AN ACT

April 9, 1960
[H. R. 4874]

To amend section 334 of the Agricultural Adjustment Act of 1938, as amended, to provide that for certain purposes of this section, farms on which the farm marketing excess of wheat is adjusted to zero because of underproduction shall be regarded as farms on which the entire amount of the farm marketing excess of wheat has been delivered to the Secretary or stored to avoid or postpone the payment of the penalty.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section 334 of the Agricultural Adjustment Act of 1938, as amended, is further amended by inserting a new subsection (d) between subsections (c) and (e) to read as follows:

Wheat.
56 Stat. 52; 72
Stat. 996.
7 USC 1334.

“(d) For the purposes of subsections (a), (b), and (c) of this section, any farm—

“(1) to which a wheat marketing quota is applicable; and

“(2) on which the acreage planted to wheat exceeds the farm wheat acreage allotment; and

“(3) on which the marketing excess is zero

shall be regarded as a farm on which the entire amount of the farm marketing excess has been delivered to the Secretary or stored in accordance with applicable regulations to avoid or postpone the payment of the penalty. This subsection shall be applicable in establishing the acreage seeded and diverted and the past acreage of wheat for 1959 and subsequent years in the apportionment of allotments beginning with the 1961 crop of wheat. For the purpose of clause (1) of this subsection, a farm with respect to which an exemption has been granted under section 335(f) for any year shall not be regarded as a farm to which a wheat marketing quota is applicable for such year, even though such exemption should become null and void because of a violation of the conditions of the exemption.”
