SEC. 3. Section 308 of title 37, United States Code, is amended by adding the following:

"(g) Under regulations to be prescribed by the Secretary of Defense, or the Secretary of the Treasury with respect to the Coast Guard when it is not operating as a service in the Navy, a member who is designated as having a critical military skill and who is entitled to a bonus computed under subsection (a) of this section upon his first reenlistment may be paid an additional amount not more than four times the amount of that bonus. The additional amount shall be paid in equal yearly installments in each year of the reenlistment period. However, in meritorious cases the additional amount may be paid in fewer installments if the Secretary concerned determines it to be in the best interest of the members. An amount paid under this subsection does not count against the limitation prescribed by subsection (c) of this section on the total amount that may be paid under this section."

"(b) The Secretary of Defense shall determine the per centum that the Consumer Price Index for each calendar month after the calendar month immediately preceding the effective date of this Act has increased over the base Consumer Price Index (that for the calendar month immediately preceding the effective date of this Act or, if later, that used as the basis for the most recent adjustment of retired pay and retainer pay under this subsection). If the Secretary determines that, for three consecutive calendar months, the index has shown an increase of at least 3 per centum over the base index, the retired pay and retainer pay of members or former members of the Armed Forces who became entitled to that pay before the first day of the third calendar month beginning after the expiration of those three months shall be increased, effective that day, by the highest per centum of increase in the index during those three months, adjusted to the nearest one-tenth of 1 per centum."
