Moving dependents and effects.

(d) Section 12 is amended to read as follows:

“SEC. 12. The dependents and household and personal effects of any person in active service (without regard to pay grade) who is officially reported as dead, injured, missing for a period of thirty days or more, interned in a foreign country, or captured by a hostile force, may be moved (including packing, crating, drayage, temporary storage, and unpacking of household and personal effects) to the official residence of record for any such person or to the residence of his dependent, next of kin, or other person entitled to receive custody of the effects in accordance with regulations issued by the head of the department concerned; or, upon application by such dependent, next of

kin, or other person, or upon the person's application if injured, to such other location as may be determined in advance or subsequently approved by the head of the department concerned or by such person as he may designate. When the head of the department concerned determines that an emergency exists and that such sale would be in the best interests of the Government, he may provide for the disposition of the motor vehicles and other bulky items of such household and personal effects of the person by public or private sale. Prior to any such sale, and if practicable, a reasonable effort shall be made to determine the desires of the interested persons. The net proceeds received from such sale shall be transmitted to the owner or to other persons in accordance with regulations issued by head of the department concerned; but if there be no such persons or if such persons or their addresses are not ascertainable within one year from the date of sale, the net proceeds may be covered into the Treasury as miscellaneous receipts. Claims for net proceeds which are covered into the Treasury under the authority of this section may be filed with the General Accounting Office by the rightful owners, their heirs or next of kin, or their legal representatives at any time prior to the expiration of five years from the date the proceeds are covered into the Treasury; and, if so filed, the General Accounting Office shall allow or disallow the claim. When such claim is allowed it shall be paid from the appropriation for refunding moneys erroneously received and covered. If claims are not filed prior to the expiration of five years from the date the proceeds are covered into the Treasury, they shall be barred from being acted on by the courts or the General Accounting Office. The provisions of this section do not amend or repeal the Federal Tort Claims Act (60 Stat. 842-847), as amended; sections 2575, 2733, 4712, 4713, 6522, 9712, 9713, title 10, United States Code; or section 507, title 14, United States Code. The head of the department concerned is authorized to store the household and personal effects of the person until such time as proper disposition can be made. The cost of such storage and transportation, including packing, crating, drayage, temporary storage, and unpacking of household and personal effects, shall be charged against appropriations currently available. In lieu of transportation authorized by this section for dependents, the head of the department concerned may authorize the payment in money of amounts equal to such commercial transportation costs or a monetary allowance in lieu of transportation as authorized by law for the whole or such part of travel for which transportation in kind is not furnished, when such travel shall have been completed. When the person is in an 'injured' status, the movement of dependents or household and personal effects provided for herein may be authorized only in cases where the anticipated period of hospitalization or treatment will be of prolonged duration. No transportation shall be authorized pursuant to this section upon application by dependents unless a reasonable relationship exists between the condition and circumstances of the dependents and the destination to which transportation is requested. Beginning June 25, 1950, and for the purposes of this section only, the terms 'household and personal effects' and 'household effects' may include, in addition to other authorized weight allowances, not to exceed one privately owned motor vehicle, shipment of which at Government expense is authorized in those cases where the vehicle is located outside the continental limits of the United States or in Alaska."

JOINT RESOLUTION

August 29, 1957
[S. J. Res. 96]

To authorize establishment of the United States ship Enterprise (CV-6) in the Nation's Capital as a memorial museum.

Whereas the United States ship Enterprise, after twenty years of outstanding service in the United States Navy, has been declared to be obsolete by reason of having outlived its military usefulness; and

Whereas the United States ship Enterprise was known as the "fighting carrier in the fleet" during World War II, during which time it accumulated eighteen of twenty-two possible combat stars for carriers in the Pacific area; and

Whereas the United States ship Enterprise at one period during World War II was the only aircraft carrier operating in the Pacific; and

Whereas, although reported by the Japanese to be sunk seven times, the United States ship Enterprise succeeded in accounting for nine hundred and eleven Japanese aircraft, seventy-one enemy ships sunk by her pilots, and another one hundred and ninety-two ships damaged or probably sunk; and

Whereas the United States ship Enterprise was called "The Galloping Ghost of the Oahu Coast" by Fleet Admiral William F. Halsey, Junior, and during the early days of World War II symbolized the American resistance against a foe advancing with seemingly overwhelming strength: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That subject to the conditions hereafter prescribed, at such time as the United States ship Enterprise is released by the United States and acquired by the Enterprise Association and its distinguished leader, Fleet Admiral William F. Halsey, United States Navy (retired), it may be berthed at, or in the vicinity of, the Nation's Capital as a memorial museum to be supported and maintained by private funds at no expense to the United States or the Government of the District of Columbia.
