8}$ of 1 percent; and

(II) in the case of a loan that would be subject to the 7 percent limitation under subparagraph (A), the Secretary shall establish the interest rate at a rate that is equal to 80 percent of the current market yield for outstanding municipal obligations with remaining periods to maturity comparable to the average maturity of the loan, adjusted to the nearest $\frac{1}{8}$ of 1 percent.

(ii) EXCEPTION.—Clause (i) does not apply to a loan for a specific project that is the subject

of a loan that has been approved, but not closed, as of the date of enactment of this subparagraph.

(4) Except as provided in paragraph (6), the interest rates on loans under sections 1926(a)(1) and 1932 of this title (other than guaranteed loans and loans as described in paragraph (3) of this subsection) shall be as determined by the Secretary, but not less than such rates as determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted in the judgment of the Secretary of the Treasury to provide for rates comparable to the rates prevailing in the private market for similar loans and considering the Secretary's insurance of the loans, plus an additional charge, prescribed by the Secretary, to cover the Secretary's losses and cost of administration, which charge shall be deposited in the Rural Development Insurance Fund, and further adjusted to the nearest one-eighth of 1 per centum.

(5)(A) Except as provided in subparagraph (B), the interest rate on any loan made under this subchapter as a guaranteed loan shall be such rate as may be agreed upon by the borrower and the lender, but not in excess of a rate as may be determined by the Secretary.

(B) In the case of a loan made under section 1932 of this title as a guaranteed loan, subparagraph (A) shall apply notwithstanding the provisions of the constitution or laws of any State limiting the rate or amount of interest that may be charged, taken, received, or reserved.

(6)(A) Notwithstanding any other provision of this section, in the case of loans (other than guaranteed loans) made or insured under the authorities of this chapter specified in subparagraph (B) for activities that involve the use of prime farmland as defined in subparagraph (C), the interest rates shall be the interest rates otherwise applicable under this section increased by 2 per centum per annum. Wherever practicable, construction by a State, municipality, or other political subdivision of local government that is supported by loans described in the preceding sentence shall be placed on land that is not prime farmland, in order to preserve the maximum practicable amount of prime farmlands for production of food and fiber. Where other options exist for the siting of such construction and where the governmental authority still desires to carry out such construction on prime farmland, the 2 per centum interest rate increase provided by this clause shall apply, but such increased interest rate shall not apply where such other options do not exist.

(B) The authorities referred to in subparagraph (A) are—

(i) the provisions of section 1926(a)(1) of this title relating to loans for recreational developments and essential community facilities,

(ii) section 1932(a)(2)(A) of this title;¹ and

(iii) section 1932(d) of this title.

(C) For purposes of this paragraph, the term "prime farmland" means prime farmlands and

¹ So in original. The semicolon probably should be a comma.

unique farmland as those terms are defined in sections 657.5(a) and (b) of title 7, Code of Federal Regulations (1980).

(b) Payment of charges; prepayment of taxes and insurance

The borrower shall pay such fees and other charges as the Secretary may require, and borrowers under this chapter shall prepay to the Secretary such taxes and insurance as the Secretary may require, on such terms and conditions as the Secretary may prescribe.

(c) Mortgages, liens, and other security

The Secretary shall take as security for the obligations entered into in connection with loans, mortgages on farms with respect to which such loans are made or such other security as the Secretary may require, and for obligations in connection with loans to associations under section 1926 of this title, shall take liens on the facility or such other security as he may determine to be necessary. Such security instruments may constitute liens running to the United States notwithstanding the fact that the notes may be held by lenders other than the United States. A borrower may use the same collateral to secure two or more loans made, insured, or guaranteed under this subchapter, except that the outstanding amount of such loans may not exceed the total value of the collateral so used.

(d) Additional collateral

The Secretary may not—

(1) require any borrower to provide additional collateral to secure a farmer program loan made or insured under this chapter, if the borrower is current in the payment of principal and interest on the loan; or

(2) bring any action to foreclose, or otherwise liquidate, any such loan as a result of the failure of a borrower to provide additional collateral to secure a loan, if the borrower was current in the payment of principal and interest on the loan at the time the additional collateral was requested.

The Secretary may purchase with money in the fund any notes issued by the Secretary to the Secretary of the Treasury for the purpose of obtaining money for the fund.

(c) Notes; form and denominations; maturities; terms and conditions; interest rate; purchase by Treasury; public debt transaction

The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for authorized expenditures out of the fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Such notes shall bear interest at a rate fixed by the Secretary of the Treasury, taking into consideration the current average market yield of outstanding marketable obligations of the United States having maturities comparable to the notes issued by the Secretary under this subchapter. The Secretary of the Treasury is authorized and directed to purchase any notes of the Secretary issued hereunder, and, for that purpose, the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which such securities may be issued under such chapter are extended to include the purchase of notes issued by the Secretary. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes shall be treated as public debt transactions of the United States.

(d) Notes and security as part of fund; collection or sale of notes; deposit of net proceeds in fund

Notes and security acquired by the Secretary in connection with loans insured under this subchapter and under prior authority shall become a part of the fund. Notes may be held in the fund and collected in accordance with their terms or may be sold by the Secretary with or without agreements for insurance thereof at the balance due thereon, or on such other basis as the Secretary may determine from time to time. All net proceeds from such collections, including

sales of notes or property, shall be deposited in and become a part of the fund.

(e) Deposit in fund of portion of charge on outstanding principal obligations; availability of remainder of charge, and merger with appropriations, for administrative expenses

The Secretary shall deposit in the fund all or a portion, not to exceed one-half of 1 per centum of the unpaid principal balance of the loan, of any charge collected in connection with the insurance of loans; and any remainder of any such charge shall be available for administrative expenses of the Farmers Home Administration and the Rural Development Administration, in proportion to such charges collected in connection with the insurance of loans by such agency, to be transferred annually and become merged with any appropriation for administrative expenses for such agency.

(f) Utilization of fund

The Secretary may utilize the fund—

(1) to pay amounts to which the holder of the note is entitled on loans heretofore or hereafter insured accruing between the date of any payments made by the borrower and the date of transmittal of any such payments to the lender. In the discretion of the Secretary, payments other than final payments need not be remitted to the holder until due or until the next agreed annual or semiannual remittance date;

(2) to pay to the holder of the notes any deferred or defaulted installment or, upon assignment of the note to the Secretary at the Secretary's request, the entire balance due on the loan;

(3) to purchase notes in accordance with agreements previously entered into;

(4) to pay for contract services, taxes, insurance, prior liens, expenses necessary to make fiscal adjustments in connection with the application and transmittal of collections and other expenses and advances authorized in connection with insured loans, including the difference between interest payable by borrowers and interest to which insured lenders or insured holders are entitled under agreements with the Secretary included in contracts of insurance;

(5) to pay the Secretary's costs of administration necessary to insure, make grants, service, and otherwise carry out the programs under this chapter not specifically covered by the Rural Development Insurance Fund of section 1929a of this title, including costs of the Secretary incidental to guaranteeing loans under this chapter, either directly from the Fund or by transfers from the Fund to, and merger with, any appropriations for administrative expenses.

(g) Transfer of funds from Farmers Home Administration direct loan account and Emergency Credit Revolving Fund; abolition of such account and fund; payments from Agricultural Credit Insurance Fund; interest

(1) The assets and liabilities of, and authorizations applicable to, the Farmers Home Administration direct loan account created by section 1988(c) of this title (before the amendment made

by section 749(a)(1) of the Federal Agriculture Improvement and Reform Act of 1996) and the Emergency Credit Revolving Fund referred to in section 1966 of this title are hereby transferred to the fund, and such account and such revolving fund are hereby abolished. Such assets and their proceeds, including loans made out of the fund pursuant to this section, shall be subject to the provisions of this section, the last sentence of section 1926(a)(1), and the last sentence of section 1927 of this title.

(2) From time to time, and at least at the close of each fiscal year, the Secretary shall pay from the fund into the Treasury as miscellaneous receipts interest on the value as determined by the Secretary, with the approval of the Comptroller General, of the Government's equity transferred to the fund pursuant to the first sentence of this subsection plus the cumulative amount of appropriations made available after enactment of this provision as capital and for administration of the programs financed from the fund, less the average undisbursed cash balance in the fund during the year. The rate of such interest shall be determined by the Secretary of the Treasury, taking into consideration the current average yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of loans made or insured from the fund, adjusted to the nearest one-eighth of 1 per centum. Interest payments may be deferred with the approval of the Secretary of the Treasury, but any interest payments so deferred shall themselves bear interest. If at any time the Secretary determines that moneys in the fund exceed present and any reasonably prospective future requirements of the fund, such excess may be transferred to the general fund of the Treasury.

(h) Guaranteed loans; interest rate for loans sold into secondary market; loan fees

(1) The Secretary may provide financial assistance to borrowers for purposes provided in this chapter by guaranteeing loans made by any Federal or State chartered bank, savings and loan association, cooperative lending agency, or other legally organized lending agency.

(2) The interest rate payable by a borrower on the portion of a guaranteed loan that is sold by a lender to the secondary market under this chapter may be lower than the interest rate charged on the portion retained by the lender, but shall not exceed the average interest rate charged by the lender on loans made to farm and ranch borrowers.

(3) With regard to any loan guarantee on a loan made by a commercial or cooperative lender related to a loan made by the Secretary under section 1935 of this title—

(A) the Secretary shall not charge a fee to any person (including a lender); and

(B) a lender may charge a loan origination and servicing fee in an amount not to exceed 1 percent of the amount of the loan.

(4) MAXIMUM GUARANTEE OF 90 PERCENT.—Except as provided in paragraphs (5), (6), and (7), a loan guarantee under this chapter shall be for not more than 90 percent of the principal and interest due on the loan.

(5) REFINANCED LOANS GUARANTEED AT 95 PERCENT.—The Secretary shall guarantee 95 percent of—

(A) in the case of a loan that solely refinances a direct loan made under this chapter, the principal and interest due on the loan on the date of the refinancing; or

(B) in the case of a loan that is used for multiple purposes, the portion of the loan that refinances the principal and interest due on a direct loan made under this chapter that is outstanding on the date the loan is guaranteed.

(6) BEGINNING FARMER LOANS GUARANTEED UP TO 95 PERCENT.—The Secretary may guarantee not more than 95 percent of—

(A) a farm ownership loan for acquiring a farm or ranch to a borrower who is participating in the down payment loan program under section 1935 of this title; or

(B) an operating loan to a borrower who is participating in the down payment loan program under section 1935 of this title that is made during the period that the borrower has a direct loan outstanding under this subchapter for acquiring a farm or ranch.

(7) AMOUNT OF GUARANTEE OF LOANS FOR FARM OPERATIONS ON TRIBAL LANDS.—In the case of an operating loan made to a farmer or rancher whose farm or ranch land is subject to the jurisdiction of an Indian tribe and whose loan is secured by 1 or more security instruments that are subject to the jurisdiction of an Indian tribe, the Secretary shall guarantee 95 percent of the loan.

(i) Coordination of assistance for qualified beginning farmers and ranchers

(1) Not later than 60 days after any State expresses to the Secretary, in writing, a desire to coordinate the provision of financial assistance to qualified beginning farmers and ranchers in the State, the Secretary and the State shall conclude a joint memorandum of understanding that shall govern the coordination of the provision of the financial assistance by the State and the Secretary.

(2) The memorandum of understanding shall provide that if a State beginning farmer program makes a commitment to provide a qualified beginning farmer or rancher with financing to establish or maintain a viable farming or ranching operation, the Secretary shall, subject to applicable law, normal loan approval criteria, and the availability of funds provide the farmer or rancher with a down payment loan under section 1935 of this title or a guarantee of the financing provided by the State program, or both.

(3) The Secretary shall not charge any person (including a lender) any fee with respect to the provision of any guarantee under this subsection.

(4) The Secretary shall notify each State of the provisions of this subsection.

(5) As used in paragraph (1), the term “State beginning farmer program” means any program that is—

(A) carried out by, or under contract with, a State; and

(B) designed to assist persons in obtaining the financial assistance necessary to enter ag-

riculture and establish viable farming or ranching operations.

(j) Guarantee of loans made under State beginning farmer or rancher programs

The Secretary may guarantee under this chapter a loan made under a State beginning farmer or rancher program, including a loan financed by the net proceeds of a qualified small issue agricultural bond for land or property described in section 144(a)(12)(B)(ii) of title 26.

§ 1929a. Rural Development Insurance Fund

(a) Creation; revolving fund; rural development loans

There is hereby created the Rural Development Insurance Fund (hereinafter in this section referred to as the “Insurance Fund”) which shall be used by the Secretary as a revolving fund for the discharge of the obligations of the Secretary under contracts guaranteeing or insuring rural development loans. For the purpose of this section “rural development loans” shall be those provided for by sections 1926(a)(1) and

1932 of this title, except loans (other than for water systems and waste disposal facilities) of a type authorized by section 1926(a)(1) of this title prior to its amendment by the Rural Development Act of 1972.

(b) Transfer of assets and liabilities

The assets and liabilities of the Agricultural Credit Insurance Fund referred to in section 1929(a) of this title applicable to loans for water systems and waste disposal facilities under section 1926(a)(1) of this title are hereby transferred to the Insurance Fund. (c) Credits in the Treasury; investments; notes, purchasing authority of the Secretary

Moneys in the Insurance Fund not needed for current operations shall be deposited in the Treasury of the United States to the credit of the Insurance Fund or invested in direct obligations of the United States or obligations guaranteed by the United States. The Secretary may purchase with money in the Insurance Fund any notes issued by the Secretary to the Secretary of the Treasury for the purpose of obtaining money for the Insurance Fund.

The Secretary is authorized to make and issue notes to the Secretary of the Treasury for the purpose of obtaining funds necessary for discharging obligations under this section and for making loans, advances, and authorized expenditures out of the Insurance Fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. The Secretary and any subsequent purchaser of such notes and other obligations sold by the Secretary on a nonrecourse basis shall be relieved of any responsibilities that might have been imposed had the borrower remained indebted to the Secretary. All net proceeds from such collections, including sales of notes or property, shall be deposited in and become a part of the Insurance Fund.

The Secretary and any subsequent purchaser of such notes or other obligations sold by the Secretary on a nonrecourse basis shall be relieved of any responsibilities that might have been imposed had the borrower remained indebted to the Secretary." for period at end.

Subsec. (h). Pub. L. 99-514 substituted "Internal Revenue Code of 1986" for "Internal Revenue Code of 1954", which for purposes of codification was translated as "title 26" thus requiring no change in text.

The interest rates on such loans, except for guaranteed loans and loans as provided in paragraphs (2) and (3),¹ shall be as determined by the Secretary, but not in excess of the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus an additional charge not to exceed 1 per centum as determined by the Secretary, which charge shall be deposited in the Rural Development Insurance Fund or the Agricultural Credit Insurance Fund, as appropriate, and adjusted to the nearest one-eighth of 1 per centum. Except as otherwise provided for farm loans under section 1981b of this title, the interest rate on such consolidated or rescheduled loans, other than guaranteed loans, may be changed by the Secretary to a rate not to exceed the rate being charged for loans made under this subchapter at the time of the consolidation or rescheduling. § 1964. Terms of loans

(a) Maximum amount of loan

The Secretary may not make a loan under this subchapter to a borrower who has suffered a loss in an amount that—

(1) exceeds the actual loss caused by a disaster; or

(2) would cause the total indebtedness of the borrower under this subchapter to exceed \$500,000.

(b) Interest rates

Loans under this subchapter shall be at rates of interest as follows:

(1) For loans or portions of loans up to the amount of the applicant's actual loss caused by the disaster, as limited under subsection (a)(1) of this section, the interest shall be at rates prescribed by the Secretary, but not in excess of 8 percent per annum; and

(2) For loans or portions of loans in excess of the amount of the applicant's actual loss caused by the disaster, as limited under subsection (a)(1) of this section, (A) the interest for insured loans shall be at rates prevailing in the private market for similar loans, as determined by the Secretary, and (B) the interest for guaranteed loans shall be at rates agreed on by the borrower and lender, but not in excess of such rates as may be determined by the Secretary.

(c) Interest subsidies

For guaranteed loans under this subchapter, the Secretary may pay interest subsidies to the

lenders for those portions of the loans up to the amount of the actual loss caused by the disaster, as limited under subsection (a)(1) of this section. Any such subsidy shall not exceed the difference between the interest rate being charged for loans up to the amount of the actual loss, as established under subsection (b)(1) of this section, and the maximum interest rate for guaranteed loans, as established under subsection (b)(2) of this section.

(d) Repayment

(1) In general

All loans under this subchapter shall be repayable at such times as the Secretary may determine, taking into account the purposes of the loan and the nature and effect of the disaster, but not later than as provided for loans for similar purposes under subchapters I and II of this chapter, and upon the full personal liability of the borrower and upon the best security available, as the Secretary may prescribe: *Provided*, That the security is adequate to assure repayment of the loans, except that if such security is not available because of the disaster, the Secretary shall (1) accept as security such collateral as is available, a portion or all of which may have depreciated in value due to the disaster and which in the opinion of the Secretary, together with the Secretary's confidence in the repayment ability of the applicant, is adequate security for the loan, and (2) make such loan repayable at such times as the Secretary may determine, not later than as provided under subchapters I and II of this chapter, as justified by the needs of the applicant: *Provided further*, That for any disaster occurring after January 1, 1975, the Secretary, if the loan is for a purpose described in subchapter II of this chapter, may make the loan repayable at the end of a period of more than seven years, but not more than twenty years, if the Secretary determines that the need of the loan applicant justifies such a longer repayment period: *Provided further*, That for any direct or insured loan (other than a guaranteed loan) approved under section 1961(b) of this title, three years after the loan is made or insured, and every two years thereafter for the term of the loan, the Secretary shall review the loan; and if, based on such review, the Secretary determines that the borrower is able to obtain a loan from non-Federal sources at reasonable rates and terms for loans for similar purposes and periods of time, the borrower shall on request by the Secretary, apply for and accept such non-Federal loan in sufficient amount to repay the Secretary. If farm assets (including land, livestock, and equipment) are used as collateral to secure a loan made under this subchapter, the Secretary shall establish the value of the assets as of the day before the occurrence of the natural disaster, major disaster, or emergency that is the basis for a request for assistance under this subchapter or the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.).

(2) No basis for denial of loan

(A) In general

Subject to subparagraph (B), the Secretary shall not deny a loan under this subchapter to a borrower by reason of the fact that the borrower lacks a particular amount of collateral for the loan if the Secretary is reasonably certain that the borrower will be able to repay the loan.

(B) Refusal to pledge available collateral

The Secretary may deny or cancel a loan under this subchapter if a borrower refuses to pledge available collateral on request by the Secretary.

(e) Grant eligibility

Any political subdivision of a State with a population of less than ten thousand inhabitants that, if such subdivision had a population of ten thousand or more inhabitants, would be eligible for a grant under the first title of the Community Emergency Drought Relief Act of 1977 shall be eligible for a grant under this chapter during any period in which the Community Emergency Drought Relief Act of 1977 is or has been in effect.

The Secretary may permit interest that accrues during the deferral period on any loan deferred under this section to bear no interest during or after such period: *Provided*, That if the security instrument securing such loan is foreclosed such interest as is included in the purchase price at such foreclosure shall become part of the principal and draw interest from the date of foreclosure at the rate prescribed by law.

L. 87-128 does not contain a section 114 and section 1989 provides for a lender certification program.

(II) Indian corporate entities that are authorized by such Indian tribe to lease or purchase lands within the boundaries of such reservation, or

(III) such Indian tribe itself.

(v) If real property described in clause (i) is not purchased or leased under clause (iii) and the Indian tribe having jurisdiction over the reservation within which the real property is located is unable to purchase or lease the real

property, the Secretary shall transfer the real property to the Secretary of the Interior who shall administer the real property as if the real property were held in trust by the United States for the benefit of such Indian tribe. From the rental income derived from the lease of the transferred real property, and all other income generated from the transferred real property, the Secretary of the Interior shall pay those State, county, municipal, or other local taxes to which the transferred real property was subject at the time of acquisition by the Secretary, until the earlier of—

(I) the expiration of the 4-year period beginning on the date on which the real property is so transferred, or

(II) such time as the lands are transferred into trust pursuant to clause (viii).

(vi) At any time any real property is transferred to the Secretary of the Interior under clause (v), the Secretary of Agriculture shall be deemed to have no further responsibility under this Act for collection of any amounts with regard to the farm program loan which had been secured by such real property, nor with regard to any lien arising out of such loan transaction, nor for repayments of any amount with regard to such loan transactions or liens to the Treasury of the United States, and the Secretary of the Interior shall be deemed to have succeeded to all right, title and interest of the Secretary of Agriculture in such real estate arising from the farm program loan transaction, including the obligation to remit to the Treasury of the United States, in repayment of the original loan, those amounts provided in clause (vii).

(vii) After the payment of any taxes which are required to be paid under clause (v), all remaining rental income derived from the lease of the real property transferred to the Secretary of the Interior under clause (v), and all other income generated from the real property transferred to the Secretary of the Interior under clause (v), shall be deposited as miscellaneous receipts in the Treasury of the United States until the amount deposited is equal to the lesser of—

(I) the amount of the outstanding lien of the United States against such real property, as of the date the real property was acquired by the Secretary;

(II) the fair market value of the real property, as of the date of the transfer to the Secretary of the Interior; or

(III) the capitalized value of the real property, as of the date of the transfer to the Secretary of the Interior.

(viii) When the total amount that is required to be deposited under clause (vii) with respect to any real property has been deposited into the Treasury of the United States, title to the real property shall be held in trust by the United States for the benefit of the Indian tribe having jurisdiction over the Indian reservation within which the real property is located.

(ix) Notwithstanding any other clause of this subparagraph, the Indian tribe having jurisdiction over the Indian reservation within which the real property described in clause (i) is located may, at any time after the real property has been transferred to the Secretary of the In-

terior under clause (v), offer to pay the remaining amount on the lien, or the fair market value of the real property, whichever is less. Upon payment of such amount, title to such real property shall be held by the United States in trust for the tribe and such trust or restricted lands that have been acquired by the Secretary under foreclosure or voluntary transfer under a loan made or insured under this chapter and transferred to an Indian person, entity, or tribe under the provisions of this subparagraph shall be deemed to have never lost trust or restricted status.

(x) This subparagraph shall apply to all lands in the land inventory established under this chapter (as of November 28, 1990) that were (immediately prior to November 28, 1990) owned by an Indian borrower-owner described in clause (i) and that are situated within an Indian reservation (as defined in clause (ii)), regardless of the date of foreclosure or acquisition by the Secretary. The Secretary shall afford an opportunity to a tribal member, an Indian corporate entity, or the tribe to purchase or lease the real property as provided in clause (iii). If the right is not exercised or no expression of intent to exercise such right is received within 180 days after November 28, 1990, the Secretary shall transfer the real property to the Secretary of the Interior as provided in clause (v).

(B) The rights provided in this subsection shall be in addition to any such right of first refusal under the law of the State in which the property is located.

(C) As used in this paragraph, the term "borrower-owner" means—

(i) a borrower from whom the Secretary acquired real farm or ranch property (including the principal residence of the borrower) used to secure any loan made to the borrower under this chapter; or

(ii) in any case in which an owner of property pledged the property to secure the loan and the owner is different than the borrower, the owner.

(D)(i) If—

(I) the real property described in subparagraph (A)(i) is located within an Indian reservation;

(II) the borrower-owner is an Indian tribe that has jurisdiction over the reservation in which the real property is located or the borrower-owner is a member of an Indian tribe;

(III) the borrower-owner has obtained a loan made, insured, or guaranteed under this chapter; and

(IV) the borrower-owner and the Secretary have exhausted all of the procedures provided for in this chapter to permit a borrower-owner to retain title to the real property, such that it is necessary for the borrower-owner to relinquish title,

the Secretary shall dispose of or administer the property only as provided in subparagraph (A), as modified by this subparagraph.

(ii) The Secretary shall provide the borrower-owner of real property that is described in clause (i) with written notice of—

(I) the right of the borrower-owner to voluntarily convey the real property to the Secretary; and

(II) the fact that real property so conveyed will be placed in the inventory of the Secretary.

(iii) The Secretary shall provide the borrower-owner of the real property with written notice of the rights and protections provided under this chapter to the borrower-owner, and the Indian tribe that has jurisdiction over the reservation in which the real property is located, from foreclosure or liquidation of the real property, including written notice of—

(I) the provisions of subparagraph (A), this subparagraph, and subsection (g)(6);¹

(II) if the borrower-owner does not voluntarily convey the real property to the Secretary, that—

(aa) the Secretary may foreclose on the property;

(bb) in the event of foreclosure, the property will be offered for sale;

(cc) the Secretary must offer a bid for the property that is equal to the fair market value of the property or the outstanding principal and interest of the loan, whichever is higher;

(dd) the property may be purchased by another party; and

(ee) if the property is purchased by another party, the property will not be placed in the inventory of the Secretary and the borrower-owner will forfeit the rights and protections provided under this chapter; and

(III) the opportunity of the borrower-owner to consult with the Indian tribe that has jurisdiction over the reservation in which the real property is located or counsel to determine if State or tribal law provides rights and protections that are more beneficial than those provided the borrower-owner under this chapter.

(iv)(I) Except as provided in subclause (II), the Secretary shall accept the voluntary conveyance of real property described in clause (i).

(II) If a hazardous substance (as defined in section 9601(14) of title 42) is located on the property and the Secretary takes remedial action to protect human health or the environment if the property is taken into inventory, the Secretary shall accept the voluntary conveyance of the property only if the Secretary determines that it is in the best interests of the Federal Government.

(v) FORECLOSURE PROCEDURES.—

(I) NOTICE TO BORROWER.—If an Indian borrower-owner does not voluntarily convey to the Secretary real property described in clause (i), not less than 30 days before a foreclosure sale of the property, the Secretary shall provide the Indian borrower-owner with the option of—

(aa) requiring the Secretary to assign the loan and security instruments to the Secretary of the Interior, if the Secretary of the Interior agrees to an assignment releasing the Secretary of Agriculture from all further responsibility for collection of any amounts with regard to the loan secured by the real property; or

(bb) requiring the Secretary to assign the loan and security instruments to the tribe

having jurisdiction over the reservation in which the real property is located, if the tribe agrees to the assignment.

(II) NOTICE TO TRIBE.—If an Indian borrower does not voluntarily convey to the Secretary real property described in clause (i), not less than 30 days before a foreclosure sale of the property, the Secretary shall provide written notice to the Indian tribe that has jurisdiction over the reservation in which the real property is located of—

- (aa) the sale;
- (bb) the fair market value of the property; and
- (cc) the requirements of this subparagraph.

(III) ASSUMED LOANS.—If an Indian tribe assumes a loan under subclause (I)—

- (aa) the Secretary shall not foreclose the loan because of any default that occurred prior to the date of the assumption;
- (bb) the loan shall be for the lesser of the outstanding principal and interest of the loan or the fair market value of the property; and
- (cc) the loan shall be treated as though the loan was made under sections 5136 to 5143 of title 25.

(vi)(I) Except as provided in subclause (II), at a foreclosure sale of real property described in clause (i), the Secretary shall offer a bid for the property that is equal to the higher of—

- (aa) the fair market value of the property; or
- (bb) the outstanding principal and interest of the loan.

(II) If a hazardous substance (as defined in section 9601(14) of title 42) is located on the property and the Secretary takes remedial action to protect human health or the environment if the property is taken into inventory, subclause (I) shall apply only if the Secretary determines that it is in the best interests of the Federal Government.

(2) The Secretary shall not offer for sale or sell any such farmland if the placing of such farmland on the market will have a detrimental effect on the value of farmland in the area.

(3)(A) The Secretary may sell farmland administered under this chapter through an installment sale or similar device that contains such terms as the Secretary considers necessary to protect the investment of the Federal Government in such land.

(B) The Secretary may subsequently sell any contract entered into to carry out subparagraph (A).

(4) In the case of farmland administered under this chapter that is highly erodible land (as defined in section 3801 of title 16), the Secretary may require the use of specified conservation practices on such land as a condition of the sale or lease of such land.

(5) Notwithstanding any other provisions of law, compliance by the Secretary with this subsection shall not cause any acreage allotment, marketing quota, or acreage base assigned to such property to lapse, terminate, be reduced, or otherwise be adversely affected.

(6) In the event of any conflict between any provision of this subsection and any provision of

the law of any State providing a right of first refusal to the owner of farmland or the operator of a farm before the sale or lease of land to any other person, such provision of State law shall prevail.

(f) Normal security income

(1) As used in this subsection, the term “normal income security” means all security not considered basic security, including crops, livestock, poultry products, Agricultural Stabilization and Conservation Service payments and Commodity Credit Corporation payments, and other property covered by Farmers Home Administration liens that is sold in conjunction with the operation of a farm or other business, but shall not include any equipment (including fixtures in States that have adopted the Uniform Commercial Code), or foundation herd or flock, that is the basis of the farming or other operation, and is the basic security for a Farmers Home Administration farmer program loan.

(2) The Secretary shall release from the normal income security provided for such loan an amount sufficient to pay for the essential household and farm operating expenses of the borrower, until such time as the Secretary accelerates such loan.

(3) A borrower whose account was accelerated on or after November 1, 1985, and on or before May 7, 1987, but not thereafter foreclosed on or liquidated, shall be entitled to the release of security income for a period of 12 months, to pay the essential household and farm operating expenses of such borrower in an amount not to exceed \$18,000 over 12 months, if such borrower—

(A) as of October 30, 1987, continued to be actively engaged in the farming operations for which the Secretary had made the farmer program loan; and

(B) as of the deadline for responding to the notice provided for under paragraph (5), requests restructuring of such loans pursuant to section 2001 of this title.

(4) The county committee in the county in which borrower's land is located shall determine whether the borrower has complied with the requirements of paragraph (3)(A).

(5)(A) Within 45 days after January 6, 1988, the Secretary shall provide to the borrowers described in paragraph (3) notice by certified mail of the right of such borrowers to apply for the benefits under such paragraph.

(B) Releases under such paragraph shall be made to qualified borrowers who have responded to the notice within 30 days after receipt.

(C) Within 12 months after a borrower has requested restructuring under section 2001 of this title, the Secretary shall make a final determination on the request. Notwithstanding the 12-month limitation provided for in paragraph (3), releases shall continue to be made to the borrower until a denial or dismissal of the application of the borrower for restructuring under section 2001 of this title is made. The amount of essential household and farm operating expenses which may be released to any borrower eligible for such releases after 12 months may exceed \$18,000, by an amount proportionate to the period of time beyond 12 months before a final determination is made by the Secretary.

(6) If a borrower is required to plan for or to report on how proceeds from the sale of collateral property will be used, the Secretary shall—

(A) notify the borrower of such requirement; and

(B) notify the borrower of the right to the release of funds under this section and the means by which a request for the funds may be made.

(7) The Secretary shall issue regulations consistent with this section that—

(A) was cropland on the date the property entered the inventory of the Secretary; or

(B) was used for farming at any time during the period beginning on the date 5 years before the property entered the inventory of the Secretary and ending on the date the property entered the inventory of the Secretary.

(3) Notification

The Secretary shall provide prior written notification to a borrower considering preservation loan servicing that a wetlands conservation easement may be placed on land for which the borrower is negotiating a lease option.

(4) Appraised value

The appraised value of the farm shall reflect the value of the land due to the placement of wetland conservation easements.

AMENDMENTS

1985—Pub. L. 99-198 designated existing provisions as subsec. (a) and added subsec. (b).

§ 1988. Appropriations

(a) Authorization

There is authorized to be appropriated to the Secretary such sums as the Congress may from time to time determine to be necessary to en-

able the Secretary to carry out the purposes of this chapter and for the administration of assets transferred to the Farmers Home Administration or the Rural Development Administration.

(b) Sale by lender and any holder of guaranteed portion of loan pursuant to regulations governing such sales; limitations; issuance of pool certificates representing ownership of guaranteed portion of guaranteed loan; terms and conditions, etc.; reporting requirements

(1)(A) The guaranteed portion of any loan made under this chapter may be sold by the lender, and by any subsequent holder, in accordance with regulations governing such sales as the Secretary shall establish, subject to the following limitations:

(i) All fees due the Secretary with respect to a guaranteed loan are to be paid in full before any sale.

(ii) The loan is to have been fully disbursed to the borrower before the sale.

(B) After a loan is sold in the secondary market, the lender shall remain obligated under its guarantee agreement with the Secretary, and shall continue to service the loan in accordance with the terms and conditions of such agreement.

(C) The Secretary shall develop such procedures as are necessary for the facilitation, administration, and promotion of secondary market operations, and for determining the increase of farmers' access to capital at reasonable rates and terms as a result of secondary market operations.

(D) This subsection shall not be interpreted to impede or extinguish the right of the borrower or the successor in interest to such borrower to prepay (in whole or in part) any loan made under this chapter, or to impede or extinguish the rights of any party under any provision of this chapter.

(2)(A) The Secretary may, directly or through a market maker approved by the Secretary, issue pool certificates representing ownership of part or all of the guaranteed portion of any loan guaranteed by the Secretary under this chapter. Such certificates shall be based on and backed by a pool established or approved by the Secretary and composed solely of the entire guaranteed portion of such loans.

(B) The Secretary may, on such terms and conditions as the Secretary deems appropriate, guarantee the timely payment of the principal and interest on pool certificates issued on behalf of the Secretary by approved market makers for purposes of this subsection. Such guarantee shall be limited to the extent of principal and interest on the guaranteed portions of loans that compose the pool. If a loan in such pool is prepaid, either voluntarily or by reason of default, the guarantee of timely payment of principal and interest on the pool certificates shall be reduced in proportion to the amount of principal and interest such prepaid loan represents in the pool. Interest on prepaid or defaulted loans shall accrue and be guaranteed by the Secretary only through the date of payment on the guarantee. During the term of the pool certificate, the certificate may be called for redemp-

tion due to prepayment or default of all loans constituting the pool.

(C) The full faith and credit of the United States is pledged to the payment of all amounts that may be required to be paid under any guarantee of such pool certificates issued by approved market makers under this subsection. The Secretary may expend amounts in the Agricultural Credit Insurance Fund to make payments on such guarantees.

(D) The Secretary shall not collect any fee for any guarantee under this subsection. The preceding sentence shall not preclude the Secretary from collecting a fee for the functions described in paragraph (3).

(E) Within 30 days after a borrower of a guaranteed loan is in default of any principal or interest payment due for 60 days or more, the Secretary shall—

(i) purchase the pool certificates representing ownership of the guaranteed portion of the loan; and

(ii) pay the registered holder of the certificates an amount equal to the guaranteed portion of the loan represented by the certificate.

(F)(i) If the Secretary pays a claim under a guarantee issued under this subsection, the claim shall be subrogated fully to the rights satisfied by such payment, as may be provided by the Secretary.

(ii) No State or local law, and no Federal law, shall preclude or limit the exercise by the Secretary of the Secretary's ownership rights in the portions of loans constituting the pool against which the certificates are issued.

(3) On the adoption of final rules and regulations, the Secretary shall do the following:

(A) Provide for the central collection of registration information from all participating market makers for all loans and pool certificates sold under paragraphs (1) and (2). Such information shall include, with respect to each original sale and any subsequent sale, identification of the interest rate paid by the borrower to the lender, the lender's servicing fee, whether interest on the loan is at a fixed or variable rate, identification of each purchaser of a pool certificate, the interest rate paid on the certificate, and such other information as the Secretary deems appropriate.

(B) Before any sale, require the seller to disclose to each prospective purchaser of the portion of a loan guaranteed under this chapter and to each prospective purchaser of a pool certificate issued under paragraph (2), information on the terms, conditions, and yield of such instrument. As used in this subparagraph, if the instrument being sold is a loan, the term "seller" does not include (i) the person who made the loan or (ii) any person who sells three or fewer guaranteed loans per year.

(C) Provide for adequate custody of any pooled guaranteed loans.

(D) Take such actions as are necessary, in restructuring pools of the guaranteed portion of loans, to minimize the estimated costs of paying claims under guarantees issued under this subsection.

(E) Require each market maker—

(i) to service all pools formed, and participations sold, by the market maker; and

(ii) to provide the Secretary with information relating to the collection and disbursement of all periodic payments, prepayments, and default funds from lenders, to or from the reserve fund that the Secretary shall establish to enable the timely payment guarantee to be self-funding, and from all beneficial holders.

(F) Regulate market makers in pool certificates sold under this subsection.

(4) The Secretary may contract for goods and services to be used for the purposes of this subsection without regard to the provisions of titles 5, 40, and 41, and any regulations issued thereunder.

(2) to cover the necessary living expenses of the family of the borrower; and

(3) to pay all other obligations and expenses of the borrower not financed through debt obligations referred to in paragraph (1).

(c) Certified Lenders Program

(1) In general

The Secretary shall establish a program under which the Secretary shall guarantee loans for any purpose specified in subchapter II that are made by lending institutions certified by the Secretary.

(2) Certification requirements

The Secretary shall certify a lending institution that meets such criteria as the Secretary may prescribe in regulations, including the ability of the institution to properly make, service, and liquidate the loans of the institution.

(3) Condition of certification

As a condition of the certification, the Secretary shall require the institution to undertake to service the loans guaranteed by the Secretary under this subsection, using standards that are not less stringent than generally accepted banking standards concerning loan servicing employed by prudent commercial or cooperative lenders. The Secretary shall, at least annually, monitor the performance of each certified lender to ensure that the conditions of the certification are being met.

(4) Effect of certification

Notwithstanding any other provision of law:

(A) The Secretary shall guarantee 80 percent of a loan made under this subsection by

a certified lending institution as described in paragraph (1), subject to county committee certification that the borrower of the loan meets the eligibility requirements and such other criteria as may be applicable to loans guaranteed by the Secretary under other provisions of this chapter.

If the Secretary rejects the loan application within the 14-day period, the Secretary shall state, in writing, all of the reasons the application was rejected.

The Secretary shall certify any lending institution as a Preferred Certified Lender that meets such criteria as the Secretary may prescribe by regulation.

The designation of a lender as a Preferred Certified Lender shall be revoked at any time that the Secretary determines that such lender is not adhering to the rules and regulations applicable to the program or if the loss experiences of a Preferred Certified Lender are excessive as compared to other Preferred Certified Lenders, except that such suspension or revocation shall not affect any outstanding guarantee.

(3) Condition of certification

As a condition of such preferred certification, the Secretary shall require the institution to undertake to service the loans guaranteed by the Secretary under this subsection using generally accepted banking standards

concerning loan servicing employed by prudent commercial or cooperative lenders. The Secretary shall, at least annually, monitor the performance of each preferred certified lender to ensure that the conditions of such certification are being met.

(4) Effect of preferred lender certification

Notwithstanding any other provision of law, the Secretary shall—

(E) during the period of the occupancy of the homestead property, pay a reasonable sum as rent for such property to the Secretary or the Administrator in an amount substantially equivalent to rents charged for similar residential properties in the area in which the homestead property is located;

(F) during the period of the occupancy of the homestead property, maintain the property in good condition; and

(G) meet such other reasonable and necessary terms and conditions as the Secretary may require consistent with this section.

(2) For purposes of subparagraphs (B) and (C) of paragraph (1), the term "farming or ranching operations" shall include rent paid by lessees of agricultural land during any period in which the borrower-owner, due to circumstances beyond the control of the borrower-owner, is unable to actively farm such land.

(3) For the purposes of paragraph (1)(E), the failure of the borrower-owner to make timely rental payments shall constitute cause for the termination of all rights of such borrower-owner to possession and occupancy of the homestead property under this section. In effecting any such termination, the Secretary shall afford the borrower-owner or lessee the notice and hearing procedural rights described in section 1983b² of this title and shall comply with all applicable State and local laws governing eviction from residential property.

(4)(A) The period of occupancy allowed the prior owner of homestead property under this section shall be the period requested in writing by the prior owner, except that such period shall not exceed 5 years.

(B) At any time during the period of occupancy of a borrower-owner who is a socially disadvantaged farmer or rancher (as defined in section 2003(e)(2) of this title), the borrower-owner or a member of the immediate family of the borrower-owner shall have a right of first refusal to reacquire the homestead property on such terms and conditions as the Secretary shall determine, except that the Secretary may not demand a payment for the homestead property that is in excess of the current market value of the homestead property as established by an independent appraisal. The independent appraisal shall be conducted by an appraiser selected by the borrower-owner or immediate family member, as the case may be, from a list of three appraisers approved by the county supervisor.

(5) No rights of a borrower-owner under this section, and no agreement entered into between the borrower-owner and the Secretary for occu-

pancy of the homestead property, shall be transferable or assignable by the borrower-owner or by operation of any law, except that in the case of death or incompetency of such borrower-owner, such rights and agreements shall be transferable to the spouse of the borrower-owner if the spouse agrees to comply with the terms and conditions thereof.

(6) Not later than the date of acquisition of the property securing a loan made under this chapter (or, in the case of real property in inventory on April 4, 1996, not later than 5 days after April 4, 1996), the Secretary shall notify the borrower-owner from whom the property was acquired of the availability of homestead protection rights under this section.

(d) First right of refusal of reacquisition

At the end of the period of occupancy described in subsection (c), the Secretary or the Administrator shall grant to the borrower-owner a first right of refusal to reacquire the homestead property on such terms and conditions (which may include payment of principal in installments) as the Secretary or the Administrator shall determine. Such terms and conditions shall not be less favorable than those intended to be offered to any other buyer.

(e) Value as measure of reacquisition payment of principal

At the time any reacquisition agreement is entered into, the Secretary or the Administrator may not demand a total payment of principal that is in excess of the value of the homestead property as established under subsection (b)(2).

(f) Contract authority

The Secretary may enter into contracts authorized by this section before the Secretary acquires title to the homestead property.

(g) Conflict between Federal and State law

In the event of any conflict between this section and any provision of the law of any State relating to the right of a borrower-owner to designate for separate sale or redeem part or all of the real property securing a loan foreclosed on by the lender thereof, such provision of State law shall prevail.

§ 2001. Debt restructuring and loan servicing

(a) In general

The Secretary shall modify delinquent farmer program loans made or insured under this chapter, or purchased from the lender or the Federal Deposit Insurance Corporation under section 1929b of this title, to the maximum extent possible—

(1) to avoid losses to the Secretary on such loans, with priority consideration being placed on writing-down the loan principal and interest (subject to subsections (d) and (e)), and debt set-aside (subject to subsection (e)), whenever these procedures would facilitate keeping the borrower on the farm or ranch, or otherwise through the use of primary loan service programs as provided in this section; and

(2) to ensure that borrowers are able to continue farming or ranching operations.

(b) Eligibility

To be eligible to obtain assistance under subsection (a)—

(1) the delinquency must be due to circumstances beyond the control of the borrower, as defined in regulations issued by the Secretary, except that the regulations shall require that, if the value of the assets calculated under subsection (c)(2)(A)(ii) that may be realized through liquidation or other methods would produce enough income to make the delinquent loan current, the borrower shall not be eligible for assistance under subsection (a);

(2) the borrower must have acted in good faith with the Secretary in connection with the loan as defined in regulations issued by the Secretary;

(3) the borrower must present a preliminary plan to the Secretary that contains reasonable assumptions that demonstrate that the borrower will be able to—

(A) meet the necessary family living and farm operating expenses; and

(B) service all debts, including those of the loans restructured; and

(4) the loan, if restructured, must result in a net recovery to the Federal Government, during the term of the loan as restructured, that would be more than or equal to the net recovery to the Federal Government from an involuntary liquidation or foreclosure on the property securing the loan.

(c) Restructuring determinations

(1) Determination of net recovery

In determining the net recovery from the involuntary liquidation of a loan under this section, the Secretary shall calculate—

(A) the recovery value of the collateral securing the loan, in accordance with paragraph (2); and

(B) the value of the restructured loan, in accordance with paragraph (3).

(2) Recovery value

For the purpose of paragraph (1), the recovery value of the collateral securing the loan shall be based on—

(A)(i) the amount of the current appraised value of the interests of the borrower in the property securing the loan; plus

(ii) the value of the interests of the borrower in all other assets that are—

(I) not essential for necessary family living expenses;

(II) not essential to the operation of the farm; and

(III) not exempt from judgment creditors or in a bankruptcy action under Federal or State law; less

(B) the estimated administrative, legal, and other expenses associated with the liquidation and disposition of the loan and collateral, including—

(i) the payment of prior liens;

(ii) taxes and assessments, depreciation, management costs, the yearly percentage decrease or increase in the value of the property, and lost interest income, each calculated for the average holding period for the type of property involved;

(iii) resale expenses, such as repairs, commissions, and advertising; and

(iv) other administrative and attorney's costs; plus

(C) the value, as determined by the Secretary, of any property not included in subparagraph (A)(i) if the property is specified in any security agreement with respect to such loan and the Secretary determines that the value of such property should be included for purposes of this section.

(3) Value of the restructured loan

(A) In general

For the purpose of paragraph (1), the value of the restructured loan shall be based on the present value of payments that the borrower would make to the Federal Government if the terms of such loan were modified under any combination of primary loan service programs to ensure that the borrower is able to meet such obligations and continue farming operations.

(B) Present value

For the purpose of calculating the present value referred to in subparagraph (A), the

Secretary shall use a discount rate of not more than the current rate on 90-day Treasury bills.

(C) Cash flow margin

For the purpose of assessing under subparagraph (A) the ability of a borrower to meet debt obligations and continue farming operations, the Secretary shall assume that the borrower needs up to 110 percent of the amount indicated for payment of farm operating expenses, debt service obligations, and family living expenses.

(4) Notification

Within 90 days after receipt of a written request for restructuring from the borrower, the Secretary shall—

(A) make the calculations specified in paragraphs (2) and (3);

(B) notify the borrower in writing of the results of such calculations; and

(C) provide documentation for the calculations.

(5) Restructuring of loans

If the value of the restructured loan is greater than or equal to the recovery value, the Secretary shall, within 45 days after notifying the borrower of such calculations, offer to restructure the loan obligations of the borrower under this chapter through primary loan service programs that would enable the borrower to meet the obligations (as modified) under the loan and to continue the farming operations of the borrower. If the borrower accepts such offer, within 45 days after receipt of notice of acceptance, the Secretary shall restructure the loan accordingly.

(6) Termination of loan obligations

The obligations of a borrower to the Secretary under a loan shall terminate if—

(A) the borrower satisfies the requirements of paragraphs (1) and (2) of subsection (b);

(B) the value of the restructured loan is less than the recovery value; and

(C) not later than 90 days after receipt of the notification described in paragraph (4)(B), the borrower pays (or obtains third-party financing to pay) the Secretary an amount equal to the current market value.

(7) Negotiation of appraisal

(A) In general

In making a determination concerning restructuring under this subsection, the Secretary, at the request of the borrower, shall enter into negotiations concerning appraisals required under this subsection with the borrower.

(B) Independent appraisal

If the borrower, based on a separate current appraisal, objects to the decision of the Secretary regarding an appraisal, the borrower and the Secretary shall mutually agree, to the extent practicable, on an independent appraiser who shall conduct another appraisal of the borrower's property. The average of the two appraisals that are closest in value shall become the final appraisal

under this paragraph. The borrower and the Secretary shall each pay one-half of the cost of the independent appraisal.

(d) Principal and interest write-down

(1) In general

(A) Priority consideration

In selecting the restructuring alternatives to be used in the case of a borrower who has requested restructuring under this section, the Secretary shall give priority consideration to the use of principal and interest write-down, except that this procedure shall not be given first priority in the case of a borrower unless other creditors of such borrower (other than those creditors who are fully collateralized) representing a substantial portion of the total debt of the borrower held by such creditors, agree to participate in the development of the restructuring plan or agree to participate in a State mediation program.

(B) Failure of creditors to agree

Failure of creditors to agree to participate in the restructuring plan or mediation program shall not preclude the use of principal and interest write-down by the Secretary if the Secretary determines that this restructuring alternative results in the least cost to the Secretary.

(2) Participation of creditors

Before eliminating the option to use debt write-down in the case of a borrower, the Secretary shall make a reasonable effort to contact the creditors of such borrower, either directly or through the borrower, and encourage such creditors to participate with the Secretary in the development of a restructuring plan for the borrower.

(e) Shared appreciation arrangements

(1) In general

As a condition of restructuring a loan in accordance with this section, the borrower of the loan may be required to enter into a shared appreciation arrangement that requires the repayment of amounts written off or set aside.

(2) Terms

Shared appreciation agreements shall have a term not to exceed 10 years, and shall provide for recapture based on the difference between the appraised values of the real security property at the time of restructuring and at the time of recapture.

(3) Percentage of recapture

The amount of the appreciation to be recaptured by the Secretary shall be 75 percent of the appreciation in the value of such real security property if the recapture occurs within 4 years of the restructuring, and 50 percent if the recapture occurs during the remainder of the term of the agreement.

(4) Time of recapture

Recapture shall take place at the end of the term of the agreement, or sooner—

(A) on the conveyance of the real security property;

- (B) on the repayment of the loans; or
- (C) if the borrower ceases farming operations.

(5) Transfer of title

Transfer of title to the spouse of a borrower on the death of such borrower shall not be treated as a conveyance for the purpose of paragraph (4).

(6) Notice of recapture

Beginning with fiscal year 2000 not later than 12 months before the end of the term of a shared appreciation arrangement, the Secretary shall notify the borrower involved of the provisions of the arrangement.

(7) Financing of recapture payment

(A) In general

The Secretary may amortize a recapture payment owed to the Secretary under this subsection.

(B) Term

The term of an amortization under this paragraph may not exceed 25 years.

(C) Interest rate

(i) In general

The interest rate applicable to an amortization under this paragraph may not exceed the rate applicable to a loan to reacquire homestead property less 100 basis points.

(ii) Existing amortizations and loans

The interest rate applicable to an amortization or loan made by the Secretary before October 28, 2000, to finance a recapture payment owed to the Secretary under this subsection may not exceed the rate applicable to a loan to reacquire homestead property less 100 basis points.

(D) Reamortization

(i) In general

The Secretary may modify the amortization of a recapture payment referred to in subparagraph (A) of this paragraph on which a payment has become delinquent by using loan service tools under section 1991(b)(3) of this title if—

- (I) the default is due to circumstances beyond the control of the borrower; and
- (II) the borrower acted in good faith (as determined by the Secretary) in attempting to repay the recapture amount.

(ii) Limitations

(I) Term of reamortization

The term of a reamortization under this subparagraph may not exceed 25 years from the date of the original amortization agreement.

(II) No reduction or principal or unpaid interest due

A reamortization of a recapture payment under this subparagraph may not provide for reducing the outstanding principal or unpaid interest due on the recapture payment.

(f) Determination to restructure

If the appeal process results in a determination that a loan is eligible for restructuring, the

Secretary shall restructure the loan in the manner consistent with this section, taking into consideration the restructuring recommendations, if any, of the appeals officer.

(g) Prerequisites to foreclosure or liquidation

No foreclosure or other similar actions shall be taken to liquidate any loan determined to be ineligible for restructuring by the Secretary under this section—

- (1) until the borrower has been given the opportunity to appeal such decision; and
- (2) if the borrower appeals, the appeals process has been completed, and a determination has been made that the loan is ineligible for restructuring.

(h) Time limits for restructuring

Once an appeal has been filed under section 1983b¹ of this title, a decision shall be made at each level in the appeals process within 45 days after the receipt of the appeal or request for further review.

(i) Notice of ineligibility for restructuring

(1) In general

A notice of ineligibility for restructuring shall be sent to the borrower by registered or certified mail within 15 days after such determination.

(2) Contents

The notice required under paragraph (1) shall contain—

- (A) the determination and the reasons for the determination;
- (B) the computations used to make the determination, including the calculation of the recovery value of the collateral securing the loan; and
- (C) a statement of the right of the borrower to appeal the decision to the appeals division, and to appear before a hearing officer.

(j) Independent appraisals

An appeal filed with the appeals division under section 1983b of this title may include a request by the borrower for an independent appraisal of any property securing the loan. On such request, the appeals division shall present the borrower with a list of three appraisers approved by the county supervisor, from which the borrower shall select an appraiser to conduct the appraisal, the cost of which shall be borne by the borrower. The results of such appraisal shall be considered in any final determination concerning the loan. A copy of any appraisal made under this paragraph shall be provided to the borrower.

(k) Partial liquidations

If partial liquidations are performed (with the prior consent of the Secretary) as part of loan servicing by a guaranteed lender under this chapter, the Secretary shall not require full liquidation of a delinquent loan in order for the lender to be eligible to receive payment on losses.

(l) Disposition of normal income security

For purposes of subsection (b)(2) of this section, if a borrower—

¹ See References in Text note below.

(1) disposed of normal income security prior to October 14, 1988, without the consent of the Secretary; and

(2) demonstrates that—

(A) the proceeds were utilized to pay essential household and farm operating expenses; and

(B) the borrower would have been entitled to a release of income proceeds by the Secretary if the regulations in effect on November 28, 1990, had been in effect at the time of the disposition,

the Secretary shall not consider the borrower to have acted without good faith to the extent of the disposition.

(m) Only 1 write-down or net recovery buy-out per borrower for loan made after January 6, 1988

(1) In general

The Secretary may provide for any one borrower not more than 1 write-down or net recovery buy-out under this section with respect to all loans made to the borrower after January 6, 1988.

(2) Special rule

For purposes of paragraph (1), the Secretary shall treat any loan made on or before January 6, 1988, with respect to which a restructuring, write-down, or net recovery buy-out is provided under this section after such date, as a loan made after such date.

(n) Liquidation of assets

The Secretary may not use the authority provided by this section to reduce or terminate any portion of the debt of the borrower that the borrower could pay through the liquidation of assets (or through the payment of the loan value of the assets, if the loan value is greater than the liquidation value) described in subsection (c)(2)(A)(ii).

(o) Lifetime limitation on debt forgiveness per borrower

The Secretary may provide not more than \$300,000 in principal and interest forgiveness under this section per borrower.

The Secretary may certify a lender if the lender meets such criteria as the Secretary may prescribe in regulations, including the ability of the lender to properly make, service, and liquidate the guaranteed loans of the lender.

(3) Condition of certification

As a condition of certification, the Secretary may require the lender to undertake to service the guaranteed loan using standards that are not less stringent than generally accepted banking standards concerning loan servicing that are used by prudent commercial or cooperative lenders.

(4) Guarantee

Notwithstanding any other provision of law, the Secretary may guarantee not more than 80 percent of a loan made by a certified lender described in paragraph (1), if the borrower of the loan meets the eligibility requirements and such other criteria for the loan guarantee that are established by the Secretary.

(5) Certifications

With respect to loans to be guaranteed, the Secretary may permit a certified lender to make appropriate certifications (as provided in regulations issued by the Secretary)—

(4) Condition of certification

As a condition of the preferred certification, the Secretary shall require the lender to undertake to service the loan guaranteed by the Secretary under this subsection using generally accepted banking standards concerning loan servicing employed by prudent commercial or cooperative lenders. The Secretary shall, at least annually, monitor the performance of each preferred certified lender to ensure that the conditions of the certification are being met.

§ 2011. Congressional declaration of policy

It is declared to be the policy of Congress, in order to promote the general welfare, to safeguard the health and well-being of the Nation's population by raising levels of nutrition among low-income households. Congress finds that the limited food purchasing power of low-income households contributes to hunger and malnutrition among members of such households. Congress further finds that increased utilization of food in establishing and maintaining adequate national levels of nutrition will promote the distribution in a beneficial manner of the Nation's agricultural abundance and will strengthen the Nation's agricultural economy, as well as result in more orderly marketing and distribution of foods. To alleviate such hunger and malnutrition, a supplemental nutrition assistance program is herein authorized which will permit low-income households to obtain a more nutritious diet through normal channels of trade by increasing food purchasing power for all eligible households who apply for participation.

1977—Pub. L. 95-113 substituted “a more nutritious diet” for “a nutritionally adequate diet” as the object of the program.

1971—Pub. L. 91-671 provided for cooperation in utilization of Nation's abundance of food by other agencies, struck out “to the maximum extent practicable” before “to safeguard the health”, enunciated finding that limited food purchasing power of low-income households contributes to hunger and malnutrition, and substituted “promote the distribution” for “will tend to cause the distribution” and authorization of a program (to alleviate hunger and malnutrition) which will permit low-income households to purchase a nutritionally adequate diet through normal channels of trade for prior authorization of a program (to effectuate policy of Congress and purposes of this chapter) which will permit such households to receive a greater share of Nation's abundance of food.

“(a) APPOINTMENT AND MEMBERSHIP.—

“(1) ESTABLISHMENT [sic].—There is established an Advisory Committee on Welfare Simplification and Coordination (hereafter in this section referred to as the ‘Committee’) consisting of not fewer than 7, nor more than 11, members appointed by the Secretary of Agriculture (hereafter in this section referred to as the ‘Secretary’), after consultation with the Secretary of Health and Human Services and the Secretary of Housing and Urban Development, and with the advice of State and local officials responsible for administering the supplemental nutrition assistance program, cash and medical assistance programs for low-income families and individuals under the Social Security Act [42 U.S.C. 301 et seq.], and programs pro-

viding housing assistance to needy families and individuals, and representatives of recipients and recipient advocacy organizations associated with such programs.

“(2) **QUALIFICATIONS.**—The members of the Committee shall be individuals who are familiar with the rules, goals, and limitations of Federal supplemental nutrition assistance program benefits, cash, medical, and housing assistance programs for low-income families and individuals, and may include individuals who have demonstrated expertise in evaluating the operations of and interaction among such programs as they affect administrators and recipients, persons who have experience in administering such programs at the Federal, State, or local level, and representatives of administrators and recipients affected by such programs.

“(b) **PURPOSE.**—It shall be the purpose of the Committee, in consultation, where appropriate, with program administrators and representatives of recipients—

“(1) to identify the significant policies implemented in the supplemental nutrition assistance program, cash and medical assistance programs under the Social Security Act [42 U.S.C. 301 et seq.], and housing assistance programs (whether resulting from law, regulations, or administrative practice) that, because they differ substantially, make it difficult for those eligible to apply for and obtain benefits from more than one program and restrict the ability of administrators of such programs to provide efficient, timely, and appropriate benefits to those eligible for more than one type of assistance, drawing, where appropriate, on previous efforts to coordinate and simplify such programs and policies;

“(2) to examine the major reasons for such different programs and policies;

“(3) to evaluate how and the extent to which such different programs and policies hinder, to a significant degree, the receipt of benefits from more than one program and substantially restrict administrators’ ability to provide efficient, timely, and appropriate benefits;

“(4) to recommend common or simplified programs and policies (including recommendations for changes in law, regulations, and administrative practice and for policies that do not currently exist in such programs) that would substantially reduce difficulties in applying for and obtaining benefits from more than one program and significantly increase the ability of administrators of such programs to efficiently provide timely and appropriate assistance to those eligible for more than one type of assistance; and

“(5) to describe the major effects of such common or simplified programs and policies (including how such common or simplified programs and policies would enhance or conflict with the purposes of such programs, how they would ease burdens on administrators and recipients, how they would affect program costs and participation, and the degree to which they would change the relationships between the Federal Government and the States in such programs) and the reasons for recommending such programs and policies (including reasons, if any, that might be sufficient to override special rules derived from the purposes of individual programs).

“(c) **ADMINISTRATIVE SUPPORT.**—The Secretary shall provide the Committee with such technical and other assistance, including secretarial and clerical assistance, as may be required to carry out its functions.

“(d) **REIMBURSEMENT.**—Members of the Committee shall serve without compensation but shall receive reimbursement for necessary travel and subsistence expenses incurred by such members in the performance of the duties of the Committee.

“(e) **REPORTS.**—Not later than July 1, 1993, the Committee shall prepare and submit, to the appropriate committees of Congress, the Secretary of Agriculture, the Secretary of Health and Human Services, and the Secretary of Housing and Urban Development a final report, including recommendations for common or sim-

plified programs and policies and the effects of and reasons for such programs and policies and may submit interim reports, including reports on common or simplified programs and policies covering less than the complete range of programs and policies under review, to the committees and such Secretaries as deemed appropriate by the Committee.”

The Secretary shall allow a standard deduction for each household in Guam in an amount that is—

(I) equal to 8.31 percent of twice the income standard of eligibility established under subsection (c)(1) for the 48 contiguous States and the District of Columbia; but

(II) not more than 8.31 percent of twice the income standard of eligibility estab-

lished under subsection (c)(1) for the 48 contiguous States and the District of Columbia for a household of 6 members.

(ii) Minimum amount

Notwithstanding clause (i), the standard deduction for each household in Guam shall be not less than—

(I) for fiscal year 2009, \$289; and

(II) for fiscal year 2010 and each fiscal year thereafter, an amount that is equal to the amount from the previous fiscal year adjusted to the nearest lower dollar increment to reflect changes for the 12-month period ending on the preceding June 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor, for items other than food.

(C) Requirement

Each adjustment under subparagraphs (A)(ii)(II) and (B)(ii)(II) shall be based on the unrounded amount for the prior 12-month period.

(2) Earned income deduction

(A) “Earned income” defined

In this paragraph, the term “earned income” does not include—

- (i) income excluded by subsection (d); or
- (ii) any portion of income earned under a work supplementation or support program, as defined under section 2025(b) of this title, that is attributable to public assistance.

(B) Deduction

Except as provided in subparagraph (C), a household with earned income shall be allowed a deduction of 20 percent of all earned income to compensate for taxes, other mandatory deductions from salary, and work expenses.

(C) Exception

The deduction described in subparagraph (B) shall not be allowed with respect to determining an overissuance due to the failure of a household to report earned income in a timely manner.

(3) Dependent care deduction

(A) In general

A household shall be entitled, with respect to expenses (other than excluded expenses described in subparagraph (B)) for dependent care, to a dependent care deduction for the actual cost of payments necessary for the care of a dependent if the care enables a household member to accept or continue employment, or training or education that is preparatory for employment.

(B) Excluded expenses

The excluded expenses referred to in subparagraph (A) are—

- (i) expenses paid on behalf of the household by a third party;
- (ii) amounts made available and excluded, for the expenses referred to in subparagraph (A), under subsection (d)(3); and
- (iii) expenses that are paid under section 2015(d)(4) of this title or a pilot project under section 2025(h)(1)(F) of this title.

(4) Deduction for child support payments

(A) In general

In lieu of providing an exclusion for legally obligated child support payments made by a household member under subsection (d)(6), a State agency may elect to provide a deduction for the amount of the payments.

(B) Order of determining deductions

A deduction under this paragraph shall be determined before the computation of the excess shelter expense deduction under paragraph (6).

(5) Excess medical expense deduction

(A) In general

A household containing an elderly or disabled member shall be entitled, with respect to expenses other than expenses paid on behalf of the household by a third party, to an excess medical expense deduction for the portion of the actual costs of allowable medical expenses, incurred by the elderly or disabled member, exclusive of special diets, that exceeds \$35 per month.

(B) Method of claiming deduction

(i) In general

A State agency shall offer an eligible household under subparagraph (A) a method of claiming a deduction for recurring medical expenses that are initially verified under the excess medical expense deduction in lieu of submitting information on, or verification of, actual expenses on a monthly basis.

(ii) Method

The method described in clause (i) shall—

(I) be designed to minimize the burden for the eligible elderly or disabled household member choosing to deduct the recurring medical expenses of the member pursuant to the method;

(II) rely on reasonable estimates of the expected medical expenses of the member for the certification period (including changes that can be reasonably anticipated based on available information about the medical condition of the member, public or private medical insurance coverage, and the current verified medical expenses incurred by the member); and

(III) not require further reporting or verification of a change in medical expenses if such a change has been anticipated for the certification period.

(C) Exclusion of medical marijuana

The Secretary shall promulgate rules to ensure that medical marijuana is not treated as a medical expense for purposes of this paragraph.

(6) Excess shelter expense deduction

(A) In general

A household shall be entitled, with respect to expenses other than expenses paid on behalf of the household by a third party, to an

excess shelter expense deduction to the extent that the monthly amount expended by a household for shelter exceeds an amount equal to 50 percent of monthly household income after all other applicable deductions have been allowed.

(B) Maximum amount of deduction

In the case of a household that does not contain an elderly or disabled individual, in the 48 contiguous States and the District of Columbia, Alaska, Hawaii, Guam, and the Virgin Islands of the United States, the excess shelter expense deduction shall not exceed—

(i) for the period beginning on August 22, 1996, and ending on December 31, 1996, \$247, \$429, \$353, \$300, and \$182 per month, respectively;

(ii) for the period beginning on January 1, 1997, and ending on September 30, 1998, \$250, \$434, \$357, \$304, and \$184 per month, respectively;

(iii) for fiscal year 1999, \$275, \$478, \$393, \$334, and \$203 per month, respectively;

(iv) for fiscal year 2000, \$280, \$483, \$398, \$339, and \$208 per month, respectively;

(v) for fiscal year 2001, \$340, \$543, \$458, \$399, and \$268 per month, respectively; and

(vi) for fiscal year 2002 and each subsequent fiscal year, the applicable amount during the preceding fiscal year, as adjusted to reflect changes for the 12-month period ending the preceding November 30 in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

(C) Standard utility allowance

(i) In general

In computing the excess shelter expense deduction, a State agency may use a standard utility allowance in accordance with regulations promulgated by the Secretary, subject to clause (iv), except that a State agency may use an allowance that does not fluctuate within a year to reflect seasonal variations.

(ii) Restrictions on heating and cooling expenses

An allowance for a heating or cooling expense may not be used in the case of a household that—

(I) does not incur a heating or cooling expense, as the case may be;

(II) does incur a heating or cooling expense but is located in a public housing unit that has central utility meters and charges households, with regard to the expense, only for excess utility costs; or

(III) shares the expense with, and lives with, another individual not participating in the supplemental nutrition assistance program, another household participating in the supplemental nutrition assistance program, or both, unless the allowance is prorated between the household and the other individual, household, or both.

(iii) Mandatory allowance

(I) In general

A State agency may make the use of a standard utility allowance mandatory for all households with qualifying utility costs if—

(aa) the State agency has developed 1 or more standards that include the cost of heating and cooling and 1 or more standards that do not include the cost of heating and cooling; and

(bb) the Secretary finds (without regard to subclause (III)) that the standards will not result in an increased cost to the Secretary.

(II) Household election

A State agency that has not made the use of a standard utility allowance mandatory under subclause (I) shall allow a household to switch, at the end of a certification period, between the standard utility allowance and a deduction based on the actual utility costs of the household.

(III) Inapplicability of certain restrictions

Clauses (ii)(II) and (ii)(III) shall not apply in the case of a State agency that has made the use of a standard utility allowance mandatory under subclause (I).

(iv) Availability of allowance to recipients of energy assistance

(I) In general

Subject to subclause (II), if a State agency elects to use a standard utility allowance that reflects heating and cooling costs, the standard utility allowance shall be made available to households that received a payment, or on behalf of which a payment was made, under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) or other similar energy assistance program, if in the current month or in the immediately preceding 12 months, the household either received such a payment, or such a payment was made on behalf of the household, that was greater than \$20 annually, as determined by the Secretary.

(II) Separate allowance

A State agency may use a separate standard utility allowance for households on behalf of which a payment described in subclause (I) is made, but may not be required to do so.

(III) States not electing to use separate allowance

A State agency that does not elect to use a separate allowance but makes a single standard utility allowance available to households incurring heating or cooling expenses (other than a household described in subclause (I) or (II) of clause (ii)) may not be required to reduce the allowance due to the provision (directly or indirectly) of assistance under the

Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.).

(IV) Proration of assistance

For the purpose of the supplemental nutrition assistance program, assistance provided under the Low-Income Home Energy Assistance Act of 1981 (42 U.S.C. 8621 et seq.) shall be considered to be prorated over the entire heating or cooling season for which the assistance was provided.

(D) Homeless households

(i) Alternative deduction

In lieu of the deduction provided under subparagraph (A), a State agency may elect to allow a household in which all members are homeless individuals, but that is not receiving free shelter throughout the month, to receive a deduction of \$143 per month.

(ii) Ineligibility

The State agency may make a household with extremely low shelter costs ineligible for the alternative deduction under clause (i).

(f) Calculation of household income; prospective or retrospective accounting basis; consistency

(1)(A) Household income for those households that, by contract for other than an hourly or piecework basis or by self-employment, derive their annual income in a period of time shorter than one year shall be calculated by averaging such income over a twelve-month period. Notwithstanding the preceding sentence, household income resulting from the self-employment of a member in a farming operation, who derives income from such farming operation and who has irregular expenses to produce such income, may, at the option of the household, be calculated by averaging such income and expenses over a 12-month period. Notwithstanding the first sentence, if the averaged amount does not accurately reflect the household's actual monthly circumstances because the household has experienced a substantial increase or decrease in business earnings, the State agency shall calculate the self-employment income based on anticipated earnings.

(B) Household income for those households that receive nonexcluded income of the type described in subsection (d)(3) of this section shall be calculated by averaging such income over the period for which it is received.

(C) SIMPLIFIED DETERMINATION OF DEDUCTIONS.—

(i) **IN GENERAL.**—Except as provided in clause (ii), for the purposes of subsection (e), a State agency may elect to disregard until the next recertification of eligibility under section 2020(e)(4) of this title 1 or more types of changes in the circumstances of a household that affect the amount of deductions the household may claim under subsection (e).

(ii) **CHANGES THAT MAY NOT BE DISREGARDED.**—Under clause (i), a State agency may not disregard—

(I) any reported change of residence; or

(II) under standards prescribed by the Secretary, any change in earned income.

(2)(A) Except as provided in subparagraphs (B), (C), and (D), households shall have their incomes calculated on a prospective basis, as provided in paragraph (3)(A), or, at the option of the State agency, on a retrospective basis, as provided in paragraph (3)(B).

(B) In the case of the first month, or at the option of the State, the first and second months, during a continuous period in which a household is certified, the State agency shall determine eligibility and the amount of benefits on the basis of the household's income and other relevant circumstances in such first or second month.

(C) Households specified in clauses (i), (ii), and (iii) of section 2015(c)(1)(A) of this title shall have their income calculated on a prospective basis, as provided in paragraph (3)(A).

(D) Except as provided in subparagraph (B), households required to submit monthly reports of their income and household circumstances under section 2015(c)(1) of this title shall have their income calculated on a retrospective basis, as provided in paragraph (3)(B).

(3)(A) Calculation of household income on a prospective basis is the calculation of income on the basis of the income reasonably anticipated to be received by the household during the period for which eligibility or benefits are being determined. Such calculation shall be made in accordance with regulations prescribed by the Secretary which shall provide for taking into account both the income reasonably anticipated to be received by the household during the period for which eligibility or benefits are being determined and the income received by the household during the preceding thirty days.

(B) Calculation of household income on a retrospective basis is the calculation of income for the period for which eligibility or benefits are being determined on the basis of income received in a previous period. Such calculation shall be made in accordance with regulations prescribed by the Secretary which may provide for the determination of eligibility on a prospective basis in some or all cases in which benefits are calculated under this paragraph. Such regulations shall provide for supplementing the initial allotments of newly applying households in those cases in which the determination of income under this paragraph causes serious hardship.

(4) In promulgating regulations under this subsection, the Secretary shall consult with the Secretary of Health and Human Services in order to assure that, to the extent feasible and consistent with the purposes of this chapter and the Social Security Act [42 U.S.C. 301 et seq.], the income of households receiving benefits under this chapter and title IV–A of the Social Security Act [42 U.S.C. 601 et seq.] is calculated on a comparable basis under this chapter and the Social Security Act. The Secretary is authorized, upon the request of a State agency, to waive any of the provisions of this subsection (except the provisions of paragraph (2)(A)) to the extent necessary to permit the State agency to calculate income for purposes of this chapter on the same basis that income is calculated under

title IV-A of the Social Security Act in that State.

(g) Allowable financial resources

(1) TOTAL AMOUNT.—

(A) IN GENERAL.—The Secretary shall prescribe the types and allowable amounts of financial resources (liquid and nonliquid assets) an eligible household may own, and shall, in so doing, assure that a household otherwise eligible to participate in the supplemental nutrition assistance program will not be eligible to participate if its resources exceed \$2,000 (as adjusted in accordance with subparagraph (B)), or, in the case of a household which consists of or includes an elderly or disabled member, if its resources exceed \$3,000 (as adjusted in accordance with subparagraph (B)).

(B) ADJUSTMENT FOR INFLATION.—

(i) IN GENERAL.—Beginning on October 1, 2008, and each October 1 thereafter, the amounts specified in subparagraph (A) shall be adjusted and rounded down to the nearest \$250 increment to reflect changes for the 12-month period ending the preceding June in the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the Department of Labor.

(ii) REQUIREMENT.—Each adjustment under clause (i) shall be based on the unrounded amount for the prior 12-month period.

(2) INCLUDED ASSETS.—

(A) IN GENERAL.—Subject to the other provisions of this paragraph, the Secretary shall, in prescribing inclusions in, and exclusions from, financial resources, follow the regulations in force as of June 1, 1982 (other than those relating to licensed vehicles and inaccessible resources).

(B) ADDITIONAL INCLUDED ASSETS.—The Secretary shall include in financial resources—

(i) any boat, snowmobile, or airplane used for recreational purposes;

(ii) any vacation home;

(iii) any mobile home used primarily for vacation purposes;

(iv) subject to subparagraphs (C) and (D), any licensed vehicle that is used for household transportation or to obtain or continue employment to the extent that the fair market value of the vehicle exceeds \$4,650; and

(v) any savings account, regardless of whether there is a penalty for early withdrawal.

(C) EXCLUDED VEHICLES.—A vehicle (and any other property, real or personal, to the extent the property is directly related to the maintenance or use of the vehicle) shall not be included in financial resources under this paragraph if the vehicle is—

(i) used to produce earned income;

(ii) necessary for the transportation of a physically disabled household member; or

(iii) depended on by a household to carry fuel for heating or water for home use and provides the primary source of fuel or water, respectively, for the household.

(D) ALTERNATIVE VEHICLE ALLOWANCE.—If the vehicle allowance standards that a State agency uses to determine eligibility for assistance

under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) would result in a lower attribution of resources to certain households than under subparagraph (B)(iv), in lieu of applying subparagraph (B)(iv), the State agency may elect to apply the State vehicle allowance standards to all households that would incur a lower attribution of resources under the State vehicle allowance standards.

(3) The Secretary shall exclude from financial resources the value of a burial plot for each member of a household and nonliquid resources necessary to allow the household to carry out a plan for self-sufficiency approved by the State agency that constitutes adequate participation in an employment and training program under section 2015(d) of this title or a pilot project under section 2025(h)(1)(F) of this title. The Secretary shall also exclude from financial resources any earned income tax credits received by any member of the household for a period of 12 months from receipt if such member was participating in the supplemental nutrition assistance program at the time the credits were received and participated in such program continuously during the 12-month period.

(4) In the case of farm property (including land, equipment, and supplies) that is essential to the self-employment of a household member in a farming operation, the Secretary shall exclude from financial resources the value of such property until the expiration of the 1-year period beginning on the date such member ceases to be self-employed in farming.

(5) The Secretary shall promulgate rules by which State agencies shall develop standards for identifying kinds of resources that, as a practical matter, the household is unlikely to be able to sell for any significant return because the household's interest is relatively slight or because the cost of selling the household's interest would be relatively great. Resources so identified shall be excluded as inaccessible resources. A resource shall be so identified if its sale or other disposition is unlikely to produce any significant amount of funds for the support of the household. The Secretary shall not require the State agency to require verification of the value of a resource to be excluded under this paragraph unless the State agency determines that the information provided by the household is questionable.

(6) EXCLUSION OF TYPES OF FINANCIAL RESOURCES NOT CONSIDERED UNDER CERTAIN OTHER FEDERAL PROGRAMS.—

(A) IN GENERAL.—Subject to subparagraph (B), a State agency may, at the option of the State agency, exclude from financial resources under this subsection any types of financial resources that the State agency does not consider when determining eligibility for—

(i) cash assistance under a program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or

(ii) medical assistance under section 1931 of the Social Security Act (42 U.S.C. 1396u-1).

(B) LIMITATIONS.—Except to the extent that any of the types of resources specified in

clauses (i) through (iv) are excluded under another paragraph of this subsection, subparagraph (A) does not authorize a State agency to exclude—

- (i) cash;
- (ii) licensed vehicles;
- (iii) amounts in any account in a financial institution that are readily available to the household; or
- (iv) any other similar type of resource the inclusion in financial resources of which the Secretary determines by regulation to be essential to equitable determinations of eligibility under the supplemental nutrition assistance program.

(7) EXCLUSION OF RETIREMENT ACCOUNTS FROM ALLOWABLE FINANCIAL RESOURCES.—

(A) MANDATORY EXCLUSIONS.—The Secretary shall exclude from financial resources under this subsection the value of—

- (i) any funds in a plan, contract, or account, described in sections 401(a), 403(a), 403(b), 408, 408A, 457(b), and 501(c)(18) of title 26 and the value of funds in a Federal Thrift Savings Plan account as provided in section 8439 of title 5; and
- (ii) any retirement program or account included in any successor or similar provision that may be enacted and determined to be exempt from tax under title 26.

(B) DISCRETIONARY EXCLUSIONS.—The Secretary may exclude from financial resources under this subsection the value of any other retirement plans, contracts, or accounts (as determined by the Secretary).

(8) EXCLUSION OF EDUCATION ACCOUNTS FROM ALLOWABLE FINANCIAL RESOURCES.—

(A) MANDATORY EXCLUSIONS.—The Secretary shall exclude from financial resources under this subsection the value of any funds in a qualified tuition program described in section 529 of title 26 or in a Coverdell education savings account under section 530 of that title.

(B) DISCRETIONARY EXCLUSIONS.—The Secretary may exclude from financial resources under this subsection the value of any other education programs, contracts, or accounts (as determined by the Secretary).

(h) Temporary emergency standards of eligibility; Disaster Task Force; direct assistance to State and local officials

(1) The Secretary shall, after consultation with the official empowered to exercise the authority provided for by sections 5170a and 5192 of title 42, establish temporary emergency standards of eligibility for the duration of the emergency for households who are victims of a disaster which disrupts commercial channels of food distribution, if such households are in need of temporary food assistance and if commercial channels of food distribution have again become available to meet the temporary food needs of such households. Such standards as are prescribed for individual emergencies may be promulgated without regard to section 2013(c) of this title or the procedures set forth in section 553 of title 5.

(2) The Secretary shall—

(A) establish a Disaster Task Force to assist States in implementing and operating the dis-

aster program and the regular supplemental nutrition assistance program in the disaster area; and

(B) if the Secretary, in the Secretary's discretion, determines that it is cost-effective to send members of the Task Force to the disaster area, the Secretary shall send them to such area as soon as possible after the disaster occurs to provide direct assistance to State and local officials.

(3)(A) The Secretary shall provide, by regulation, for emergency allotments to eligible households to replace food destroyed in a disaster. The regulations shall provide for replacement of the value of food actually lost up to a limit approved by the Secretary not greater than the applicable maximum monthly allotment for the household size.

(B) The Secretary shall adjust issuance methods and reporting and other application requirements to be consistent with what is practicable under actual conditions in the affected area. In making this adjustment, the Secretary shall consider the availability of the State agency's offices and personnel, any conditions that make reliance on electronic benefit transfer systems described in section 2016(h) of this title impracticable, and any damage to or disruption of transportation and communication facilities.

(i) Attribution of income and resources to sponsored aliens; coverage, computations, etc.

(1) For purposes of determining eligibility for and the amount of benefits under this chapter for an individual who is an alien as described in section 2015(f)(2)(B) of this title, the income and resources of any person who as a sponsor of such individual's entry into the United States executed an affidavit of support or similar agreement with respect to such individual, and the income and resources of the sponsor's spouse if such spouse is living with the sponsor, shall be deemed to be the income and resources of such individual for a period of three years after the individual's entry into the United States. Any such income deemed to be income of such individual shall be treated as unearned income of such individual.

(2)(A) The amount of income of a sponsor, and the sponsor's spouse if living with the sponsor, which shall be deemed to be the unearned income of an alien for any year shall be determined as follows:

(i) the total yearly rate of earned and unearned income of such sponsor, and such sponsor's spouse if such spouse is living with the sponsor, shall be determined for such year under rules prescribed by the Secretary;

(ii) the amount determined under clause (i) of this subparagraph shall be reduced by an amount equal to the income eligibility standard as determined under subsection (c) for a household equal in size to the sponsor, the sponsor's spouse if living with the sponsor, and any persons dependent upon or receiving support from the sponsor or the sponsor's spouse if the spouse is living with the sponsor; and

(iii) the monthly income attributed to such alien shall be one-twelfth of the amount calculated under clause (ii) of this subparagraph.

(B) The amount of resources of a sponsor, and the sponsor's spouse if living with the sponsor,

which shall be deemed to be the resources of an alien for any year shall be determined as follows:

(i) the total amount of the resources of such sponsor and such sponsor's spouse if such spouse is living with the sponsor shall be determined under rules prescribed by the Secretary;

(ii) the amount determined under clause (i) of this subparagraph shall be reduced by \$1,500; and

(iii) the resources determined under clause (ii) of this subparagraph shall be deemed to be resources of such alien in addition to any resources of such alien.

(C)(i) Any individual who is an alien shall, during the period of three years after entry into the United States, in order to be an eligible individual or eligible spouse for purposes of this chapter, be required to provide to the State agency such information and documentation with respect to the alien's sponsor and sponsor's spouse as may be necessary in order for the State agency to make any determination required under this section, and to obtain any cooperation from such sponsor necessary for any such determination. Such alien shall also be required to provide such information and documentation which such alien or the sponsor provided in support of such alien's immigration application as the State agency may request.

(ii) The Secretary shall enter into agreements with the Secretary of State and the Attorney General whereby any information available to such persons and required in order to make any determination under this section will be provided by such persons to the Secretary, and whereby such persons shall inform any sponsor of an alien, at the time such sponsor executes an affidavit of support or similar agreement, of the requirements imposed by this section.

(D) Any sponsor of an alien, and such alien, shall be jointly and severably liable for an amount equal to any overpayment made to such alien during the period of three years after such alien's entry into the United States, on account of such sponsor's failure to provide correct information under the provisions of this section, except where such sponsor was without fault, or where good cause for such failure existed. Any such overpayment which is not repaid shall be recovered in accordance with the provisions of section 2022(b) of this title.

(E) The provisions of this subsection shall not apply with respect to any alien who is a member of the sponsor's household or to any alien who is under 18 years of age.

(j) Resource exemption for otherwise exempt households

Notwithstanding subsections (a) through (i), a State agency shall consider a household member who receives supplemental security income benefits under title XVI of the Social Security Act [42 U.S.C. 1381 et seq.], aid to the aged, blind, or disabled under title I, II, X, XIV, or XVI of such Act [42 U.S.C. 301 et seq., 401 et seq., 1201 et seq., 1351 et seq., 1381 et seq.], or who receives benefits under a State program funded under part A of title IV of the Act (42 U.S.C. 601 et seq.) to have satisfied the resource limitations prescribed under subsection (g).

(k) Assistance to third parties included; educational benefits; exceptions

(1) For purposes of subsection (d)(1), except as provided in paragraph (2), assistance provided to a third party on behalf of a household by a State or local government shall be considered money payable directly to the household if the assistance is provided in lieu of—

(A) a regular benefit payable to the household for living expenses under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or

(B) a benefit payable to the household for housing expenses under—

(i) a State or local general assistance program; or

(ii) another basic assistance program comparable to general assistance (as determined by the Secretary).

(2) Paragraph (1) shall not apply to—

(A) medical assistance;

(B) child care assistance;

(C) a payment or allowance described in subsection (d)(11);

(D) assistance provided by a State or local housing authority;

(E) emergency assistance for migrant or seasonal farmworker households during the period such households are in the job stream;

(F) emergency and special assistance, to the extent excluded in regulations prescribed by the Secretary; or

(G) assistance provided to a third party on behalf of a household under a State or local general assistance program, or another local basic assistance program comparable to general assistance (as determined by the Secretary), if, under State law, no assistance under the program may be provided directly to the household in the form of a cash payment.

(3) For purposes of subsection (d)(1), educational loans on which payment is deferred, grants, scholarships, fellowships, veterans' educational benefits, and the like that are provided to a third party on behalf of a household for living expenses shall be treated as money payable directly to the household.

(4) **THIRD PARTY ENERGY ASSISTANCE PAYMENTS.—**

(A) **ENERGY ASSISTANCE PAYMENTS.—**For purposes of subsection (d)(1), a payment made under a State law (other than a law referred to in paragraph (2)(G)) to provide energy assistance to a household shall be considered money payable directly to the household.

(B) **ENERGY ASSISTANCE EXPENSES.—**For purposes of subsection (e)(6), an expense paid on behalf of a household under a State law to provide energy assistance shall be considered an out-of-pocket expense incurred and paid by the household.

(l) Earnings to participants of on-the-job training programs; exception

Notwithstanding section 181(a)(2) of the Workforce Innovation and Opportunity Act [29 U.S.C. 3241(a)(2)], earnings to individuals participating in on-the-job training under title I of such Act [29 U.S.C. 3111 et seq.] shall be considered earned income for purposes of the supplemental nutri-

tion assistance program, except for dependents less than 19 years of age.

(m) Simplified calculation of income for the self-employed

(1) In general

Not later than 1 year after August 22, 1996, the Secretary shall establish a procedure by which a State may submit a method, designed to not increase Federal costs, for the approval of the Secretary, that the Secretary determines will produce a reasonable estimate of income excluded under subsection (d)(9) in lieu of calculating the actual cost of producing self-employment income.

(2) Inclusive of all types of income or limited types of income

The method submitted by a State under paragraph (1) may allow a State to estimate income for all types of self-employment income or may be limited to 1 or more types of self-employment income.

(3) Differences for different types of income

The method submitted by a State under paragraph (1) may differ for different types of self-employment income.

(n) State options to simplify determination of child support payments

Regardless of whether a State agency elects to provide a deduction under subsection (e)(4), the Secretary shall establish simplified procedures to allow State agencies, at the option of the State agencies, to determine the amount of any legally obligated child support payments made, including procedures to allow the State agency to rely on information from the agency responsible for implementing the program under part D of title IV of the Social Security Act (42 U.S.C. 651 et seq.) concerning payments made in prior months in lieu of obtaining current information from the households.

(4) The Secretary shall prescribe such regulations as the Secretary may deem appropriate to ensure that information concerning any such determination with respect to a specific individual is forwarded to the Office of the Secretary by any appropriate State or Federal entity for the use of the Secretary in administering the provisions of this section. No State shall withhold such information from the Secretary or the Secretary's designee for any reason whatsoever.

(c) Refusal to provide necessary information

Except in a case in which a household is receiving transitional benefits during the transitional benefits period under section 2020(s) of this title, no household shall be eligible to participate in the supplemental nutrition assistance program if it refuses to cooperate in providing information to the State agency that is necessary for making a determination of its eligibility or for completing any subsequent review of its eligibility.

(C) A State agency may require periodic reporting on a monthly basis by households residing on a reservation only if—

- (i) the State agency reinstates benefits, without requiring a new application, for any household residing on a reservation that submits a report not later than 1 month after the end of the month in which benefits would otherwise be provided;
- (ii) the State agency does not delay, reduce, suspend, or terminate the allotment of a household that submits a report not later than 1 month after the end of the month in which the report is due;

(2) Any household required to file a periodic report under paragraph (1) of this subsection shall, (A) if it is eligible to participate and has filed a timely and complete report, receive its allotment, based on the reported information for a given month, within thirty days of the end of that month unless the Secretary determines that a longer period of time is necessary, (B) have available special procedures that permit the filing of the required information in the event all adult members of the household are mentally or physically handicapped or lacking in reading or writing skills to such a degree as to be unable to fill out the required forms, (C) have a reasonable period of time after the close of the month in which to file their reports on State agency designed forms, (D) be afforded prompt notice of failure to file any report timely or completely, and given a reasonable opportunity to cure that failure (with any applicable time requirements extended accordingly) and to exercise its rights under section 2020(e)(10) of this title, and (E) be provided each month (or other applicable period) with an appropriate, simple form for making the required reports of the household together with clear instructions explaining how to complete the form and the rights and responsibilities of the household under any periodic reporting system.

(3) Reports required to be filed under paragraph (1) of this subsection shall be considered complete if they contain the information relevant to eligibility and benefit determinations that is specified by the State agency. All report forms, including those related to periodic reports of circumstances, shall contain a description, in understandable terms in prominent and bold face lettering, of the appropriate civil and criminal provisions dealing with violations of this chapter including the prescribed penalties. Reports required to be filed monthly under paragraph (1) shall be the sole reporting requirement for subject matter

(4) Except as provided in paragraph (1)(C), any household that fails to submit periodic reports required by paragraph (1) shall not receive an allotment for the payment period to which the unsubmitted report applies until such report is submitted.

(5) The Secretary is authorized, upon the request of a State agency, to waive any provisions of this subsection (except the provisions of the first sentence of paragraph (1) which relate to households which are not required to file periodic reports) to the extent necessary to permit the State agency to establish periodic reporting requirements for purposes of this chapter which are similar to the periodic reporting requirements established under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) in that State.

(I) **IN GENERAL.**—Subject to subclause (II) and clauses (i) and (ii), a State agency shall determine—

(aa) the meaning of any term used in subparagraph (A);

(bb) the procedures for determining whether an individual is in compliance with a requirement under subparagraph (A); and

(cc) whether an individual is in compliance with a requirement under subparagraph (A).

(II) NOT LESS RESTRICTIVE.—A State agency may not use a meaning, procedure, or determination under subclause (I) that is less restrictive on individuals receiving benefits under this chapter than a comparable meaning, procedure, or determination under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.).

(iv) STRIKE AGAINST THE GOVERNMENT.—For the purpose of subparagraph (A)(v), an employee of the Federal Government, a State, or a political subdivision of a State, who is dismissed for participating in a strike against the Federal Government, the State, or the political subdivision of the State shall be considered to have voluntarily quit without good cause.

(v) SELECTING A HEAD OF HOUSEHOLD.—

(I) IN GENERAL.—For purposes of this paragraph, the State agency shall allow the household to select any adult parent of a child in the household as the head of the household if all adult household members making application under the supplemental nutrition assistance program agree to the selection.

(II) TIME FOR MAKING DESIGNATION.—A household may designate the head of the household under subclause (I) each time the household is certified for participation in the supplemental nutrition assistance program, but may not change the designation during a certification period unless there is a change in the composition of the household.

(vi) CHANGE IN HEAD OF HOUSEHOLD.—If the head of a household leaves the household during a period in which the household is ineligible to participate in the supplemental nutrition assistance program under subparagraph (B)—

(I) the household shall, if otherwise eligible, become eligible to participate in the supplemental nutrition assistance program; and

(II) if the head of the household becomes the head of another household, the household that becomes headed by the individual shall become ineligible to participate in the supplemental nutrition assistance program for the remaining period of ineligibility.

(2) A person who otherwise would be required to comply with the requirements of paragraph (1) of this subsection shall be exempt from such requirements if he or she is (A) currently subject to and complying with a work registration requirement under title IV of the Social Security Act, as amended (42 U.S.C. 602), or the Fed-

eral-State unemployment compensation system, in which case, failure by such person to comply with any work requirement to which such person is subject shall be the same as failure to comply with that requirement of paragraph (1); (B) a parent or other member of a household with responsibility for the care of a dependent child under age six or of an incapacitated person; (C) a bona fide student enrolled at least half time in any recognized school, training program, or institution of higher education (except that any such person enrolled in an institution of higher education shall be ineligible to participate in the supplemental nutrition assistance program unless he or she meets the requirements of subsection (e) of this section); (D) a regular participant in a drug addiction or alcoholic treatment and rehabilitation program; (E) employed a minimum of thirty hours per week or receiving weekly earnings which equal the minimum hourly rate under the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 206(a)(1)), multiplied by thirty hours; or (F) a person between the ages of sixteen and eighteen who is not a head of a household or who is attending school, or enrolled in an employment training program, on at least a half-time basis. A State that requested a waiver to lower the age specified in subparagraph (B) and had the waiver denied by the Secretary as of August 1, 1996, may, for a period of not more than 3 years, lower the age of a dependent child that qualifies a parent or other member of a household for an exemption under subparagraph (B) to between 1 and 6 years of age.

(3) Notwithstanding any other provision of law, a household shall not participate in the supplemental nutrition assistance program at any time that any member of such household, not exempt from the work registration requirements of paragraph (1) of this subsection, is on strike as defined in section 142(2) of title 29, because of a labor dispute (other than a lockout) as defined in section 152(9) of title 29: *Provided*, That a household shall not lose its eligibility to participate in the supplemental nutrition assistance program as a result of one of its members going on strike if the household was eligible immediately prior to such strike, however, such household shall not receive an increased allotment as the result of a decrease in the income of the striking member or members of the household: *Provided further*, That such ineligibility shall not apply to any household that does not contain a member on strike, if any of its members refuses to accept employment at a plant or site because of a strike or lockout.

(4) EMPLOYMENT AND TRAINING.—

(A) IN GENERAL.—

(i) IMPLEMENTATION.—Each State agency shall implement an employment and training program designed by the State agency and approved by the Secretary for the purpose of assisting members of households participating in the supplemental nutrition assistance program in gaining skills, training, work, or experience that will increase their ability to obtain regular employment.

(ii) STATEWIDE WORKFORCE DEVELOPMENT SYSTEM.—Each component of an employment and training program carried out

under this paragraph shall be delivered through a statewide workforce development system, unless the component is not available locally through such a system.

(B) For purposes of this chapter, an “employment and training program” means a program that contains one or more of the following components, except that the State agency shall retain the option to apply employment requirements prescribed under this subparagraph to a program applicant at the time of application:

(i) Job search programs.

(ii) Job search training programs that include, to the extent determined appropriate by the State agency, reasonable job search training and support activities that may consist of jobs skills assessments, job finding clubs, training in techniques for employability, job placement services, or other direct training or support activities, including educational programs, determined by the State agency to expand the job search abilities or employability of those subject to the program.

(iii) Workfare programs operated under section 2029 of this title.

(iv) Programs designed to improve the employability of household members through actual work experience or training, or both, and to enable individuals employed or trained under such programs to move promptly into regular public or private employment. An employment or training experience program established under this clause shall—

(I) not provide any work that has the effect of replacing the employment of an individual not participating in the employment or training experience program; and

(II) provide the same benefits and working conditions that are provided at the job site to employees performing comparable work for comparable hours.

(v) Educational programs or activities to improve basic skills and literacy, or otherwise improve employability, including educational programs determined by the State agency to expand the job search abilities or employability of those subject to the program under this paragraph.

(vi) Programs designed to increase the self-sufficiency of recipients through self-employment, including programs that provide instruction for self-employment ventures.

(vii) Programs intended to ensure job retention by providing job retention services, if the job retention services are provided for a period of not more than 90 days after an individual who received employment and training services under this paragraph gains employment.

(viii) As approved by the Secretary or the State under regulations issued by the Secretary, other employment, educational and training programs, projects, and experiments, such as a supported work program, aimed at accomplishing the purpose of the employment and training program.

(C) The State agency may provide that participation in an employment and training program may supplement or supplant other employment-related requirements imposed on those subject to the program.

(D)(i) Each State agency may exempt from any requirement for participation in any program under this paragraph categories of household members.

(ii) Each State agency may exempt from any requirement for participation individual household members not included in any category designated as exempt under clause (i).

(iii) Any exemption of a category or individual under this subparagraph shall be periodically evaluated to determine whether the exemption continues to be valid.

(E) Each State agency shall establish requirements for participation by individuals not exempt under subparagraph (D) in one or more employment and training programs under this paragraph, including the extent to which any individual is required to participate. Such requirements may vary among participants.

(F)(i) The total hours of work in an employment and training program carried out under this paragraph required of members of a household, together with the hours of work of such members in any program carried out under section 2029 of this title, in any month collectively may not exceed a number of hours equal to the household’s allotment for such month divided by the higher of the applicable State minimum wage or Federal minimum hourly rate under the Fair Labor Standards Act of 1938 [29 U.S.C. 206(a)(1)].

(ii) The total hours of participation in such program required of any member of a household, individually, in any month, together with any hours worked in another program carried out under section 2029 of this title and any hours worked for compensation (in cash or in kind) in any other capacity, shall not exceed one hundred and twenty hours per month.

(iii) Any individual voluntarily electing to participate in a program under this paragraph shall not be subject to the limitations described in clauses (i) and (ii).

(G) The State agency may operate any program component under this paragraph in which individuals elect to participate.

(H) Federal funds made available to a State agency for purposes of the component authorized under subparagraph (B)(v) shall not be used to supplant non-Federal funds used for existing services and activities that promote the purposes of this component.

(I)(i) The State agency shall provide payments or reimbursements to participants in programs carried out under this paragraph, including individuals participating under subparagraph (G), for—

(I) the actual costs of transportation and other actual costs (other than dependent care costs), that are reasonably necessary and directly related to participation in the program; and

(II) the actual costs of such dependent care expenses that are determined by the State agency to be necessary for the participation

of an individual in the program (other than an individual who is the caretaker relative of a dependent in a family receiving benefits under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) in a local area where an employment, training, or education program under title IV of such Act [42 U.S.C. 601 et seq.] is in operation), except that no such payment or reimbursement shall exceed the applicable local market rate. Individuals subject to the program under this paragraph may not be required to participate if dependent costs exceed the limit established by the State agency under this subclause or other actual costs exceed any limit established under subclause (I).

(ii) In lieu of providing reimbursements or payments for dependent care expenses under clause (i), a State agency may, at its option, arrange for dependent care through providers by the use of purchase of service contracts or vouchers or by providing vouchers to the household.

(iii) The value of any dependent care services provided for or arranged under clause (ii), or any amount received as a payment or reimbursement under clause (i), shall—

(I) not be treated as income for the purposes of any other Federal or federally assisted program that bases eligibility for, or the amount of benefits on, need; and

(II) not be claimed as an employment-related expense for the purposes of the credit provided under section 21 of title 26.

(J) The Secretary shall promulgate guidelines that (i) enable State agencies, to the maximum extent practicable, to design and operate an employment and training program that is compatible and consistent with similar programs operated within the State, and (ii) ensure, to the maximum extent practicable, that employment and training programs are provided for Indians on reservations.

(K) LIMITATION ON FUNDING.—Notwithstanding any other provision of this paragraph, the amount of funds a State agency uses to carry out this paragraph (including funds used to carry out subparagraph (I)) for participants who are receiving benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) shall not exceed the amount of funds the State agency used in fiscal year 1995 to carry out this paragraph for participants who were receiving benefits in fiscal year 1995 under a State program funded under part A of title IV of the Act (42 U.S.C. 601 et seq.).

(L) The Secretary shall ensure that State agencies comply with the requirements of this paragraph and section 2020(e)(19) of this title.

(M) The facilities of the State public employment offices and other State agencies and providers carrying out activities under title I of the Workforce Innovation and Opportunity Act [29 U.S.C. 3111 et seq.] may be used to find employment and training opportunities for household members under the programs under this paragraph.

No individual who is a member of a household otherwise eligible to participate in the supple-

mental nutrition assistance program under this section shall be eligible to participate in the supplemental nutrition assistance program as a member of that or any other household if the individual is enrolled at least half-time in an institution of higher education, unless the individual—

(A) a parent with responsibility for the care of a dependent child under age 6; or

(6) is receiving benefits under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.);

(7) is so enrolled as a result of participation in the work incentive program under title IV of the Social Security Act [42 U.S.C. 601 et seq.] or its successor programs; or

(i) Comparable treatment for disqualification

(1) In general

If a disqualification is imposed on a member of a household for a failure of the member to perform an action required under a Federal, State, or local law relating to a means-tested public assistance program, the State agency may impose the same disqualification on the

member of the household under the supplemental nutrition assistance program.

(2) Rules and procedures

If a disqualification is imposed under paragraph (1) for a failure of an individual to perform an action required under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), the State agency may use the rules and procedures that apply under part A of title IV of the Act to impose the same disqualification under the supplemental nutrition assistance program.

§ 2017. Value of allotment

(a) Calculation

(d) Reduction of public assistance benefits

(1) In general

(B) the State agency may reduce the allotment of the household by not more than 25 percent.

(2) Rules and procedures

If the allotment of a household is reduced under this subsection for a failure to perform an action required under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), the State agency may use the rules and procedures that apply under part A of title IV of the Act to reduce the allotment under the supplemental nutrition assistance program.

(ii) Issuance to departed residents

On receiving a notification under clause (i)(I) concerning the departure of a resident, the State agency—

(I) shall promptly issue the departed resident an allotment for the days of the month after the departure of the resident (calculated in a manner prescribed by the Secretary) unless the departed resident reapplies to participate in the supplemental nutrition assistance program; and

(iv) Effect of reapplication

If the departed resident reapplies to participate in the supplemental nutrition assistance program, the allotment of the departed resident shall be determined without regard to this paragraph.

(2) Pilot projects**(A) In general**

Before the Secretary authorizes implementation of paragraph (1) in all States, the Secretary shall carry out, at the request of 1 or more State agencies and in 1 or more areas of the United States, such number of pilot projects as the Secretary determines to be sufficient to test the feasibility of determining and issuing allotments to residents of covered facilities under paragraph (1) in lieu of subsection (a).

(B) Project plan

To be eligible to participate in a pilot project under subparagraph (A), a State agency shall submit to the Secretary for approval a project plan that includes—

(I) shall not authorize implementation of paragraph (1) in all States; and

(II) shall terminate all pilot projects under paragraph (2) within a reasonable period of time (as determined by the Secretary).

(ii) Finding

The finding referred to in clause (i) is that—

(I) an insufficient number of project plans that the Secretary determines to be eligible for approval are submitted by State agencies under paragraph (2)(B); or

(II)(aa) a sufficient number of pilot projects have been carried out under paragraph (2)(A); and

(bb) authorization of implementation of paragraph (1) in all States is not in the best interest of the supplemental nutrition assistance program.

EFFECTIVE DATE OF 1977 AMENDMENT

Pub. L. 95-113, title XIII, §1301, Sept. 29, 1977, 91 Stat. 958, provided that the amendment made by section 1301 is effective Oct. 1, 1977.

§ 2018. Approval of retail food stores and wholesale food concerns

(a) Applications; qualifications; certificate of approval; periodic reauthorization

(1) Regulations issued pursuant to this chapter shall provide for the submission of applications for approval by retail food stores and wholesale food concerns which desire to be authorized to accept and redeem benefits under the supplemental nutrition assistance program and for the approval of those applicants whose participation will effectuate the purposes of the supplemental nutrition assistance program. In determining the qualifications of applicants, there shall be considered among such other factors as may be appropriate, the following: (A) the nature and extent of the food business conducted by the applicant; (B) the volume of benefit transactions which may reasonably be expected to be conducted by the applicant food store or wholesale food concern; (C) whether the applicant is located in an area with significantly limited access to food; and (D) the business integrity and reputation of the applicant. Approval of an applicant shall be evidenced by the issuance to such applicant of a nontransferable certificate of approval. No retail food store or wholesale food concern of a type determined by the Secretary, based on factors that include size, location, and type of items sold, shall be approved to be authorized or reauthorized for participation in the supplemental nutrition assistance program unless an authorized employee of the Department of Agriculture, a designee of the Secretary, or, if practicable, an official of the State or local government designated by the Secretary has visited the store or concern for the purpose of determining whether the store or concern should be approved or reauthorized, as appropriate.

(2) The Secretary shall issue regulations providing for—

(A) the periodic reauthorization of retail food stores and wholesale food concerns; and

(B) periodic notice to participating retail food stores and wholesale food concerns of the definitions of “retail food store”, “staple foods”, “eligible foods”, and “perishable foods”.

(3) **AUTHORIZATION PERIODS.**—The Secretary shall establish specific time periods during which authorization to accept and redeem benefits shall be valid under the supplemental nutrition assistance program.

(b) Effective and efficient operation of program; effect of disqualification; posting of bond

(1) No wholesale food concern may be authorized to accept and redeem benefits unless the Secretary determines that its participation is required for the effective and efficient operation of the supplemental nutrition assistance program. No co-located wholesale-retail food concern may be authorized to accept and redeem benefits as a retail food store, unless (A) the concern does a substantial level of retail food business, or (B) the Secretary determines that failure to authorize such a food concern as a retail food store would cause hardship to households that receive supplemental nutrition as-

sistance program benefits. In addition, no firm may be authorized to accept and redeem benefits as both a retail food store and as a wholesale food concern at the same time.

(2)(A) A buyer or transferee (other than a bona fide buyer or transferee) of a retail food store or wholesale food concern that has been disqualified under section 2021(a) of this title may not accept or redeem benefits until the Secretary receives full payment of any penalty imposed on such store or concern.

(B) A buyer or transferee may not, as a result of the sale or transfer of such store or concern, be required to furnish a bond under section 2021(d) of this title.

(c) Information submitted by applicants; safeguards; disclosure to and use by State agencies

Regulations issued pursuant to this chapter shall require an applicant retail food store or wholesale food concern to submit information, which may include relevant income and sales tax filing documents, purchase invoices, or program-related records, which will permit a determination to be made as to whether such applicant qualifies, or continues to qualify, for approval under the provisions of this chapter or the regulations issued pursuant to this chapter. The regulations may require retail food stores and wholesale food concerns to provide written authorization for the Secretary to verify all relevant tax filings with appropriate agencies and to obtain corroborating documentation from other sources so that the accuracy of information provided by the stores and concerns may be verified. Regulations issued pursuant to this chapter shall provide for safeguards which limit the use or disclosure of information obtained under the authority granted by this subsection to purposes directly connected with administration and enforcement of the provisions of this chapter or the regulations issued pursuant to this chapter, except that such information may be disclosed to and used by Federal law enforcement and investigative agencies and law enforcement and investigative agencies of a State government for the purposes of administering or enforcing this chapter or any other Federal or State law and the regulations issued under this chapter or such law, and State agencies that administer the special supplemental nutrition program for women, infants and children, authorized under section 17 of the Child Nutrition Act of 1966 [42 U.S.C. 1786], for purposes of administering the provisions of that Act [42 U.S.C. 1771 et seq.] and the regulations issued under that Act. Any person who publishes, divulges, discloses, or makes known in any manner or to any extent not authorized by Federal law (including a regulation) any information obtained under this subsection shall be fined not more than \$1,000 or imprisoned not more than 1 year, or both. The regulations shall establish the criteria to be used by the Secretary to determine whether the information is needed. The regulations shall not prohibit the audit and examination of such information by the Comptroller General of the United States authorized by any other provision of law.

(d) Hearing upon failure of applicant to receive approval; waiting period for new application

Any retail food store or wholesale food concern which has failed upon application to receive approval to participate in the supplemental nutrition assistance program may obtain a hearing on such refusal as provided in section 2023 of this title. A retail food store or wholesale food concern that is denied approval to accept and redeem benefits because the store or concern does not meet criteria for approval established by the Secretary may not, for at least 6 months, submit a new application to participate in the program. The Secretary may establish a longer time period under the preceding sentence, including permanent disqualification, that reflects the severity of the basis of the denial.

(e) Reporting of abuses by public

Approved retail food stores shall display a sign providing information on how persons may report abuses they have observed in the operation of the supplemental nutrition assistance program.

(f) Limitation on participation of house-to-house trade routes

In those areas in which the Secretary, in consultation with the Inspector General of the Department of Agriculture, finds evidence that the operation of house-to-house trade routes damages the program's integrity, the Secretary shall limit the participation of house-to-house trade routes to those routes that are reasonably necessary to provide adequate access to households.

(g) EBT service requirement

An approved retail food store shall provide adequate EBT service as described in section 2016(h)(3)(B) of this title.

(h) Private establishments**(1) In general**

Subject to paragraph (2), no private establishment that contracts with a State agency to offer meals at concessional prices as described in paragraphs (3), (4), and (9) of section 2012(k) of this title may be authorized to accept and redeem benefits unless the Secretary determines that the participation of the private establishment is required to meet a documented need in accordance with section 2020(e)(25) of this title.

(2) Existing contracts**(A) In general**

If, on the day before February 7, 2014, a State has entered into a contract with a private establishment described in paragraph (1) and the Secretary has not determined that the participation of the private establishment is necessary to meet a documented need in accordance with section 2020(e)(25) of this title, the Secretary shall allow the operation of the private establishment to continue without that determination of need for a period not to exceed 180 days from the date on which the Secretary establishes determination criteria, by regulation, under section 2020(e)(25) of this title.

(B) Justification

If the Secretary determines to terminate a contract with a private establishment that is in effect on February 7, 2014, the Secretary shall provide justification to the State in which the private establishment is located for that termination.

(3) Report to Congress

Not later than 90 days after September 30, 2014, and 90 days after the last day of each fiscal year thereafter, the Secretary shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report on the effectiveness of a program under this subsection using any information received from States under section 2020(e)(25) of this title as well as any other information the Secretary may have relating to the manner in which benefits are used.

(a) State responsibility

(1) In general

The State agency of each participating State shall have responsibility for certifying applicant households and issuing EBT cards.

(2) Local administration

The responsibility of the agency of the State government shall not be affected by whether the program is operated on a State-administered or county-administered basis, as provided under section 2012(t)(1)¹ of this title.

(3) Records

(A) In general

Each State agency shall keep such records as may be necessary to determine whether the program is being conducted in compliance with this chapter (including regulations issued under this chapter).

(B) Inspection and audit

Records described in subparagraph (A) shall—

- (i) be available for inspection and audit at any reasonable time;
- (ii) subject to subsection (e)(8), be available for review in any action filed by a household to enforce any provision of this chapter (including regulations issued under this chapter); and
- (iii) be preserved for such period of not less than 3 years as may be specified in regulations.

(4) Review of major changes in program design

(A) In general

The Secretary shall develop standards for identifying major changes in the operations of a State agency, including—

- (i) large or substantially-increased numbers of low-income households that do not

live in reasonable proximity to an office performing the major functions described in subsection (e);

(ii) substantial increases in reliance on automated systems for the performance of responsibilities previously performed by personnel described in subsection (e)(6)(B);

(iii) changes that potentially increase the difficulty of reporting information under subsection (e) or section 2015(c) of this title; and

(iv) changes that may disproportionately increase the burdens on any of the types of households described in subsection (e)(2)(A).

(B) Notification

If a State agency implements a major change in operations, the State agency shall—

- (i) notify the Secretary; and
- (ii) collect such information as the Secretary shall require to identify and correct any adverse effects on program integrity or access, including access by any of the types of households described in subsection (e)(2)(A).

(b) Correction of improper denials and under-issuances

When a State agency learns, through its own reviews under section 2025 of this title or other reviews, or through other sources, that it has improperly denied, terminated, or underissued benefits to an eligible household, the State agency shall promptly restore any improperly denied benefits to the extent required by subsection (e)(11) and section 2023(b) of this title, and shall take other steps to prevent a recurrence of such errors where such error was caused by the application of State agency practices, rules or procedures inconsistent with the requirements of this chapter or with regulations or policies of the Secretary issued under the authority of this chapter.

(c) Civil rights compliance

(1) In general

In the certification of applicant households for the supplemental nutrition assistance program, there shall be no discrimination by reason of race, sex, religious creed, national origin, or political affiliation.

(2) Relation to other laws

The administration of the program by a State agency shall be consistent with the rights of households under the following laws (including implementing regulations):

participate in the supplemental nutrition assistance program shall submit for approval a plan of operation specifying the manner in which such program will be conducted within the State in every political subdivision. The Secretary may not, as a part of the approval process for a plan of operation, require a State to submit for prior approval by the Secretary the State agency instructions to staff, interpretations of existing policy, State agency methods of administration, forms used by the State agency, or any materials, documents, memoranda, bulletins, or other matter, unless the State determines that the materials, documents, memoranda, bulletins, or other matter alter or amend the State plan of operation or conflict with the rights and levels of benefits to which a household is entitled. In the case of all or part of an Indian reservation, the State agency as defined in section 2012(t)(1)¹ of this title shall be responsible for conducting such program on such reservation unless the Secretary determines that the State agency (as defined in section 2012(t)(1)¹ of this title) is failing, subsequent to August 31, 1964, properly to administer such program on such reservation in accordance with the purposes of this chapter and further determines that the State agency as defined in section 2012(t)(2)¹ of this title is capable of effectively and efficiently conducting such program, in light of the distance of the reservation from State agency-operated certification and issuance centers, the previous experience of such tribal organization in the operation of programs authorized under the Indian Self-Determination Act (25 U.S.C. 450)¹ and similar Acts of Congress, the tribal organization's management and fiscal capabilities, and the adequacy of measures taken by the tribal organization to ensure that there shall be no discrimination in the operation of the program on the basis of race, color, sex, or national origin, in which event such State agency shall be responsible for conducting such program and submitting for approval a plan of operation specifying the manner in which such program will be conducted. The Secretary, upon the request of a tribal organization, shall provide the designees of such organization with appropriate training and technical assistance to enable them to qualify as expeditiously as possible as a State agency pursuant to section 2012(t)(2)¹ of this title. A State agency, as defined in section 2012(t)(1)¹ of this title, before it submits its plan of operation to the Secretary for the administration of the supplemental nutrition assistance program on all or part of an Indian reservation, shall consult in good faith with the tribal organization about that portion of the State's plan of operation pertaining to the implementation of the program for members of the tribe, and shall implement the program in a manner that is responsive to the needs of the Indians on the reservation as determined by ongoing consultation with the tribal organization.

(v) shall require that an adult representative of each applicant household certify in writing, under penalty of perjury, that—

(I) the information contained in the application is true; and

(II) all members of the household are citizens or are aliens eligible to receive supplemental nutrition assistance program benefits under section 2015(f) of this title;

(vi) shall provide a method of certifying and issuing benefits to eligible homeless individuals, to ensure that participation in the supplemental nutrition assistance program is limited to eligible households; and

(VII) comply with such other standards as the Secretary may establish.

(D) The signature of any adult under this paragraph shall be considered sufficient to comply with any provision of Federal law requiring a household member to sign an application or statement;

(3) that the State agency shall thereafter promptly determine the eligibility of each applicant household by way of verification of income other than that determined to be excluded by section 2014(d) of this title (in part through the use of the information, if any, obtained under section 2025(e) of this title and after compliance with the requirement specified in paragraph (24)), household size (in any case such size is questionable), and such other eligibility factors as the Secretary determines to be necessary to implement sections 2014 and 2015 of this title, although the State agency may verify prior to certification, whether questionable or not, the size of any applicant household and such other eligibility factors as the State agency determines are necessary, so as to complete certification of and provide an allotment retroactive to the period of application to any eligible household not later than thirty days following its filing of an application, and that the State agency shall provide each applicant household, at the time of application, a clear written statement explaining what acts the household must perform to cooperate in obtaining verification and otherwise completing the application process;

(7) that an applicant household may be represented in the certification process and that an eligible household may be represented in benefit issuance or food purchase by a person other than a member of the household so long as that person has been clearly designated as the representative of that household for that purpose by the head of the household or the spouse of the head, and, where the certification process is concerned, the representative is an adult who is sufficiently aware of relevant household circumstances, except that the Secretary may restrict the number of households which may be represented by an individual and otherwise establish criteria and verification standards for representation under this paragraph;

(g) State noncompliance; correction of failures

If the Secretary determines, upon information received by the Secretary, investigation initiated by the Secretary, or investigation that the Secretary shall initiate upon receiving sufficient information evidencing a pattern of lack of compliance by a State agency of a type specified in this subsection, that in the administration of the supplemental nutrition assistance program there is a failure by a State agency without good cause to comply with any of the provisions of this chapter, the regulations issued pursuant to this chapter, the State plan of operation submitted pursuant to subsection (d) of this section, the State plan for automated data processing submitted pursuant to subsection (o)(2) of this section, or the requirements established pursuant to section 2032 of this title the Secretary shall immediately inform such State agency of such failure and shall allow the State agency a specified period of time for the correction of such failure. If the State agency does not correct such failure within that specified period, the Secretary may refer the matter to the Attorney General with a request that injunctive relief be sought to require compliance forthwith by the State agency and, upon suit by the Attorney General in an appropriate district court of the United States having jurisdiction of the geographic area in which the State agency is located and a showing that noncompliance has occurred, appropriate injunctive relief shall issue, and, whether or not the Secretary refers such matter to the Attorney General, the Secretary shall proceed to withhold from the State such funds authorized under sections 2025(a), 2025(c), and 2025(g) of this title as the Secretary determines to be appropriate, subject to administrative and judicial review under section 2023 of this title.

(h) Deposit by State to cover fraudulently or negligently issued benefits

If the Secretary determines that there has been negligence or fraud on the part of the State agency in the certification of applicant households, the State shall, upon request of the Secretary, deposit into the Treasury of the United States, a sum equal to the face value of any benefits issued as a result of such negligence or fraud.

(i) Application and denial procedures

(1) Application procedures

Notwithstanding any other provision of law, households in which all members are appli-

cants for or recipients of supplemental security income shall be informed of the availability of benefits under the supplemental nutrition assistance program and be assisted in making a simple application to participate in such program at the social security office and be certified for eligibility utilizing information contained in files of the Social Security Administration.

(2) Denial and termination

Except in a case of disqualification as a penalty for failure to comply with a public assistance program rule or regulation, no household shall have its application to participate in the supplemental nutrition assistance program denied nor its benefits under the supplemental nutrition assistance program terminated solely on the basis that its application to participate has been denied or its benefits have been terminated under any of the programs carried out under the statutes specified in the second sentence of section 2014(a) of this title and without a separate determination by the State agency that the household fails to satisfy the eligibility requirements for participation in the supplemental nutrition assistance program.

(j) Notice of availability of benefits and applications; revision of memorandum of understanding

(1) Any individual who is an applicant for or recipient of supplemental security income or social security benefits (under regulations prescribed by the Secretary in conjunction with the Commissioner of Social Security) shall be informed of the availability of benefits under the supplemental nutrition assistance program and informed of the availability of a simple application to participate in such program at the social security office.

(2) The Secretary and the Commissioner of Social Security shall revise the memorandum of understanding in effect on December 23, 1985, regarding services to be provided in social security offices under this subsection and subsection (i), in a manner to ensure that—

(A) applicants for and recipients of social security benefits are adequately notified in social security offices that assistance may be available to them under this chapter;

(B) applications for assistance under this chapter from households in which all members are applicants for or recipients of supplemental security income will be forwarded immediately to the State agency in an efficient and timely manner; and

Subject to the approval of the President, post offices in all or part of the State may provide, on request by the State agency, supplemental nutrition assistance program benefits to eligible households.

(l) Special financial audit review of high participation States

Whenever the ratio of a State's average supplemental nutrition assistance program partici-

pation in any quarter of a fiscal year to the State's total population in that quarter (estimated on the basis of the latest available population estimates as provided by the Department of Commerce, Bureau of the Census, Series P-25, Current Population Reports (or its successor series)) exceeds 60 per centum, the Office of the Inspector General of the Department of Agriculture shall immediately schedule a financial audit review of a sample of project areas within that State. Any financial audit review subsequent to the first such review, required under the preceding sentence, shall be conducted at the option of the Office of the Inspector General.

(m) Alaskan fee agents; use and services

The Secretary shall provide for the use of fee agents in rural Alaska. As used in this subsection "fee agent" means a paid agent who, although not a State employee, is authorized by the State to make applications available to low-income households, assist in the completion of applications, conduct required interviews, secure required verification, forward completed applications and supporting documentation to the State agency, and provide other services as required by the State agency. Such services shall not include making final decisions on household eligibility or benefit levels.

(n) Verification by State agencies

The Secretary shall require State agencies to conduct verification and implement other measures where necessary, but no less often than annually, to assure that an individual does not receive both benefits and payments referred to in section 2015(g) of this title or both benefits and assistance provided in lieu of benefits under section 2026(b)(1) of this title.

(o) Data processing systems; model plan; comprehensive automation and computerization; State plans; evaluation and report to Congress; corrective measures by State; time for implementation

The plan shall be developed and made available for public comment through publication of the proposed plan in the Federal Register not later than October 1, 1986. The Secretary shall complete the plan, taking into consideration public comments received, not later than February 1, 1987. The elements of the plan may include intake procedures, eligibility determinations and calculation of benefits, verification procedures, coordination with related Federal and State programs, the issuance of benefits, reconciliation procedures, the generation of notices, and program reporting. In developing the plan, the Secretary shall take into account automated data processing and information systems already in existence in States and shall provide for consistency with such systems.

(2) Not later than October 1, 1987, each State agency shall develop and submit to the Sec-

retary for approval a plan for the use of an automated data processing and information retrieval system to administer the supplemental nutrition assistance program in such State. The State plan shall take into consideration the model plan developed by the Secretary under paragraph (1) and shall provide time frames for completion of various phases of the State plan. If a State agency already has a sufficient automated data processing and information retrieval system, the State plan may, subject to the Secretary's approval, reflect the existing State system.

(3) Not later than April 1, 1988, the Secretary shall prepare and submit to Congress an evaluation of the degree and sufficiency of each State's automated data processing and computerized information systems for the administration of the supplemental nutrition assistance program, including State plans submitted under paragraph (2). Such report shall include an analysis of additional steps needed for States to achieve effective and cost-efficient data processing and information systems. The Secretary, thereafter, shall periodically update such report.

(4) Based on the Secretary's findings in such report submitted under paragraph (3), the Secretary may require a State agency, as necessary to rectify identified shortcomings in the administration of the supplemental nutrition assistance program in the State, except where such direction would displace State initiatives already under way, to take specified steps to automate data processing systems or computerize information systems for the administration of the supplemental nutrition assistance program in the State if the Secretary finds that, in the absence of such systems, there will be program accountability or integrity problems that will substantially affect the administration of the supplemental nutrition assistance program in the State.

(5)(A) Subject to subparagraph (B), in the case of a plan for an automated data processing and information retrieval system submitted by a State agency to the Secretary under paragraph (2), such State agency shall—

(i) commence implementation of its plan not later than October 1, 1988; and

(ii) meet the time frames set forth in the plan.

(B) The Secretary shall extend a deadline imposed under subparagraph (A) to the extent the Secretary deems appropriate based on the Secretary's finding of a good faith effort of a State agency to implement its plan in accordance with subparagraph (A).

(p) State verification option

In carrying out the supplemental nutrition assistance program, a State agency shall be required to use an immigration status verification system established under section 1137 of the Social Security Act (42 U.S.C. 1320b-7), and an income and eligibility verification system, in accordance with standards set by the Secretary.

(q) Denial of benefits for prisoners

(r) Denial of benefits for deceased individuals

Each State agency shall—

(1) enter into a cooperative arrangement with the Commissioner of Social Security, pursuant to the authority of the Commissioner under section 205(r)(3) of the Social Security Act (42 U.S.C. 405(r)(3)), to obtain information on individuals who are deceased; and

(A) the termination of cash assistance; and

(B) at the option of the State agency, information from another program in which the household participates.

(4) Determination of future eligibility

(C) developing procedures, training materials, and other resources aimed at reducing barriers to participation and reaching eligible households;

(D) improving methods for informing and enrolling eligible households; or

(E) carrying out such other activities as the Secretary determines to be appropriate.

(3) Limitation

(4) for a reasonable period of time to be determined by the Secretary, including permanent disqualification, on the knowing submission of an application for the approval or reauthorization to accept and redeem coupons that contains false information about a substantive matter that was a part of the application.

(4) Forfeiture

If the Secretary finds that such store or concern has accepted and redeemed coupons in violation of this chapter after furnishing such bond, such store or concern shall forfeit to the Secretary an amount of such bond which is equal to the value of coupons accepted and redeemed by such store or concern in violation of this chapter.

(5) Hearing

A store or concern described in paragraph (4) may obtain a hearing on such forfeiture pursuant to section 2023 of this title.

In such action, the validity and amount of such penalty shall not be subject to review.

(3) The Secretary may impose a fine against any retail food store or wholesale food concern that accepts food coupons that are not accompanied by the corresponding book cover, other than the denomination of coupons used for making change as specified in regulations issued under this chapter. The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this chapter separately or in combination with any fiscal claim established by the Secretary. The Attorney General of the United States may institute judicial action in any court of competent jurisdiction against the store or concern to collect the fine.

(f) Fines for unauthorized acceptance

The Secretary may impose a fine against any person not approved by the Secretary to accept and redeem food coupons who violates any provision of this chapter or a regulation issued under this chapter, including violations concerning the acceptance of food coupons. The amount of any such fine shall be established by the Secretary and may be assessed and collected in accordance with regulations issued under this chapter separately or in combination with any fiscal claim established by the Secretary. (a) General authority of the Secretary

(1) Determination of claims

Except in the case of an at-risk amount required under section 2025(c)(1)(D)(i)(II) of this title, the Secretary shall have the power to determine the amount of and settle and adjust any claim and to compromise or deny all or part of any such claim or claims arising under the provisions of this chapter or the regulations issued pursuant to this chapter, including, but not limited to, claims arising from fraudulent and nonfraudulent overissuances to recipients, including the power to waive claims if the Secretary determines that to do so would serve the purposes of this chapter. Such powers with respect to claims against recipients may be delegated by the Secretary to State agencies. The Secretary shall have the

power to reduce amounts otherwise due to a State agency under section 2025 of this title to collect unpaid claims assessed against the State agency if the State agency has declined or exhausted its appeal rights under section 2023 of this title.

(2) Claims established under quality control system

To the extent that a State agency does not pay a claim established under section 2025(c)(1) of this title, including an agreement to have all or part of the claim paid through a reduction in Federal administrative funding, within 30 days from the date on which the bill for collection is received by the State agency, the State agency shall be liable for interest on any unpaid portion of such claim accruing from the date on which the bill for collection was received by the State agency, unless the State agency appeals the claim under section 2025(c)(7) of this title. If the State agency appeals such claim (in whole or in part), the interest on any unpaid portion of the claim shall accrue from the date of the decision on the administrative appeal, or from a date that is 1 year after the date the bill is received, whichever is earlier, until the date the unpaid portion of the payment is received. If the State agency pays such claim (in whole or in part, including an agreement to have all or part of the claim paid through a reduction in Federal administrative funding) and the claim is subsequently overturned through administrative or judicial appeal, any amounts paid by the State agency shall be promptly returned with interest, accruing from the date the payment is received until the date the payment is returned.

(3) Computation of interest

Any interest assessed under this paragraph shall be computed at a rate determined by the Secretary based on the average of the bond equivalent of the weekly 90-day Treasury bill auction rates during the period such interest accrues.

(4) Joint and several liability of household members

Each adult member of a household shall be jointly and severally liable for the value of any overissuance of benefits.

- (C) recovering from Federal pay or a Federal income tax refund under subsection (d); or
- (D) any other means.

(2) Cost effectiveness

Paragraph (1) shall not apply if the State agency demonstrates to the satisfaction of the

Secretary that all of the means referred to in paragraph (1) are not cost effective.

(3) Maximum reduction absent fraud

If a household received an overissuance of benefits without any member of the household being found ineligible to participate in the program under section 2015(b)(1) of this title and a State agency elects to reduce the allotment of the household under paragraph (1)(A), the State agency shall not reduce the monthly allotment of the household under paragraph (1)(A) by an amount in excess of the greater of—

- (A) 10 percent of the monthly allotment of the household; or
- (B) \$10.

(4) Procedures

A State agency shall collect an overissuance of benefits issued to a household under paragraph (1) in accordance with the requirements established by the State agency for providing notice, electing a means of payment, and establishing a time schedule for payment.

(5) Overissuances caused by systemic State errors

(A) In general

If the Secretary determines that a State agency overissued benefits to a substantial number of households in a fiscal year as a result of a major systemic error by the State agency, as defined by the Secretary, the Secretary may prohibit the State agency from collecting these overissuances from some or all households.

(B) Procedures

(i) Information reporting by States

Every State agency shall provide to the Secretary all information requested by the Secretary concerning the issuance of benefits to households by the State agency in the applicable fiscal year.

(ii) Final determination

After reviewing relevant information provided by a State agency, the Secretary shall make a final determination—

- (I) whether the State agency overissued benefits to a substantial number of households as a result of a systemic error in the applicable fiscal year; and
- (II) as to the amount of the overissuance in the applicable fiscal year for which the State agency is liable.

(iii) Establishing a claim

Upon determining under clause (ii) that a State agency has overissued benefits to households due to a major systemic error determined under subparagraph (A), the Secretary shall establish a claim against the State agency equal to the value of the overissuance caused by the systemic error.

(iv) Administrative and judicial review

Administrative and judicial review, as provided in section 2023 of this title, shall apply to the final determinations by the Secretary under clause (ii).

(v) Remission to the Secretary

(I) Determination not appealed

If the determination of the Secretary under clause (ii) is not appealed, the State agency shall, as soon as practicable, remit to the Secretary the dollar amount specified in the claim under clause (iii).

(II) Determination appealed

If the determination of the Secretary under clause (ii) is appealed, upon completion of administrative and judicial review under clause (iv), and a finding of liability on the part of the State, the appealing State agency shall, as soon as practicable, remit to the Secretary a dollar amount subject to the finding made in the administrative and judicial review.

(vi) Alternative method of collection

(I) In general

If a State agency fails to make a payment under clause (v) within a reasonable period of time, as determined by the Secretary, the Secretary may reduce any amount due to the State agency under any other provision of this chapter by the amount due.

(2) A State agency may determine on a periodic basis, from information supplied pursuant to section 49b(b) of title 29, whether an individual receiving compensation under the State’s unemployment compensation law (including amounts payable pursuant to an agreement under a Federal unemployment compensation law) owes an uncollected overissuance.

(3) A State agency may recover an uncollected overissuance—

(A) by—

- (i) entering into an agreement with an individual described in paragraph (2) under which specified amounts will be withheld from unemployment compensation otherwise payable to the individual; and
- (ii) furnishing a copy of the agreement to the State agency administering the unemployment compensation law; or

(B) in the absence of an agreement, by obtaining a writ, order, summons, or other similar process in the nature of garnishment from

a court of competent jurisdiction to require the withholding of amounts from the unemployment compensation.

(d) Recovery of overissuance of benefits

The amount of an overissuance of benefits, as determined under subsection (b)(1), that has not been recovered pursuant to such subsection may be recovered from Federal pay (including salaries and pensions) as authorized by section 5514 of title 5 or a Federal income tax refund as authorized by section 3720A of title 31.

§ 2025. Administrative cost-sharing and quality control

(a) Administrative costs

Subject to subsection (k), the Secretary is authorized to pay to each State agency an amount equal to 50 per centum of all administrative costs involved in each State agency’s operation of the supplemental nutrition assistance program, which costs shall include, but not be limited to, the cost of (1) the certification of applicant households, (2) the acceptance, storage, protection, control, and accounting of benefits after their delivery to receiving points within the State, (3) the issuance of benefits to all eligible households, (4) informational activities relating to the supplemental nutrition assistance program, including those undertaken under section 2020(e)(1)(A) of this title, but not including recruitment activities designed to persuade an individual to apply for program benefits or that promote the program through television, radio, or billboard advertisements, (5) fair hearings, (6) automated data processing and information retrieval systems subject to the conditions set forth in subsection (g), (7) supplemental nutrition assistance program investigations and prosecutions, and (8) implementing and operating the immigration status verification system established under section 1137(d) of the Social Security Act (42 U.S.C. 1320b-7(d)): *Provided*, That the Secretary is authorized at the Secretary’s discretion to pay any State agency administering the supplemental nutrition assistance program on all or part of an Indian reservation under section 2020(d) of this title or in a Native village within the State of Alaska identified in section 1610(b) of title 43, such amounts for administrative costs as the Secretary determines to be necessary for effective operation of the supplemental nutrition assistance program, as well as to permit each State to retain 35 percent of the value of all funds or allotments recovered or collected pursuant to sections 2015(b) and 2022(c) of this title and 20 percent of the value of any other funds or allotments recovered or collected, except the value of funds or allotments recovered or collected that arise from an error

of a State agency. The officials responsible for making determinations of ineligibility under this chapter shall not receive or benefit from revenues retained by the State under the provisions of this subsection.

(b) Work supplementation or support program

(1) “Work supplementation or support program” defined

In this subsection, the term “work supplementation or support program” means a program under which, as determined by the Secretary, public assistance (including any benefits provided under a program established by the State and the supplemental nutrition assistance program) is provided to an employer to be used for hiring and employing a public assistance recipient who was not employed by the employer at the time the public assistance recipient entered the program.

(2) Program

A State agency may elect to use an amount equal to the allotment that would otherwise be issued to a household under the supplemental nutrition assistance program, but for the operation of this subsection, for the purpose of subsidizing or supporting a job under a work supplementation or support program established by the State.

(3) Procedure

If a State agency makes an election under paragraph (2) and identifies each household that participates in the supplemental nutrition assistance program that contains an individual who is participating in the work supplementation or support program—

(A) the Secretary shall pay to the State agency an amount equal to the value of the allotment that the household would be eligible to receive but for the operation of this subsection;

(B) the State agency shall expend the amount received under subparagraph (A) in accordance with the work supplementation or support program in lieu of providing the allotment that the household would receive but for the operation of this subsection;

(C) for purposes of—

(i) sections 2014 and 2017(a) of this title, the amount received under this subsection shall be excluded from household income and resources; and

(ii) section 2017(b) of this title, the amount received under this subsection shall be considered to be the value of an allotment provided to the household; and

(D) the household shall not receive an allotment from the State agency for the period during which the member continues to participate in the work supplementation or support program.

(4) Other work requirements

No individual shall be excused, by reason of the fact that a State has a work supplementation or support program, from any work requirement under section 2015(d) of this title, except during the periods in which the individual is employed under the work supplementation or support program.

(5) Length of participation

A State agency shall provide a description of how the public assistance recipients in the program shall, within a specific period of time, be moved from supplemented or supported employment to employment that is not supplemented or supported.

(6) Displacement

A work supplementation or support program shall not displace the employment of individuals who are not supplemented or supported.

(c) Quality control system

(1) In general

(A) System

(i) In general

In carrying out the supplemental nutrition assistance program, the Secretary shall carry out a system that enhances payment accuracy and improves administration by establishing fiscal incentives that require State agencies with high payment error rates to share in the cost of payment error.

(ii) Tolerance level for excluding small errors

The Secretary shall set the tolerance level for excluding small errors for the purposes of this subsection—

(I) for fiscal year 2014, at an amount not greater than \$37; and

(II) for each fiscal year thereafter, the amount specified in subclause (I) adjusted by the percentage by which the thrifty food plan is adjusted under section 2012(u)(4) of this title between June 30, 2013, and June 30 of the immediately preceding fiscal year.

(B) Adjustment of Federal share of administrative costs for fiscal years before fiscal year 2003

(i) In general

Subject to clause (ii), with respect to any fiscal year before fiscal year 2003, the Secretary shall adjust a State agency’s federally funded share of administrative costs under subsection (a), other than the costs already shared in excess of 50 percent under the proviso in the first sentence of subsection (a) or under subsection (g), by increasing that share of all such administrative costs by 1 percentage point to a maximum of 60 percent of all such administrative costs for each full $\frac{1}{10}$ of a percentage point by which the payment error rate is less than 6 percent.

(ii) Limitation

Only States with a rate of invalid decisions in denying eligibility that is less than a nationwide percentage that the Secretary determines to be reasonable shall be entitled to the adjustment under clause (i).

(C) Establishment of liability amount for fiscal year 2003 and thereafter

With respect to fiscal year 2004 and any fiscal year thereafter for which the Secretary

determines that, for the second or subsequent consecutive fiscal year, a 95 percent statistical probability exists that the payment error rate of a State agency exceeds 105 percent of the national performance measure for payment error rates announced under paragraph (6), the Secretary shall establish an amount for which the State agency may be liable (referred to in this paragraph as the “liability amount”) that is equal to the product obtained by multiplying—

- (i) the value of all allotments issued by the State agency in the fiscal year;
- (ii) the difference between—
 - (I) the payment error rate of the State agency; and
 - (II) 6 percent; and
- (iii) 10 percent.

(D) Authority of Secretary with respect to liability amount

With respect to the liability amount established for a State agency under subparagraph (C) for any fiscal year, the Secretary shall—

- (i)(I) require that a portion, not to exceed 50 percent, of the liability amount established for the fiscal year be used by the State agency for new investment, approved by the Secretary, to improve administration by the State agency of the supplemental nutrition assistance program (referred to in this paragraph as the “new investment amount”), which new investment amount shall not be matched by Federal funds;
- (II) designate a portion, not to exceed 50 percent, of the amount established for the fiscal year for payment to the Secretary in accordance with subparagraph (E) (referred to in this paragraph as the “at-risk amount”); or
- (III) take any combination of the actions described in subclauses (I) and (II); or
- (ii) make the determinations described in clause (i) and enter into a settlement with the State agency, only with respect to any new investment amount, before the end of the fiscal year in which the liability amount is determined under subparagraph (C).

(E) Payment of at-risk amount for certain States

(i) In general

A State agency shall pay to the Secretary the at-risk amount designated under subparagraph (D)(i)(II) for any fiscal year in accordance with clause (ii), if, with respect to the immediately following fiscal year, a liability amount has been established for the State agency under subparagraph (C).

(ii) Method of payment of at-risk amount

(I) Remission to the Secretary

In the case of a State agency required to pay an at-risk amount under clause (i), as soon as practicable after completion of all administrative and judicial re-

views with respect to that requirement to pay, the chief executive officer of the State shall remit to the Secretary the at-risk amount required to be paid.

(II) Alternative method of collection

(aa) In general

If the chief executive officer of the State fails to make the payment under subclause (I) within a reasonable period of time determined by the Secretary, the Secretary may reduce any amount due to the State agency under any other provision of this section by the amount required to be paid under clause (i).

(bb) Accrual of interest

During any period of time determined by the Secretary under item (aa), interest on the payment under subclause (I) shall not accrue under section 2022(a)(2) of this title.

(F) Use of portion of liability amount for new investment

(i) Reduction of other amounts due to State agency

In the case of a State agency that fails to comply with a requirement for new investment under subparagraph (D)(i)(I) or clause (iii)(I), the Secretary may reduce any amount due to the State agency under any other provision of this section by the portion of the liability amount that has not been used in accordance with that requirement.

(ii) Effect of State agency’s wholly prevailing on appeal

If a State agency begins required new investment under subparagraph (D)(i)(I), the State agency appeals the liability amount of the State agency, and the determination by the Secretary of the liability amount is reduced to \$0 on administrative or judicial review, the Secretary shall pay to the State agency an amount equal to 50 percent of the new investment amount that was included in the liability amount subject to the appeal.

(iii) Effect of Secretary’s wholly prevailing on appeal

If a State agency does not begin required new investment under subparagraph (D)(i)(I), the State agency appeals the liability amount of the State agency, and the determination by the Secretary of the liability amount is wholly upheld on administrative or judicial review, the Secretary shall—

- (I) require all or any portion of the new investment amount to be used by the State agency for new investment, approved by the Secretary, to improve administration by the State agency of the supplemental nutrition assistance program, which amount shall not be matched by Federal funds; and
- (II) require payment of any remaining portion of the new investment amount in accordance with subparagraph (E)(ii).

(iv) Effect of neither party's wholly prevailing on appeal

The Secretary shall promulgate regulations regarding obligations of the Secretary and the State agency in a case in which the State agency appeals the liability amount of the State agency and neither the Secretary nor the State agency wholly prevails.

(G) Corrective action plans

The Secretary shall foster management improvements by the States by requiring State agencies, other than State agencies with payment error rates of less than 6 percent, to develop and implement corrective action plans to reduce payment errors.

(2) Error rate definitions

As used in this section—

(A) the term “payment error rate” means the sum of the point estimates of an overpayment error rate and an underpayment error rate determined by the Secretary from data collected in a probability sample of participating households;

(B) the term “overpayment error rate” means the percentage of the value of all allotments issued in a fiscal year by a State agency that are either—

- (i) issued to households that fail to meet basic program eligibility requirements; or
- (ii) overissued to eligible households; and

(C) the term “underpayment error rate” means the ratio of the value of allotments underissued to recipient households to the total value of allotments issued in a fiscal year by a State agency.

(3) Exclusions

The following errors may be measured for management purposes but shall not be included in the payment error rate:

(A) Any errors resulting in the application of new regulations promulgated under this chapter during the first 120 days from the required implementation date for such regulations.

(B) Errors resulting from the use by a State agency of correctly processed information concerning households or individuals received from Federal agencies or from actions based on policy information approved or disseminated, in writing, by the Secretary or the Secretary's designee.

(4) Reporting requirements

The Secretary may require a State agency to report any factors that the Secretary considers necessary to determine a State agency's payment error rate, liability amount or new investment amount under paragraph (1), or performance under the performance measures under subsection (d). If a State agency fails to meet the reporting requirements established by the Secretary, the Secretary shall base the determination on all pertinent information available to the Secretary.

(5) Procedures

To facilitate the implementation of this subsection, each State agency shall expeditiously

submit to the Secretary data concerning the operations of the State agency in each fiscal year sufficient for the Secretary to establish the State agency's payment error rate, liability amount or new investment amount under paragraph (1), or performance under the performance measures under subsection (d). The Secretary shall initiate efforts to collect the amount owed by the State agency as a claim established under paragraph (1) for a fiscal year, subject to the conclusion of any formal or informal appeal procedure and administrative or judicial review under section 2023 of this title (as provided for in paragraph (7)), before the end of the fiscal year following such fiscal year.

(6) National performance measure for payment error rates

(A) Announcement

At the time the Secretary makes the notification to State agencies of their error rates, the Secretary shall also announce a national performance measure that shall be the sum of the products of each State agency's error rate as developed for the notifications under paragraph (8) times that State agency's proportion of the total value of national allotments issued for the fiscal year using the most recent issuance data available at the time of the notifications issued pursuant to paragraph (8).

(B) Use of alternative measure of State error

Where a State fails to meet reporting requirements pursuant to paragraph (4), the Secretary may use another measure of a State's error developed pursuant to paragraph (5), to develop the national performance measure.

(C) Use of national performance measure

The announced national performance measure shall be used in determining the liability amount of a State under paragraph (1)(C) for the fiscal year whose error rates are being announced under paragraph (8).

(D) No administrative or judicial review

The national performance measure announced under this paragraph shall not be subject to administrative or judicial review.

(7) Administrative and judicial review

(A) In general

Except as provided in subparagraphs (B) and (C), if the Secretary asserts a financial claim against or establishes a liability amount with respect to a State agency under paragraph (1), the State may seek administrative and judicial review of the action pursuant to section 2023 of this title.

(B) Determination of payment error rate

With respect to any fiscal year, a determination of the payment error rate of a State agency or a determination whether the payment error rate exceeds 105 percent of the national performance measure for payment error rates shall be subject to administrative or judicial review only if the Secretary establishes a liability amount

with respect to the fiscal year under paragraph (1)(C).

(C) Authority of Secretary with respect to liability amount

An action by the Secretary under subparagraph (D) or (F)(iii) of paragraph (1) shall not be subject to administrative or judicial review.

(8) Criteria for payment by a State agency

(A) This paragraph applies to the determination of whether a payment is due by a State agency for a fiscal year under paragraph (1).

(B) Not later than the first May 31 after the end of the fiscal year referred to in subparagraph (A), the case review and all arbitrations of State-Federal difference cases shall be completed.

(C) Not later than the first June 30 after the end of the fiscal year referred to in subparagraph (A), the Secretary shall—

(i) determine final error rates, the national average payment error rate, and the amounts of payment claimed against State agencies or liability amount established with respect to State agencies;

(ii) notify State agencies of the payment claims or liability amounts; and

(iii) provide a copy of the document providing notification under clause (ii) to the chief executive officer and the legislature of the State.

(D) A State agency desiring to appeal a payment claim or liability amount determined under subparagraph (C) shall submit to an administrative law judge—

(i) a notice of appeal, not later than 10 days after receiving a notice of the claim or liability amount; and

(ii) evidence in support of the appeal of the State agency, not later than 60 days after receiving a notice of the claim or liability amount.

(E) Not later than 60 days after a State agency submits evidence in support of the appeal, the Secretary shall submit responsive evidence to the administrative law judge to the extent such evidence exists.

(F) Not later than 30 days after the Secretary submits responsive evidence, the State agency shall submit rebuttal evidence to the administrative law judge to the extent such evidence exists.

(G) The administrative law judge, after an evidentiary hearing, shall decide the appeal—

(i) not later than 60 days after receipt of rebuttal evidence submitted by the State agency; or

(ii) if the State agency does not submit rebuttal evidence, not later than 90 days after the State agency submits the notice of appeal and evidence in support of the appeal.

(H) In considering a claim or liability amount under this paragraph, the administrative law judge shall consider all grounds for denying the claim or liability amount, in whole or in part, including the contention of a State agency that the claim or liability amount should be waived, in whole or in part, for good cause.

§ 2026. Research, demonstration, and evaluations

(a) Contracts or grants; issuance of aggregate allotments

(1) The Secretary may enter into contracts with or make grants to public or private organizations or agencies under this section to undertake research that will help improve the administration and effectiveness of the supplemental nutrition assistance program in delivering nutrition-related benefits. The waiver authority of the Secretary under subsection (b) shall extend to all contracts and grants under this section.

(2) The Secretary may, on application, permit not more than two State agencies to establish procedures that allow households whose monthly supplemental nutrition assistance program benefits do not exceed \$20, at their option, to receive, in lieu of their supplemental nutrition assistance program benefits for the initial period under section 2017 of this title and their regular allotment in following months, and at intervals of up to 3 months thereafter, aggregate allotments not to exceed \$60 and covering not more than 3 months' benefits. The allotments shall be provided in accordance with paragraphs (3) and (9) of section 2020(e) of this title (except that no household shall begin to receive combined allotments under this section until it has complied with all applicable verification requirements of section 2020(e)(3) of this title) and (with respect to the first aggregate allotment so issued) within 40 days of the last benefit issuance.

(b) Pilot projects

(1)(A) The Secretary may conduct on a trial basis, in one or more areas of the United States, pilot or experimental projects designed to test program changes that might increase the efficiency of the supplemental nutrition assistance program and improve the delivery of supplemental nutrition assistance program benefits to eligible households, and may waive any requirement of this chapter to the extent necessary for the project to be conducted.

(B) PROJECT REQUIREMENTS.—

(i) **PROGRAM GOAL.**—The Secretary may not conduct a project under subparagraph (A) unless—

(I) the project is consistent with the goal of the supplemental nutrition assistance program of providing food assistance to raise levels of nutrition among low-income individuals; and

(II) the project includes an evaluation to determine the effects of the project.

(ii) **PERMISSIBLE PROJECTS.**—The Secretary may conduct a project under subparagraph (A) to—

(I) improve program administration;

(II) increase the self-sufficiency of supplemental nutrition assistance program recipients;

(III) test innovative welfare reform strategies; or

(IV) allow greater conformity with the rules of other programs than would be allowed but for this paragraph.

(iii) **RESTRICTIONS ON PERMISSIBLE PROJECTS.**—If the Secretary finds that a project under subparagraph (A) would reduce benefits by more than 20 percent for more than 5 percent of households in the area subject to the project (not including any household whose benefits are reduced due to a failure to comply with work or other conduct requirements), the project—

(I) may not include more than 15 percent of the number of households in the State receiving supplemental nutrition assistance program benefits; and

(II) shall continue for not more than 5 years after the date of implementation, un-

less the Secretary approves an extension requested by the State agency at any time.

(iv) **IMPERMISSIBLE PROJECTS.**—The Secretary may not conduct a project under subparagraph (A) that—

(I) involves the payment of the value of an allotment in the form of cash or otherwise providing benefits in a form not restricted to the purchase of food, unless the project was approved prior to August 22, 1996;

(II) has the effect of substantially transferring funds made available under this chapter to services or benefits provided primarily through another public assistance program, or using the funds for any purpose other than the purchase of food, program administration, or an employment or training program;

(III) is inconsistent with—

(aa) paragraphs (4) and (5) of section 2012(n)¹ of this title;

(bb) the last sentence of section 2014(a) of this title, insofar as a waiver denies assistance to an otherwise eligible household or individual if the household or individual has not failed to comply with any work, behavioral, or other conduct requirement under this or another program;

(cc) section 2014(c)(2) of this title;

(dd) paragraph (2)(B), (4)(F)(i), or (4)(K) of section 2015(d) of this title;

(ee) section 2017(b) of this title;

(ff) section 2020(e)(2)(B) of this title;

(gg) the time standard under section 2020(e)(3) of this title;

(hh) subsection (a), (c), (g), (h)(1)(F), (h)(2), or (h)(3) of section 2025 of this title;

(ii) this paragraph; or

(jj) subsection (a)(1) or (g)(1) of section 2029 of this title;

(IV) modifies the operation of section 2014 of this title so as to have the effect of—

(aa) increasing the shelter deduction to households with no out-of-pocket housing costs or housing costs that consume a low percentage of the household's income; or

(bb) absolving a State from acting with reasonable promptness on substantial reported changes in income or household size (except that this subclause shall not apply with regard to changes related to supplemental nutrition assistance program deductions);

(V) is not limited to a specific time period;

(VI) waives a provision of section 2035 of this title; or

(VII) waives a provision of section 2016(i) of this title.

(v) **ADDITIONAL INCLUDED PROJECTS.**—A pilot or experimental project may include projects involving the payment of the value of allotments or the average value of allotments by household size in the form of cash to eligible households all of whose members are age sixty-five or over or any of whose members are entitled to supplemental security income benefits under title XVI of the Social Security

¹ See References in Text note below.

Act [42 U.S.C. 1381 et seq.] or are receiving assistance under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.), the use of identification mechanisms that do not invade a household's privacy, and the use of food checks or other voucher-type forms in place of EBT cards.

(vi) CASH PAYMENT PILOT PROJECTS.—Subject to the availability of appropriations under section 2027(a) of this title, any pilot or experimental project implemented under this paragraph and operating as of October 1, 1981, involving the payment of the value of allotments in the form of cash to eligible households all of whose members are either age sixty-five or over or entitled to supplemental security income benefits under title XVI of the Social Security Act shall be continued if the State so requests.

(C)(i) No waiver or demonstration program shall be approved under this chapter after November 28, 1990, unless—

(I) any household whose food assistance is issued in a form other than EBT cards has its allotment increased to the extent necessary to compensate for any State or local sales tax that may be collected in all or part of the area covered by the demonstration project, the tax on purchases of food by any such household is waived, or the Secretary determines on the basis of information provided by the State agency that the increase is unnecessary on the basis of the limited nature of the items subject to the State or local sales tax; and

(II) the State agency conducting the demonstration project pays the cost of any increased allotments.

(ii) Clause (i) shall not apply if a waiver or demonstration project already provides a household with assistance that exceeds that which the household would otherwise be eligible to receive by more than the estimated amount of any sales tax on the purchases of food that would be collected from the household in the project area in which the household resides.

(D) RESPONSE TO WAIVERS.—

(i) RESPONSE.—Not later than 60 days after the date of receiving a request for a waiver under subparagraph (A), the Secretary shall provide a response that—

(I) approves the waiver request;

(II) denies the waiver request and describes any modification needed for approval of the waiver request;

(III) denies the waiver request and describes the grounds for the denial; or

(IV) requests clarification of the waiver request.

(ii) FAILURE TO RESPOND.—If the Secretary does not provide a response in accordance with clause (i), the waiver shall be considered approved, unless the approval is specifically prohibited by this chapter.

(iii) NOTICE OF DENIAL.—On denial of a waiver request under clause (i)(III), the Secretary shall provide a copy of the waiver request and a description of the reasons for the denial to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate.

(2) The Secretary shall, jointly with the Secretary of Labor, implement two pilot projects involving the performance of work in return for supplemental nutrition assistance program benefits in each of the seven administrative regions of the Food and Nutrition Service of the Department of Agriculture, such projects to be (A) appropriately divided in each region between locations that are urban and rural in characteristics and among locations selected to provide a representative cross-section of political subdivisions in the States and (B) submitted for approval prior to project implementation, together with the names of the agencies or organizations that will be engaged in such projects, to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate. Under such pilot projects, any person who is subject to the work registration requirements pursuant to section 2015(d) of this title, and is a member of a household that does not have earned income equal to or exceeding the allotment to which the household is otherwise entitled pursuant to section 2017(a) of this title, shall be ineligible to participate in the supplemental nutrition assistance program as a member of any household during any month in which such person refuses, after not being offered employment in the private sector of the economy for more than thirty days (ten days in at least one pilot project area designated by the Secretary) after the initial registration for employment referred to in section 2015(d)(1)(A)(i) of this title, to accept an offer of employment from a political subdivision or provider pursuant to a program carried out under title I of the Workforce Innovation and Opportunity Act [29 U.S.C. 3111 et seq.], for which employment compensation shall be paid in the form of the allotment to which the household is otherwise entitled pursuant to section 2017(a) of this title, with each hour of employment entitling the household to a portion of the allotment equal in value to 100 per centum of the Federal minimum hourly rate under the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 206(a)(1)); which employment shall not, together with any other hours worked in any other capacity by such person exceed forty hours a week; and which employment shall not be used by the employer to fill a job opening created by the action of such employer in laying off or terminating the employment of any regular employee not supported under this paragraph in anticipation of filling the vacancy so created by hiring an employee or employees to be supported under this paragraph, if all of the jobs supported under the program have been made available to participants in the program before the political subdivision or provider providing the jobs extends an offer of employment under this paragraph, and if the political subdivision or provider, in employing the person, complies with the requirements of Federal law that relate to the program. The Secretary and the Secretary of Labor shall jointly issue reports to the appropriate committees of Congress on the progress of such pilot projects no later than six and twelve months following September 29, 1977, shall issue interim reports no later than October 1, 1979, October 1, 1980, and March 30, 1981, shall

issue a final report describing the results of such pilot projects based upon their operation from their commencement through the fiscal year ending September 30, 1981, and shall pay to the agencies or organizations operating such pilot projects 50 per centum of all administrative costs involved in such operation.

(3)(A) The Secretary may conduct demonstration projects to test improved consistency or coordination between the supplemental nutrition assistance program employment and training program and the Job Opportunities and Basic Skills program under title IV of the Social Security Act (42 U.S.C. 601 et seq.).

(B) Notwithstanding paragraph (1), the Secretary may, as part of a project authorized under this paragraph, waive requirements under section 2015(d) of this title to permit a State to operate an employment and training program for supplemental nutrition assistance program recipients on the same terms and conditions under which the State operates its Job Opportunities and Basic Skills program for recipients of aid to families with dependent children under part F¹ of title IV of the Social Security Act (42 U.S.C. 681 et seq.). Any work experience program conducted as part of the project shall be conducted in conformity with section 482(f)¹ of such Act (42 U.S.C. 682(f)).

(C) A State seeking such a waiver shall provide assurances that the resulting employment and training program shall meet the requirements of subsections (a)(19) and (g) of section 402¹ of such Act (42 U.S.C. 602) (but not including the provision of transitional benefits under clauses (ii) through (vii) of section 402(g)(1)(A)¹ and sections 481 through 487¹ of such Act (42 U.S.C. 681 through 687)). Each reference to "aid to families with dependent children" in such sections shall be deemed to be a reference to supplemental nutrition assistance program benefits for purposes of the demonstration project.

(D) Notwithstanding the other provisions of this paragraph, participation in an employment and training activity in which supplemental nutrition assistance program benefits are converted to cash shall occur only with the consent of the participant.

(E) For the purposes of any project conducted under this paragraph, the provisions of this chapter affecting the rights of recipients may be waived to the extent necessary to conform to the provisions of section 402, and sections 481 through 487,¹ of the Social Security Act.

(F) At least 60 days prior to granting final approval of a project under this paragraph, the Secretary shall publish the terms and conditions for any demonstration project conducted under the paragraph for public comment in the Federal Register and shall notify the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate.

(G) Waivers may be granted under this paragraph to conduct projects at any one time in a total of up to 60 project areas (or parts of project areas), as such areas are defined in regulations in effect on January 1, 1990.

(H) A waiver for a change in program rules may be granted under this paragraph only for a demonstration project that has been approved

by the Secretary, that will be evaluated according to criteria prescribed by the Secretary, and that will be in operation for no more than 4 years.

(I) The Secretary may not grant a waiver under this paragraph on or after August 22, 1996. Any reference in this paragraph to a provision of title IV of the Social Security Act [42 U.S.C. 601 et seq.] shall be deemed to be a reference to such provision as in effect on the day before August 22, 1996.

The Secretary shall develop and implement measures for evaluating, on an annual or more frequent basis, the effectiveness of the supplemental nutrition assistance program in achieving its stated objectives, including, but not limited to, the program's impact upon the nutritional and economic status of participating households, the program's impact upon all sectors of the agricultural economy, including farmers and ranchers, as well as retail food stores, and the program's relative fairness to households of different income levels, different age composition, different size, and different regions of residence. Further, the Secretary shall, by way of making contracts with or grants to public or private organizations or agencies, implement pilot programs to test various means of measuring on a continuing basis the nutritional status of low income people, with special emphasis on people who are eligible for supplemental nutrition assistance, in order to develop minimum common criteria and methods for systematic nutrition monitoring that could be applied on a nationwide basis. The locations of the pilot programs shall be selected to provide a representative geographic and demographic cross-section of political subdivisions that reflect natural usage patterns of health and nutritional services and that contain high proportions of low income people. The Secretary shall report on the progress of these pilot programs on an annual basis commencing on July 1, 1982, to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate, together with such recommendations as the Secretary deems appropriate.

(B) Payment

The Secretary shall pay to each State that has elected to carry out an employment initiatives program under paragraph (1) an amount equal to the value of the allotment that each household participating in the program in the State would be eligible to receive under this chapter but for the operation of this subsection.

(C) Other provisions

- (ii) pay the cost of any increase in cash benefits required by clause (i).

Intelligent benefit cards developed under such a demonstration project shall contain information, encoded on a computer chip embedded in a credit card medium, including the eligibility of the individual and the amount of benefits to which such individual is entitled. Any other automated or electronic benefit delivery system developed under such a demonstration project shall be able to use a plastic card to access such information from a data file.

(2) No funds authorized to be appropriated under this chapter or any other Act of Congress shall be used by any person, firm, corporation, group, or organization at any time, directly or indirectly, to interfere with or impede the implementation of any provision of this chapter or any rule, regulation, or project thereunder, except that this limitation shall not apply to the provision of legal and related assistance in connection with any proceeding or action before any State or Federal agency or court. - (ii) subject to the availability of appropriations under section 2027(a) of this title, for each fiscal year thereafter, the amount specified in clause (i), as adjusted by the percentage by which the thrifty food plan has been adjusted under section 2012(u)(4) of this title between June 30, 2002, and June 30 of the immediately preceding fiscal year.

(B) Payments to Commonwealth of Puerto Rico

(i) In general

(3) Time and manner of payments to Commonwealth of Puerto Rico

The Secretary shall, subject to the provisions of subsection (b), pay to the Commonwealth for the applicable fiscal year, at such times and in such manner as the Secretary may determine, the amount estimated by the Commonwealth pursuant to subsection (b)(1)(A)(iv), reduced or increased to the extent of any prior overpayment or current underpayment which the Secretary determines has been made under this section and with respect to which adjustment has not already been made under this subsection.

(b) Plan for provision of assistance; approval; noncompliance

(1)(A) In order to receive payments under this chapter for any fiscal year, the Commonwealth shall have a plan for that fiscal year approved by the Secretary under this section. (ii) The Secretary may suspend the denial of payments under subparagraph (B)(i) for such period as the Secretary determines appropriate and instead withhold payments provided for under subsection (a), in whole or in part, for the fiscal year to which the plan applies, until the Secretary is satisfied that there is no longer any failure to comply with the requirements of subparagraph (A), at which time such withheld payments shall be paid.

(C)(i) If the Secretary finds that there is a substantial failure by the Commonwealth to comply with any of the requirements of subparagraphs (A) and (B), or to comply with the requirements of subsection (b)(1)(A) in the administration of a plan approved under subsection (b)(1)(B), the Secretary shall, except as provided in subparagraph (C)(ii), notify the appropriate agency in the Commonwealth that further payments will not be made to it under subsection (a) until the Secretary is satisfied that there will no longer be any such failure to comply, and until the Secretary is so satisfied, the Secretary shall make no further payments.

(ii) The Secretary may suspend the termination of payments under subparagraph (C)(i) for such period as the Secretary determines appropriate, and instead withhold payments provided for under subsection (a), in whole or in part, until the Secretary is satisfied that there will no longer be any failure to comply with the requirements of subparagraphs (A) and (B) and subsection (b)(1)(A), at which time such withheld payments shall be paid.

(iii) Upon a finding under subparagraph (C)(i) of a substantial failure to comply with any of the requirements of subparagraphs (A) and (B) and subsection (b)(1)(A), the Secretary may, in addition to or in lieu of any action taken under subparagraphs (C)(i) and (C)(ii), refer the matter to the Attorney General with a request that injunctive relief be sought to require compliance by the Commonwealth of Puerto Rico, and upon suit by the Attorney General in an appropriate district court of the United States and a show-

(B) Exception

Notwithstanding subparagraph (A), the Secretary, informed by the report required under paragraph (2), may approve a plan that exempts participants or categories of participants if the Secretary determines that discontinuation of benefits in the form of cash is likely to have significant adverse effects.

§ 2031. Minnesota Family Investment Project

(a) In general

(1) Subject to paragraph (2), upon written application of the State of Minnesota that complies with this section and sections 6 to 11, 13, 130, and 132 of article 5 of 282 of the 1989 Laws of Minnesota, and after approval of such application by the Secretary in accordance with subsections (b) and (d), the State may implement a family investment demonstration project (hereinafter in this section referred to as the “Project”) in parts of the State to determine whether the Project more effectively helps families to become self-supporting and enhances their ability to care for their children than do the supplemental nutrition assistance program and programs under parts A and F¹ of title IV of the Social Security Act [42 U.S.C. 601 et seq.]. The State may provide cash payments under the Project, subject to paragraph (2), that replace assistance otherwise available under the supplemental nutrition assistance program and under part A of title IV of the Social Security Act.

(2) The Project may be implemented only in accordance with this section and only if the Secretary of Health and Human Services approves

an application submitted by the State permitting the State to include in the Project families who are eligible to receive benefits under part A of title IV of the Social Security Act.

(b) Required terms and conditions of Project

The application submitted by the State under subsection (a) shall provide an assurance that the Project shall satisfy all of the following requirements:

(1) Only families may be eligible to receive assistance and services through the Project.

(2) Participating families, families eligible for or participating in the program authorized under part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] or the supplemental nutrition assistance program that are assigned to and found eligible for the Project, and families required to submit an application for the Project that are found eligible for the Project shall be ineligible to receive benefits under the supplemental nutrition assistance program.

(3)(A) Subject to the provisions of this paragraph and any reduction imposed under subsection (c)(3) of this section, the value of assistance provided to participating families shall not be less than the aggregate value of the assistance such families could receive under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such families did not participate in the Project.

(B) For purposes of satisfying the requirement specified in subparagraph (A)—

(i) payments for child care expenses under the Project shall be considered part of the value of assistance provided to participating families with earnings;

(ii) payments for child care expenses for families without earnings shall not be considered part of the value of assistance provided to participating families or the aggregate value of assistance that such families could have received under the supplemental nutrition assistance program and part A of title IV of the Social Security Act; and

(iii) any child support payments not assigned to the State under the provisions of part A of title IV of the Social Security Act, less \$50 per month, shall be considered part of the aggregate value of assistance participating families would receive if such families did not participate in the Project;

(C) For purposes of satisfying the requirement specified in subparagraph (A), the State shall—

(i) identify the sets of characteristics indicative of families that might receive less assistance under the Project;

(ii) establish a mechanism to determine, for each participating family that has a set of characteristics identified under clause (i) whether such family could receive more assistance, in the aggregate, under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the project;

(iii) increase the amount of assistance provided under the Project to any family that

could receive more assistance, in the aggregate, under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the Project, so that the assistance provided under the Project to such family is not less than the aggregate amount of assistance such family could receive under the supplemental nutrition assistance program and part A of title IV of the Social Security Act if such family did not participate in the Project; and

(iv) increase the amount of assistance paid to participating families, if the State or locality imposes a sales tax on food, by the amount needed to compensate for the tax.

This subparagraph shall not be construed to require the State to make the determination under clause (ii) for families that do not have a set of characteristics identified under clause (i).

(D)(i) The State shall designate standardized amounts of assistance provided as food assistance under the Project and notify monthly each participating family of such designated amount.

(ii) The amount of food assistance so designated shall be at least the value of benefits such family could have received under the supplemental nutrition assistance program if the Project had not been implemented. The provisions of this subparagraph shall not require that the State make individual determinations as to the amount of assistance under the Project designated as food assistance.

(iii) The State shall periodically allow participating families the option to receive such food assistance in the form of benefits.

(E)(i) Individuals ineligible for the Project who are members of a household including a participating family shall have their eligibility for the supplemental nutrition assistance program determined and have their benefits calculated and issued following the standards established under the supplemental nutrition assistance program, except as provided differently in this subparagraph.

(ii) The State agency shall determine such individuals' eligibility for benefits under the supplemental nutrition assistance program and the amount of such benefits without regard to the participating family.

(iii) In computing such individuals' income for purposes of determining eligibility (under section 2014(c)(1) of this title) and benefits, the State agency shall apply the maximum excess shelter expense deduction specified under section 2014(e) of this title.

(iv) Such individuals' monthly allotment shall be the higher of \$10 or 75 percent of the amount calculated following the standards of the supplemental nutrition assistance program and the foregoing requirements of this subparagraph, rounded to the nearest lower whole dollar.

(4) The Project shall include education, employment, and training services equivalent to those offered under the employment and training program described in section 2015(d)(4) of this title to families similar to participating families elsewhere in the State.

(5) The State may select families for participation in the Project through submission and approval of an application for participation in the Project or by assigning to the Project families that are determined eligible for or are participating in the program authorized by part A of title IV of the Social Security Act or the supplemental nutrition assistance program.

(6) Whenever selection for participation in the Project is accomplished through submission and approval of an application for the Project—

(A) the State shall promptly determine eligibility for the Project, and issue assistance to eligible families, retroactive to the date of application, not later than thirty days following the family's filing of an application;

(B) in the case of families determined ineligible for the Project upon application, the application for the Project shall be deemed an application for the supplemental nutrition assistance program, and benefits under the supplemental nutrition assistance program shall be issued to those found eligible following the standards established under the supplemental nutrition assistance program;

(C) expedited benefits shall be provided under terms no more restrictive than under paragraph (9) of section 2020(e) of this title and the laws of Minnesota and shall include expedited issuance of designated food assistance provided through the Project or expedited benefits through the supplemental nutrition assistance program;

(D) each individual who contacts the State in person during office hours to make what may reasonably be interpreted as an oral or written request to receive financial assistance shall receive and shall be permitted to file an application form on the same day such contact is first made;

(E) provision shall be made for telephone contact by, mail delivery of forms to and mail return of forms by, and subsequent home or telephone interview with, elderly individuals, physically or mentally handicapped individuals, and individuals otherwise unable to appear in person solely because of transportation difficulties and similar hardships;

(F) a family may be represented by another person if the other person has clearly been designated as the representative of such family for that purpose and the representative is an adult who is sufficiently aware of relevant circumstances, except that the State may—

(i) restrict the number of families who may be represented by such person; and

(ii) otherwise establish criteria and verification standards for representation under this subparagraph; and

(G) the State shall provide a method for reviewing applications to participate in the Project submitted by, and distributing assistance under the Project to, families that do not reside in permanent dwellings or who have no fixed mailing address.

(7) Whenever selection for participation in the Project is accomplished by assigning families that are determined eligible for or participating in the program authorized by part A of title IV of the Social Security Act or the supplemental nutrition assistance program—

(A) the State shall provide eligible families assistance under the Project no later than benefits would have been provided following the standards established under the supplemental nutrition assistance program; and

(B) the State shall ensure that assistance under the Project is provided so that there is no interruption in benefits for families participating in the program under part A of title IV of the Social Security Act or the supplemental nutrition assistance program.

(8) Paragraphs (1)(B) and (8) of section 2020(e) of this title shall apply with respect to applicants and participating families in the same manner as such paragraphs apply with respect to applicants and participants in the supplemental nutrition assistance program.

(9) Assistance provided under the Project shall be reduced to reflect the pro rata value of any benefits received under the supplemental nutrition assistance program for the same period.

(10)(A) The State shall provide each family or family member whose participation in the Project ends and each family whose participation is terminated with notice of the existence of the supplemental nutrition assistance program and the person or agency to contact for more information.

(B)(i) Following the standards specified in subparagraph (C), the State shall ensure that benefits under the supplemental nutrition assistance program are provided to participating families in case the Project is terminated or to participating families or family members that are determined ineligible for the Project because of income, resources, or change in household composition, if such families or individuals are determined eligible for the supplemental nutrition assistance program. Benefits shall be issued to eligible families and individuals described in this clause retroactive to the date of termination from the Project; and

(ii) If sections 256.031 through 256.036 of the Minnesota Statutes, 1989 Supplement, or Minnesota Laws 1989, chapter 282, article 5, section 130, are amended to reduce or eliminate benefits provided under those sections or restrict the rights of Project applicants or participating families, the State shall exclude from the Project applicants or participating families or individuals affected by such amendments and follow the standards specified in subparagraph (C), except that the State shall continue to pay from State funds an amount equal to the food assistance portion to such families and individuals until the State determines eligibility or ineligibility for the supplemental nutrition assistance program or the family or individual has failed to supply the needed additional information within ten days. Food benefits shall be provided to families and individuals excluded from the Project under this

clause who are determined eligible for the supplemental nutrition assistance program retroactive to the date of the determination of eligibility. The Secretary shall pay to the State the value of the benefits for which such families and individuals would have been eligible in the absence of food assistance payments under this clause from the date of termination from the Project to the date benefits are provided.

(C) Each family whose Project participation is terminated shall be screened for potential eligibility for the supplemental nutrition assistance program and if the screening indicates potential eligibility, the family or family member shall be given a specific request to supply all additional information needed to determine such eligibility and assistance in completing a signed supplemental nutrition assistance program application including provision of any relevant information obtained by the State for purpose of the Project. If the family or family member supplies such additional information within ten days after receiving the request, the State shall, within five days after the State receives such information, determine whether the family or family member is eligible for the supplemental nutrition assistance program. Each family or family member who is determined through the screening or otherwise to be ineligible for the supplemental nutrition assistance program shall be notified of that determination.

(11) Section 2020(e)(10) of this title shall apply with respect to applicant and participating families in the same manner as such paragraph applies with respect to applicants and participants in the supplemental nutrition assistance program, except that families shall be given notice of any action for which a hearing is available in a manner consistent with the notice requirements of the regulations implementing sections 402(a)(4) and 482(h)¹ of the Social Security Act [42 U.S.C. 602(a)(4)].

(12) For each fiscal year, the Secretary shall not be liable for any costs related to carrying out the Project in excess of those that the Secretary would have been liable for had the Project not been implemented, except for costs for evaluating the Project, but shall adjust for the full amount of the federal share of increases or decreases in costs that result from changes in economic, demographic, and other conditions in the State based on data specific to the State, changes in eligibility or benefit levels authorized by this chapter, or changes in amounts of Federal funds available to States and localities under the supplemental nutrition assistance program.

(13) The State shall carry out the supplemental nutrition assistance program throughout the State while the State carries out the Project.

(14)(A) Except as provided in subparagraph (B), the State will carry out the Project during a five-year period beginning on the date the first family receives assistance under the Project.

(B) The Project may be terminated—

(i) by the State one hundred and eighty days after the State gives notice to the Sec-

retary that it intends to terminate the Project;

(ii) by the Secretary one hundred and eighty days after the Secretary, after notice and an opportunity for a hearing, determines that the State materially failed to comply with this section; or

(iii) whenever the State and the Secretary jointly agree to terminate the Project.

(15) Not more than six thousand families may participate in the Project simultaneously.

(c) Additional terms and conditions of Project

The Project shall be subject to the following additional terms and conditions:

(1) The State may require any parent in a participating family to participate in education, employment, or training requirements unless the individual is a parent in a family with one parent who—

(A) is ill, incapacitated, or sixty years of age or older;

(B) is needed in the home because of the illness or incapacity of another family member;

(C) is the parent of a child under one year of age and is personally providing care for the child;

(D) is the parent of a child under six years of age and is employed or participating in education or employment and training services for twenty or more hours a week;

(E) works thirty or more hours a week or, if the number of hours worked cannot be verified, earns at least the Federal minimum hourly wage rate multiplied by thirty per week; or

(F) is in the second or third trimester of pregnancy.

(2) The State shall not require any parent of a child under six years of age in a participating family with only one parent to be employed or participate in education or employment and training services for more than twenty hours a week.

(3) For any period during which an individual required to participate in education, employment, or training requirements fails to comply without good cause with a requirement imposed by the State under paragraph (1), the amount of assistance to the family under the Project may be reduced by an amount not more than 10 percent of the assistance the family would be eligible for with no income other than that from the Project.

(d) Funding

(1) If an application submitted under subsection (a) complies with the requirements specified in subsection (b), then the Secretary shall—

(A) approve such application; and

(B) subject to subsection (b)(12) from the funds appropriated under this chapter provide grant awards and pay the State each calendar quarter for—

(i) the cost of food assistance provided under the Project equal to the amount that would have otherwise been issued in the form of benefits under the supplemental nu-

trition assistance program had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State; and

(ii) the administrative costs incurred by the State to provide food assistance under the Project that are authorized under subsections (a), (g), (h)(2), and (h)(3) of section 2025 of this title equal to the amount that otherwise would have been paid under such subsections had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State: *Provided*, That payments made under subsection (g) of section 2025 of this title shall equal payments that would have been made if the Project had not been implemented.

(2) The Secretary shall periodically adjust payments made to the State under paragraph (1) to reflect—

(A) the cost of benefits issued to individuals ineligible for the Project specified in subsection (b)(3)(E) in excess of the amount that would have been issued to such individuals had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State; and

(B) the cost of benefits issued to families exercising the option specified in subsection (b)(3)(D)(iii) in excess of the amount that would have been issued to such individuals had the Project not been implemented, as estimated under a methodology satisfactory to the Secretary after negotiations with the State.

(3) Payments under paragraph (1)(B) shall include adjustments, as estimated under a methodology satisfactory to the Secretary after negotiations with the State, for increases or decreases in the costs of providing food assistance and associated administrative costs that result from changes in economic, demographic, or other conditions in the State based on data specific to the State, changes in eligibility or benefit levels authorized by this chapter, and changes in or additional amounts of Federal funds available to States and localities under the supplemental nutrition assistance program.

(e) Waiver

With respect to the Project, the Secretary shall waive compliance with any requirement contained in this chapter (other than this section) that, if applied, would prevent the State from carrying out the Project or effectively achieving its purpose.

(f) Project audits

The Comptroller General of the United States shall—

(1) conduct periodic audits of the operation of the Project to verify the amounts payable to the State from time to time under subsection (d); and

(2) submit to the Secretary, the Secretary of Health and Human Services, the Committee on Agriculture of the House of Representatives, and the Committee on Agriculture, Nutrition, and Forestry of the Senate a report describing the results of each such audit.

(g) Construction

(1) For purposes of any Federal, State, or local law other than part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.] or this chapter—

(A) cash assistance provided under the Project that is designated as food assistance by the State shall be treated in the same manner as benefits allotments under the supplemental nutrition assistance program are treated; and

(B) participating families shall be treated in the same manner as participants in the supplemental nutrition assistance program are treated.

(2) Nothing in this section shall—

(A) allow payments made to the State under the Project to be less than the amounts the State and eligible households within the State would have received if the Project had not been implemented; or

(B) require the Secretary to incur costs as a result of the Project in excess of costs that would have been incurred if the Project had not been implemented, except for costs for evaluation.

(h) Quality control

Participating families shall be excluded from any sample taken for purposes of making any determination under section 2025(c) of this title. For purposes of establishing the total value of allotments under section 2025(c)(1) of this title, benefits and the amount of federal liability for food assistance provided under the Project as limited by subsection (b)(12) of this section shall be treated as allotments issued under the supplemental nutrition assistance program.

(i) Evaluation

(1) The State shall develop and implement a plan for an independent evaluation designed to provide reliable information on Project impacts and implementation. The evaluation will include treatment and control groups and will include random assignment of families to treatment and control groups in an urban setting. The evaluation plan shall satisfy the evaluation concerns of the Secretary of Agriculture such as effects on benefits to participants, costs of the Project, payment accuracy, administrative consequences, any reduction in welfare dependency, any reduction in total assistance payments, and the consequences of cash payments on household expenditures, and food consumption. The evaluation plan shall take into consideration the evaluation requirements and administrative obligations of the State. The evaluation will measure the effects of the Project in regard to goals of increasing family income, prevention of long-term dependency, movement toward self-support, and simplification of the welfare system.

(2) The State shall pay 50 percent of the cost of developing and implementing such plan and the Federal Government shall pay the remainder.

§ 2101. Congressional declaration of policy

Cotton is the basic natural fiber of the Nation. It is produced by many individual cottongrowers throughout the various cotton-producing States of the Nation and also outside the United States. Cotton moves in the channels of interstate and foreign commerce and such cotton which does not move in such channels directly burdens or affects interstate commerce in cotton and cotton products. The efficient production of cotton and the maintenance and expansion of existing markets and the development of new or improved markets and uses is vital to the welfare of cottongrowers and those concerned with marketing, using, and processing cotton as well as the general economy of the Nation. The great inroads on the market and uses for cotton which have been made by manmade fibers have been largely the result of extensive research and promotion which have not been effectively matched by cotton research and promotion. The production and marketing of cotton by numerous individual farmers have prevented the development and carrying out of adequate and coordinated programs of research and promotion necessary to the maintenance and improvement of the competitive position of, and markets for, cotton. Without an effective and coordinated method for assuring cooperative and collective action in providing for, and financing such programs, individual cotton farmers are unable adequately to provide or obtain the research and promotion necessary to maintain and improve markets for cotton.

It has long been found to be in the public interest to have, or endeavor to have, a reasonable balance between the supply of and demand for cotton grown in this country. To serve this public interest the Congress has provided for the

comprehensive exercise of regulatory authority in regulating the handling of such cotton supplemented by price-support programs with the objective of adjusting supply to demand in the interest of benefiting producers and all others concerned with the production and handling of cotton as well as the general economy of the country. In order for the objective of such programs to be effectuated to the fullest degree, it is necessary that the existing regulation of marketing be supplemented by providing as part of the overall governmental program for effectuating this objective, means of increasing the demand for cotton with the view of eventually reducing or eliminating the need for limiting marketings and supporting the price of cotton.

It is therefore declared to be the policy of the Congress and the purpose of this chapter that it is essential in the public interest through the exercise of the powers provided herein, to authorize and enable the establishment of an orderly procedure for the development, financing through adequate assessments on all cotton marketed in the United States and on imports of cotton, and carrying out an effective and continuous coordinated program of research and promotion designed to strengthen cotton's competitive position and to maintain and expand domestic and foreign markets and uses for United States cotton.

AMENDMENTS

1990—Pub. L. 101-624, in first undesignated par., inserted “and also outside the United States”, struck out “in large part” before “in the channels of interstate”, “All cotton produced in the United States is in the current of interstate or foreign commerce or directly burdens, obstructs, or affects interstate or foreign commerce in cotton and cotton products.” before “The efficient production”, and “In the years since World War II, United States cotton and the products thereof have been confronted with intensive competition, both at home and abroad, from foreign-grown cotton and from other fibers, primarily manmade fibers.” after “economy of the Nation.”, and substituted “The great inroads on the market and uses for” for “The great inroads on the market and uses for United States” and, in third undesignated par., substituted “marketed” for “harvested” and inserted “and on imports of cotton”.

(a) Providing for the establishment, issuance, effectuation, and administration of appropriate plans or projects for the advertising and sales promotion of cotton and its products and for the disbursement of necessary funds for such purposes: *Provided, however,* That any such plan or

project shall be directed toward increasing the general demand for cotton or its products but no reference to a private brand or trade name shall be made if the Secretary determines that such reference will result in undue discrimination against the cotton products of other persons: *And provided further*, That no such advertising or sales promotion programs shall make use of false or unwarranted claims in behalf of cotton or its products or false or unwarranted statements with respect to the quality, value, or use of any competing product.

(b) Providing for establishing and carrying on research and development projects and studies with respect to the production, ginning, processing, distribution, or utilization of cotton and its products, to the end that the marketing and utilization of cotton may be encouraged, expanded, improved, or made more efficient, and for the disbursement of necessary funds for such purposes.

(c) Providing that handlers or any class of handlers maintain and make available for inspection such books and records as may be required by the order and for the filing of reports by such handlers at the times, in the manner, and having the content prescribed by the order, to the end that information and data shall be made available to the Cotton Board and to the Secretary which is appropriate or necessary to the effectuation, administration, or enforcement of this chapter or of any order or regulation issued pursuant to this chapter: *Provided, however*, That all information so obtained shall be kept confidential by all officers and employees of the Department of Agriculture and of the Cotton Board, and only such information so furnished or acquired as the Secretary deems relevant shall be disclosed by them, and then only in a suit or administrative hearing brought at the direction, or upon the request, of the Secretary of Agriculture, or to which he or any officer of the United States is a party, and involving the order with reference to which the information so to be disclosed was furnished or acquired. § 2106. Required terms and conditions in orders

Orders issued pursuant to this chapter shall contain the following terms and conditions:

(a) Providing for the establishment and selection by the Secretary, of a Cotton Board, and de-

(2) To make rules and regulations to effectuate the terms and provisions of such order, including the designation of the person responsible for collecting the assessment;

(3) To receive, investigate, and report to the Secretary complaints of violations of such order; and

(b) Providing that the Cotton Board shall be composed of (1) representatives of cotton producers selected by the Secretary, from nominations submitted by eligible producer organizations within a cotton-producing State, as certified pursuant to section 2113 of this title, or, if the Secretary determines that a substantial number of producers are not members of or their interests are not represented by any such eligible producer organizations, from nominations made by producers in the manner authorized by the Secretary, so that the representation of cotton producers on the Board for each cotton-producing State shall reflect, to the extent practicable, the proportion which that State's marketings of cotton bears to the total marketings of cotton in the United States, and (2) when imports of cotton are subject to an order, an appropriate number of representatives, as determined by the Secretary, of importers of cotton on which assessments are paid under this chapter. Such importer representatives shall be appointed by the Secretary after consultation with organizations representing importers, as determined by the Secretary. Each cotton-producing State shall be entitled to at least one representative on the Cotton Board. The Secretary may appoint a number of consumer advisors to the Cotton Board not to exceed 15 per centum of the membership of the Cotton Board. The Cotton Board shall reimburse the consumer advisors for expenses incurred in attending meetings of the Board in the same manner as the Cotton Board members.

(c) Providing that the Cotton Board shall, subject to the provisions of subsection (g) of this section, develop and submit to the Secretary for his approval any advertising or sales promotion or research and development plans or projects, and that any such plan or project must be approved by the Secretary before becoming effective.

(e)(1) Providing that—

(A) the producer or other person for whom the cotton is being handled shall pay to the handler of such cotton designated by the Cotton Board pursuant to regulations issued under the order;

(B) such handler shall collect from the producer or other person for whom the cotton, in-

cluding cotton owned by the handler, is being handled, and shall pay to the Cotton Board; and

(C) each importer shall pay to the Cotton Board on imports of cotton,

an assessment prescribed by the order, on the basis of bales of cotton handled or imported. The assessment shall cover such expenses and expenditures, including provision for a reasonable reserve, as the Secretary finds are reasonable and likely to be incurred by the Cotton Board under the order, during any period specified by the Secretary.

(2) The order shall provide for reimbursing the Secretary—

(A) for expenses not to exceed \$300,000 incurred by the Secretary in connection with any referendum conducted under section 2107 of this title; and

(B) for administrative costs incurred by the Secretary for supervisory work up to 5 employee years after an order or amendment to an order has been issued and made effective.

There shall also be included in the order a provision for reimbursing any agency of the Federal Government that assists in administering the import provisions of the order for a reasonable amount of the expenses incurred by that agency in connection therewith.

(3) To facilitate the collection and payment of such assessments, the Cotton Board may designate different handlers or importers or classes of handlers or importers to recognize differences in marketing practices or procedures utilized in any State or area, except that no more than one such assessment shall be made on any bale of cotton, unless specifically authorized by provisions of this subsection.

(4) The rate of assessment prescribed by the order shall be \$1 per bale of cotton handled, supplemented by an additional per bale amount not to exceed 1 percent of the value of cotton as determined by the Cotton Board and the Secretary. The rate of assessment on imports of cotton shall be determined in the same manner as the rate of assessment per bale of cotton handled, and the value to be placed on cotton imports for the purpose of determining the assessment on such imports shall be established by the Secretary in a fair and equitable manner. The Secretary shall establish procedures to ensure that the upland cotton content of imported products is not subject to more than one assessment under this chapter.

(5) No authority under this chapter may be used as a basis to advertise or solicit votes in any referendum relating to the rate of assessment with funds collected under this chapter.

(6) The Secretary may maintain a suit against any person subject to the order for the collection of such assessment, and the several district courts of the United States are hereby vested with jurisdiction to entertain such suits regardless of the amount in controversy. The remedies provided in this section shall be in addition to, and not exclusive of, the remedies provided for elsewhere in this chapter or now or hereafter existing at law or in equity.

(7) The provisions of this subsection and subsection (b) shall not apply to cottonseed and the

products derived from cottonseed whether domestically produced or imported.

(8) The provisions of this subsection relating to importers and assessments on imports of cotton shall be effective only if approved in a referendum as provided in section 2107(b) or 2107(c) of this title.

(f) Providing that the Cotton Board shall maintain such books and records and prepare and submit such reports from time to time, to the Secretary as he may prescribe, and for appropriate accounting by the Cotton Board with respect to the receipt and disbursement of all funds entrusted to it.

(g) Providing that the Cotton Board, with the approval of the Secretary, shall enter into contracts or agreements for the development and carrying out of the activities authorized under the order pursuant to sections 2105(a) and (b) of this title and for the payment of the costs thereof with funds collected pursuant to the order, with an organization or association whose governing body consists of cotton producers selected by the cotton producer organizations certified by the Secretary under section 2113 of this title, in such manner that the producers of each cotton-producing State will, to the extent practicable, have representation on the governing body of such organization in the proportion that the cotton marketed by the producers of such State bears to the total cotton marketed by the producers of all cotton-producing States, subject to adjustments to reflect lack of participation in the program by reason of refunds under section 2110 of this title. Any such contract or agreement shall provide that such contracting organization or association shall develop and submit annually to the Cotton Board, for the purpose of review and making recommendations to the Secretary, a program of research, advertising, and sales promotion projects, together with a budget, or budgets, which shall show the estimated cost to be incurred for such projects, and that any such projects shall become effective upon approval by the Secretary. Any such contract or agreement shall also provide that the contracting organization shall keep accurate records of all its transactions and make an annual report to the Cotton Board of activities carried out and an accounting for funds received and expended, and such other reports as the Secretary may require.

(h) Providing that no funds collected by the Cotton Board under the order shall in any manner be used for the purpose of influencing governmental policy or action, except as provided by subsection (a)(4) of this section.

§ 2107. Referenda

(a) Referendum and cotton producer approval of orders

The Secretary shall conduct a referendum among persons who, during a representative period determined by the Secretary, have been engaged in the production of cotton for the purpose of ascertaining whether the issuance of an order is approved or favored by producers. No order issued pursuant to this chapter shall be effective unless the Secretary determines that the issuance of such order is approved or favored by not less than two-thirds of the producers voting in such referendum, or by the producers of not less than two-thirds of the cotton produced during the representative period by producers voting in such referendum and by not less than a majority of the producers voting in such referendum.

(b) Referendum on proposed amendment to order implementing provisions of 1990 amendments to this chapter

(1) Notwithstanding the provisions of sections 2103 and 2104 of this title, not later than 150 days after the date of enactment of the Cotton Research and Promotion Act Amendments of 1990 [November 28, 1990], and after notice and opportunity for public comment, the Secretary shall issue a proposed amendment to the order implementing the provisions of such Act, which shall become effective as provided in paragraph (2).

(2) Notwithstanding the provisions of subsection (a), the Secretary shall, within a period

not to exceed 8 months after November 28, 1990, conduct a referendum among persons who have been cotton producers during a representative period, as determined by the Secretary, and persons who are importers of cotton and who, during a 12-month period ending not later than 90 days prior to the conduct of the referendum under this section imported a quantity of cotton in excess of the de minimis quantity (if any) established by the Secretary under section 2116(c)(2) of this title, for the purpose of ascertaining if a majority of those voting approve the proposed amendment to the order issued by the Secretary under paragraph (1). The Secretary shall announce the results of the referendum within 30 days after the date of such referendum. If the amendment is approved in the referendum, within a period not to exceed 90 days from the date of announcement of the results of such referendum, the Secretary shall publish the amendment to the order and regulations implementing the amendment provided for in this subsection.

(c) Future referendums every five years or by request of cotton producers and importers

(1) Notwithstanding the provisions of sections 2103 and 2104 of this title, once every five years after the date of the referendum provided for under subsection (b), the Secretary shall conduct a review to ascertain whether a referendum is needed to determine whether producers and importers favor continuation of the amendment to the order provided for in the Cotton Research and Promotion Act Amendments of 1990 if such amendment is then in effect or, if such an amendment is not in effect, whether they favor approval of such amendment. The Secretary shall make a public announcement of the results of the review within 60 days after each fifth anniversary date of the referendum provided for under subsection (b). If the Secretary determines to provide for such a referendum, the Secretary shall conduct the referendum within 12 months after a public announcement of the determination to conduct the referendum.

(2) If the Secretary does not provide for such a referendum on the Secretary's own initiative, the Secretary shall conduct such a referendum upon the request of 10 percent or more of the number of cotton producers and importers voting in the most recent referendum, except that, in counting such requests for a referendum, not more than 20 percent of such requests may be from producers from any one State or importers of cotton. Producers and importers may sign up to request such a referendum at the county office of the Agricultural Stabilization and Conservation Service, or county extension agent, or by mailing such a request to the Secretary, as prescribed in regulations. The sign-up period shall be for a period not to exceed 90 days, shall commence 60 days after the Secretary makes a public announcement of a determination not to provide for a referendum on the Secretary's own initiative, and shall be publicized by the Secretary and the Cotton Board immediately after such public announcement. The referendum shall be held within 12 months after the end of the sign-up period, if requested by the requisite number of persons.
