

ANNUAL ACTIVE DUTY PERSONNEL STRENGTH

For the fiscal year beginning July 1, 1971, and ending June 30, 1972, the average active duty personnel strength of the Coast Guard shall be 38,284. If the Coast Guard Selected Reserve program is not phased out as planned in the budget, the authorized active duty personnel strength is increased 567 men to 38,851; except when the President of the United States determines that the application of these ceilings will seriously jeopardize the national security interests of the United States and informs the Congress of the basis of such determination.

Approved August 13, 1971.
