(a) AUTHORITY OF THE SECRETARY.—The Secretary is authorized to—

(1) approve any agricultural lease or permit with (A) a tenure of up to 10 years, or (B) a tenure longer than 10 years but not to exceed 25 years unless authorized by other Federal law, when such longer tenure is determined by the Secretary to be in the best interest of the Indian landowners and when such lease or permit requires substantial investment in the development of the lands or crops by the lessee; and

(2) lease or permit agricultural lands to the highest responsible bidder at rates less than the Federal appraisal after satisfactorily advertising such lands for lease, when, in the opinion of the Secretary, such action would be in the best interest of the Indian landowner.

(b) AUTHORITY OF THE TRIBE.—When authorized by an appropriate tribal resolution establishing a general policy for leasing of Indian agricultural lands, the Secretary—

(c) RIGHTS OF INDIVIDUAL LANDOWNERS.—(1) Nothing in this section shall be construed as limiting or altering the authority or right of an individual allottee in the legal or beneficial use of his or her own land or to enter into an agricultural lease of the surface interest of his or her allotment under any other provision of law.

(2)(A) The owners of a majority interest in any trust or restricted land are authorized to enter into an agricultural lease of the surface interest of a trust or restricted allotment, and such lease shall be binding upon the owners of the minority interests in such land if the terms of the lease provide such minority interests with not less than fair market value for such land.

(B) For the purposes of subparagraph (A), a majority interest in trust or restricted land is an interest greater than 50 percent of the legal or beneficial title.

(3) The provisions of subsection (b) shall not apply to a parcel of trust or restricted land if the owners of at least 50 percent of the legal or beneficial interest in such land file with the Secretary a written objection to the application of all or any part of such tribal rules to the leasing of such parcel of land.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Negotiated Rates Act of 1993.
49 USC 10101 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Negotiated Rates Act of 1993".

SEC. 2. PROCEDURES FOR RESOLVING CLAIMS INVOLVING UNFILED, NEGOTIATED TRANSPORTATION RATES.

(a) IN GENERAL.—Section 10701 of title 49, United States Code, is amended by adding at the end the following:

"(f) PROCEDURES FOR RESOLVING CLAIMS INVOLVING UNFILED, NEGOTIATED TRANSPORTATION RATES.—

"(1) IN GENERAL.—When a claim is made by a motor carrier of property (other than a household goods carrier) providing transportation subject to the jurisdiction of the Commission under subchapter II of chapter 105 of this title, by a freight forwarder (other than a household goods freight forwarder), or by a party representing such a carrier or freight forwarder regarding the collection of rates or charges for such transportation in addition to those originally billed and collected by the carrier or freight forwarder for such transportation, the person against whom the claim is made may elect to satisfy the claim under the provisions of paragraph (2), (3), or (4) of this subsection, upon showing that—

"(A) the carrier or freight forwarder is no longer transporting property or is transporting property for the purpose of avoiding the application of this subsection; and

"(B) with respect to the claim—

"(i) the person was offered a transportation rate by the carrier or freight forwarder other than that legally on file with the Commission for the transportation service;

"(ii) the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

"(iii) the carrier or freight forwarder did not properly or timely file with the Commission a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

"(iv) such transportation rate was billed and collected by the carrier or freight forwarder; and

"(v) the carrier or freight forwarder demands additional payment of a higher rate filed in a tariff.

If there is a dispute as to the showing under subparagraph (A), such dispute shall be resolved by the court in which the claim is brought. If there is a dispute as to the showing under subparagraph (B), such dispute shall be resolved by the Commission. Pending the resolution of any such dispute, the person shall not have to pay any additional compensation to the carrier or freight forwarder. Satisfaction of the claim under paragraph (2), (3), or (4) of this subsection shall be binding on the parties, and the parties shall not be subject to chapter 119 of this title.

"(2) CLAIMS INVOLVING SHIPMENTS WEIGHING 10,000 POUNDS OR LESS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed 10,000 pounds or less, by payment of 20 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Commission.

"(3) CLAIMS INVOLVING SHIPMENTS WEIGHING MORE THAN 10,000 POUNDS.—A person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim if the shipments each weighed more than 10,000 pounds, by payment of 15 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Commission.

"(4) CLAIMS INVOLVING PUBLIC WAREHOUSEMEN.—Notwithstanding paragraphs (2) and (3), a person from whom the additional legally applicable and effective tariff rate or charges are sought may elect to satisfy the claim by payment of 5 percent of the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid if such person is a public warehouseman. In the event that a dispute arises as to the rate that was legally applicable to the shipment, such dispute shall be resolved by the Commission.

"(5) EFFECTS OF ELECTION.—When a person from whom additional legally applicable freight rates or charges are sought does not elect to use the provisions of paragraph (2), (3), or (4), the person may pursue all rights and remedies existing under this title.

"(6) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this section to challenge the reasonableness of the legally applicable freight rate or charges being claimed by a carrier or freight forwarder described in paragraph (1) in addition to those already billed and collected, the person shall not have to pay any additional compensation to the carrier or freight forwarder until the Commission has made a determination as to the reasonableness of the challenged rate as applied to the freight of the person against whom the claim is made.

"(7) LIMITATION ON STATUTORY CONSTRUCTION.—Except as authorized in paragraphs (2), (3), (4), and (9) of this subsection,

nothing in this subsection shall relieve a motor common carrier of the duty to file and adhere to its rates, rules, and classifications as required in sections 10761 and 10762 of this title.

"(8) NOTIFICATION OF ELECTION.—

"(A) GENERAL RULE.—A person must notify the carrier or freight forwarder as to its election to proceed under paragraph (2), (3), or (4). Except as provided in subparagraphs (B), (C), and (D), such election may be made at any time.

"(B) DEMANDS FOR PAYMENT INITIALLY MADE AFTER DATE OF ENACTMENT.—If the carrier or freight forwarder or party representing such carrier or freight forwarder initially demands the payment of additional freight charges after the date of the enactment of this subsection and notifies the person from whom additional freight charges are sought of the provisions of paragraphs (1) through (7) at the time of the making of such initial demand, the election must be made not later than the later of—

"(i) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

"(ii) the 90th day following the date of the enactment of this subsection.

"(C) PENDING SUITS FOR COLLECTION MADE BEFORE OR ON DATE OF ENACTMENT.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has filed, before or on the date of the enactment of this subsection, a suit for the collection of additional freight charges and notifies the person from whom additional freight charges are sought of the provisions of paragraphs (1) through (7), the election must be made not later than the 90th day following the date on which such notification is received.

"(D) DEMANDS FOR PAYMENT MADE BEFORE OR ON DATE OF ENACTMENT.—If the carrier or freight forwarder or party representing such carrier or freight forwarder has demanded the payment of additional freight charges, and has not filed a suit for the collection of such additional freight charges, before or on the date of the enactment of this subsection and notifies the person from whom additional freight charges are sought of the provisions of paragraphs (1) through (7), the election must be made not later than the later of—

"(i) the 60th day following the filing of an answer to a suit for the collection of such additional legally applicable freight rate or charges, or

"(ii) the 90th day following the date of the enactment of this subsection.

"(9) CLAIMS INVOLVING SMALL-BUSINESS CONCERNS, CHARITABLE ORGANIZATIONS, AND RECYCLABLE MATERIALS.—Notwithstanding paragraphs (2), (3), and (4), a person from whom the additional legally applicable and effective tariff rate or charges are sought shall not be liable for the difference between the carrier's applicable and effective tariff rate and the rate originally billed and paid—

"(A) if such person qualifies as a small-business concern under the Small Business Act (15 U.S.C. 631 et seq.),

"(B) if such person is an organization which is described in section 501(c)(3) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code, or

"(C) if the cargo involved in the claim is recyclable materials, as defined in section 10733.".

(b) CONFORMING AMENDMENT.—Subsection (e) of such section is amended by striking "In" and inserting "Except as provided in subsection (f), in". 49 USC 10701.

(c) APPLICABILITY.—The amendments made by subsections (a) and (b) of this section shall apply to all claims pending as of the date of the enactment of this Act and to all claims arising from transportation shipments tendered on or before the last day of the 24-month period beginning on such date of enactment. 49 USC 10701 note.

(d) REPORT.—Not later than 18 months after the date of the enactment of this Act, the Interstate Commerce Commission shall transmit to Congress a report regarding whether there exists a justification for extending the applicability of amendments made by subsections (a) and (b) of this section beyond the period specified in subsection (c). 49 USC 10701 note.

(e) ALTERNATIVE PROCEDURE FOR RESOLVING DISPUTES.— 49 USC 10701 note.

(1) GENERAL RULE.—For purposes of section 10701 of title 49, United States Code, it shall be an unreasonable practice for a motor carrier of property (other than a household goods carrier) providing transportation subject to the jurisdiction of the Commission under subchapter II of chapter 105 of such title, a freight forwarder (other than a household goods freight forwarder), or a party representing such a carrier or freight forwarder to attempt to charge or to charge for a transportation service provided before September 30, 1990, the difference between the applicable rate that is lawfully in effect pursuant to a tariff that is filed in accordance with chapter 107 of such title by the carrier or freight forwarder applicable to such transportation service and the negotiated rate for such transportation service if the carrier or freight forwarder is no longer transporting property between places described in section 10521(a)(1) of such title or is transporting property between places described in section 10521(a)(1) of such title for the purpose of avoiding the application of this subsection.

(2) JURISDICTION OF COMMISSION.—The Commission shall have jurisdiction to make a determination of whether or not attempting to charge or the charging of a rate by a motor carrier or freight forwarder or party representing a motor carrier or freight forwarder is an unreasonable practice under paragraph (1). If the Commission determines that attempting to charge or the charging of the rate is an unreasonable practice under paragraph (1), the carrier, freight forwarder, or party may not collect the difference described in paragraph (1) between the applicable rate and the negotiated rate for the transportation service. In making such determination, the Commission shall consider—

(A) whether the person was offered a transportation rate by the carrier or freight forwarder or party other than that legally on file with the Commission for the transportation service;

(B) whether the person tendered freight to the carrier or freight forwarder in reasonable reliance upon the offered transportation rate;

(C) whether the carrier or freight forwarder did not properly or timely file with the Commission a tariff providing for such transportation rate or failed to enter into an agreement for contract carriage;

(D) whether the transportation rate was billed and collected by the carrier or freight forwarder; and

(E) whether the carrier or freight forwarder or party demands additional payment of a higher rate filed in a tariff.

(3) STAY OF ADDITIONAL COMPENSATION.—When a person proceeds under this subsection to challenge the reasonableness of the practice of a motor carrier, freight forwarder, or party described in paragraph (1) to attempt to charge or to charge the difference described in paragraph (1) between the applicable rate and the negotiated rate for the transportation service in addition to those charges already billed and collected for the transportation service, the person shall not have to pay any additional compensation to the carrier, freight forwarder, or party until the Commission has made a determination as to the reasonableness of the practice as applied to the freight of the person against whom the claim is made.

(4) TREATMENT.—Paragraph (1) of this subsection is enacted as an exception, and shall be treated as an exception, to the requirements of sections 10761(a) and 10762 of title 49, United States Code, relating to a filed tariff rate for a transportation or service subject to the jurisdiction of the Commission and other general tariff requirements.

(5) NONAPPLICABILITY OF NEGOTIATED RATE DISPUTE RESOLUTION PROCEDURE.—If a person elects to seek enforcement of paragraph (1) with respect to a rate for a transportation or service, section 10701(f) of title 49, United States Code, as added by subsection (a) of this section, shall not apply to such rate.

(6) DEFINITIONS.—For purposes of this subsection, the following definitions apply:

(A) COMMISSION, HOUSEHOLD GOODS, HOUSEHOLD GOODS FREIGHT FORWARDER, AND MOTOR CARRIER.—The terms "Commission", "household goods", "household goods freight forwarder", and "motor carrier" have the meaning such terms have under section 10102 of title 49, United States Code.

(B) NEGOTIATED RATE.—The term "negotiated rate" means a rate, charge, classification, or rule agreed upon by a motor carrier or freight forwarder described in paragraph (1) and a shipper through negotiations pursuant to which no tariff was lawfully and timely filed with the Commission and for which there is written evidence of such agreement.

49 USC 10701 note.

(f) PRIOR SETTLEMENTS AND ADJUDICATIONS.—Any claim that, but for this subsection, would be subject to any provision of this Act (including any amendment made by this Act) and that was settled by mutual agreement of the parties to such claim, or resolved by a final adjudication of a Federal or State court, before the date of the enactment of this Act shall be treated as binding,

enforceable, and not contrary to law, unless such settlement was agreed to as a result of fraud or coercion.

(g) RATE REASONABLENESS.—Section 10701(e) of title 49, United States Code, is amended by adding at the end the following: "Any complaint brought against a motor carrier (other than a carrier described in subsection (f)(1)(A)) by a person (other than a motor carrier) for unreasonably high rates for past or future transportation shall be determined under this subsection.".

"(a) MUTUAL CONSENT.—Subject to Commission review and approval, motor carriers subject to the jurisdiction of the Commission under subchapter II of chapter 105 of this title (other than motor carriers providing transportation of household goods) and shippers may resolve, by mutual consent, overcharge and under-

charge claims resulting from incorrect tariff provisions or billing errors arising from the inadvertent failure to properly and timely file and maintain agreed upon rates, rules, or classifications in compliance with sections 10761 and 10762 of this title. "(h) CUSTOMER ACCOUNT CODES.—No tariff filed by a motor carrier of property with the Commission before, on, or after the date of the enactment of this subsection may be held invalid solely on the basis that a numerical or alpha account code is used in such tariff to designate customers or to describe the applicability of rates. For transportation performed on and after the 180th day following such date of enactment, the name of the customer for each account code must be set forth in the tariff (other than the tariff of a motor carrier providing transportation of household goods).".

(b) RANGE TARIFFS.—Such section is further amended by adding at the end the following:

"(i) RANGE TARIFFS.—No tariff filed by a motor carrier of property with the Commission before, on, or after the date of the enactment of this subsection may be held invalid solely on the basis that the tariff does not show a specific rate or discount for a specific shipment if the tariff is based on a range of rates or discounts for specific classes of shipments. For transportation performed on or after the 180th day following such date of enactment, such a range tariff must identify the specific rate or discount from among the range of rates or discounts contained in such range tariff which is applicable to each specific shipment or must contain an objective means for determining the rate.".

"(a) REGULATIONS LIMITING REDUCED RATES.—Not later than 120 days after the date of the enactment of this section, the Commission shall issue regulations that prohibit a motor carrier subject to the jurisdiction of the Commission under subchapter II of chapter 105 of this title from providing a reduction in a rate set forth in its tariff or contract for the provision of transportation of property to any person other than (1) the person paying the motor carrier directly for the transportation service according to the bill of lading, receipt, or contract, or (2) an agent of the person paying for the transportation.

"(b) DISCLOSURE OF ACTUAL RATES, CHARGES, AND ALLOWANCES.—The regulations of the Commission issued pursuant to this section shall require a motor carrier to disclose, when a docu-

ment is presented or transmitted electronically for payment to the person responsible directly to the motor carrier for payment or agent of such responsible person, the actual rates, charges, or allowances for the transportation service and shall prohibit any person from causing a motor carrier to present false or misleading information on a document about the actual rate, charge, or allowance to any party to the transaction. Where the actual rate, charge, or allowance is dependent upon the performance of a service by a party to the transportation arrangement, such as tendering a volume of freight over a stated period of time, the motor carrier shall indicate in any document presented for payment to the person responsible directly to the motor carrier for the payment that a reduction, allowance, or other adjustment may apply.

Notwithstanding any other provision of this title, the express civil penalties and damages provided for in this subsection are the exclusive legal sanctions to be imposed under this title for practices found to be in violation of the regulations issued under section 10767 and such violations do not render tariff or contract provisions void or unenforceable.".

(2) VENUE.—Section 11901(m)(2) of such title (as redesignated by paragraph (1)) is amended by striking "or (k)" and inserting "(k), or (l)".

SEC. 8. RESOLUTION OF DISPUTES RELATING TO CONTRACT OR COMMON CARRIER CAPACITIES.

SEC. 108. CONGRESSIONAL INTENT REGARDING FUTURE ACCESSIONS.

(a) IN GENERAL.—Section 101(a) may not be construed as conferring Congressional approval of the entry into force of the Agreement for the United States with respect to countries other than Canada and Mexico.

(b) FUTURE FREE TRADE AREA NEGOTIATIONS.—

(1) FINDINGS.—The Congress makes the following findings:

(A) Efforts by the United States to obtain greater market opening through multilateral negotiations have not produced agreements that fully satisfy the trade negotiating objectives of the United States.

(B) United States trade policy should provide for additional mechanisms with which to pursue greater market access for United States exports of goods and services and opportunities for export-related investment by United States persons.

(C) Among the additional mechanisms should be a system of bilateral and multilateral trade agreements that provide greater market access for United States exports and opportunities for export-related investment by United States persons.

(D) The system of trade agreements can and should be structured to be consistent with, and complementary to, existing international obligations of the United States and ongoing multilateral efforts to open markets.

(2) REPORT ON SIGNIFICANT MARKET OPENING.—No later than May 1, 1994, and May 1, 1997, the Trade Representative shall submit to the President, and to the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives (hereafter in this section referred to as the "appropriate Congressional committees"), a report which lists those foreign countries—

(A) that—

(i) currently provide fair and equitable market access for United States exports of goods and services and opportunities for export-related investment by United States persons, beyond what is required by existing multilateral trade agreements or obligations; or

(ii) have made significant progress in opening their markets to United States exports of goods and services and export-related investment by United States persons; and

(B) the further opening of whose markets has the greatest potential to increase United States exports of goods and services and export-related investment by United States persons, either directly or through the establishment of a beneficial precedent.

(3) PRESIDENTIAL DETERMINATION.—The President, on the basis of the report submitted by the Trade Representative under paragraph (2), shall determine with which foreign country or countries, if any, the United States should seek to negotiate a free trade area agreement or agreements.

President. Reports.

(4) RECOMMENDATIONS ON FUTURE FREE TRADE AREA NEGOTIATIONS.—No later than July 1, 1994, and July 1, 1997, the President shall submit to the appropriate Congressional committees a written report that contains—

(A) recommendations for free trade area negotiations with each foreign country selected under paragraph (3);

(B) with respect to each country selected, the specific negotiating objectives that are necessary to meet the objectives of the United States under this section; and

(C) legislative proposals to ensure adequate consultation with the Congress and the private sector during the negotiations, advance Congressional approval of the negotiations recommended by the President, and Congressional approval of any trade agreement entered into by the President as a result of the negotiations.

(5) GENERAL NEGOTIATING OBJECTIVES.—The general negotiating objectives of the United States under this section are to obtain—

(A) preferential treatment for United States goods;

(B) national treatment and, where appropriate, equivalent competitive opportunity for United States services and foreign direct investment by United States persons;

(C) the elimination of barriers to trade in goods and services by United States persons through standards, testing, labeling, and certification requirements;

(D) nondiscriminatory government procurement policies and practices with respect to United States goods and services;

(E) the elimination of other barriers to market access for United States goods and services, and the elimination of barriers to foreign direct investment by United States persons;

(F) the elimination of acts, policies, and practices which deny fair and equitable market opportunities, including foreign government toleration of anticompetitive business practices by private firms or among private firms that have the effect of restricting, on a basis that is inconsistent with commercial considerations, purchasing by such firms of United States goods and services;

(G) adequate and effective protection of intellectual property rights of United States persons, and fair and equitable market access for United States persons that rely upon intellectual property protection;

(H) the elimination of foreign export and domestic subsidies that distort international trade in United States goods and services or cause material injury to United States industries;

(I) the elimination of all export taxes;

(J) the elimination of acts, policies, and practices which constitute export targeting; and

(K) monitoring and effective dispute settlement mechanisms to facilitate compliance with the matters described in subparagraphs (A) through (J).

(2) SECTION 107 AMENDMENT.—The amendment made by section 107 takes effect on the date the Agreement enters into force between the United States and Canada.

President.

(2) EFFECT ON MEXICAN GSP STATUS.—Notwithstanding section 502(a)(2) of the Trade Act of 1974 (19 U.S.C. 2462(a)(2)), the President shall terminate the designation of Mexico as a beneficiary developing country for purposes of title V of the Trade Act of 1974 on the date of entry into force of the Agreement between the United States and Mexico.

(b) OTHER TARIFF MODIFICATIONS.—

(1) IN GENERAL.—Subject to paragraph (2) and the consultation and layover requirements of section 103(a), the President may proclaim—

(A) such modifications or continuation of any duty,

(B) such modifications as the United States may agree to with Mexico or Canada regarding the staging of any duty treatment set forth in Annex 302.2 of the Agreement,

(C) such continuation of duty-free or excise treatment, or

as the President determines to be necessary or appropriate to maintain the general level of reciprocal and mutually advantageous concessions with respect to Canada or Mexico provided for by the Agreement.

(2) SPECIAL RULE FOR ARTICLES WITH TARIFF PHASEOUT PERIODS OF MORE THAN 10 YEARS.—The President may not consider a request to accelerate the staging of duty reductions for an article for which the United States tariff phaseout period is more than 10 years if a request for acceleration with respect to such article has been denied in the preceding 3 calendar years.

(c) CONVERSION TO AD VALOREM RATES FOR CERTAIN TEXTILES.—For purposes of subsections (a) and (b), with respect to an article covered by Annex 300–B of the Agreement imported from Mexico for which the base rate in the Schedule of the United

States in Annex 300–B is a specific or compound rate of duty, the President may substitute for the base rate an ad valorem rate that the President determines to be equivalent to the base rate.

SEC. 202. RULES OF ORIGIN. 19 USC 3332.

(a) ORIGINATING GOODS.—

(1) IN GENERAL.—For purposes of implementing the tariff treatment and quantitative restrictions provided for under the Agreement, except as otherwise provided in this section, a good originates in the territory of a NAFTA country if—

(A) the good is wholly obtained or produced entirely in the territory of one or more of the NAFTA countries;

(B)(i) each nonoriginating material used in the production of the good—

(I) undergoes an applicable change in tariff classification set out in Annex 401 of the Agreement as a result of production occurring entirely in the territory of one or more of the NAFTA countries; or

(II) where no change in tariff classification is required, the good otherwise satisfies the applicable requirements of such Annex; and

(ii) the good satisfies all other applicable requirements of this section;

(C) the good is produced entirely in the territory of one or more of the NAFTA countries exclusively from originating materials; or

(D) except for a good provided for in chapters 61 through 63 of the HTS, the good is produced entirely in the territory of one or more of the NAFTA countries, but one or more of the nonoriginating materials, that are provided for as parts under the HTS and are used in the production of the good, does not undergo a change in tariff classification because—

(i) the good was imported into the territory of a NAFTA country in an unassembled or a disassembled form but was classified as an assembled good pursuant to General Rule of Interpretation 2(a) of the HTS; or

(ii)(I) the heading for the good provides for and specifically describes both the good itself and its parts and is not further subdivided into subheadings; or

(II) the subheading for the good provides for and specifically describes both the good itself and its parts.

(2) SPECIAL RULES.—

(A) FOREIGN-TRADE ZONES.—Subparagraph (B) of paragraph (1) shall not apply to a good produced in a foreign-trade zone or subzone (established pursuant to the Act of June 18, 1934, commonly known as the Foreign Trade Zones Act) that is entered for consumption in the customs territory of the United States.

(B) REGIONAL VALUE-CONTENT REQUIREMENT.—For purposes of subparagraph (D) of paragraph (1), a good shall be treated as originating in a NAFTA country if the regional value-content of the good, determined in accordance with subsection (b), is not less than 60 percent where the transaction value method is used, or not less than

50 percent where the net cost method is used, and the good satisfies all other applicable requirements of this section.

(b) REGIONAL VALUE-CONTENT.—

(1) IN GENERAL.—Except as provided in paragraph (5), the regional value-content of a good shall be calculated, at the choice of the exporter or producer of the good, on the basis of—

(A) the transaction value method described in paragraph (2); or

(B) the net cost method described in paragraph (3).

(2) TRANSACTION VALUE METHOD.—

(A) IN GENERAL.—An exporter or producer may calculate the regional value-content of a good on the basis of the following transaction value method:

$$RVC = \frac{TV - VNM}{TV} \times 100$$

(B) DEFINITIONS.—For purposes of subparagraph (A):

(i) The term "RVC" means the regional value-content, expressed as a percentage.

(ii) The term "TV" means the transaction value of the good adjusted to a F.O.B. basis.

(iii) The term "VNM" means the value of nonoriginating materials used by the producer in the production of the good.

(3) NET COST METHOD.—

(A) IN GENERAL.—An exporter or producer may calculate the regional value-content of a good on the basis of the following net cost method:

$$RVC = \frac{NC - VNM}{NC} \times 100$$

(B) DEFINITIONS.—For purposes of subparagraph (A):

(i) The term "RVC" means the regional value-content, expressed as a percentage.

(ii) The term "NC" means the net cost of the good.

(iii) The term "VNM" means the value of nonoriginating materials used by the producer in the production of the good.

(4) VALUE OF NONORIGINATING MATERIALS USED IN ORIGINATING MATERIALS.—Except as provided in subsection (c)(1), and for a motor vehicle identified in subsection (c)(2) or a component identified in Annex 403.2 of the Agreement, the value of nonoriginating materials used by the producer in the production of a good shall not, for purposes of calculating the regional value-content of the good under paragraph (2) or (3), include the value of nonoriginating materials used to produce originating materials that are subsequently used in the production of the good.

(5) NET COST METHOD MUST BE USED IN CERTAIN CASES.—An exporter or producer shall calculate the regional value-content of a good solely on the basis of the net cost method described in paragraph (3), if—

(A) there is no transaction value for the good;

(B) the transaction value of the good is unacceptable under Article 1 of the Customs Valuation Code;

(C) the good is sold by the producer to a related person and the volume, by units of quantity, of sales of identical or similar goods to related persons during the six-month period immediately preceding the month in which the good is sold exceeds 85 percent of the producer's total sales of such goods during that period;

(D) the good is—

(i) a motor vehicle provided for in heading 8701 or 8702, subheadings 8703.21 through 8703.90, or heading 8704, 8705, or 8706;

(ii) identified in Annex 403.1 or 403.2 of the Agreement and is for use in a motor vehicle provided for in heading 8701 or 8702, subheadings 8703.21 through 8703.90, or heading 8704, 8705, or 8706;

(iii) provided for in subheadings 6401.10 through 6406.10; or

(iv) a word processing machine provided for in subheading 8469.10.00;

(E) the exporter or producer chooses to accumulate the regional value-content of the good in accordance with subsection (d); or

(F) the good is designated as an intermediate material under paragraph (10) and is subject to a regional value-content requirement.

(6) NET COST METHOD ALLOWED FOR ADJUSTMENTS.—If an exporter or producer of a good calculates the regional value-content of the good on the basis of the transaction value method and a NAFTA country subsequently notifies the exporter or producer, during the course of a verification conducted in accordance with chapter 5 of the Agreement, that the transaction value of the good or the value of any material used in the production of the good must be adjusted or is unacceptable under Article 1 of the Customs Valuation Code, the exporter or producer may calculate the regional value-content of the good on the basis of the net cost method.

(7) REVIEW OF ADJUSTMENT.—Nothing in paragraph (6) shall be construed to prevent any review or appeal available in accordance with article 510 of the Agreement with respect to an adjustment to or a rejection of—

(A) the transaction value of a good; or

(B) the value of any material used in the production of a good.

(8) CALCULATING NET COST.—The producer may, consistent with regulations implementing this section, calculate the net cost of a good under paragraph (3), by—

(A) calculating the total cost incurred with respect to all goods produced by that producer, subtracting any sales promotion, marketing and after-sales service costs, royalties, shipping and packing costs, and nonallowable interest costs that are included in the total cost of all

such goods, and reasonably allocating the resulting net cost of those goods to the good;

(B) calculating the total cost incurred with respect to all goods produced by that producer, reasonably allocating the total cost to the good, and subtracting any sales promotion, marketing and after-sales service costs, royalties, shipping and packing costs, and nonallowable interest costs that are included in the portion of the total cost allocated to the good; or

(C) reasonably allocating each cost that is part of the total cost incurred with respect to the good so that the aggregate of these costs does not include any sales promotion, marketing and after-sales service costs, royalties, shipping and packing costs, or nonallowable interest costs.

(9) VALUE OF MATERIAL USED IN PRODUCTION.—Except as provided in paragraph (11), the value of a material used in the production of a good—

(A) shall—

(i) be the transaction value of the material determined in accordance with Article 1 of the Customs Valuation Code; or

(ii) in the event that there is no transaction value or the transaction value of the material is unacceptable under Article 1 of the Customs Valuation Code, be determined in accordance with Articles 2 through 7 of the Customs Valuation Code; and

(B) if not included under clause (i) or (ii) of subparagraph (A), shall include—

(i) freight, insurance, packing, and all other costs incurred in transporting the material to the location of the producer;

(ii) duties, taxes, and customs brokerage fees paid on the material in the territory of one or more of the NAFTA countries; and

(iii) the cost of waste and spoilage resulting from the use of the material in the production of the good, less the value of renewable scrap or by-product.

(10) INTERMEDIATE MATERIAL.—Except for goods described in subsection (c)(1), any self-produced material, other than a component identified in Annex 403.2 of the Agreement, that is used in the production of a good may be designated by the producer of the good as an intermediate material for the purpose of calculating the regional value-content of the good under paragraph (2) or (3); provided that if the intermediate material is subject to a regional value-content requirement, no other self-produced material that is subject to a regional value-content requirement and is used in the production of the intermediate material may be designated by the producer as an intermediate material.

(11) VALUE OF INTERMEDIATE MATERIAL.—The value of an intermediate material shall be—

(A) the total cost incurred with respect to all goods produced by the producer of the good that can be reasonably allocated to the intermediate material; or

(B) the aggregate of each cost that is part of the total cost incurred with respect to the intermediate material

that can be reasonably allocated to that intermediate material.

Free-Trade Agreement. Any election under this paragraph shall be made in writing to the Customs Service not later than the date that is 180 days after the date of entry into force of the Agreement between the United States and Canada. Any such election may be made only if the liquidation of such entry has not become final. (1) IN GENERAL.—A petition requesting action under this part for the purpose of adjusting to the obligations of the United States under the Agreement may be filed with the International Trade Commission by an entity, including a trade association, firm, certified or recognized union, or group of workers, that is representative of an industry. The International Trade Commission shall transmit a copy of any petition filed under this subsection to the Trade Representative.

on or before the 90th day after the date on which the investigation is initiated under subsection (b).

(b) INVESTIGATION AND DETERMINATION.—Upon the filing of a petition under subsection (a), the International Trade Commission, unless subsection (d) applies, shall promptly initiate an investigation to determine whether, as a result of the reduction or elimination of a duty provided for under the Agreement, a Canadian article or a Mexican article, as the case may be, is being imported into the United States in such increased quantities (in absolute terms) and under such conditions so that imports of the article, alone, constitute a substantial cause of—

(1) serious injury; or

(2) except in the case of a Canadian article, a threat of serious injury;

to the domestic industry producing an article that is like, or directly competitive with, the imported article.

(c) APPLICABLE PROVISIONS.—The provisions of—

(2) if the determination referred to in paragraph (1) is affirmative and an allegation regarding critical circumstances was made under section 302(a), make a determination regarding that allegation.

(b) ADDITIONAL FINDING AND RECOMMENDATION IF DETERMINATION AFFIRMATIVE.—If the determination made by the International Trade Commission under subsection (a) with respect to imports of an article is affirmative, the International Trade Commission shall find, and recommend to the President in the report required under subsection (c), the amount of import relief that is necessary to remedy or, except in the case of imports of a Canadian article, prevent the injury found by the International Trade Commission in the determination. The import relief recommended by the International Trade Commission under this subsection shall be limited to that described in section 304(c).

(c) REPORT TO PRESIDENT.—No later than the date that is 30 days after the date on which a determination is made under subsection (a) with respect to an investigation, the International Trade Commission shall submit to the President a report that shall include—

(b) EXCEPTION.—The President is not required to provide import relief under this section if the President determines that the provision of the import relief will not provide greater economic and social benefits than costs.

(c) NATURE OF RELIEF.—The import relief (including provisional relief) that the President is authorized to provide under this part is as follows:

(1) In the case of imports of a Canadian article—

(A) the suspension of any further reduction provided for under Annex 401.2 of the United States-Canada Free-Trade Agreement in the duty imposed on such article;

(C) in the case of a duty applied on a seasonal basis to such article, an increase in the rate of duty imposed on the article to a level that does not exceed the column 1 general rate of duty imposed under the HTS on the article for the corresponding season immediately occurring before the date on which the Agreement enters into force.

(d) PERIOD OF RELIEF.—The import relief that the President is authorized to provide under this section may not exceed 3 years, except that, if a Canadian article or Mexican article which is the subject of the action—

(1) is provided for in an item for which the transition period of tariff elimination set out in the United States Schedule to Annex 302.2 of the Agreement is greater than 10 years; and

(2) the President determines that the affected industry has undertaken adjustment and requires an extension of the period of the import relief;

the President, after obtaining the advice of the International Trade Commission, may extend the period of the import relief for not more than 1 year, if the duty applied during the initial period of the relief is substantially reduced at the beginning of the extension period.

(e) RATE ON MEXICAN ARTICLES AFTER TERMINATION OF IMPORT RELIEF.—When import relief under this part is terminated with respect to a Mexican article—

(1) the rate of duty on that article after such termination and on or before December 31 of the year in which termination occurs shall be the rate that, according to the United States Schedule to Annex 302.2 of the Agreement for the staged elimination of the tariff, would have been in effect 1 year after the initiation of the import relief action under section 302; and

(1) in the case of a Canadian article, after December 31, 1998; or

(2) in the case of a Mexican article, after the date that is 10 years after the date on which the Agreement enters into force;

unless the article against which the action is taken is an item for which the transition period for tariff elimination set out in the United States Schedule to Annex 302.2 of the Agreement is greater than 10 years, in which case the period during which relief may be granted shall be the period of staged tariff elimination for that article.

(b) EXCEPTION.—Import relief may be provided under this part in the case of a Canadian article or Mexican article after the date on which such relief would, but for this subsection, terminate under subsection (a), but only if the Government of Canada or Mexico, as the case may be, consents to such provision.

PART 2—RELIEF FROM IMPORTS FROM ALL COUNTRIES

19 USC 3371.

SEC. 311. NAFTA ARTICLE IMPACT IN IMPORT RELIEF CASES UNDER THE TRADE ACT OF 1974.

(a) IN GENERAL.—If, in any investigation initiated under chapter 1 of title II of the Trade Act of 1974, the International Trade Commission makes an affirmative determination (or a determination which the President may treat as an affirmative determination under such chapter by reason of section 330(d) of the Tariff Act of 1930), the International Trade Commission shall also find (and report to the President at the time such injury determination is submitted to the President) whether—

(1) imports of the article from a NAFTA country, considered individually, account for a substantial share of total imports; and

(2) imports of the article from a NAFTA country, considered individually or, in exceptional circumstances, imports from NAFTA countries considered collectively, contribute importantly to the serious injury, or threat thereof, caused by imports.

(b) FACTORS.—

(1) SUBSTANTIAL IMPORT SHARE.—In determining whether imports from a NAFTA country, considered individually, account for a substantial share of total imports, such imports normally shall not be considered to account for a substantial share of total imports if that country is not among the top 5 suppliers of the article subject to the investigation, measured in terms of import share during the most recent 3-year period.

(2) APPLICATION OF "CONTRIBUTE IMPORTANTLY" STANDARD.—In determining whether imports from a NAFTA country or countries contribute importantly to the serious injury, or threat thereof, the International Trade Commission shall consider such factors as the change in the import share of the NAFTA country or countries, and the level and change in the level of imports of such country or countries. In applying the preceding sentence, imports from a NAFTA country or countries normally shall not be considered to contribute importantly to serious injury, or the threat thereof, if the growth rate of imports from such country or countries during the period in which an injurious increase in imports occurred is appreciably lower than the growth rate of total imports from all sources over the same period.

(c) DEFINITION.—For purposes of this section and section 312(a), the term "contribute importantly" refers to an important cause, but not necessarily the most important cause.

SEC. 312. PRESIDENTIAL ACTION REGARDING NAFTA IMPORTS. 19 USC 3372.

(a) IN GENERAL.—In determining whether to take action under chapter 1 of title II of the Trade Act of 1974 with respect to imports from a NAFTA country, the President shall determine whether—

(1) imports from such country, considered individually, account for a substantial share of total imports; or

(2) imports from a NAFTA country, considered individually, or in exceptional circumstances imports from NAFTA countries considered collectively, contribute importantly to the serious injury, or threat thereof, found by the International Trade Commission.

(b) EXCLUSION OF NAFTA IMPORTS.—In determining the nature and extent of action to be taken under chapter 1 of title II of the Trade Act of 1974, the President shall exclude from such action imports from a NAFTA country if the President makes a negative determination under subsection (a) (1) or (2) with respect to imports from such country.

(c) ACTION AFTER EXCLUSION OF NAFTA COUNTRY IMPORTS.—

(1) IN GENERAL.—If the President, under subsection (b), excludes imports from a NAFTA country or countries from action under chapter 1 of title II of the Trade Act of 1974 but thereafter determines that a surge in imports from that country or countries is undermining the effectiveness of the action—

(A) the President may take appropriate action under such chapter 1 to include those imports in the action; and

(B) any entity that is representative of an industry for which such action is being taken may request the International Trade Commission to conduct an investigation of the surge in such imports.

(2) INVESTIGATION.—Upon receiving a request under paragraph (1)(B), the International Trade Commission shall conduct an investigation to determine whether a surge in such imports undermines the effectiveness of the action. The International Trade Commission shall submit the findings of its investigation to the President no later than 30 days after the request is received by the International Trade Commission.

(3) DEFINITION.—For purposes of this subsection, the term "surge" means a significant increase in imports over the trend for a recent representative base period.

(d) CONDITION APPLICABLE TO QUANTITATIVE RESTRICTIONS.—Any action taken under this section proclaiming a quantitative restriction shall permit the importation of a quantity or value of the article which is not less than the quantity or value of such article imported into the United States during the most recent period that is representative of imports of such article, with allowance for reasonable growth.
