PUBLIC LAWS

(CONTINUED)

Public Law 103-161
103d Congress

An Act

To amend title 38, United States Code, to increase the rate of special pension payable to persons who have received the Congressional Medal of Honor.

Nov. 30, 1993
[H.R. 3341]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. INCREASE IN RATE OF SPECIAL PENSION FOR PERSONS ON THE MEDAL OF HONOR ROLL.

(a) **IN GENERAL.**—Section 1562(a) of title 38, United States Code, is amended by striking “\$200” and inserting “\$400”.

(b) **EFFECTIVE DATE.**—The amendment made by subsection (a) shall apply with respect to months beginning after the date of the enactment of this Act.

38 USC 1562
note.

Approved November 30, 1993.

LEGISLATIVE HISTORY—H.R. 3341:

HOUSE REPORTS: No. 103-313 (Comm. on Veterans' Affairs).
CONGRESSIONAL RECORD, Vol. 139 (1993):
Nov. 2, considered and passed House.
Nov. 17, considered and passed Senate.

Public Law 103-162
103d Congress

An Act

Dec. 1, 1993
[H.R. 2650]

To designate portions of the Maurice River and its tributaries in the State of New Jersey as components of the National Wild and Scenic Rivers Systems.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,***SECTION 1. FINDINGS AND PURPOSES.**(a) **FINDINGS.**—The Congress finds that—

(1) the Maurice River and its tributaries, Menantico Creek, the Manumuskin River, and Muskee Creek, are eligible for inclusion into the National Wild and Scenic Rivers System, the segments and their classifications being as follows—

(A) the Maurice River, lower segment, from the United States Geological Survey Station at Shellpile to Route 670 Bridge at Mauricetown, approximately 7.0 miles, as a recreational river;

(B) the Maurice River, middle segment, from Route 670 Bridge at Mauricetown to 3.6 miles upstream (at drainage ditch just upstream of Fralinger Farm), approximately 3.8 miles as a scenic river;

(C) the Maurice River, middle segment, from the drainage ditch just upstream of Fralinger Farm to one-half mile upstream from the United States Geological Survey Station at Burcham Farm, approximately 3.1 miles, as a recreational river;

(D) the Maurice River, upper segment, from one-half mile upstream from the United States Geological Survey Station at Burcham Farm to the south side of the Millville sewage treatment plant, approximately 3.6 miles, as a scenic river;

(E) the Menantico Creek, lower segment, from its confluence with the Maurice River to the Route 55 Bridge, approximately 1.4 miles, as a recreational river;

(F) the Menantico Creek, upper segment, from the Route 55 Bridge to the base of the impoundment at Menantico Lake, approximately 6.5 miles, as a scenic river;

(G) the Manumuskin River, lower segment, from its confluence with the Maurice River to 2.0 miles upstream, as a recreational river;

(H) the Manumuskin River, upper segment, from 2.0 miles upstream from its confluence with the Maurice River to headwaters near Route 557, approximately 12.3 miles, as a scenic river; and

(I) the Muskee Creek from its confluence to the Pennsylvania Reading Seashore Line Railroad bridge, approximately 2.7 miles, as a scenic river;

(2) a resource assessment of the Maurice River and its tributaries, Menantico Creek, the Manumuskin River, and the Muskee Creek shows that the area possesses numerous outstandingly remarkable natural, cultural, scenic, and recreational resources that are significant at the local, regional, and international levels, including rare plant and animal species and critical habitats for birds migrating to and from the north and south hemispheres; and

(3) a river management plan for the river system has been developed by the Cumberland County Department of Planning and Development and adopted by the Maurice River Township, Commercial Township, and the City of Millville that would meet the requirements of section 6(c) of the Wild and Scenic Rivers Act, the City of Vineland has adopted a master plan which calls for river planning and management and is in the process of adopting zoning ordinances to implement their plan, and Buena Vista Township in Atlantic County has adopted a land use plan consistent with the Pinelands Comprehensive Plan which is more restrictive than the Cumberland County local river management plan.

(b) PURPOSES.—The purposes of this Act are to—

(1) declare the importance and irreplaceable resource values of the Maurice River and its tributaries to water quality, human health, traditional economic activities, ecosystem integrity, biotic diversity, fish and wildlife, scenic open space and recreation and protect such values through designation of the segments as components of the National Wild and Scenic Rivers System;

(2) recognize that the Maurice River System will continue to be threatened by major development and that land use regulations of the individual local political jurisdictions through which the river segments pass cannot alone provide for an adequate balance between conservation of the river's resources and commercial and industrial development; and

(3) recognize that segments of the Maurice River and its tributaries additional to those designated under this Act are eligible for potential designation at some point in the near future.

SEC. 2. DESIGNATION.

Section 3(a) of the Wild and Scenic Rivers Act (16 U.S.C. 1274(a)) is amended by adding the following new paragraphs at the end thereof:

“() THE MAURICE RIVER, MIDDLE SEGMENT.—From Route 670 Bridge at Mauricetown to 3.6 miles upstream (at drainage ditch just upstream of Fralinger Farm), approximately 3.8 miles to be administered by the Secretary of the Interior as a scenic river.
